Reiterating its conviction that the establishment of nuclear-weapon-free zones in various regions of the world is one of the measures which can contribute most effectively to the objectives of non-proliferation of nuclear weapons and general and complete disarmament,

Believing that the establishment of a nuclear-weapon-free zone in South Asia, as in other regions, will strengthen the security of the States of the region against the use or threat of use of nuclear weapons,

Noting the declarations issued at the highest level by Governments of South Asian States reaffirming their undertaking not to acquire or manufacture nuclear weapons and to devote their nuclear programmes exclusively to the economic and social advancement of their peoples,

Recalling that in the above-mentioned resolutions it called upon the States of the South Asian region and such other neighbouring non-nuclear-weapon States as might be interested to make all possible efforts to establish a nuclear-weapon-free zone in South Asia and to refrain, in the meantime, from any action contrary to this objective,

Further recalling that, in its resolutions 3265 B (XXIX), 31/73 and 32/83, it requested the Secretary-General to convene a meeting for the purpose of the consultations mentioned therein and to render such assistance as might be required to promote the efforts for the establishment of a nuclear-weapon-free zone in South Asia,

Bearing in mind the provisions of paragraphs 60 to 63 of the Final Document of the Tenth Special Session of the General Assembly 1/ regarding the establishment of nuclear-weapon-free zones, including in the region of South Asia,

Taking note of the report of the Secretary-General on the establishment of a nuclear-weapon-free zone in South Asia, 2/

1. Reaffirms its endorsement, in principle, of the concept of a nuclear-weapon-free zone in South Asia;

1/ Resolution S-10/2.
2/ A/35/452.
2. Urges once again the States of South Asia and such other neighbouring non-nuclear-weapon States as may be interested to continue to make all possible efforts to establish a nuclear-weapon-free zone in South Asia and to refrain, in the meantime, from any action contrary to this objective;

3. Calls upon those nuclear-weapon States which have not done so to respond positively to this proposal and to extend the necessary co-operation in the efforts to establish a nuclear-weapon-free zone in South Asia;

4. Requests the Secretary-General to render such assistance as may be required to promote the efforts for the establishment of a nuclear-weapon-free zone in South Asia and to report on the subject to the General Assembly at its thirty-sixth session;

5. Decides to include in the provisional agenda of its thirty-sixth session the item entitled "Establishment of a nuclear-weapon-free zone in South Asia".
