GENERAL ASSEMBLY

OFFICIAL RECORDS: THIRTY-SEVENTH SESSION
SUPPLEMENT No. 51 (A/37/51)

UNITED NATIONS
New York, 1983
NOTE

Symbols of United Nations documents are composed of capital letters combined with figures. Mention of such a symbol indicates a reference to a United Nations document. The resolutions and decisions of the General Assembly are identified as follows:

Regular sessions

Until the thirtieth regular session, the resolutions of the General Assembly were identified by an arabic numeral followed by a roman numeral in parentheses indicating the session (for example: resolution 3363 (XXX)). When several resolutions were adopted under the same number, each of them was identified by a capital letter placed between the two numerals (for example: resolution 3367 A (XXX), resolutions 3411 A and B (XXX), resolutions 3419 A to D (XXX)). The decisions were not numbered.

Since the thirty-first session, as part of the new system adopted for symbols of General Assembly documents, resolutions and decisions have been identified by an arabic numeral, indicating the session, followed by an oblique stroke and another arabic numeral (for example: resolution 31/1, decision 31/301). When several resolutions or decisions were adopted under the same number, each of them has been identified by a capital letter placed after the two numerals (for example: resolution 31/16 A, resolutions 31/6 A and B, decisions 31/406 A to E).

Special sessions

Until the seventh special session, the resolutions of the General Assembly were identified by an arabic numeral followed, in parentheses, by the letter “S” and a roman numeral indicating the session (for example: resolution 3362 (S-VII)). The decisions were not numbered.

Since the eighth special session, resolutions and decisions have been identified by the letter “S” and an arabic numeral indicating the session, followed by an oblique stroke and another arabic numeral (for example: resolution S-8/1, decision S-8/11).

Emergency special sessions

Until the fifth emergency special session, the resolutions of the General Assembly were identified by an arabic numeral followed, in parentheses, by the letters “ES” and a roman numeral indicating the session (for example: resolution 2252 (ES-V)). The decisions were not numbered.

Since the sixth emergency special session, resolutions and decisions have been identified by the letters “ES” and an arabic numeral indicating the session, followed by an oblique stroke and another arabic numeral (for example: resolution ES-6/1, decision ES-6/11).

In each of the series described above, the numbering follows the order of adoption.

Having been informed of the death sentence imposed on 6 August 1982 on three members of the African National Congress of South Africa, Thelzi Simon Mogoerane, Jerry Semano Mosololi and Marcus Thabo Motaung,

Considering the numerous appeals for clemency already addressed to the South African régime,

1. Calls upon the South African authorities not to proceed with the execution of the three above-mentioned freedom fighters and to commute the death sentences as soon as possible;

2. Recommends that the Security Council should direct an appeal for clemency to the South African authorities not to proceed with the execution of the three above-mentioned members of the African National Congress of South Africa;

3. Requests the Secretary-General to transmit the present resolution to the South African authorities immediately and to report on the matter to the General Assembly not later than 15 October 1982.

14th plenary meeting
1 October 1982

37/2. South Africa's application for credit from the International Monetary Fund

The General Assembly,

Having learned of the application by South Africa to the International Monetary Fund for a credit of one billion special drawing rights,

Recalling its resolutions on the policies of apartheid of the Government of South Africa, particularly its repeated requests to the International Monetary Fund for the termination of loans and credits to South Africa,2 and its resolution 36/172 O of 17 December 1981 on investments in South Africa,

1. Again requests the International Monetary Fund to refrain from granting any credits or other assistance to South Africa;

2. Urges States members of the International Monetary Fund to take appropriate action towards that end;

3. Urges the Security Council to consider the matter as soon as possible with a view to taking appropriate action;

37/3. Consequences of the prolongation of the armed conflict between Iran and Iraq

The General Assembly,

Having considered the item entitled "Consequences of the prolongation of the armed conflict between Iran and Iraq",

2 See resolution 36/172 D.
Noting the Preamble of the Charter of the United Nations, in which all States expressed their determination to live together in peace with one another as good neighbours,

Reaffirming the principles that no State should acquire or occupy territories by the use of force, that whatever territories had been acquired in this way should be returned, that no act of aggression should be committed against any State, that the territorial integrity and the sovereignty of all States should be respected, that no State should try to interfere or intervene in the internal affairs of other States and that all differences or claims which may exist between States should be settled by peaceful means in order that peaceful relations should prevail among Member States,

Further recalling the statements made by the President of the Security Council on 5 November 1980 and 15 July 1982,

Taking note of the report of the Secretary-General of 7 October 1982,

Considering that the Security Council has already called for an immediate cease-fire and an end to all military operations,

Considering further that the prolongation of the conflict constitutes a violation of the obligations of Member States under the Charter,

1. Considers that the conflict between Iran and Iraq and its prolongation and recent escalation, resulting in heavy losses in human lives and considerable material damage in a politically and economically strategic region, endanger the peace and security;

2. Affirms the necessity of achieving an immediate cease-fire and withdrawal of forces to internationally recognized boundaries as a preliminary step towards the settlement of disputes by peaceful means in conformity with the principles of justice and international law;

3. Calls upon all other States to abstain from all actions which could contribute to the continuation of the conflict and to facilitate the implementation of the present resolution;

4. Requests the Secretary-General to continue his efforts, in consultation with the parties concerned, with a view to achieving a peaceful settlement;

Recalling further the Declaration on Kampuchean 10 and resolution 1 (I) 11 adopted by the International Conference on Kampuchea, which offer the negotiating framework for a comprehensive political settlement of the Kampuchean problem,
Taking note of the report of the Secretary-General, 12 submitted in pursuance of General Assembly resolution 36/5,
Noting the recent developments resulting in the coalition with Samdech Norodom Sihanouk as President of Democratic Kampuchea,

Deploring that foreign armed intervention and occupation continue and that foreign forces have not been withdrawn from Kampuchea, thus causing continuing hostilities in that country and seriously threatening international peace and security,

Greatly concerned that the continuing deployment of foreign forces in Kampuchea near the Thai-Kampuchean border has maintained tension in the region,

Gravely disturbed that the continued fighting and instability in Kampuchea have forced Kampucheanos to flee to the Thai-Kampuchean border in search of food and safety,

Recognizing that the assistance extended by the international community has continued to reduce the food shortages and health problems of the Kampuchean people,

Emphasizing that it is the inalienable right of the Kampuchean people who have sought refuge in neighbouring countries to return safely to their homeland,

Emphasizing further that no effective solution to the humanitarian problems can be achieved without a comprehensive political settlement of the Kampuchean conflict,

Convinced that, to bring about durable peace in South-East Asia, there is an urgent need for a comprehensive political solution to the Kampuchean problem which will provide for the withdrawal of all foreign forces and ensure respect for the sovereignty, independence, territorial integrity and neutral and non-aligned status of Kampuchea, as well as the right of the Kampuchean people to self-determination free from outside interference,

Convinced further that, after the comprehensive political settlement of the Kampuchean question through peaceful means, the countries of the South-East Asian region can pursue efforts to establish a zone of peace, freedom and neutrality in South-East Asia so as to lessen international tensions and to achieve lasting peace in the region,

Reaffirming the need for all States to adhere strictly to the principles of the Charter of the United Nations, which call for respect for the national independence, sovereignty and territorial integrity of all States, non-intervention and non-interference in the internal affairs of States, non-recourse to the threat or use of force, and peaceful settlement of disputes,

1. Reaffirms its resolutions 34/22, 35/6 and 36/5 and calls for their full implementation;

2. Reiterates its conviction that the withdrawal of all foreign forces from Kampuchea, the restoration and preservation of its independence, sovereignty and territorial integrity, the right of the Kampuchean people to determine their own destiny and the commitment by all States to non-interference and non-intervention in the internal affairs of Kampuchea are the principal components of any just and lasting resolution to the Kampuchean problem;

3. Takes note with appreciation of the report of the Ad Hoc Committee of the International Conference on Kampuchea 13 and requests that the Committee continue its work, pending the reconvening of the Conference;

4. Authorizes the Ad Hoc Committee to convene when necessary and to carry out the tasks entrusted to it in its mandate;

7. Requests the Conference to report to the General Assembly on its future sessions;

8. Requests the Secretary-General to continue to consult with and assist the Conference and the Ad Hoc Committee and to provide them on a regular basis with the necessary facilities to carry out their functions;

9. Expresses its appreciation once again to the Secretary-General for taking appropriate steps in following the situation closely and requests him to continue to do so and to exercise his good offices in order to contribute to a comprehensive political settlement;

10. Expresses its deep appreciation once again to donor countries, the United Nations and its agencies and other national and international humanitarian organizations which have rendered relief assistance to the Kampuchean people, and appeals to them to continue existing arrangements to assist those Kampucheanos who are still in need, especially along the Thai-Kampuchean border and in the holding centres in Thailand;

11. Reiterates its deep appreciation to the Secretary-General for his efforts in co-ordinating humanitarian relief assistance and in monitoring its distribution, and requests him to continue such efforts as are necessary;

12. Urges the countries of South-East Asia, once a comprehensive political solution to the Kampuchean conflict is achieved, to exert renewed efforts to establish a zone of peace, freedom and neutrality in South-East Asia;

13. Reiterates the hope that, following a comprehensive political solution, an intergovernmental committee will be established to consider a programme of assistance to Kampuchea for the reconstruction of its economy and for the economic and social development of all States in the region;

14. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session on the implementation of the present resolution;

15. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "The situation in Kampuchea".

37/7. World Charter for Nature

The General Assembly,

Having considered the report of the Secretary-General on the revised draft World Charter for Nature, \(^{14}\)

Recalling that, in its resolution 35/7 of 30 October 1980, it expressed its conviction that the benefits which could be obtained from nature depended on the maintenance of natural processes and on the diversity of life forms and that those benefits were jeopardized by the excessive exploitation and the destruction of natural habitats,

Further recalling that, in the same resolution, it recognized the need for appropriate measures at the national and international levels to protect nature and promote international co-operation in that field,

Recalling that, in its resolution 36/6 of 27 October 1981, it again expressed its awareness of the crucial importance attached by the international community to the promotion and development of co-operation aimed at protecting and safeguarding the balance and quality of nature and invited the Secretary-General to transmit to Member States the text of the revised version of the draft World Charter for Nature contained in the report of the Ad Hoc Group of Experts on the draft World Charter for Nature, \(^{15}\) as well as any further observations by States, with a view to appropriate consideration by the General Assembly at its thirty-seventh session,

Conscious of the spirit and terms of its resolutions 35/7 and 36/6, in which it solemnly invited Member States, in the exercise of their permanent sovereignty over their natural resources, to conduct their activities in recognition of the supreme importance of protecting natural systems, maintaining the balance and quality of nature and conserving natural resources, in the interests of present and future generations,

Having considered the supplementary report of the Secretary-General, \(^{16}\)

Expressing its gratitude to the Ad Hoc Group of Experts which, through its work, has assembled the necessary elements for the General Assembly to be able to complete the consideration of and adopt the revised draft World Charter for Nature at its thirty-seventh session, as it had previously recommended,

Adopts and solemnly proclaims the World Charter for Nature contained in the annex to the present resolution.

ANNEX

World Charter for Nature

The General Assembly,

Reaffirming the fundamental purposes of the United Nations, in particular the maintenance of international peace and security, the development of friendly relations among nations and the achievement of international cooperation in solving international problems of an economic, social, cultural, technical, intellectual or humanitarian character,

Aware that:

(a) Mankind is a part of nature and life depends on the uninterrupted functioning of natural systems which ensure the supply of energy and nutrients,

(b) Civilization is rooted in nature, which has shaped human culture and influenced all artistic and scientific achievement, and living in harmony with nature gives man the best opportunities for the development of his creativity, and for rest and recreation,

Convinced that:

(a) Every form of life is unique, warranting respect regardless of its worth to man, and, to accord other organisms such recognition, man must be guided by a moral code of action,

(b) Man can alter nature and exhaust natural resources by his action or its consequences and, therefore, must fully recognize the urgency of maintaining the stability and quality of nature and of conserving natural resources,

Pursued that:

(a) Lasting benefits from nature depend upon the maintenance of essential ecological processes and life support systems, and upon the diversity of life forms, which are jeopardized through excessive exploitation and habitat destruction by man,

(b) The degradation of natural systems owing to excessive consumption and misuse of natural resources, as well as to failure to establish an appropriate economic order among peoples and among States, leads to the breakdown of the economic, social and political framework of civilization,

(c) Competition for scarce resources creates conflicts, whereas the conservation of nature and natural resources contributes to justice and the maintenance of peace and cannot be achieved until mankind learns to live in peace and to forsake war and armaments,

Reaffirming that man must acquire the knowledge to maintain and enhance his ability to use natural resources in a manner which ensures the preservation of the species and ecosystems for the benefit of present and future generations,

Firmly convinced of the need for appropriate measures, at the national and international, individual and collective, and private and public levels, to protect nature and promote international co-operation in this field,

Adopts, to these ends, the present World Charter for Nature, which proclaims the following principles of conservation by which all human conduct affecting nature is to be guided and judged.

1. General principles

1. Nature shall be respected and its essential processes shall not be impaired.

2. The genetic viability on the earth shall not be compromised; the population levels of all life forms, wild and domesticated, must be at least sufficient for their survival, and to this end necessary habitats shall be safeguarded.

3. All areas of the earth, both land and sea, shall be subject to these principles of conservation; special protection shall be given to unique areas, to representative samples of all the different types of ecosystems and to the habitats of rare or endangered species.

4. Ecosystems and organisms, as well as the land, marine and atmospheric resources that are utilized by man, shall be managed to achieve and maintain optimum sustainable productivity, but not in such a way as to endanger the integrity of those other ecosystems or species with which they coexist.

5. Nature shall be secured against degradation caused by warfare or other hostile activities.

II. Functions

6. In the decision-making process it shall be recognized that man's needs can be met only by ensuring the proper functioning of natural systems and by respecting the principles set forth in the present Charter.
7. In the planning and implementation of social and economic development activities, due account shall be taken of the fact that the conservation of nature is an integral part of those activities.

8. In formulating long-term plans for economic development, population growth and the improvement of standards of living, due account shall be taken of the long-term capacity of natural systems to ensure the subsistence and settlement of the populations concerned, recognizing that this capacity may be enhanced through science and technology.

9. The allocation of areas of the earth to various uses shall be planned and due account shall be taken of the physical constraints, the biological productivity and diversity and the natural beauty of the areas concerned.

10. Natural resources shall not be wasted, but used with a restraint appropriate to the principles set forth in the present Charter, in accordance with the following rules:

(a) Living resources shall not be utilized in excess of their natural capacity for regeneration;

(b) The productivity of soils shall be maintained or enhanced through measures which safeguard their long-term fertility and the process of organic decomposition, and prevent erosion and all other forms of degradation;

(c) Resources, including water, which are not consumed as they are used shall be reused or recycled;

(d) Non-renewable resources which are consumed as they are used shall be exploited with restraint, taking into account their abundance, the rational possibilities of converting them for consumption, and the compatibility of their exploitation with the functioning of natural systems.

11. Activities which might have an impact on nature shall be controlled, and the best available technologies that minimize significant risks to nature or other adverse effects shall be used; in particular:

(a) Activities which are likely to cause irreversible damage to nature shall be avoided;

(b) Activities which are likely to pose a significant risk to nature shall be preceded by an exhaustive examination; their proponents shall demonstrate that expected benefits outweigh potential damage to nature, and where potential adverse effects are not fully understood, the activities should not proceed;

(c) Activities which may disturb nature shall be preceded by assessment of their consequences, and environmental impact studies of development projects shall be conducted sufficiently in advance, and if they are to be undertaken, such activities shall be planned and carried out so as to minimize potential adverse effects;

(d) Agriculture, grazing, forestry and fisheries practices shall be adapted to the natural characteristics and constraints of given areas;

(e) Areas degraded by human activities shall be rehabilitated for purposes in accord with their natural potential and compatible with the well-being of affected populations.

12. Discharge of pollutants into natural systems shall be avoided and:

(a) Where this is not feasible, such pollutants shall be treated at the source, using the best practicable means available;

(b) Special precautions shall be taken to prevent discharge of radioactive or toxic wastes.

13. Measures intended to prevent, control or limit natural disasters, infestations and diseases shall be specifically directed to the causes of these scourges and shall avoid adverse side-effects on nature.

III. IMPLEMENTATION

14. The principles set forth in the present Charter shall be reflected in the law and practice of each State, as well as at the international level.

15. Knowledge of nature shall be broadly disseminated by all possible means, particularly by ecological education as an integral part of general education.

16. All planning shall include, among its essential elements, the formulation of strategies for the conservation of nature, the establishment of inventories of ecosystems and assessments of the effects on nature of proposed policies and activities; all of these elements shall be disclosed to the public by appropriate means in time to permit effective consultation and participation.

17. Funds, programmes and administrative structures necessary to achieve the objective of the conservation of nature shall be provided.

18. Constant efforts shall be made to increase knowledge of nature by scientific research and to disseminate such knowledge unimpeded by restrictions of any kind.

19. The status of natural processes, ecosystems and species shall be closely monitored to enable early detection of degradation or threat, ensure timely intervention and facilitate the evaluation of conservation policies and methods.

20. Military activities damaging to nature shall be avoided.

21. States and, to the extent they are able, other public authorities, international organizations, individuals, groups and corporations shall:

(a) Co-operate in the task of conserving nature through common activities and other relevant actions, including information exchange and consultation;

(b) Establish standards for products and manufacturing processes that may have adverse effects on nature, as well as agreed methodologies for assessing these effects;

(c) Implement the applicable international legal provisions for the conservation of nature and the protection of the environment;

(d) Ensure that activities within their jurisdictions or control do not cause damage to the natural systems located within other States or in the areas beyond the limits of national jurisdiction;

(e) Safeguard and conserve nature in areas beyond national jurisdiction.

22. Taking fully into account the sovereignty of States over their natural resources, each State shall give effect to the provisions of the present Charter through its competent organs and in co-operation with other States.

23. All persons, in accordance with their national legislation, shall have the opportunity to participate, individually or with others, in the formulation of decisions of direct concern to their environment, and shall have access to means of redress when their environment has suffered damage or degradation.

24. Each person has a duty to act in accordance with the provisions of the present Charter; acting individually, in association with others or through participation in the political process, each person shall strive to ensure that the objectives and requirements of the present Charter are met.

Deeply disturbed by the continuing deterioration of international relations, the frequent recourse to the threat or use of force, the further escalation of the arms race, particularly in its nuclear dimension, the aggravation of global economic problems, widespread, mass and flagrant violations of human rights, all hindrances to the process of decolonization and the continued stalemate in the resolution of various fundamental international crises and their exacerbation,

Gravely concerned at the crisis in many multilateral negotiations and in co-operation, especially within the United Nations,

Noting with concern that the United Nations system of collective security has not been used effectively,

Gravely concerned at the frequent disregard shown for the provisions of the Charter and the resolutions of the United Nations,

Convinced that there is an urgent and imperative need for strict respect for the purposes and principles of the Charter and for strengthening the role of the United Nations in the maintenance of international peace and security and in solving international problems in accordance with the purposes and principles of the Charter,

Recalling the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations, and the Manila Declaration on the Peaceful Settlement of International Disputes,

37/68. Further appeal for clemency in favour of South African freedom fighters

The General Assembly,

Having been informed that the appeal against the death sentences imposed on 19 August 1981 on Mr. Anthony Tsotsobe, Mr. Johannes Shabangu and Mr. David Moise, members of the African National Congress of South Africa, has been rejected by the appellate division,

Recalling its resolution 36/172 J of 17 December 1981, in particular its demand that the racist régime of South Africa refrain from the execution of persons sentenced under arbitrary repressive laws for acts arising from opposition to apartheid,

Deeply concerned that the South African authorities have not yet heeded the General Assembly’s appeal for clemency contained in its resolution 37/1 of 1 October 1982 in favour of three other South African freedom fighters, namely Mr. Simon Mogorane, Mr. Jerry Mosololi and Mr. Marcus Motau,

Considering that the continued repression against and executions of opponents of apartheid are bound to have grave repercussions,

1. Calls upon the South African authorities not to proceed with the execution of the six above-mentioned freedom fighters and to commute the death sentences as soon as possible;

2. Recommends that the Security Council should direct an appeal for clemency to the South African authorities not to proceed with the execution of the six above-mentioned members of the African National Congress of South Africa;

A SITUATION IN SOUTH AFRICA

The General Assembly,

Recalling and reaffirming its resolutions on this question, particularly resolution 36/172 of 17 December 1981,

Having considered the reports of the Special Committee against Apartheid,\textsuperscript{53}

Reaffirming that apartheid is a crime against humanity and a threat to international peace and security,

Bearing in mind that it proclaimed 1982 International Year of Mobilization for Sanctions against South Africa,

Conscious of the responsibility of the United Nations and the international community towards the oppressed people of South Africa and their national liberation movement, as proclaimed, in particular, in General Assembly resolution 3411 C (XXX) of 28 November 1975,

Convinced that it is incumbent on the international community to provide all necessary assistance to the oppressed people of South Africa and their national liberation movement in their legitimate struggle for the establishment of a democratic society pursuant to their inalienable rights, in conformity with the principles contained in the Charter of the United Nations and the Universal Declaration of Human Rights,\textsuperscript{54}

Commending the oppressed people of South Africa and their liberation movements, particularly the African National Congress, for intensifying the armed struggle against the racist régime,

Reaffirming that the apartheid régime is totally responsible for precipitating violent conflict through its policy of apartheid and inhuman repression,

Gravely concerned at the intensification of repression in South Africa, the growing number of deaths in detention and the imposition of death sentences on freedom fighters of the African National Congress,

Reaffirming that freedom fighters of South Africa should be treated as prisoners of war in accordance with Additional Protocol II\textsuperscript{55} to the Geneva Conventions of 12 August 1949.\textsuperscript{56}

Commending the courageous struggle of the black workers of South Africa for their inalienable rights,

Condemning the policy of “bantustanization” designed to dispossess further the African majority of its inalienable rights and to deprive it of citizenship, as well as the continuing forced removals of black people, as an international crime,

Gravely concerned at the growing number of displaced and missing persons resulting from the criminal policies of the racist régime of South Africa,

Reaffirming that apartheid cannot be reformed but must be totally eliminated,

Recognizing that comprehensive and mandatory sanctions by the Security Council under Chapter VII of the Charter of the United Nations are essential to avert the grave threat to international peace and security resulting from the policies and actions of the apartheid régime of South Africa,

Considering that political, economic, military and any other collaboration with the apartheid régime of South Africa encourages its persistent intransigence and defiance of the international community and its escalating acts of repression and aggression,

Gravely concerned at the pronouncements, policies and actions of the Government of the United States of America which have provided comfort and encouragement to the racist régime of South Africa,

Concerned that some Western States and Israel continue military and nuclear co-operation with South Africa, in gross violation of the provisions of Security Council resolution 418 (1977), of 4 November 1977, and have failed to prevent corporations, institutions and individuals within their jurisdiction from carrying out such co-operation,

Gravely concerned that the racist régime of South Africa has continued to obtain military equipment and ammunition, as well as technology and know-how, to develop its armaments industry and to acquire nuclear-weapon capability,

Recognizing that any nuclear-weapon capability of the racist régime of South Africa constitutes a threat to international peace and security and a grave menace to Africa and the world,

Commending all States that have provided assistance to Angola and other front-line States in accordance with the relevant resolutions of the United Nations,

Condemning any encouragement to the apartheid régime in its acts of aggression, direct or indirect, as hostile to the interests of peace and freedom,

Strongly condemning the activities of those transnational corporations that continue to collaborate with the apartheid régime, especially in the military, nuclear, petroleum and other fields, and of those financial institutions which have continued to provide loans and credits to South Africa,

Emphasizing the conclusion of the Paris Declaration on Sanctions against South Africa that the continuing political, economic and military collaboration of certain Western States and their transnational corporations with the racist régime of South Africa encourages its persistent intransigence and defiance of the international community and constitutes a major obstacle to the elimination of the inhuman and criminal system of apartheid in South Africa and the attainment of self-determination, freedom and national independence by the people of Namibia,

6. Again urges the Security Council to determine that the situation in South Africa and in southern Africa as a whole, resulting from the policies and actions of the apartheid régime of South Africa, constitutes a grave and growing threat to international peace and security, and to impose comprehensive and mandatory sanctions against the régime under Chapter VII of the Charter;

7. Demands the immediate and unconditional withdrawal of all troops of the apartheid régime of South Africa from Angola and demands that South Africa respect fully the independence, sovereignty and territorial integrity of Angola and other independent African States;

B

CONCERTED INTERNATIONAL ACTION FOR THE ELIMINATION OF APARTHEID

The General Assembly,

Meeting thirty years after it began consideration of the item entitled “Question of race conflict in South Africa resulting from the policies of apartheid of the Government of the Republic of South Africa”,

Gravely concerned over the situation in South Africa, in particular the efforts of the racist régime of South Africa to perpetuate apartheid, its deportations of African people, its deprivation of the African people of their inalienable rights through the establishment of so-called “independent” bantustans and its ruthless repression against all opponents of the criminal policy of apartheid,

Considering that the policies and actions of the racist régime of South Africa, in particular its acts of aggression, terrorism and destabilization against independent African States, constitute a grave threat to international peace and security,

Recognizing that the racist régime of South Africa, in its persistent defiance of the United Nations, is responsible for the growing threat to the peace in southern Africa and for the repeated breaches of the peace,

Considering that the military build-up and nuclear plans of the racist régime of South Africa constitute a serious menace to international peace and security,

Recognizing further that the total elimination of apartheid and the establishment of a democratic State in South Africa are essential for peace, security and stability in the region,

Recalling the long struggle of the African and other people of South Africa for the elimination of racial discrimination and the establishment of a society in which all the people of the country as a whole—irrespective of race, colour or creed—will enjoy human rights and fundamental freedoms on the basis of equality,

Reaffirming its recognition of the contribution of that struggle to the purposes of the United Nations,

Paying tribute to all those who have sacrificed their lives in the struggle for freedom and human dignity in South Africa,

Expressing its solidarity with all those imprisoned, restricted or otherwise persecuted for participation in that legitimate struggle,

Anxious that all States should co-operate in effective international action to achieve the purposes indicated in unanimous declarations and resolutions of the General Assembly and the Security Council, in particular the elimination of apartheid, an end to repression in South Africa and an end to all violations of the sovereignty and territorial integrity of independent African States,

Mindful of the responsibility of the United Nations and the international community to secure peace in southern Africa and to promote freedom and equality,

1. Appeals to all States and organizations to co-operate fully in effective international action to eliminate apartheid in South Africa, to promote the establishment of a democratic society in which all the people of that country will enjoy human and political rights and to secure peace in the region;

2. Renews its appeal to all States and organizations to deny any assistance, direct or indirect, to the racist régime of South Africa and provide all necessary assistance to the oppressed people of South Africa and their national liberation movements in this crucial period;

3. Appeals to the Western permanent members of the Security Council to co-operate in and facilitate effective action by the Council under Chapter VII of the Charter of the United Nations;

4. Endorses the campaign for the release of Nelson Mandela and all other South African political prisoners as an indispensable prerequisite for a peaceful and just solution in South Africa;

5. Encourages action by trade union organizations all over the world in solidarity with the oppressed workers of South Africa;

6. Appeals to writers, artists, sportsmen and others to participate actively in the international campaign against apartheid in co-operation with the United Nations;

7. Commends the front-line States and other States neighbouring South Africa for their sacrifices in support of freedom in South Africa;

8. Appeals to all States and organizations to lend all necessary moral and material assistance to those States;

9. Warns the racist régime of South Africa against any acts of aggression, terrorism and destabilization against independent African States, and any support to mercenaries:
10. Requests the Special Committee against Apartheid to continue:
   (a) To publicize all acts of aggression, terrorism and destabilization by the racist régime of South Africa against independent African States;
   (b) To promote assistance to the front-line States;

11. Invites the Security Council urgently to give thorough consideration to the ever-growing threat to the peace in southern Africa and to take effective measures under the Charter.

C

COMPREHENSIVE AND MANDATORY SANCTIONS AGAINST SOUTH AFRICA

The General Assembly,

Recalling its resolution 36/172 B of 17 December 1981, the Paris Declaration on Sanctions against South Africa and the programme for the International Year of Mobilization for Sanctions against South Africa,

Having considered the report of the Special Committee against Apartheid,

Considering that the policies and actions of the racist régime of South Africa, its military build-up and its nuclear plans constitute a grave threat to international peace and security,

Reaffirming its conviction that comprehensive and mandatory sanctions imposed by the Security Council under Chapter VII of the Charter of the United Nations, universally applied, are the most appropriate and effective means by which the international community can assist the legitimate struggle of the oppressed people of South Africa and discharge its responsibilities for the maintenance of international peace and security,

Recognizing the urgent need for the termination of military, nuclear, economic and technological collaboration with the racist régime of South Africa, as well as the cessation of sports, cultural and other relations with South Africa,

Deploring the attitude of those Western permanent members of the Security Council that have so far prevented the Council from adopting comprehensive sanctions against South Africa under Chapter VII of the Charter,

Deploring also the attitude of those States, in particular the United States of America and Israel, that have continued and increased their political, economic and other collaboration with South Africa,

Gravely concerned over the activities of those transnational corporations that continue to collaborate with the apartheid régime, especially in the petroleum and other fields, and of those financial institutions that have continued to provide loans and credits to South Africa, and over the failure of the States concerned to take effective action to prevent such collaboration,

Expressing serious concern over the greatly increased investments in and loans to South Africa from the United Kingdom of Great Britain and Northern Ireland, the United States of America, the Federal Republic of Germany and Switzerland,

Commending all States that have taken effective measures, in accordance with relevant resolutions, for the elimination of apartheid in South Africa,

Expressing great appreciation to intergovernmental and non-governmental organizations, in particular anti-apartheid and solidarity movements, trade unions and religious bodies, as well as city and other local authorities, that have taken action to isolate the racist régime of South Africa and to promote support for comprehensive sanctions against that régime,

Commending the decision taken by the Universal Postal Union at its eighteenth Congress, held at Rio de Janeiro from 12 September to 26 October 1979, to expel South Africa from the Union,

Having learned of the current moves to reverse the foregoing decision taken at the eighteenth Congress of the Universal Postal Union,

Recognizing the important role of the mass media in promoting isolation of the racist régime of South Africa and comprehensive sanctions against South Africa,

Commending the Special Committee against Apartheid for its activities, with the assistance of the Centre against Apartheid of the Secretariat and the co-operation of Governments and organizations, in promoting the widest possible support for sanctions against South Africa,

1. Requests all Governments and organizations to continue activities in implementation of the programme for the International Year of Mobilization for Sanctions against South Africa beyond 1982;

2. Requests all States, especially Western States concerned and Israel, to cease all collaboration with the racist régime of South Africa and to implement the relevant resolutions of the United Nations;

3. Requests all States concerned to take action against corporations and other interests that violate the mandatory arms embargo against South Africa or that are involved in the illicit supply to South Africa of oil from States that have imposed an embargo against South Africa;

4. Again requests the Security Council to consider action under Chapter VII of the Charter of the United Nations towards comprehensive and mandatory sanctions against South Africa and, in particular, to take measures:
   (a) To monitor effectively and to reinforce the mandatory arms embargo against South Africa;
   (b) To prohibit all co-operation with South Africa in the military and nuclear fields;
   (c) To prohibit imports of any military equipment or components from South Africa;
   (d) To prevent any co-operation or association with South Africa by any military alliances;
   (e) To impose an effective embargo on the supply of oil and oil products to South Africa;
   (f) To prohibit financial loans to and new investments in South Africa, as well as all promotion of trade with South Africa;

5. Requests and authorizes the Special Committee against Apartheid to intensify its activities for the total isolation of the racist régime of South Africa and for promoting comprehensive and mandatory sanctions against South Africa;

6. Urges all States members of the Universal Postal Union to resist the strong campaign being launched for the purpose of reinstating South Africa’s membership in the Union;

7. Invites all Governments, parliaments, non-governmental organizations, anti-apartheid and solidarity movements, trade unions, religious bodies and other groups to intensify and concert efforts to promote comprehensive
sanctions against South Africa in co-operation with the Special Committee against Apartheid.

MILITARY AND NUCLEAR COLLABORATION WITH SOUTH AFRICA

The General Assembly,

Reaffirming its resolutions on military and nuclear collaboration with South Africa, in particular its resolution 36/172 E of 17 December 1981,

Recalling its resolutions concerning the denuclearization of the continent of Africa,

Having considered the reports of the Special Committee against Apartheid and of the International Conference on Sanctions against South Africa, held in Paris from 20 to 27 May 1981,

Gravely concerned that the racist régime of South Africa has continued to obtain military equipment and ammunition, as well as technology and know-how, to develop its armaments industry and to acquire nuclear-weapon capability.

Recognizing that any nuclear-weapon capability of the racist régime of South Africa constitutes a threat to international peace and security,

Expressing deep concern over the stepped-up arms buildup and war preparations by the racist régime of South Africa and strongly condemning the growing violation of the arms embargo as well as the continued nuclear collaboration by the United States of America and some other Western States and Israel with the apartheid régime,

Condemning the actions of those transnational corporations that continue, through their collaboration with the racist régime of South Africa, to enhance its military and nuclear capabilities,

Recalling that the Security Council had determined in resolution 418 (1977), under Chapter VII of the Charter of the United Nations, that the acquisition by South Africa of arms and related matériel constituted a threat to the maintenance of international peace and security,

Considering the urgent need for mandatory decisions by the Security Council, under Chapter VII of the Charter, to prohibit any military and nuclear collaboration with the racist régime of South Africa,

1. Urges the Security Council to take mandatory decisions, under Chapter VII of the Charter of the United Nations, to ensure the total cessation of all co-operation with the racist régime of South Africa in military and nuclear fields by Governments, corporations, institutions and individuals;

2. Deplores the actions of several Western States and Israel which have provided the racist régime of South Africa with an enormous arsenal of military equipment and technology, as well as assistance in its nuclear plans, and which have allowed corporations under their jurisdiction to invest in the armaments industry in South Africa;

3. Condemns any manoeuvres to create military pacts or arrangements with the participation of the racist régime of South Africa;

4. Invites all Governments and organizations to assist, in consultation with the national liberation movements of South Africa and Namibia, persons compelled to leave South Africa because of their objection, on the ground of conscience, to serving in the military or police force of the apartheid régime.

RELATIONS BETWEEN ISRAEL AND SOUTH AFRICA

The General Assembly,
Reaffirming its resolutions on relations between Israel and South Africa,

Having considered the special report of the Special Committee against Apartheid on recent developments concerning relations between Israel and South Africa, 65

Alarmed at the increasing collaboration by Israel with the racist régime of South Africa, especially in the military and nuclear fields, in defiance of resolutions of the General Assembly and the Security Council,

Considering that such collaboration is a serious hindrance to international action for the eradication of apartheid, an encouragement to the racist régime of South Africa to persist in its criminal policy of apartheid and a hostile act against the oppressed people of South Africa and the entire African continent, and constitutes a threat to international peace and security,

1. Again strongly condemns the continuing and increasing collaboration of Israel with the racist régime of South Africa, especially in the military and nuclear fields;

INVESTMENTS IN SOUTH AFRICA

The General Assembly,
Recalling its resolution 36/172 O of 17 December 1981,
Taking note of the report of the Special Committee against Apartheid, 61

Convinced that a cessation of all new foreign investments in, and financial loans to, South Africa would constitute an important step in international action for the elimination of apartheid, as such investments and loans abet and encourage the apartheid policies of that country,

Welcoming the actions of those Governments that have taken legislative and other measures towards that end,

Noting with regret that the Security Council has not yet taken steps towards that end, as requested by the General Assembly in its resolutions 31/6 K of 9 November 1976, 32/105 O of 16 December 1977, 33/183 O of 24 January 1979, 34/93 Q of 12 December 1979, 35/206 Q of 16 December 1980 and 36/172 O of 17 December 1981,

37/101. Invasion of Lesotho by South Africa

The General Assembly,

Having learned of the invasion of Lesotho by South Africa on 9 December 1982, resulting in the loss of innocent lives and the destruction of property,

Noting with deep concern the continued acts of aggression by South Africa against Lesotho and other neighbouring independent African States in complete disregard of resolutions of the General Assembly and the Security Council,

Grieved at the tragic loss of human life and concerned about the damage and destruction of property resulting from the invasion of Lesotho by South Africa,

Convinced that international solidarity with Lesotho, as a neighbouring State of South Africa, is essential to counteract effectively South Africa's policy of coercing its neighbours into not opposing its policy of apartheid and not giving sanctuary to South African refugees,

1. Condemns South Africa for its unprovoked invasion of Lesotho, resulting in the loss of innocent lives and the destruction of property;

2. Commends the Government of Lesotho for its opposition to the apartheid policy of the racist regime of South Africa and for the sanctuary it is giving to South African refugees;

3. Urges the Security Council to take immediate steps to deter South Africa from repeating its acts of aggression against and destabilization of Lesotho and other neighbouring independent African States.

37/123. The situation in the Middle East

The General Assembly,

Having discussed the item entitled “The situation in the Middle East”;

Taking note of the reports of the Secretary-General.\(^3\)

\(^3\) A/37/169 and Add.1-3/S/14953 and Add.1-3. For the printed text, see Official Records of the Security Council, Thirty-seventh Year, Supplement for April, May and June 1982, documents S/14953 and Add 1; and ibid., Supplement for October, November and December 1982, documents S/14953/Add 2 and 3.
Recalling Security Council resolution 497 (1981) of 17 December 1981,

Reaffirming its resolutions 36/226 B of 17 December 1981 and ES-9/1 of 5 February 1982,

Recalling its resolution 3314 (XXIX) of 14 December 1974, in which it defined an act of aggression, inter alia, as “the invasion or attack by the armed forces of a State of the territory of another State, or any military occupation, however temporary, resulting from such invasion or attack, or any annexation by the use of force of the territory of another State or part thereof” and provided that “no consideration of whatever nature, whether political, economic, military or otherwise, may serve as a justification for aggression”;

Reaffirming the fundamental principle of the inadmissibility of the acquisition of territory by force,

Reaffirming once more the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, to the occupied Palestinian and other Arab territories, including Jerusalem,

Noting that Israel’s record and actions establish conclusively that it is not a peace-loving Member State and that it has not carried out its obligations under the Charter of the United Nations,

Noting further that Israel has refused, in violation of Article 25 of the Charter, to accept and carry out the numerous relevant decisions of the Security Council, the latest of which was resolution 497 (1981), thus failing to carry out its obligations under the Charter.

1. **Strongly condemns** Israel for its failure to comply with Security Council resolution 497 (1981) and General Assembly resolutions 36/226 B and ES-9/1;

2. **Declares once more** that Israel’s decision of 14 December 1981 to impose its laws, jurisdiction and administration on the occupied Syrian Golan Heights constitutes an act of aggression under the provisions of Article 39 of the Charter of the United Nations and General Assembly resolution 3314 (XXIX);

3. **Declares once more** that Israel’s decision to impose its laws, jurisdiction and administration on the occupied Syrian Golan Heights is null and void and has no legal validity and/or effect whatsoever;

4. ** Declares all** Israeli policies and practices of, or aimed at, annexation of the occupied Palestinian and other Arab territories, including Jerusalem, to be in violation of international law and of the relevant United Nations resolutions;

5. **Determines once more** that all actions taken by Israel to give effect to its decision relating to the occupied Syrian Golan Heights are illegal and invalid and shall not be recognized;

6. **Reaffirms its determination** that all the provisions of the Hague Convention of 1907 and the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, continue to apply to the Syrian territory occupied by Israel since 1967, and calls upon the parties thereto to respect and ensure respect of their obligations under these instruments in all circumstances;

7. **Determines once more** that the continued occupation of the Syrian Golan Heights since 1967 and their effective annexation by Israel on 14 December 1981, following Israel’s decision to impose its laws, jurisdiction and administration on that territory, constitute a continuing threat to international peace and security;

8. **Strongly deplores** the negative vote by a permanent member of the Security Council which prevented the Council from adopting against Israel, under Chapter VII of the Charter, the “appropriate measures” referred to in resolution 497 (1981) unanimously adopted by the Council;

9. **Further deplores** any political, economic, financial, military and technological support to Israel that encourages Israel to commit acts of aggression and to consolidate and perpetuate its occupation and annexation of occupied Arab territories;

The General Assembly,

Having discussed the item entitled "The situation in the Middle East”,

Reaffirming its resolutions 36/226 A and B of 17 December 1981 and ES-9/1 of 5 February 1982,

Taking note of the report of the Secretary-General of 12 October 1982, 78

Welcoming the world-wide support extended to the just cause of the Palestinian people and the other Arab countries in their struggle against Israeli aggression and occupation in order to achieve a comprehensive, just and lasting peace in the Middle East and the full exercise by the Palestinian people of its inalienable national rights, as affirmed by previous resolutions of the General Assembly relating to the question of Palestine and the situation in the Middle East,

Gravely concerned that the Arab and Palestinian territories occupied since 1967, including Jerusalem, still remain under Israeli occupation, that the relevant resolutions of the United Nations have not been implemented and that the Palestinian people is still denied the restoration of its land and the exercise of its inalienable national rights in conformity with international law, as reaffirmed by resolutions of the United Nations,

Reaffirming the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of

II. Resolutions adopted without reference to a Main Committee

War, of 12 August 1949,\(^{72}\) to all the occupied Palestinian and other Arab territories, including Jerusalem.

Reiterating all relevant United Nations resolutions which emphasize that the acquisition of territory by force is inadmissible under the Charter of the United Nations and the principles of international law and that Israel must withdraw unconditionally from all the Palestinian and other Arab territories occupied by Israel since 1967, including Jerusalem.

Reaffirming further the imperative necessity of establishing a comprehensive, just and lasting peace in the region, based on full respect for the Charter and the principles of international law.

Gravely concerned also at recent Israeli actions involving the escalation and expansion of the conflict in the region, which further violate the principles of international law and endanger international peace and security.

Welcoming the Arab peace plan adopted unanimously at the Twelfth Arab Summit Conference, held at Fez, Morocco, on 25 November 1981 and 9 September 1982.\(^{79}\)

Bearing in mind the address made, on 26 October 1982, by His Majesty King Hassan II of Morocco,\(^{80}\) in his capacity as President of the Twelfth Arab Summit Conference.

1. **Condemns** Israel’s continued occupation of the Palestinian and other Arab territories, including Jerusalem, in violation of the Charter of the United Nations, the principles of international law and the relevant resolutions of the United Nations, and demands the immediate, unconditional and total withdrawal of Israel from all these occupied territories;

2. **Reaffirms** its conviction that the question of Palestine is the core of the conflict in the Middle East and that no comprehensive, just and lasting peace in the region will be achieved without the full exercise by the Palestinian people of its inalienable national rights and the immediate, unconditional and total withdrawal of Israel from all the Palestinian and other occupied Arab territories;

3. **Reaffirms** further that a just and comprehensive settlement of the situation in the Middle East cannot be achieved without the participation on an equal footing of all the parties to the conflict, including the Palestine Liberation Organization, the representative of the Palestinian people;

4. **Declares once more** that peace in the Middle East is indivisible and must be based on a comprehensive, just and lasting solution of the Middle East problem, under the auspices of the United Nations, which ensures the complete and unconditional withdrawal of Israel from the Palestinian and other Arab territories occupied since 1967, including Jerusalem, and which enables the Palestinian people, under the leadership of the Palestine Liberation Organization, to exercise its inalienable rights, including the right to return and the right to self-determination, national independence and the establishment of its independent sovereign State in Palestine, in accordance with the resolutions of the United Nations relevant to the question of Palestine, in particular General Assembly resolutions ES-7/2 of 29 July 1980, 36/120 A to F of 10 December 1981, 37/86 A to D of 10 December 1982 and 37/86 E of 20 December 1982;

5. **Rejects** all agreements and arrangements in so far as they violate the recognized rights of the Palestinian people and contradict the principles of just and comprehensive solutions to the Middle East problem to ensure the establishment of a just peace in the area;

6. **Deplores** Israel’s failure to comply with Security Council resolutions 476 (1980) of 30 June 1980 and 478 (1980) of 20 August 1980 and General Assembly resolutions 35/207 of 16 December 1980 and 36/226 A and B of 17 December 1981, determines that Israel’s decision to annex Jerusalem and to declare it as its ‘capital’ as well as the measures to alter its physical character, demographic composition, institutional structure and status are null and void and demands that they be rescinded immediately, and calls upon all Member States, the specialized agencies and all other international organizations to abide by the present resolution and all other relevant resolutions, including Assembly resolutions 37/86 A to E;

7. **Condemns** Israel’s aggression and practices against the Palestinian people in the occupied Palestinian territories and outside these territories, particularly Palestinians in Lebanon, including the expropriation and annexation of territory, the establishment of settlements, assassination attempts and other terrorist, aggressive and repressive measures, which are in violation of the Charter and the principles of international law and the relevant international conventions;

8. **Strongly condemns** the imposition by Israel of its laws, jurisdiction and administration on the occupied Syrian Golan Heights, its annexationist policies and practices, the establishment of settlements, the confiscation of lands, the diversion of water resources and the imposition of Israeli citizenship on Syrian nationals, and declares that all these measures are null and void and constitute a violation of the rules and principles of international law relevant to belligerent occupation, in particular the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949;

9. **Considers** that the agreements on strategic co-operation between the United States of America and Israel signed on 30 November 1981 would encourage Israel to pursue its aggressive and expansionist policies and practices in the Palestinian and other Arab territories occupied since 1967, including Jerusalem, would have adverse effects on efforts for the establishment of a comprehensive, just and lasting peace in the Middle East and would threaten the security of the region;

10. **Calls upon** all States to put an end to the flow to Israel of any military, economic and financial aid, as well as of human resources, aimed at encouraging it to pursue its aggressive policies against the Arab countries and the Palestinian people;

11. **Requests** the Secretary-General to report to the Security Council periodically on the development of the situation and to submit to the General Assembly at its thirty-eighth session a comprehensive report covering the developments in the Middle East in all their aspects.

Recalling, in particular, its resolutions 2145 (XXI) of 27 October 1966 and 2248 (S-V) of 19 May 1967 and subsequent resolutions of the General Assembly and the Security Council relating to Namibia, as well as the advisory opinion of the International Court of Justice of 21 June 1971,87 delivered in response to the request addressed to it by the Security Council in its resolution 284 (1970) of 29 July 1970,

Recalling further its resolutions ES-8/2 of 14 September 1981 and 36/121 B of 10 December 1981, by which it called upon States to cease forthwith, individually and collectively, all dealings with South Africa in order totally to isolate it politically, economically, militarily and culturally,

Taking into consideration the Arusha Declaration and Programme of Action on Namibia,89 adopted by the United Nations Council for Namibia on 13 May 1982 at its extraordinary plenary meeting held at Arusha, United Republic of Tanzania,

Stressing the grave responsibility of the international community to take all possible measures in support of the Namibian people in their liberation struggle under the leadership of their sole and authentic representative, the South West Africa People’s Organization,

13. Denounces all fraudulent constitutional and political schemes through which the illegal racist régime of South Africa may attempt to perpetuate its colonial domination in Namibia and, in particular, calls upon the international community, especially all Member States, to continue to refrain from according any recognition or extending any cooperation to any régime which the illegal South African administration may impose upon the Namibian people in disregard of the present resolution, of Security Council resolutions 385 (1976), 435 (1978) and 439 (1978) and of other relevant resolutions of the General Assembly and the Council;

IMPLEMENTATION OF SECURITY COUNCIL RESOLUTION 435 (1978)

The General Assembly,
Reaffirming the imperative need to proceed without any further delay with the implementation of Security Council resolution 435 (1978) of 29 September 1978, which, together with Council resolution 385 (1976) of 30 January 1976, is the only basis for a peaceful settlement of the question of Namibia,
Taking note of the consultations which have been held with a view to achieving the implementation of Security Council resolution 435 (1978) and noting that those consultations have so far failed to bring about its implementation,

Condemning the attempts to link the independence of Namibia with totally extraneous issues, in particular the withdrawal of Cuban troops from Angola, an issue which falls within the exclusive domestic jurisdiction of a sovereign Member State,

1. **Reaffirms** the direct responsibility of the United Nations for Namibia pending its achievement of genuine self-determination and national independence;

2. **Reiterates** that Security Council resolution 435 (1978), in which the Council endorsed the United Nations plan for the independence of Namibia, is the only basis for a peaceful settlement of the question of Namibia and calls for its immediate and unconditional implementation without qualification or modification;

14. Calls upon the parties concerned to refrain from any action which violates or is designed to violate the independence, unity, sovereignty and territorial integrity of the Republic of Cyprus;

15. Reiterates its recommendation that the Security Council should examine the question of implementation, within a specified time-frame, of its relevant resolutions and consider and adopt thereafter, if necessary, all appropriate and practical measures under the Charter of the United Nations for ensuring the speedy and effective implementation of the resolutions of the United Nations on Cyprus;

16. Welcomes the intention of the Secretary-General, as expressed in his report, to pursue a renewed personal involvement in the quest for a solution of the problem of Cyprus and, in view of this, requests the Secretary-General to undertake such actions or initiatives as he may consider appropriate within the framework of the mission of good offices entrusted to him by the Security Council for promoting a just and lasting solution of the problem and to report to the General Assembly at its thirty-eighth session on the results of his efforts;

17. Decides to include in the provisional agenda of its thirty-eighth session the item entitled “Question of Cyprus” and requests the Secretary-General to follow up the implementation of the present resolution and to report on all its aspects to the General Assembly at that session.

**37/70. Economic and social consequences of the arms race and its extremely harmful effects on world peace and security**

*The General Assembly,*

*Having considered* the item entitled “Economic and social consequences of the arms race and its extremely harmful effects on world peace and security”,

*Recalling* its resolutions 2667 (XXV) of 7 December 1970, 2831 (XXVI) of 16 December 1971, 3075 (XXVIII) of 6 December 1973, 32/75 of 12 December 1977 and 35/141 of 12 December 1980,

*Deeply concerned* that the arms race, particularly in nuclear armaments, and military expenditures continue to increase at an alarming speed, constituting a grave danger for world peace and security,

*Recalling also* the conclusion of the General Assembly at its twelfth special session, the second special session devoted to disarmament, that the vastly increased military budgets have also contributed to current economic problems in certain States and that existing and planned military programmes constitute a colossal waste of precious resources which might otherwise be used to elevate the living standards of all peoples and solve the problems confronting developing countries in achieving economic and social development,

*Reaffirming* the need for all Governments and peoples to be informed about and understand the situation prevailing in the field of the arms race and disarmament,

---

Having in mind the objectives of the World Disarmament Campaign, solemnly launched by the General Assembly at its twelfth special session,\(^3\) which is intended to promote public interest in, and support for, reaching agreements on measures of arms limitation and disarmament,

Recalling further paragraph 93 (c) of the Final Document of the Tenth Special Session of the General Assembly,\(^4\) the first special session devoted to disarmament, in which it is provided that the Secretary-General shall periodically submit reports to the Assembly on the economic and social consequences of the arms race and its extremely harmful effects on world peace and security,

Considering that the elaboration of such reports should be viewed as a measure aimed at building confidence among States,

1. **Welcomes with satisfaction** the updated report of the Secretary-General on the economic and social consequences of the arms race and of military expenditures;\(^5\)

2. **Expresses its thanks** to the Secretary-General and to the Group of Consultant Experts on the Economic and Social Consequences of the Arms Race and of Military Expenditures, as well as to the Governments and international organizations that have rendered assistance in updating the report;

3. **Recommends** that the conclusions of the updated report should be brought to the attention of public opinion and also taken into account in future action by the United Nations in the field of disarmament;

4. **Requests** the Secretary-General to make the necessary arrangements for the reproduction of the report as a United Nations publication\(^6\) and to give it publicity in the framework of the World Disarmament Campaign, taking also into account the views expressed on the report by Member States not later than 1 March 1983;

5. **Recommends** that all Governments should ensure the widest possible distribution of the report, including, where appropriate, its translation into the respective national languages;

6. **Invites** the specialized agencies as well as intergovernmental, national and non-governmental organizations to use their facilities to make the report widely known;

7. **Reaffirms** its decision to keep the item entitled "Economic and social consequences of the arms race and its extremely harmful effects on world peace and security" under constant review, and decides to include it in the provisional agenda of its fortieth session.

98th plenary meeting
9 December 1982

37/72. **Cessation of all test explosions of nuclear weapons**

The General Assembly.

Bearing in mind that the complete cessation of nuclear-weapon tests, which has been examined for more than twenty-five years and on which the General Assembly has adopted more than forty resolutions, is a basic objective of the United Nations in the sphere of disarmament, to the attainment of which it has repeatedly assigned the highest priority,

Stressing that on seven different occasions it has condemned such tests in the strongest terms and that, since 1974, it has stated its conviction that the continuance of nuclear-weapons testing will intensify the arms race, thus increasing the danger of nuclear war,

Reiterating the assertion made in several previous resolutions that, whatever may be the differences on the question of verification, there is no valid reason for delaying the conclusion of an agreement on a comprehensive test ban,

Recalling that since 1972 the Secretary-General has declared that all the technical and scientific aspects of the problem have been so fully explored that only a political decision is now necessary in order to achieve final agreement, that when the existing means of verification are taken into account it is difficult to understand further delay in achieving agreement on an underground test ban, and that the potential risks of continuing underground nuclear-weapons tests would far outweigh any possible risks from ending such tests,

Recalling also that the Secretary-General, in his foreword to the report entitled "Comprehensive nuclear-test ban",\(^7\) submitted to the General Assembly at its thirty-fifth session

\(^{3}\) Ibid., document A/S-12/32, annex V.
\(^{4}\) Resolution S-10/2.
\(^{5}\) A/37/386. The report was subsequently issued with the title Economic and Social Consequences of the Arms Race and of Military Expenditures (United Nations Publication, Sales No. E.83.IX.2).

\(^{7}\) A/35/257.
reiterated with special emphasis the opinion he had expressed nine years earlier and, after specifically referring to it, added: "I still hold that belief. The problem can and should be solved now."

Noting that in the same report, which was prepared in compliance with General Assembly decision 34/422 of 11 December 1979, the experts emphasized that non-nuclear-weapon States in general had come to regard the achievement of a comprehensive test ban as a litmus test of the determination of the nuclear-weapon States to halt the arms race, adding that verification of compliance no longer seemed to be an obstacle to reaching agreement,

Taking into account that the three nuclear-weapon States which act as depositaries of the Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water undertook in that Treaty, almost twenty years ago, to seek the achievement of the discontinuance of all test explosions of nuclear weapons for all time and that such an undertaking was explicitly reiterated in 1968 in the Treaty on the Non-Proliferation of Nuclear Weapons,

Deploring that neither the Committee on Disarmament nor the General Assembly at its twelfth special session have been able to elaborate a comprehensive test-ban treaty,

Reiterates once again its grave concern that, despite the express wishes of the overwhelming majority of Member States, nuclear-weapon testing continues unabated;

2. Reaffirms its conviction that a treaty to achieve the prohibition of all nuclear-test explosions by all States for all time is a matter of the highest priority and constitutes a vital element for the success of efforts to prevent both vertical and horizontal proliferation of nuclear weapons and a contribution to nuclear disarmament;

3. Urges all States that have not yet done so to adhere without further delay to the Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water and, meanwhile, to refrain from testing in the environments covered by that Treaty;

4. Urges also the three original parties to the Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water to abide strictly by the undertakings contained therein to seek "to achieve the discontinuance of all test explosions of nuclear weapons for all time" and "to continue negotiations to this end";

5. Urges likewise all States members of the Committee on Disarmament:

(a) To bear in mind that, if the consensus rule should not be used in such a manner as to prevent the establishment of subsidiary bodies for the effective discharge of the functions of the Committee, neither should it be used to prevent the approval of appropriate mandates for such subsidiary bodies;

(b) To assign to the Ad Hoc Working Group under item 1 of its agenda, entitled "Nuclear-test ban", established on 21 April 1982 by the Committee, a mandate which should provide for the multilateral negotiation of a treaty for the prohibition of all nuclear-weapon tests, to be initiated immediately after the beginning of the session of the Committee to be held in 1983;

(c) To exert their best endeavours in order that the Committee may transmit to the General Assembly at its thirty-eighth session the multilaterally negotiated text of such a treaty;

6. Calls upon the States depositaries of the Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water and the Treaty on the Non-Proliferation of Nuclear Weapons, by virtue of their special responsibilities under those two treaties and as a provisional measure, to bring to a halt without delay all nuclear-test explosions, either through a trilaterally agreed moratorium or through three unilateral moratoriums;

7. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Cessation of all test explosions of nuclear weapons".

98th plenary meeting 9 December 1982

37/73. Urgent need for a comprehensive nuclear-test-ban treaty

The General Assembly,

Convinced of the urgent need for the negotiation of a comprehensive nuclear-test-ban treaty capable of attracting the widest possible international support and adherence,

Reaffirming its conviction that an end to nuclear-weapon testing by all States in all environments would be a major step towards ending the qualitative improvement, development and proliferation of nuclear weapons, a means of relieving the deep apprehension concerning the harmful consequences of radioactive contamination for the health of present and future generations and a measure of the utmost importance in bringing the nuclear-arms race to an end,

Recalling that the parties to the Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water undertook not to carry out any nuclear-weapon-test explosion, or any other nuclear explosion, in the environments covered by that Treaty, and that in that Treaty and in the Treaty on the Non-Proliferation of Nuclear Weapons the parties expressed their determination to continue negotiations to achieve the discontinuance of all test explosions of nuclear weapons for all time,

Recalling also its previous resolutions on this subject,

Recognizing the indispensable role of the Committee on Disarmament in the negotiation of a comprehensive nuclear-test-ban treaty,

Taking into account that part of the report of the Committee on Disarmament concerning consideration of the item entitled "Nuclear-test ban" during its session in 1982,

Convinced that the Committee on Disarmament should commence negotiations on such a treaty at the earliest possible date,

Recognizing the importance to such a treaty of the work assigned by the Committee on Disarmament to the Ad Hoc Group of Scientific Experts to Consider International Cooperative Measures to Detect and Identify Seismic Events on a global network of stations for the exchange of seismological data,

Stressing the importance of further efforts by the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland and the United States of America to facilitate the conclusion of such a treaty,

1. Reiterates its grave concern that, despite the express wishes of the overwhelming majority of Member States, nuclear-weapon testing continues unabated;

2. Reaffirms its conviction that a treaty to achieve the prohibition of all nuclear-test explosions by all States for all time is a matter of the greatest urgency and highest priority;

11 Ibid., Supplement No. 27 (A/37/27 and Corr.1), sect. III.A.
3. *Expresses the conviction* that such a treaty would constitute a vital element for the success of efforts to halt and reverse the nuclear-arms race and the qualitative improvement of nuclear weapons, and to prevent the expansion of existing nuclear arsenals and the spread of nuclear weapons to additional countries;

4. *Notes* that the Committee on Disarmament, in the exercise of its responsibilities as the multilateral disarmament negotiating forum, established on 21 April 1982 an *Ad Hoc* Working Group under item 1 of its agenda, entitled "Nuclear-test ban", and, considering that discussion of specific issues in the first instance might facilitate progress towards negotiation of a nuclear-test ban, requested the *Ad Hoc* Working Group:

(a) To discuss and define, through substantive examination, issues relating to verification and compliance, with a view to making further progress towards a nuclear-test ban;

(b) To take into account all existing proposals and future initiatives and report to the Committee on the progress of its work before the conclusion of the session in 1982;

5. *Also notes* that the Committee on Disarmament agreed that it would thereafter take a decision on subsequent courses of action with a view to fulfilling its responsibilities in this regard;

6. *Further notes* that the *Ad Hoc* Working Group has initiated consideration of the issues under its mandate;

7. *Requests* the Committee on Disarmament to continue the consideration of those issues and to take the necessary steps to initiate substantive negotiations in order that the draft of a comprehensive nuclear-test-ban treaty may be submitted to the General Assembly at the earliest possible date;

8. *Urges* all members of the Committee on Disarmament, in particular the nuclear-weapon States, to co-operate with the Committee in fulfilling these tasks;

9. *Also requests* the Committee on Disarmament to determine, in the context of its negotiations on such a treaty, the institutional and administrative arrangements necessary for establishing, testing and operating an international seismic monitoring network and an effective verification system;

10. *Calls upon* the Committee on Disarmament to report on progress to the General Assembly at its thirty-eighth session;

11. *Decides* to include in the provisional agenda of its thirty-eighth session an item entitled "Urgent need for a comprehensive nuclear-test-ban treaty".

98th plenary meeting

37/74. Implementation of the Declaration on the Denuclearization of Africa

A

IMPLEMENTATION OF THE DECLARATION

The General Assembly.

*Bearing in mind* the Declaration on the Denuclearization of Africa adopted by the Assembly of Heads of State and Government of the Organization of African Unity at its first ordinary session, held at Cairo from 17 to 21 July 1964,

Recalling resolution 1652 (XVI) of 24 November 1961, its earliest on the subject, as well as resolutions 32/81 of

12 December 1977, 33/63 of 14 December 1978, 34/76 A of 11 December 1979, 35/146 B of 12 December 1980 and 36/86 B of 9 December 1981, in which it called upon all States to consider and respect the continent of Africa as a nuclear-weapon-free zone, in particular resolution 33/63 in which it vigorously condemned any overt or covert attempt by South Africa to introduce nuclear weapons into the continent,

*Noting with concern* that South Africa’s continued pursuit of a nuclear-weapons capability seriously jeopardizes the realization of the objective of a denuclearized Africa and poses a grave danger not only to the security of African States but also to international peace and security,

Taking note of the report of the Security Council Committee established by resolution 421 (1977) concerning the question of South Africa on ways and means of making the mandatory arms embargo against South Africa more effective, in particular its recommendation that all forms of nuclear collaboration with South Africa should cease,

Expressing its indignation that certain Western States and Israel have, in flagrant and defiant violation of its relevant resolutions and in utter disregard of international concern on the subject, continued to collaborate with South Africa in the nuclear field, despite the risk and danger of proliferation of nuclear weapons which the nuclear programme of the racist regime represents and poses to the legitimate right of African States to live in peace within secure borders,

Recalling its decision, contained in the Final Document of the Tenth Special Session of the General Assembly, the first special session devoted to disarmament, that the Security Council should take appropriate steps to prevent the frustration of the objective of the Organization of African Unity for the denuclearization of Africa,

Recalling that in the Final Document it noted that the accumulation of armaments and the acquisition of armaments technology by racist regimes, as well as their possible acquisition of nuclear weapons, present a challenging and an increasingly dangerous obstacle to a world community faced with the urgent need to disarm.

1. *Once again reiterates* its call upon all States to consider and respect the continent of Africa and its surrounding areas as a nuclear-weapon-free zone;

2. *Condemns* all forms of nuclear collaboration by any State, corporation, institution or individual with the racist regime of South Africa since such collaboration enables it to frustrate, *inter alia*, the objective of the Declaration on the Denuclearization of Africa which seeks to keep Africa free from nuclear weapons;

3. *Calls upon* all States, corporations, institutions and individuals to terminate forthwith all military and nuclear collaboration with the racist regime of South Africa, including the provision to it of such related dual-purpose materials as computers, electronic equipment and related technology;

4. *Requests* the Security Council, for the purposes of disarmament, to take enforcement measures, through strict adherence by all States to its relevant decisions, to prevent any racist régimes from acquiring any arms or arms technology;

5. *Requests* the Security Council in this connection to conclude expeditiously its consideration of the recommendations of its Committee established by resolution 421 (1977) concerning the question of South Africa with a view to

---

15 Resolution S-10/2, para. 63 (c).
blocking the existing loopholes in the arms embargo, rendering it more effective and prohibiting in particular all forms of co-operation and collaboration with the racist régime of South Africa in the nuclear field;

6. **Demands** that South Africa submit all its nuclear installations and facilities to inspection by the International Atomic Energy Agency;

7. **Decides** to include in the provisional agenda of its thirty-eighth session the item entitled "Implementation of the Declaration on the Denuclearization of Africa".

B

**NUCLEAR CAPABILITY OF SOUTH AFRICA**

**The General Assembly.**

**Bearing in mind** the Declaration on the Denuclearization of Africa\(^{13}\) adopted by the Assembly of Heads of State and Government of the Organization of African Unity at its first ordinary session, held at Cairo from 17 to 21 July 1964,

**Recalling** that, in its resolution 33/63 of 14 December 1978, it vigorously condemned any overt or covert attempt by South Africa to introduce nuclear weapons into the continent and demanded that South Africa refrain forthwith from conducting any nuclear explosion in the continent of Africa or elsewhere.

**Recalling also** that in the Final Document of the Tenth Special Session of the General Assembly it noted that the accumulation of armaments and the acquisition of armaments technology by racist régimes, as well as their possible acquisition of nuclear weapons, presented a challenging and an increasingly dangerous obstacle to a world community faced with the urgent need to disarm.\(^{16}\)

**Alarmed** that South Africa’s nuclear programme has enabled it to acquire a nuclear-weapon capability and that that capability has been enhanced by the continued support and active collaboration which certain Western States and Israel have readily given to it in pursuance of their economic interests and geostrategic designs, in gross violation of the relevant resolutions and decisions of the United Nations,

**Taking note** of the report of the Security Council Committee established by resolution 421 (1977) concerning the question of South Africa on ways and means of making the mandatory arms embargo against South Africa more effective,\(^{14}\) as well as the report of the Secretary-General on the implementation of Security Council resolution 473 (1980),\(^{17}\)

**Having examined** the report of the Group of Experts on South Africa’s Plan and Capability in the Nuclear Field,\(^{18}\) as well as the reports of the Secretary-General of 3 September 1981\(^{19}\) and 20 September 1982\(^{20}\) submitted pursuant to General Assembly resolutions 35/146 A and 36/86 A on the nuclear capability of South Africa,

**Gravely concerned** that South Africa, in flagrant violation of the principles of international law and the relevant provisions of the Charter of the United Nations, has continued its military attacks against independent States of southern Africa, in particular Angola, part of which still remains occupied by South African forces, and has increased its acts of subversion aimed at destabilizing those States,

Expressing its utter disappointment that certain Western States have continued to collaborate with the racist régime of South Africa in its nuclear and military build-up and have, by a ready recourse to the use of the veto, consistently frustrated every effort at the United Nations to deal with the South African question,

1. **Deplores** the massive build-up of South Africa’s military machine, including its frenzied acquisition of a nuclear-weapon capability for repressive and aggressive purposes and as an instrument of blackmail;

2. **Reaffirms** that the acquisition of nuclear capability by the racist régime constitutes a very grave danger to international peace and security and, in particular, jeopardizes the security of African States and increases the danger of the proliferation of nuclear weapons;

3. **Requests** the Disarmament Commission to consider substantively the question of South Africa’s nuclear capability pursuant, _inter alia_, to the findings contained in section VII of the report of the Group of Experts on South Africa’s Plan and Capability in the Nuclear Field;\(^{18}\)

4. **Requests** the Security Council, for the purposes of disarmament, to take enforcement measures, through strict adherence by all States to its relevant decisions, to prevent any racist régimes from acquiring arms or arms technology;

5. **Calls upon** all States, corporations, institutions and individuals to terminate forthwith all military and nuclear collaboration with the racist régime of South Africa, including the provision to it of such materials as computers, electronic equipment and related technology;

6. **Demands** that South Africa respect international concern for peace and stability in Africa by terminating forthwith its development of the capability to produce nuclear weapons and that it submit all its nuclear installations and facilities to inspection by the International Atomic Energy Agency;

7. **Requests** the Secretary-General to follow closely South Africa’s evolution in the nuclear field and to report thereon to the General Assembly at its thirty-eighth session;

8. **Decides** to include in the provisional agenda of its thirty-eighth session the item entitled "Implementation of the Declaration on the Denuclearization of Africa".

declare solemnly that they will refrain, on a reciprocal basis, from producing, acquiring or in any other way possessing nuclear weapons and nuclear explosive devices and from permitting the stationing of nuclear weapons on their territory by any third party, to agree to place all their nuclear facilities under International Atomic Energy Agency safeguards and to declare their support for the establishment of the zone and deposit such declarations with the Security Council for consideration, as appropriate.

Reaffirming the inalienable right of all States to acquire and develop nuclear energy for peaceful purposes,

Emphasizing further the need for appropriate measures on the question of the prohibition of military attacks on nuclear facilities,

Bearing in mind the consensus reached by the General Assembly at its thirty-fifth session that the establishment of a nuclear-weapon-free zone in the region of the Middle East would greatly enhance international peace and security,

Desirous to build on that consensus so that substantial progress can be made towards establishing a nuclear-weapon-free zone in the region of the Middle East,

1. Urges all parties directly concerned to consider seriously taking the practical and urgent steps required for the implementation of the proposal to establish a nuclear-weapon-free zone in the region of the Middle East in accordance with the relevant resolutions of the General Assembly and, as a means of promoting this objective, invites the countries concerned to adhere to the Treaty on the Non-Proliferation of Nuclear Weapons;22

2. Calls upon all countries of the region that have not done so, pending the establishment of the zone, to agree to place all their nuclear activities under International Atomic Energy Agency safeguards;

3. Invites those countries, pending the establishment of a nuclear-weapon-free zone in the region of the Middle East, to declare their support for establishing such a zone, consistent with the relevant paragraph of the Final Document of the Tenth Special Session of the General Assembly, and to deposit those declarations with the Security Council;

4. Invites further those countries, pending the establishment of the zone, not to develop, produce, test or otherwise acquire nuclear weapons or permit the stationing on their territories, or territories under their control, of nuclear weapons or nuclear explosive devices;

5. Invites the nuclear-weapon States and all other States to render their assistance in the establishment of the zone and at the same time to refrain from any action that runs counter to both the letter and spirit of the present resolution;

6. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session on the implementation of the present resolution;

7. Decides to include in the provisional agenda of its thirty-eighth session the item entitled “Establishment of a nuclear-weapon-free zone in the region of the Middle East”. 98th plenary meeting 9 December 1982

37/76. Establishment of a nuclear-weapon-free zone in South Asia

The General Assembly,

Reiterating its conviction that the establishment of nuclear-weapon-free zones in various regions of the world is one of the measures which can contribute most effectively to the objectives of non-proliferation of nuclear weapons and general and complete disarmament,

Believing that the establishment of a nuclear-weapon-free zone in South Asia, as in other regions, will strengthen the security of the States of the region against the use or threat of use of nuclear weapons,

Noting the declarations issued at the highest level by Governments of South Asian States reaffirming their undertaking not to acquire or manufacture nuclear weapons and to devote their nuclear programmes exclusively to the economic and social advancement of their peoples,

Recalling that in the above-mentioned resolutions it called upon the States of the South Asian region, and such other neighbouring non-nuclear-weapon States as might be interested, to make all possible efforts to establish a nuclear-weapon-free zone in South Asia and to refrain, in the meantime, from any action contrary to this objective,

Further recalling that, in its resolutions 3265 B (XXIX), 31/73 and 32/83, it requested the Secretary-General to convene a meeting for the purpose of the consultations mentioned therein and to render such assistance as might be required to promote the efforts for the establishment of a nuclear-weapon-free zone in South Asia,

Bearing in mind the provisions of paragraphs 60 to 63 of the Final Document of the Tenth Special Session of the General Assembly23 regarding the establishment of nuclear-weapon-free zones, including in the region of South Asia,

Taking note of the report of the Secretary-General on the establishment of a nuclear-weapon-free zone in South Asia,24

1. Reaffirms its endorsement, in principle, of the concept of a nuclear-weapon-free zone in South Asia;

2. Urges once again the States of South Asia and such other neighbouring non-nuclear-weapon States as may be interested to continue to make all possible efforts to establish a nuclear-weapon-free zone in South Asia and to refrain, in the meantime, from any action contrary to this objective;

3. Calls upon those nuclear-weapon States that have not done so to respond positively to this proposal and to extend the necessary co-operation in the efforts to establish a nuclear-weapon-free zone in South Asia;

4. Requests the Secretary-General to render such assistance as may be required to promote the efforts for the establishment of a nuclear-weapon-free zone in South Asia and to report on the subject to the General Assembly at its thirty-eighth session;

5. Decides to include in the provisional agenda of its thirty-eighth session the item entitled “Establishment of a nuclear-weapon-free zone in South Asia”.

NEW TYPES OF WEAPONS OF MASS DESTRUCTION AND NEW SYSTEMS OF SUCH WEAPONS

Recalling its resolutions 3479 (XXX) of 11 December 1975, 31/74 of 10 December 1976, 32/84 A of 12 December

4. Requests the Secretary-General to transmit to the Committee on Disarmament all documents relating to the consideration of this item by the General Assembly at its thirty-seventh session;

5. Requests the Committee on Disarmament to submit a report on the results achieved to the General Assembly for consideration at its thirty-eighth session;

6. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Prohibition of the development and manufacture of new types of weapons of mass destruction and new systems of such weapons: report of the Committee on Disarmament".

98th plenary meeting 9 December 1982

B

RENUNCIATION OF THE USE OF NEW DISCOVERIES AND SCIENTIFIC AND TECHNOLOGICAL ACHIEVEMENTS FOR MILITARY PURPOSES

The General Assembly,

Bearing in mind the provisions of paragraph 39 of the Final Document of the Tenth Special Session of the General Assembly, according to which qualitative and quantitative disarmament measures are both important for halting the arms race and efforts to that end must include negotiations on the limitation and cessation of the qualitative improvement of armaments, especially weapons of mass destruction, and the development of new means of warfare,

Recalling the decision contained in paragraph 77 of the Final Document to the effect that, in order to help prevent a qualitative arms race and so that scientific and technological achievements might ultimately be used solely for peaceful purposes, effective measures should be taken to prevent the emergence of new types of weapons of mass destruction based on new scientific principles and achievements, and that efforts aimed at the prohibition of such new types and new systems of weapons of mass destruction should be appropriately pursued,

Expressing once again its firm belief in the light of the decisions adopted at the tenth special session, in the importance of concluding an agreement or agreements to prevent the use of scientific and technological progress for the development of new types of weapons of mass destruction and new systems of such weapons,

Noting that in the course of its session in 1982 the Committee on Disarmament considered the item entitled "New types of weapons of mass destruction and new systems of such weapons; radiological weapons",

Noting with satisfaction that in the course of its session in 1982 the Committee on Disarmament held informal meetings on this item with the participation of qualified governmental experts,

Convinced that all ways and means should be utilized to prevent the development and manufacture of new types of weapons of mass destruction and new systems of such weapons,

Taking into consideration the part of the report of the Committee on Disarmament relating to this question,

1. Requests the Committee on Disarmament, in the light of its existing priorities, to intensify negotiations, with the assistance of qualified governmental experts, with a view to preparing a draft comprehensive agreement on the prohibition of the development and manufacture of new types of weapons of mass destruction and new systems of such weapons, and to draft possible agreements on particular types of such weapons;

2. Once again urges all States to refrain from any action which could adversely affect the talks aimed at working out an agreement or agreements to prevent the emergence of new types of weapons of mass destruction and new systems of such weapons;

3. Calls upon the States permanent members of the Security Council, as well as upon other militarily significant States, to make declarations, identical in substance, concerning the refusal to create new types of weapons of mass destruction and new systems of such weapons, as a first step towards the conclusion of a comprehensive agreement on this subject, bearing in mind that such declarations would be approved thereafter by a decision of the Security Council;

37/78. Review of the implementation of the recommendations and decisions adopted by the General Assembly at its tenth special session

A

BILATERAL NUCLEAR-ARMS NEGOTIATIONS

The General Assembly,

Recalling that at its tenth special session, the first special session devoted to disarmament, it approved by consensus a Declaration, contained in section II of the Final Document

34 Resolution 5-10/2.
36 Resolution 3384 (XXX).
III. Resolutions adopted on the reports of the First Committee

of that session, in which, inter alia, it proclaimed that, in order effectively to discharge the central role and primary responsibility in the sphere of disarmament which belong to the United Nations in accordance with its Charter, the United Nations should be kept appropriately informed of all steps in this field, whether unilateral, bilateral, regional or multilateral, without prejudice to the progress of negotiations.27

Recalling also that at its twelfth special session, the second special session devoted to disarmament, Member States reiterated their solemn commitment to implement the Final Document of the Tenth Special Session, the validity of which received their unanimous and categorical reaffirmation.28

Noting that the Union of Soviet Socialist Republics and the United States of America have been carrying out at Geneva two series of bilateral nuclear-arms negotiations, begun on 30 November 1981 and 29 June 1982 respectively.

1. Requests the Governments of the Union of Soviet Socialist Republics and the United States of America to transmit to the Secretary-General, not later than 1 September 1983, a joint report or two separate reports on the stage reached in their above-mentioned negotiations, for consideration by the General Assembly at its thirty-eighth session;

2. Also requests the two negotiating parties to bear constantly in mind that not only their national interests but also the vital interests of all the peoples of the world are at stake in this question;

3. Decides to include in the provisional agenda of its thirty-eighth session an item entitled "Bilateral nuclear-arms negotiations".

B

INTERNATIONAL CO-OPERATION FOR DISARMAMENT

The General Assembly,

Stressing again the urgent need for an active and sustained effort to intensify the comprehensive implementation of the recommendations and decisions unanimously adopted at its tenth special session, the first special session devoted to disarmament, as contained in the Final Document of that session,29 and confirmed in the Concluding Document of the Twelfth Special Session of the General Assembly,30 the second special session devoted to disarmament.

Recalling the Declaration on International Co-operation for Disarmament of 11 December 197931 and General Assembly resolution 36/92 D of 9 December 1981,

Deeply concerned over the danger of a nuclear war, the continued arms race and the danger of unleashing a further, qualitatively new round of the arms race, all of which have an extraordinarily negative impact on the international situation,

Stressing the vital importance of eliminating the danger of a nuclear war, halting the nuclear-arms race and attaining disarmament, particularly in the nuclear field, for the preservation of peace and the strengthening of international security,

Bearing in mind the vital interest of all nations in the attainment of effective disarmament measures, which would release considerable financial and material resources to be used for the economic and social development of all States, in particular developing countries,

Considering the importance of manifestations of popular peace and anti-nuclear movements against the arms race and the escalation of the danger of nuclear war throughout the world,

Convinced of the need to strengthen constructive international co-operation, based on the political goodwill of States, for successful negotiations on disarmament, in accordance with the Final Document of the Tenth Special Session,

Emphasizing the duty of States to co-operate for the preservation of international peace and security, in accordance with the Charter of the United Nations, as confirmed in the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations, of 24 October 1970,32 the obligation to co-operate actively and constructively for the attainment of the arms of disarmament being an indispensable part of that duty,

Expressing the conviction that concrete manifestations of political goodwill, including unilateral measures, such as an obligation not to make first use of nuclear weapons, improve conditions for resolving disarmament issues in a spirit of co-operation among States,

Taking into consideration the central role and primary responsibility of the United Nations in combining efforts and in supporting and developing active co-operation among States aimed at the solution of disarmament problems,

1. Calls upon all States, in implementing the Final Document of the Tenth Special Session of the General Assembly, to make active use of the principles and ideas contained in the Declaration on International Co-operation for Disarmament by actively participating in disarmament negotiations, with a view to achieving concrete results, and by conducting them on the basis of equality and undiminished security and the non-use of force in international relations, refraining at the same time from developing new directions and channels of the arms race;

2. Declares that the elaboration and dissemination of any doctrines and concepts justifying the unleashing of nuclear war endanger world peace, lead to deterioration of the international situation and further intensification of the arms race and are detrimental to the generally recognized necessity of international co-operation for disarmament;

3. Declares that the use of force in international relations as well as in attempts to prevent the full implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples33 is a phenomenon incompatible with the ideas of international co-operation for disarmament;

4. Appeals to States which are members of military or political groupings to promote, on the basis of the Final Document, in the spirit of international co-operation for disarmament, the gradual mutual limitation of military activities of these groupings, thus creating conditions for their dissolution;

5. Calls upon all Member States to cultivate and disseminate, particularly in connection with the World Disarmament Campaign launched by the General Assembly at its twelfth special session,34 the ideas of international

6. *Calls upon* the United Nations Educational, Scientific and Cultural Organization to consider, in order further to mobilize world public opinion on behalf of disarmament, measures aimed at strengthening the ideas of international co-operation for disarmament through research, education, information, communication and culture.

NUCLEAR WEAPONS IN ALL ASPECTS

*The General Assembly,*

*Recalling* that at its twelfth special session, the second special session devoted to disarmament, it expressed its profound preoccupation over the danger of war, in particular nuclear war, the prevention of which remains the most acute and urgent task of the present day,

*Reaffirming once again* that nuclear weapons pose the most serious threat to mankind and its survival and that it is therefore essential to proceed with nuclear disarmament and the complete elimination of nuclear weapons,

*Reaffirming also* that all nuclear-weapon States, in particular those which possess the most important nuclear arsenals, bear a special responsibility for the fulfilment of the task of achieving the goals of nuclear disarmament,

*Stressing again* that existing arsenals of nuclear weapons alone are more than sufficient to destroy all life on earth, and bearing in mind the devastating results which nuclear war would have on belligerents and non-belligerents alike,

*Recalling* that at its tenth special session, the first special session devoted to disarmament, it decided that effective measures of nuclear disarmament and the prevention of nuclear war had the highest priority and that it was essential to halt and reverse the nuclear-arms race in all its aspects in order to avert the danger of war involving nuclear weapons,

*Recalling further* that, in its resolution 35/152 B of 12 December 1980, it noted with alarm the increased risk of a nuclear catastrophe associated both with the intensification of the nuclear-arms race and with the adoption of the new doctrine of limited or partial use of nuclear weapons giving rise to illusions of the admissibility and acceptability of a nuclear conflict,

*Noting with alarm* that to the doctrine of a limited nuclear war was later added the concept of a protracted nuclear war,

*Noting also with alarm* that these dangerous doctrines lead to a new twist in the spiral of the arms race, which may seriously hamper the reaching of agreement on nuclear disarmament,

*Stressing* the urgent need for the cessation of the development and deployment of new types and systems of nuclear weapons as a step on the road to nuclear disarmament,

*Stressing again* that priority in disarmament negotiations should be given to nuclear weapons, and referring to paragraphs 49 and 54 of the Final Document of the Tenth Special Session of the General Assembly, 27

*Noting* that the Committee on Disarmament, during its session held in 1982, discussed the question of the cessation of the nuclear-arms race and nuclear disarmament and, in particular, the establishment of an *ad hoc* working group for negotiations on that question.

*Regretting,* however, that the Committee on Disarmament was unable to reach agreement on the establishment of an *ad hoc* working group for the purpose of undertaking multilateral negotiations on the question of the cessation of the nuclear-arms race and nuclear disarmament,

*Considering* that efforts will continue to be made in order to enable the Committee on Disarmament to fulfil its negotiating role with regard to the cessation of the nuclear-arms race and nuclear disarmament, bearing in mind the high priority accorded to this question in the Final Document of the Tenth Special Session,

*Convinced* that the Committee on Disarmament is the most suitable forum for the preparation and conduct of negotiations on nuclear disarmament,

1. *Calls upon* the Committee on Disarmament to proceed without delay to negotiations on the cessation of the nuclear-arms race and nuclear disarmament, in accordance with paragraph 50 of the Final Document of the Tenth Special Session of the General Assembly, and especially to elaborate a nuclear-disarmament programme, and to establish for this purpose an *ad hoc* working group on the cessation of the nuclear-arms race and on nuclear disarmament;

2. *Decides* to include in the provisional agenda of its thirty-eighth session an item entitled "Cessation of the nuclear-arms race and nuclear disarmament: report of the Committee on Disarmament".

DISARMAMENT WEEK

*The General Assembly,*

*Gravely concerned* over the continuing arms race,

*Emphasizing* the urgent need for and the importance of wide and continued mobilization of world public opinion in support of halting and reversing the arms race, especially the nuclear-arms race in all its aspects,

*Noting with satisfaction* the broad and active support by Governments and international and national organizations of the decision taken by the General Assembly at its tenth special session regarding the proclamation of the week starting 24 October, the day of the foundation of the United Nations, as a week devoted to fostering the objectives of disarmament,

*Recalling* the recommendations concerning the World Disarmament Campaign launched by the General Assembly at its twelfth special session, in particular the recommendation that, in view of the fact that Disarmament Week has played a useful role in fostering the objectives of disarmament, the week starting 24 October should continue to be widely observed as Disarmament Week.

*Recognizing* the important role which the mass information organs of the United Nations can play in promoting more active involvement of governmental and public organizations in Disarmament Week,

1. *Expresses its appreciation* to all States and international and national non-governmental organizations for their energetic support of and active participation in Disarmament Week,

2. *Takes note with satisfaction* of the report of the Secretary-General on the follow-up measures undertaken by...
governmental and non-governmental organizations in holding Disarmament Week. 37

3. *Invites* all States that so desire, in carrying out appropriate measures at the local level on the occasion of Disarmament Week, to take into account the elements of the model programme for Disarmament Week, prepared by the Secretary-General; 38

4. *Invites* the relevant specialized agencies and the International Atomic Energy Agency to intensify activities, within their areas of competence, to disseminate information on the consequences of the arms race and requests them to inform the Secretary-General accordingly;

5. *Invites* Governments, in accordance with General Assembly resolution 33/71 D of 14 December 1978, to inform the Secretary-General of activities undertaken to promote the objectives of Disarmament Week;

6. *Invites* international non-governmental organizations to take an active part in Disarmament Week and to inform the Secretary-General of the activities undertaken;

7. *Requests* the Secretary-General to prepare annually, within existing resources, a compilation of the information collected by the relevant departments of the Secretariat, as well as at United Nations information centres, pertaining to the holding of Disarmament Week in the preceding year;

8. *Requests* the Secretary-General, in accordance with paragraph 4 of resolution 33/71 D, to submit to the General Assembly at its thirty-eighth session a report containing the information referred to in paragraphs 4 to 7 above.

**PROHIBITION OF THE NUCLEAR NEUTRON WEAPON**

_The General Assembly,_

*Recalling* paragraph 50 of the Final Document of the Tenth Special Session of the General Assembly, 39 in which it is stated that the achievement of nuclear disarmament will require urgent negotiations of agreements, *inter alia*, on the cessation of the qualitative improvement and development of nuclear-weapon systems,

*Stressing* that the nuclear neutron weapon represents a further step in the qualitative arms race in the field of nuclear weapons,

*Reaffirming* its resolution 36/92 K of 9 December 1981,

*Sharing* the world-wide concern expressed by Member States, as well as by non-governmental organizations, over the continued and expanded production and introduction of the nuclear neutron weapon in military arsenals, which escalates the nuclear-arms race and significantly lowers the threshold of nuclear war,

*Aware* of the inhuman effects of that weapon, which constitutes a grave threat, particularly to the unprotected civilian population,

*Noting* the consideration by the Committee on Disarmament during its session held in 1982 of issues connected with the cessation of the nuclear-arms race and nuclear disarmament, as well as the prohibition of the nuclear neutron weapon, 40

*Regretting* that the Committee on Disarmament was not able to reach agreement on the commencement of negotiations on the cessation of the nuclear-arms race and nuclear disarmament or on the prohibition of the nuclear neutron weapon in an appropriate organizational framework.

1. *Reiterates its request* to the Committee on Disarmament to start without delay negotiations within an appropriate organizational framework with a view to concluding a convention on the prohibition of the development, production, stockpiling, deployment and use of nuclear neutron weapons;

2. *Requests* the Secretary-General to transmit to the Committee on Disarmament all documents relating to the discussion of this question by the General Assembly at its twelfth special session and at its thirty-seventh session;

3. *Requests* the Committee on Disarmament to submit a report on this question to the General Assembly at its thirty-eighth session;

4. *Decides* to include in the provisional agenda of its thirty-eighth session the item entitled "Prohibition of the nuclear neutron weapon".

**IMPLEMENTATION OF THE RECOMMENDATIONS AND DECISIONS OF THE TENTH SPECIAL SESSION**

_The General Assembly,_

*Having reviewed* the implementation of the recommendations and decisions adopted by the General Assembly at its tenth special session, the first special session devoted to disarmament, as well as the Concluding Document of the Twelfth Special Session of the General Assembly, 34 the second special session devoted to disarmament,

*Regretting* that at its twelfth special session it was not able to achieve, despite the expectations of the international community and the efforts exerted by a large number of Member States, the main objectives of that session, namely, to adopt a comprehensive programme of disarmament and to give further impetus to, and assess the implementation of, the decisions and recommendations of the tenth special session, as well as certain urgent measures for the prevention of nuclear war and for nuclear disarmament,

*Noting with deep concern* that the recommendations and decisions of the tenth special session have not been implemented, that, between the two special sessions on disarmament, the arms race, particularly in its nuclear aspect, has gained in intensity, that urgent measures to prevent nuclear war and for disarmament have not been adopted and that open threats, pressures and military intervention against independent States and violations of the fundamental principles of the Charter of the United Nations have taken place, posing the most serious threat to international peace and security,

*Convinced* that one of the most urgent tasks is to halt and reverse the arms race and to undertake concrete measures of disarmament, particularly nuclear disarmament, and that, in this respect, the nuclear-weapon States and other militarily significant States have the primary responsibility,

*Deeply concerned* that negotiations on disarmament issues are lagging far behind the rapid technological development in the field of armaments and the relentless growth of military arsenals,

39 Resolution S-10/2.
Considering it imperative to give a new impetus to negotiations on disarmament, in particular nuclear disarmament, at all levels and to achieve genuine progress in the immediate future,

Convinced that the success of disarmament negotiations, in which all the peoples of the world have a vital interest, can be achieved through the active participation of Member States in such negotiations, contributing thereby to the maintenance of international peace and security,

Reaffirming that the United Nations has a central role and primary responsibility in the sphere of disarmament,

Recalling with satisfaction that at the twelfth special session of the General Assembly, all Member States unanimously and categorically reaffirmed the validity of the Final Document of the Tenth Special Session, as well as their solemn commitment to it and their pledge to respect the priorities in disarmament negotiations, as agreed to in the Programme of Action contained in section III of the Final Document,

Recalling the commitment of States undertaken in various international agreements to negotiate on disarmament measures, in particular on nuclear disarmament,

Expresses its deep concern over the constant deterioration of international relations, as well as the intensification of the arms race, particularly the nuclear-arms race, which directly threatens international peace and security and increases the danger of outbreak of war, in particular nuclear war;

2. Calls upon all States, in particular nuclear-weapon States and other militarily significant States, to take immediate steps aimed at promoting international security and leading to the effective halting and reversing of the arms race and to disarmament;

3. Invites all States, particularly nuclear-weapon States and especially those which possess the most important nuclear arsenals, to take urgent measures with a view to implementing the recommendations and decisions contained in the Final Document of the Tenth Special Session of the General Assembly concerning nuclear disarmament, as well as to fulfilling the priority tasks listed in the Programme of Action set forth in section III of the Final Document and in the Concluding Document of the Twelfth Special Session;

4. Urges all Member States to exert the greatest effort to stimulate and accelerate disarmament negotiations in good faith at all levels and to achieve rapid progress in resolving various disarmament issues;

5. Calls upon the Committee on Disarmament to concentrate its work on the substantive and priority items on its agenda, to proceed to negotiations on nuclear disarmament without further delay and to elaborate, as soon as possible, drafts of international agreements on those disarmament issues which have been the object of negotiations over a number of years, particularly a treaty on a nuclear-weapon-test ban and on a complete and effective prohibition of the development, production and stockpiling of all chemical weapons and on their destruction;

6. Calls upon members of the Committee on Disarmament, particularly the nuclear-weapon States, to show a greater measure of readiness and flexibility in further negotiations on the elaboration of a draft comprehensive programme of disarmament and thus enable the Committee to submit, pursuant to the decision taken at the twelfth special session, a revised draft of such a programme to the General Assembly at its thirty-eighth session;

7. Calls upon the Disarmament Commission to intensify its work in considering various issues of disarmament on its agenda and to submit to the General Assembly at its thirty-eighth session concrete recommendations with a view to contributing to a solution of outstanding issues;

8. Calls upon nuclear-weapon States engaged in separate negotiations on issues of nuclear disarmament to exert the utmost effort with a view to achieving concrete results in those negotiations and thus contribute to the success of multilateral negotiations on nuclear disarmament;

9. Invites all States engaged in disarmament and arms limitation negotiations outside the framework of the United Nations to keep the General Assembly and the Committee on Disarmament informed of the results of such negotiations, in conformity with the relevant provisions of the Final Document of the Tenth Special Session;

10. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Implementation of the recommendations and decisions of the tenth special session".

REPORT OF THE COMMITTEE ON DISARMAMENT

The General Assembly,

Recalling its resolutions 34/83 B of 11 December 1979, 35/152 J of 12 December 1980 and 36/92 F of 9 December 1981,

Recalling also the Final Document of the Tenth Special Session of the General Assembly and the Concluding Document of the Twelfth Special Session of the General Assembly,

Having considered the report of the Committee on Disarmament,

Reaffirming that the establishment of ad hoc working groups offers the best available machinery for the conduct of multilateral negotiations on items included in the agenda of the Committee on Disarmament and contributes to the strengthening of the negotiating role of the Committee,

Noting that the Committee on Disarmament has established, on 21 April 1982, an Ad Hoc Working Group under item 1 of its agenda, entitled "Nuclear-test ban",

Regretting that, despite the express wishes of the great majority of members of the Committee on Disarmament, the establishment of an ad hoc working group to undertake multilateral negotiations on nuclear disarmament was once again prevented during the session held by the Committee in 1982,

Expressing its deep concern and disappointment that the Committee on Disarmament has not thus far been able to reach concrete agreements on disarmament issues which have been under consideration for a number of years, particularly those to which the United Nations has assigned greatest priority and urgency,

Convinced that the Committee on Disarmament, as the single multilateral negotiating body on disarmament, should play the central role in substantive negotiations on priority questions of disarmament and on the implementation of the Programme of Action set forth in section III of the Final Document of the Tenth Special Session,

Stressing that negotiations on specific disarmament issues conducted outside the Committee on Disarmament should in no way serve as a pretext for preventing the conduct of multilateral negotiations on such questions in the Committee,

41 Ibid., Supplement No. 27 (A/37/27 and Corr. 1).
42 Ibid., para. 39
III. Resolutions adopted on the reports of the First Committee

1. Urges the Committee on Disarmament to continue or undertake, during its session to be held in 1983, substantive negotiations on the priority questions of disarmament on its agenda, in accordance with the provisions of the Final Document of the Tenth Special Session of the General Assembly and other relevant resolutions of the Assembly on those questions, and, in order to reach that goal, to provide the existing ad hoc working groups with appropriate negotiating mandates and to establish, as a matter of urgency, an ad hoc working group on the cessation of the nuclear-arms race and nuclear disarmament;

2. Requests the Committee on Disarmament to intensify its work, to make the utmost effort to achieve concrete results in the shortest possible period of time and to prepare draft international agreements on the specific priority issues of disarmament on its agenda, above all on a treaty on a nuclear-weapon-test ban and on the complete and effective prohibition of all chemical weapons and on their destruction;

3. Also requests the Committee on Disarmament to continue as from the beginning of its session in 1983, in accordance with the Concluding Document of the Twelfth Special Session of the General Assembly, its intensive work on the elaboration of a comprehensive programme of disarmament and to submit the revised draft of such a programme to the General Assembly at its thirty-eighth session;

4. Invites the members of the Committee on Disarmament involved in separate negotiations on specific priority questions of disarmament to intensify their efforts in order to achieve a positive conclusion of those negotiations without further delay and to submit to the Committee a full report on their separate negotiations and the results achieved in order to contribute most directly to the negotiations in the Committee, in accordance with paragraph 1 above;

5. Further requests the Committee on Disarmament to submit a report on its work to the General Assembly at its thirty-eighth session;

6. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Report of the Committee on Disarmament".

1. Takes note of the report of the Disarmament Commission;

2. Notes that the Disarmament Commission again was not able to conclude its consideration of several items on its agenda;

3. Requests the Disarmament Commission to continue its work in accordance with its mandate, as set forth in paragraph 118 of the Final Document of the Tenth Special Session of the General Assembly, and, to that end, to direct its attention at each substantive session to specific subjects from among those which have been or will be under its consideration, taking into account the relevant resolutions of the General Assembly, and to make concrete recommendations on such subjects to the subsequent session of the Assembly;

4. Requests the Disarmament Commission to meet for a period not exceeding four weeks during 1983 and to submit a substantive report on its work to the General Assembly at its thirty-eighth session;

5. Requests the Secretary-General to transmit to the Disarmament Commission the report of the Committee on Disarmament, together with all the official records of the thirty-seventh session of the General Assembly relating to disarmament matters, and to render all assistance that the Commission may require for implementing the present resolution;

6. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Report of the Disarmament Commission".

PREVENTION OF NUCLEAR WAR

The General Assembly,

Alarmed by the threat to the survival of mankind posed by the existence of nuclear weapons and the continuing arms race,

Recalling that removal of the threat of a nuclear war is the most acute and urgent task of the present day,

Reiterating that it is the shared responsibility of all Member States to save succeeding generations from the scourge of another world war,

Recalling the provisions of paragraphs 47 to 50 and 56 to 58 of the Final Document of the Tenth Special Session of the General Assembly,\textsuperscript{39} the first special session devoted to disarmament, regarding the procedures designed to secure the avoidance of nuclear war,

Recalling also its resolution 36/81 B of 9 December 1981, in which it urged all nuclear-weapon States to submit to the Secretary-General by 30 April 1982, for consideration at the twelfth special session of the General Assembly, the second special session devoted to disarmament, their views, proposals and practical suggestions for ensuring the prevention of nuclear war and invited all other Member States that so desired to do likewise,

Having considered the report of the Secretary-General containing such views, proposals and practical suggestions, which was submitted at the twelfth special session,\textsuperscript{44}

\textsuperscript{44} A/S-12/11 and Add 1 and Add 1/Corr.1 and Add 2.5.
Taking into account the deliberations held on this item during the twelfth special session, in particular in Working Group III of the Ad Hoc Committee of the Twelfth Special Session and in the drafting group established to continue consideration of the proposals concerning the question of the prevention of nuclear war, referred to in the Concluding Document of that session.45

Convinced that the prevention of nuclear war and the reduction of the risks of nuclear war are matters of the highest priority and of vital interest to all the peoples of the world,

1. Requests the Committee on Disarmament to undertake, as a matter of the highest priority, negotiations with a view to achieving agreement on appropriate and practical measures for the prevention of nuclear war, taking into account the documents referred to above, as well as other existing proposals and future initiatives;

2. Requests the Secretary-General to transmit to the Committee on Disarmament all relevant documents to facilitate the consideration of this item by the Committee;

3. Decides to include in the provisional agenda of its thirty-eighth session an item entitled “Prevention of nuclear war: report of the Committee on Disarmament”.

J

NON-USE OF NUCLEAR WEAPONS AND PREVENTION OF NUCLEAR WAR

The General Assembly,

Alarmed by the threat to the survival of mankind posed by the existence of nuclear weapons and the continuing arms race,

Recalling that, in accordance with the Final Document of the Tenth Special Session of the General Assembly, the first special session devoted to disarmament, effective measures of nuclear disarmament and the prevention of nuclear war have the highest priority,

Bearing in mind its resolutions 36/81 B, 36/92 I and 36/100 of 9 December 1981,

Reaffirming that the most effective guarantee against the danger of nuclear war and the use of nuclear weapons is nuclear disarmament and the complete elimination of nuclear weapons,

Recalling also that, in the Final Document of the Tenth Special Session, it is stated that all States should actively participate in efforts to bring about conditions in international relations among States in which a code of peaceful conduct of nations in international affairs could be agreed upon and which would preclude the use or threat of use of nuclear weapons,

1. Considers that the solemn declarations by two nuclear-weapon States made or reiterated at the twelfth special session of the General Assembly, the second special session devoted to disarmament, concerning their respective obligations not to be the first to use nuclear weapons offer an important avenue to decrease the danger of nuclear war,

2. Expresses the hope that the other nuclear-weapon States will consider making similar declarations with respect to not being the first to use nuclear weapons.

MONITORING OF DISARMAMENT AGREEMENTS AND STRENGTHENING OF INTERNATIONAL SECURITY: PROPOSAL FOR THE ESTABLISHMENT OF AN INTERNATIONAL SATELLITE MONITORING AGENCY

The General Assembly,

Reaffirming the essential role to be played by appropriate international monitoring measures satisfactory to all interested parties in establishing and implementing disarmament agreements and in strengthening international security and confidence,

Considering the progress made in the technology of earth observation by artificial satellites,

Aware of the important contribution that such technology can make to solving problems posed by monitoring, given, in particular, the need to provide for international measures of a non-discriminatory character which do not constitute interference in the internal affairs of States,

Recalling its resolutions 33/71 J of 14 December 1978, in which it requested the Secretary-General to undertake, with the assistance of a group of qualified governmental experts, a study on the technical, legal and financial implications of establishing an international satellite monitoring agency and to seek the views of Member States on this subject and 34/83 E of 11 December 1979, in which it took note of those views,

Noting with interest the report of the Secretary-General to which was annexed the very detailed study prepared by the Group of Governmental Experts appointed to study the implications of establishing an international satellite monitoring agency,

Emphasizing that technological advances increase the possibilities in this area and that Member States, as well as the international community represented by its competent organs, should be in a position to benefit, in the appropriate conditions, from adequate monitoring techniques, whether through the implementation of disarmament agreements or through the strengthening of international security and confidence,

Convinced that for these reasons consideration of the proposal for the establishment of an international satellite monitoring agency should be pursued in all of its aspects,

1. Takes note of the report of the Secretary-General to which was annexed the study on the implications of establishing an international satellite monitoring agency;

2. Expresses its satisfaction to the Secretary-General and to the Group of Governmental Experts on the Question of the Establishment of an International Satellite Monitoring Agency, which helped him, for the way in which the report was prepared;

3. Takes note also of the conclusions of the study regarding the possibilities of establishing an international satellite monitoring agency;

4. Requests the Secretary-General to take the necessary steps to have the report reproduced as a United Nations publication in order to ensure that it receives the widest possible dissemination;

5. Requests the Secretary-General to report to the General Assembly, at its thirty-eighth session, on the practical modalities for implementing those conclusions with respect to the institutional aspects of the draft examined in chapter II, part V, of the study.

98th plenary meeting 9 December 1982

46 Resolution S-10/2, para. 58.

47 A/AC.206/14. The report was subsequently issued with the title The Implications of Establishing an International Satellite Monitoring Agency (United Nations publication, Sales No. E.83.IX.3).

The General Assembly,
Reaffirming its conviction that the suffering of civilian populations and of combatants would be significantly reduced if general agreement could be attained on the prohibition or restriction, for humanitarian reasons, of the use of specific conventional weapons, including any which may be deemed to be excessively injurious or to have indiscriminate effects,
Recollecting with satisfaction the adoption, on 10 October 1980, of the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects, together with the Protocol on Non-Detectable Fragments (Protocol I), the Protocol on Prohibitions or Restrictions on the Use of Mines, Booby Traps and Other Devices (Protocol II) and the Protocol on Prohibitions or Restrictions on the Use of Incendiary Weapons (Protocol II),
Taking note with satisfaction of the report of the Secretary-General, in which indication was given that an increasing number of States had either signed or ratified the Convention, which was opened for signature in New York on 10 April 1981,
1. Urges those States that have not yet done so to exert their best endeavours to become parties to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects and the Protocols annexed thereto, as early as possible, so as to obtain their entry into force and, ultimately, their universal adherence;
2. Takes note of the fact that, under article 8 of the Convention, conferences may be convened to consider amendments to the Convention or any of the annexed Protocols, to consider additional protocols relating to other categories of conventional weapons not covered by the existing annexed Protocols, or to review the scope and operation of the Convention and the Protocols annexed thereto and to consider any proposal for amendments to the Convention or to the existing annexed Protocols and any proposals for additional protocols relating to other categories of conventional weapons not covered by the existing annexed Protocols;
3. Requests the Secretary-General, as the depository of the Convention and its three annexed Protocols, to inform the General Assembly from time to time of the state of adherence to the said Convention and its Protocols;
4. Decides to include in the provisional agenda of its thirty-eighth session the item entitled “United Nations Conference on Prohibitions or Restrictions of Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects”.
98th plenary meeting 9 December 1982

37/80. Conclusion of an international convention on the strengthening of the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons

The General Assembly,
Convinced of the need to take effective measures for the strengthening of the security of States and prompted by the desire shared by all nations to eliminate war and prevent nuclear conflagration,
Taking into account the principle of non-use of force or threat of force enshrined in the Charter of the United Nations and reaffirmed in a number of United Nations declarations and resolutions,
Noting with satisfaction the desire of States in various regions to prevent nuclear weapons from being introduced into their territories, including through the establishment of nuclear-weapon-free zones, on the basis of arrangements freely arrived at among the States of the region concerned, and being anxious to contribute to the attainment of this objective,
Considering that, until nuclear disarmament is achieved on a universal basis, it is imperative for the international community to develop effective measures to ensure the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons from any quarter,
Recognizing that effective measures to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons can constitute a positive contribution to the prevention of the spread of nuclear weapons,
Mindful of the statements made and views expressed by various States on the strengthening of the security of non-nuclear-weapon States,
Concerned at the continuing escalation of the arms race, in particular the nuclear-arms race, and the increased danger of recourse to use or threat of use of nuclear weapons,
Deeply concerned at the plans for further stationing of nuclear weapons on the territories of non-nuclear-weapon States that could directly affect the security of non-nuclear-weapon States,
Desirous of promoting the implementation of paragraph 59 of the Final Document of the Tenth Special Session of the General Assembly, in which it urged the nuclear-weapon States to pursue efforts to conclude, as appropriate, effective arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,
Noting that the Committee on Disarmament considered in 1982 the item entitled “Effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons” and the work done by the Ad Hoc Working Group on this item,
Recalling the drafts of an international convention submitted on that item to the Committee on Disarmament in 1979 and noting with satisfaction that the idea of concluding such a convention has received widespread international support,
Taking note of the special report of the Committee on Disarmament, submitted to the General Assembly at its twelfth special session, including the report of the Ad Hoc

---

50 Resolution S-10/2.
51 Official Records of the General Assembly, Twelfth Special Session, Supplement No. 2 (A/8-12/2)
Working Group to Consider, and Negotiate on, Effective International Arrangements to Assure Non-Nuclear-Weapon States against the Use or Threat of Use of Nuclear Weapons, as well as the report of the Committee on Disarmament,\(^3\) causing the promotion of an early and successful completion of the negotiations on the elaboration of a convention on the strengthening of the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons.

Noting that the idea of interim arrangements as a first step towards the conclusion of such a convention has also been considered in the Committee on Disarmament, particularly in the form of a Security Council resolution on this subject, and reaffirming the call made in that respect by the General Assembly in paragraph 6 of its resolution 35/154 and in paragraph 5 of its resolution 36/94,

Taking note of the recommendation contained in the special report of the Committee on Disarmament that ways and means should be explored by the Committee to overcome the difficulties encountered in the negotiations of the above-mentioned Working Group with a view to reaching agreement on effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,\(^4\)

Convinced that abandoning policies of first use of nuclear weapons would, \textit{inter alia}, constitute a substantive contribution to the efforts to achieve progress towards effective strengthening of the security guarantees for non-nuclear-weapon States,

Welcoming the solemn declarations concerning the non-first-use of nuclear weapons, in particular the obligation of nuclear-weapon States not to be the first to use nuclear weapons, assumed at the highest political level or confirmed at the twelfth special session of the General Assembly,

Convinced further that, if all nuclear-weapon States were to assume obligations not to be the first to use nuclear weapons, that would be tantamount, in practice, to banning the use of nuclear weapons against all States, including all non-nuclear-weapon States,

Bearing in mind that, in the search for a solution of the problem of security assurances, priority should be given to the legitimate security concerns of the non-nuclear-weapon States, which, by virtue of their forgoing the nuclear option and of not allowing nuclear weapons to be stationed on their territories, have every right to expect to be most effectively guaranteed against the use or threat of use of nuclear weapons,

1. \textit{Welcomes once again} the conclusion of the Committee on Disarmament that there is continuing recognition of the urgent need to reach agreement on effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons;

2. \textit{Notes with satisfaction} that in the Committee on Disarmament there is once again no objection, in principle, to the idea of an international convention on this subject;

3. \textit{Requests} the Committee on Disarmament to continue the negotiations on the question of the strengthening of the security guarantees for non-nuclear-weapon States during its session in 1983;

4. \textit{Calls once again upon} all States participating in these negotiations to make efforts to elaborate and conclude an international instrument of a legally binding character, such as an international convention, on this matter;

5. \textit{Calls once again upon} all nuclear-weapon States to make solemn declarations, identical in substance, concerning the non-use of nuclear weapons against non-nuclear-weapon States having no such weapons on their territories, as a first step towards the conclusion of an international convention, and recommends that the Security Council should examine such declarations and, if they all meet the above-mentioned objective, should adopt an appropriate resolution approving them;

6. \textit{Decides} to include in the provisional agenda of its thirty-eighth session the item entitled "Conclusion of an international convention on the strengthening of the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons".

98th plenary meeting

37/81. \textit{Conclusion of effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons}

The General Assembly,

Bearing in mind the need to allay the legitimate concern of the States of the world with regard to ensuring lasting security for their peoples,

Convinced that nuclear weapons pose the greatest threat to mankind and to the survival of civilization,

Deeply concerned at the continuing escalation of the arms race, in particular the nuclear-arms race,

Convinced that nuclear disarmament and the complete elimination of nuclear weapons are essential to remove the danger of nuclear war,

Taking into account the principle of the non-use of force or threat of force enshrined in the Charter of the United Nations,

Deeply concerned about the possibility of the use or threat of use of nuclear weapons,

Recognizing that the independence, territorial integrity and sovereignty of non-nuclear-weapon States need to be safeguarded against the use or threat of use of force, including the use or threat of use of nuclear weapons,

Considering that, until nuclear disarmament is achieved on a universal basis, it is imperative for the international community to develop effective measures to ensure the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons from any quarter,

Recognizing that effective measures to assure the non-nuclear-weapon States against the use or threat of use of nuclear weapons can constitute a positive contribution to the prevention of the spread of nuclear weapons,

Recalling its resolution 3261 G (XXIX) of 9 December 1974,

Recalling also its resolution 31/189 C of 21 December 1976,

Bearing in mind paragraph 59 of the Final Document of the Tenth Special Session of the General Assembly,\(^5\) in which it urged the nuclear-weapon States to pursue efforts to conclude, as appropriate, effective arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,

Desirous of promoting the implementation of the relevant provisions of the Final Document of the Tenth Special Session,

\(^3\) Ibid., para. 63.

\(^4\) Ibid., Thirty-seventh Session, Supplement No. 2 (A/37/27 and Corr. 1)

\(^5\) Ibid., Twelfth Special Session, Supplement No. 2 (A/12/2), para. 63, part IV.

Further recalling paragraph 12 of the Declaration of the 1980s as the Second Disarmament Decade, contained in the annex to its resolution 35/46 of 3 December 1980, which states, inter alia, that all efforts should be exerted, therefore, by the Committee on Disarmament urgently to negotiate with a view to reaching agreement, and to submit agreed texts, where possible, before the second special session devoted to disarmament, on effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,

Welcoming the in-depth negotiations undertaken in the Committee on Disarmament and its Ad Hoc Working Group to Consider, and Negotiate on, Effective International Arrangements to Assure Non-Nuclear-Weapon States against the Use or Threat of Use of Nuclear Weapons, with a view to reaching agreement on this item,55

Noting the proposals submitted under that item in the Committee on Disarmament, including the drafts of an international convention,

Taking note of the decision of the Sixth Conference of Heads of State or Government of Non-Aligned Countries, held at Havana from 3 to 9 September 1979,56 as well as the relevant recommendations of the Islamic Conference, reiterated recently at the Thirteenth Islamic Conference of Foreign Ministers, held at Niamey from 22 to 25 August 1982,57 calling upon the Committee on Disarmament to elaborate and reach an agreement on an international basis to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,

Further noting the support expressed in the Committee on Disarmament and in the General Assembly for the elaboration of an international convention to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, as well as the difficulties pointed out in evolving a common approach acceptable to all,

1. Reaffirms the urgent need to reach agreement on effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons;

2. Notes with satisfaction that in the Committee on Disarmament there is no objection, in principle, to the idea of an international convention to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, although the difficulties as regards evolving a common approach acceptable to all have also been pointed out;

3. Appeals to all States, especially the nuclear-weapon States, to demonstrate the political will necessary to reach agreement on a common approach and, in particular, on a common formula which could be included in an international instrument of a legally binding character;

4. Recommends that further intensive efforts should be devoted to the search for such a common approach or common formula and that the various alternative approaches, including in particular those considered in the Committee on Disarmament, should be further explored in order to overcome the difficulties;

5. Recommends that the Committee on Disarmament should actively continue the negotiations with a view to reaching early agreement and concluding effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, taking into account the widespread support for the conclusion of an international convention and giving consideration to any other proposals designed to secure the same objective;

6. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Conclusion of effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons".

98th plenary meeting 9 December 1982

37/82. Israeli nuclear armament

The General Assembly,
Recalling its resolutions 35/157 of 12 December 1980 and 36/98 of 9 December 1981 on Israeli nuclear armament,
Recalling also its relevant resolutions on the establishment of a nuclear-weapon-free zone in the region of the Middle East,
Recalling further its resolution 33/71 A of 14 December 1978 on military and nuclear collaboration with Israel,
Recalling its repeated condemnation of the nuclear collaboration between Israel and South Africa,
Recalling Security Council resolution 487 (1981) of 19 June 1981 and taking note of the first special report of the Special Committee against Apartheid on recent developments concerning relations between Israel and South Africa,58
Noting with grave concern Israel's persistent refusal to adhere to the Treaty on the Non-Proliferation of Nuclear Weapons,59 despite repeated calls by the General Assembly, the Security Council and the International Atomic Energy Agency, and to place its nuclear facilities under Agency safeguards,

Conscious of the grave consequences which endanger international peace and security as a result of Israel's nuclear-weapon capability and its collaboration with South Africa to develop nuclear weapons and their delivery systems,

Taking note of the report of the Secretary-General on Israeli nuclear armament,60

1. Reaffirms its demand that Israel renounce, without delay, any possession of nuclear weapons and place all its nuclear activities under international safeguards;
2. Calls again upon all States and other parties and institutions to terminate forthwith all nuclear collaboration with Israel;
3. Requests again the Security Council to investigate Israel's nuclear activities and the collaboration of other States, parties and institutions in these activities;
4. Calls upon all States to submit to the Secretary-General all information in their possession concerning the Israeli nuclear programme or any public or private assistance thereto;
5. Requests the Security Council to consider taking effective action so as to prevent Israel from endangering international peace and security by pursuing its policy of aggression, expansion and annexation of territories;
6. Condemns Israel's officially declared intention to repeat its armed attack against nuclear facilities;

55 ibid., para. 63.
56 See A/34/542, annex, sect. 1, para. 219.
57 See A/37/567-S/15466.

7. Requests the Secretary-General to keep Israeli nuclear activities under constant review and to report thereon as appropriate;

8. Also requests the Secretary-General, in co-operation with the Organization of African Unity and the League of Arab States, to follow closely the nuclear and military collaboration between Israel and South Africa and the dangers it constitutes to peace and security and to efforts aimed at the establishment of nuclear-weapon-free zones in Africa and the Middle East;

9. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Israeli nuclear armament".

37/83. Prevention of an arms race in outer space

The General Assembly,

Inspired by the great prospects opening up before mankind as a result of man’s entry into outer space twenty-five years ago,

Recognizing the common interest of all mankind in the exploration and use of outer space for peaceful purposes,

Reaffirming that the exploration and use of outer space, including the Moon and other celestial bodies, shall be carried out for the benefit and in the interest of all countries, irrespective of their degree of economic or scientific development, and shall be the province of all mankind,

Reaffirming further the will of all States that the exploration and use of outer space, including the Moon and other celestial bodies, shall be exclusively for peaceful purposes,

Recalling that the States parties to the Treaty on Principles Governing the Activities of States in the Exploration and Use of Outer Space, including the Moon and Other Celestial Bodies, have undertaken, in article III, to carry on activities in the exploration and use of outer space, including the Moon and other celestial bodies, in accordance with international law and the Charter of the United Nations, in the interest of maintaining international peace and security and promoting international co-operation and understanding,

Reaffirming, in particular, article IV of the above-mentioned Treaty, which stipulates that States parties to the Treaty undertake not to place in orbit around the earth any objects carrying nuclear weapons or any other kinds of weapons of mass destruction, install such weapons on celestial bodies or station such weapons in outer space in any other manner,

Reaffirming also paragraph 80 of the Final Document of the Tenth Special Session of the General Assembly, in which it is stated that, in order to prevent an arms race in outer space, further measures should be taken and appropriate international negotiations held in accordance with the spirit of the Treaty,

Recalling its resolutions 36/97 C and 36/99 of 9 December 1981,

Gravely concerned at the danger posed to all mankind by an arms race in outer space,

Mindful of the widespread interest expressed by Member States in the course of the negotiations on and following the adoption of the above-mentioned Treaty in ensuring that the exploration and use of outer space should be for peaceful purposes, and taking note of proposals submitted to the General Assembly at its tenth special session and at its regular sessions and to the Committee on Disarmament,

Noting the grave concern expressed by the Second United Nations Conference on the Exploration and Peaceful Uses of Outer Space over the possible extension of an arms race into outer space and the recommendations made to the competent organs of the United Nations, in particular the General Assembly, and also to the Committee on Disarmament,

Convinced that further measures are needed for the prevention of an arms race in outer space,

Recognizing that, in the context of multilateral negotiations for preventing an arms race in outer space, the resumption of bilateral negotiations between the Union of Soviet Socialist Republics and the United States of America can play a positive role,

Taking note of the report of the Committee on Disarmament,

Noting that in the course of its session in 1982 the Committee on Disarmament considered this subject both at its formal and informal meetings as well as through informal consultations,

Aware of the various proposals submitted by Member States to the Committee on Disarmament, particularly concerning the establishment of a working group on outer space and its draft mandate,

Noting, in particular, the express wishes of the overwhelming majority of members of the Committee on Disarmament for the establishment, without delay, of a working group on outer space,

1. Reaffirms the will of all States that outer space shall be used exclusively for peaceful purposes and that it shall not become an arena for an arms race;

2. Declares that any use of outer space other than for exclusively peaceful purposes runs counter to the agreed objective of general and complete disarmament under effective international control;

3. Emphasizes that further effective measures to prevent an arms race in outer space should be adopted by the international community;

4. Calls upon all States, in particular those with major space capabilities, to contribute actively to the objective of the peaceful use of outer space and to take immediate measures to prevent an arms race in outer space;

5. Requests the Committee on Disarmament to consider as a matter of priority the question of preventing an arms race in outer space;

6. Further requests the Committee on Disarmament to establish an ad hoc working group on the subject at the beginning of its session in 1983, with a view to undertaking negotiations for the conclusion of an agreement or agreements, as appropriate, to prevent an arms race in all its aspects in outer space;

7. Requests the Committee on Disarmament to report on its consideration of this subject to the General Assembly at its thirty-eighth session;

8. Requests the Secretary-General to transmit to the Committee on Disarmament all documents relating to the consideration of this subject by the General Assembly at its thirty-seventh session;

37/84. Relationship between disarmament and development

The General Assembly,

Recalling the conclusions contained in chapter VII of the study entitled The Relationship between Disarmament and Development,60

Recalling also resolution 36/92 G of 9 December 1981, in which the General Assembly, inter alia, commended the study, its conclusions and its recommendations to the attention of all Member States and decided to transmit the report to the Assembly at its twelfth special session for its substantive consideration and appropriate action,

Noting the proposals on the follow-up decisions regarding the study, circulated as official documents at the twelfth special session of the General Assembly,67

Noting also that, in the Concluding Document of the Twelfth Special Session of the General Assembly, it is recommended that the items on the agenda on which the Assembly had not reached decisions should be taken up at its thirty-seventh session for further consideration,68

Noting further that it has decided to include the question of the relationship between disarmament and development in its agenda as a separate item,

1. Requests the Secretary-General to take appropriate administrative action in accordance with the recommendations of the Group of Governmental Experts on the Relationship between Disarmament and Development, as specified in chapter VII of the study entitled The Relationship between Disarmament and Development;

2. Urges Member States to consider appropriate measures in accordance with all relevant recommendations of the Group of Governmental Experts;

3. Determines that the question of reallocation and conversion of resources, through disarmament measures, from military to civilian purposes should be included in the provisional agenda of the General Assembly at intervals to be decided upon, starting with its fortieth session, in 1985;

4. Recommends that an investigation—with due regard to the capabilities of existing agencies and institutions currently responsible for the international transfer of resources—of the modalities of an international disarmament fund for development should be undertaken by the United Nations Institute for Disarmament Research, in consultation with other relevant international institutions;

5. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session on the measures taken in implementation of the present solution.

37/85. Immediate cessation and prohibition of nuclear-weapon tests

The General Assembly,

Deeply concerned over the continuing nuclear-arms race and the growing danger of nuclear war,

Convinced that an immediate cessation of nuclear-weapon tests by all States in all environments and the prohibition of such testing in the future would be a serious obstacle to the development of ever-new types and systems of nuclear weapons, as well as to the emergence of new nuclear States,

Taking note of the “Basic provisions of a treaty on the complete and general prohibition of nuclear-weapon tests”, submitted by the Union of Soviet Socialist Republics at the current session,69 the text of which is annexed to the present resolution,

1. Urges the Committee on Disarmament to proceed promptly to practical negotiations with a view to elaborating a draft treaty on the complete and general prohibition of nuclear-weapon tests;

2. Refers to the Committee on Disarmament, for its consideration, the basic provisions of such a treaty, submitted by the Union of Soviet Socialist Republics, the text of which is annexed to the present resolution, as well as the proposals and observations made by other States on this question in the course of the current session;

3. Calls upon all the nuclear-weapon States, as a gesture of goodwill and with a view to creating more favourable conditions for the formulation of a treaty on the complete and general prohibition of nuclear-weapon tests, not to conduct any nuclear explosions, starting from a date to be agreed among them and until the above-mentioned treaty is concluded, after the appropriate declarations have been made by them to that effect well in advance;

4. Decides to include in the provisional agenda of its thirty-eighth session the item entitled “Immediate cessation and prohibition of nuclear-weapon tests”.

ANNEX

Basic provisions of a treaty on the complete and general prohibition of nuclear-weapon tests

The objective of averting nuclear war, towards which the efforts of the Union of Soviet Socialist Republics and of other peace-loving States are directed, makes it imperative to take such measures, inter alia, as would impede the development of ever-new types and systems of nuclear weapons.

One such effective measure would be the immediate cessation and prohibition of nuclear-weapon tests by all States and in all environments, which at the same time would promote the non-proliferation of nuclear weapons.

Motivated by these goals, the Soviet Union is submitting to States Members of the United Nations, for their consideration, the following basic provisions of a treaty on the complete and general prohibition of nuclear-weapon tests.

A. Scope of the prohibition

1. Each State party to this Treaty shall undertake to prohibit, to prevent and not to carry out any nuclear-weapon-test explosions at any place under its jurisdiction or control, in any environment—in the atmosphere, beyond its limits, including outer space, under water or under ground.

2. No party shall cause, encourage or in any way participate in the conduct of any nuclear-weapon-test explosions anywhere.

3. A moratorium shall be declared on nuclear explosions for peaceful purposes, under which the parties to this Treaty shall refrain from causing, encouraging, or in any way participating in carrying out such explosions until the relevant procedure has been evolved.

4. Promptly after the entry into force of this Treaty, consideration shall be given to the question of procedure for carrying out nuclear explosions for peaceful purposes. Such procedure, to be agreed upon, may take the form of a special agreement or agreements constituting an integral part of this Treaty.

B. Ensuring compliance with the Treaty

(1) General provisions on verification

5. The States parties to this Treaty shall base their activities in verifying compliance with the provisions of this Treaty on a combination of national and international measures.

6. For the purpose of verifying compliance by other States parties with the provisions of this Treaty, any State party shall have the right to use the national technical means of verification which it has at its disposal, in a manner consistent with generally recognized principles of international law.

7. States parties which possess national technical means of verification may, in case of necessity, place the information which they obtained through those means, and which is important for the purposes of this Treaty, at the disposal of other parties.

8. The States parties to this Treaty undertake not to interfere with the national technical means of verification of other States parties.

9. International measures of verification shall be carried out through international procedures within the framework of the United Nations, in accordance with the Charter, and through consultations and co-operation between States parties, as well as through the services of the Committee of Experts of States parties to this Treaty.

(2) Consultations and co-operation

10. The States parties to this Treaty shall, in case of necessity, consult each other, make inquiries and provide information in connection with such inquiries with a view to solving any questions that may arise with regard to compliance with the provisions of this Treaty.

11. The States parties shall exchange, bilaterally or through the Committee of Experts, information which they consider necessary to provide assurance of compliance with the obligations assumed under this Treaty.

12. Consultations and co-operation may also be undertaken through appropriate international procedures within the framework of the United Nations and in accordance with the Charter.

13. In the interests of increasing the effectiveness of this Treaty, the States parties to the Treaty shall agree in an appropriate way on the prevention of any actions aimed at deliberately falsifying the actual state of affairs with regard to compliance with this Treaty by other States parties.

(3) International exchange of seismic data

14. For the purposes of better assuring compliance with obligations under this Treaty, each party may participate in an international exchange of seismic data. Such international exchange shall be carried out in accordance with the following guidelines.

(4) Guidelines for the international exchange of seismic data

15. Each State party to this Treaty shall have the right to participate in the international exchange of seismic data, to contribute data from seismic stations on its territory which it designates for participation in the international exchange and to receive all the seismic data made available through the international exchange.

16. Each party that decides to participate in the international exchange shall designate an appropriate body through which it will communicate with the international exchange.

17. Seismic data shall be transmitted through the Global Telecommunication System of the World Meteorological Organization or through any other agreed communication channels.

18. International seismic data centres shall be established in agreed locations, taking into account the desirability of appropriate geographical distribution. These centres shall receive all seismic data contributed to the international exchange by its participants, process seismic data without interpreting the nature of seismic events, make the processed seismic data available to all participants and maintain records of all seismic data contributed by participants and processed by the centre. Each centre shall be under the jurisdiction of the party on whose territory it is located.

19. The Committee of Experts, whose establishment is provided for in this Treaty, shall draw in its work upon the recommendations contained in the reports of the Ad Hoc Group of Scientific Experts to Consider International Co-operative Measures to Detect and Identify Seismic Events established by the Committee on Disarmament. Such measures include the elaboration of standards for the technical and operational characteristics of participating seismic stations and international seismic data centres, for the form in which data are transmitted to the centres, and for the form and manner in which the centres make seismic data available to participants and respond to their requests for additional seismic data regarding specific seismic events.

(5) International Committee of Experts of States parties to the Treaty

20. A Committee of Experts of States parties to this Treaty shall be established to consider questions related to the international exchange of seismic data. Any State party shall have the right to appoint a representative to this Committee.

21. The Committee, which will function on the basis of consensus, shall hold its first meeting not later than ninety days after the entry into force of this Treaty and shall meet thereafter as necessary.

22. The Committee shall develop, in accordance with the guidelines, detailed arrangements regulating the establishment and operation of the international exchange; it shall facilitate its implementation and co-operation between States parties to enhance the effectiveness of such exchange.

23. The Committee shall facilitate more extensive international consultations and co-operation, exchange of information and assistance in verification in the interests of compliance with the provisions of this Treaty.

24. Other questions relating to the organization and procedures of the Committee of Experts, its possible subsidiary bodies and their functions, rights, duties and proceedings, its role in promoting international exchange and in on-site inspection, as well as other matters, are to be elaborated.

(6) Fact-finding procedure regarding compliance with the Treaty: on-site inspection

25. Each State party to this Treaty, if it has doubts regarding an event on the territory of another State which may have been a nuclear explosion, may send that party a request for an on-site inspection. The request should state the reasons why it is being made, including relevant seismic and other physical data that could be associated with a possible nuclear explosion, its time and location.

26. The party which has received the request, being aware of the importance of providing assurance of compliance with the obligations under this Treaty, shall state whether or not it is prepared to agree to an inspection. If the party which has received the request is not prepared to agree to an inspection on its territory, it shall communicate the reasons for its decision to the requesting State and to the Committee of Experts.

27. If the requesting State party is not satisfied with the explanation received and the information provided on a bilateral basis, it may ask the Committee of Experts for additional information and consultation regarding that request and assistance in ascertaining the facts in the form of scientific and technical expertise.

28. For the purpose of conducting inspection on the territory of the States parties which may give their agreement, procedures shall be elaborated for such inspections and the manner in which they are to be conducted, including the list of rights and functions of the inspecting personnel and the definition of the role of the receiving party during the inspection.

29. This Treaty shall also contain a provision enabling any two or more of the States parties to agree, by mutual consent, in view of special interests or special circumstances, on additional measures which would facilitate verification of compliance with this Treaty.

(7) Procedure for lodging complaints with the Security Council

30. Any State party which has reason to believe that any other State party has acted or may be acting in violation of the obligations deriving from the provisions of this Treaty shall have the right to lodge a complaint with the Security Council. Such a complaint should include all relevant information, as well as all possible evidence supporting the validity of the complaint.

31. Each State party undertakes to co-operate in carrying out any investigation which the Security Council may initiate, in accordance with the provisions of the Charter of the United Nations, on the basis of a complaint received by the Security Council. The Security Council shall inform the States parties of the results of the investigation.

32. Each State party to this Treaty undertakes to provide or support assistance, in accordance with the provisions of the Charter of the United Nations, to any State party which requests it, if the Security Council decides that such party has been exposed to danger or is perhaps being exposed to danger as a result of violation by another State party of the obligations assumed under this Treaty.

C. Concluding provisions of the Treaty

33. This Treaty shall be of unlimited duration. It shall enter into force upon the deposit of instruments of ratification by twenty Governments, including the Governments of all States permanent members of the Security Council.

34. However, the States parties may agree that this Treaty should enter into force for an agreed limited period, given the participation of three States permanent members of the Security Council—the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland and the United States of America.

35. Provision should be made for the procedure for the signing and ratification of this Treaty, for the depositary, for accession by States to this Treaty and for amendments.

37/95. Reduction of military budgets

A

The General Assembly,

Expressing its deep concern about the ever-spiralling arms race and growing military expenditures, which constitute a heavy burden for the economies of all nations and have extremely harmful effects on world peace and security,

Recalling that at its twelfth special session, the second special session devoted to disarmament, all Member States unanimously and categorically reaffirmed the validity of the Final Document of the Tenth Special Session of the General Assembly, the first special session devoted to disarmament, as well as their solemn commitment to it.71

Reaffirming the provisions of the Final Document of the Tenth Special Session of the General Assembly, according to which the gradual reduction of military budgets on a mutually agreed basis, for example in absolute figures or in terms of percentage points, particularly by nuclear-weapon States and other militarily significant States, would be a measure that would contribute to curbing the arms race and would increase the possibilities for the reallocation of resources now being used for military purposes to economic and social development, particularly for the benefit of the developing countries,72

Recalling also the Declaration of the 1980s as the Second Disarmament Decade,73 in which it is provided that during this period renewed efforts should be made to reach agreement on the reduction of military expenditures and the reallocation of resources thus saved to economic and social development, especially for the benefit of developing countries,

Recalling further its resolution 34/83 F of 11 December 1979, in which it considered that a new impetus should be given to endeavours to achieve agreements to freeze, reduce or otherwise restrain, in a balanced manner, military expenditures, including adequate measures of verification satisfactory to all parties concerned,

Having considered the report of the Disarmament Commission on the work accomplished during its session in 1982 on the question of the reduction of military budgets,74

Convinced that the identification and elaboration of a set of principles that should govern further actions of States in freezing and reducing military budgets could contribute to harmonizing the views of States and create confidence among them conducive to achieving international agreements on the reduction of military budgets.

Considering that the identification and elaboration of the principles that should govern further actions of States in freezing and reducing military budgets and the other current activities within the framework of the United Nations related to the question of the reduction of military budgets should be regarded as having the fundamental objective of reaching international agreements on the reduction of military expenditures,

Aware of the various proposals submitted by Member States and of the activities carried out so far within the framework of the United Nations in the field of the reduction of military budgets,

1. Declares once again its conviction that it is possible to achieve international agreements on reduction of military budgets without prejudice to the right of all States to undiminished security, self-defence and sovereignty;

2. Reaffirms that human and material resources released through the reduction of military expenditures could be reallocated to economic and social development, especially for the benefit of the developing countries;

3. Reiterates the urgent need to reinforce the endeavours of all States and international action in the reduction of military budgets, with a view to reaching international agreements to freeze, reduce or otherwise restrain military expenditures;

4. Urges all States, in particular the most heavily armed States, pending the conclusion of agreements on the reduction of military expenditures, to exercise self-restraint in their military expenditures with a view to reallocating the funds thus saved to economic and social development, especially for the benefit of developing countries;

5. Requests the Disarmament Commission to continue, at its session in 1983, the consideration of the item entitled "Reduction of military budgets", including consideration of the background paper75 as well as other proposals and ideas on that subject, with a view to identifying and elaborating the principles that should govern further actions of States in freezing and reducing military expenditures, keeping in mind the possibility of embodying such principles in a suitable document at an appropriate stage;

6. Also requests the Disarmament Commission to consider, at its next substantive session, other proposals and ideas, as well as recommendations submitted by Member States, for reducing military budgets;

7. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Reduction of military budgets".

101st plenary meeting
13 December 1982

B

The General Assembly,

Deeply concerned about the arms race and present tendencies to increase further the rate of growth of military expenditures, the deplorable waste of human and economic resources and the potentially harmful effects on world peace and security,

Considering that a gradual reduction of military expenditures on a mutually agreed basis would be a measure that would contribute to curbing the arms race and would increase the possibilities of reallocating resources now being used for military purposes to economic and social development, especially for the benefit of the developing countries,

71 Ibid., Twelfth Special Session, Annexes, agenda items 9, 10, 11, 12 and 13, document A/S-12/32, para. 62.
72 Resolution 35/46, annex.
74 Ibid., Supplement No. 4 (A/S-12/3), annex II.
Convinced that such reductions could and should be carried out on a mutually agreed basis without detriment to the national security of any country,

Reaffirming its conviction that provisions for defining, reporting, comparing and verifying military expenditures will have to be basic elements of any international agreement to reduce such expenditures,

Recalling that an international system for the standardized reporting of military expenditures has been introduced in pursuance of General Assembly resolution 35/142 B of 12 December 1980 and that annual reports on military expenditures are now being received from a number of Member States,

Considering that a wider participation in the reporting system would promote its further refinement and would, by contributing to greater openness in military matters, increase confidence between States,

Considering that new initiatives are called for to give a fresh impetus towards achievement of the broadest possible participation, by States from different geographic regions and representing different budgeting systems, in the reporting of military expenditures to the Secretary-General,

Noting that among such initiatives is a proposal to convene an international conference on military expenditures,

Noting with appreciation that, in pursuance of resolution 35/142 B, the Secretary-General has submitted his report on the reduction of military budgets, which deals, inter alia, with the question of comparing and verifying military expenditures and contains several useful conclusions and recommendations for the promotion of further progress in this field,

Considering also that the study of this question should be followed by a practical exercise in order to explore further with a view to facilitating future negotiations on the reduction of military expenditures,

Emphasizing that all the above-mentioned activities and initiatives, as well as other ongoing activities within the United Nations related to the reduction of military budgets, should have the fundamental objective of facilitating future negotiations aimed at the conclusion of international agreements on the reduction of military expenditures,

1. Stresses the need to increase the number of reporting States with a view to the broadest possible participation from different geographic regions and representing different budgeting systems and requests the Secretary-General to invite Member States to submit their views and suggestions on practical means of promoting this goal and to report to the General Assembly at its thirty-eighth session on the results of this consultation;

2. Reiterates its recommendation that all Member States should report annually, by 30 April, to the Secretary-General, using the reporting instrument, their military expenditures for the latest fiscal year for which data are available;

3. Requests the Secretary-General to modify the instructions of the reporting instrument in the manner suggested in paragraph 59 of his report and to circulate this revised instrument among all Member States so that they may use it in their reporting in 1983;

4. Requests the Secretary-General to make the collecting and assembling of data on military expenditures, reported by States on the basis of the reporting instrument, an integral part of his normal statistical services and to arrange and publish these data according to statistical practice;

5. Requests the Secretary-General, with the assistance of a group of qualified experts and with the voluntary cooperation of States, to undertake the task of constructing price indices and purchasing-power parities for the military expenditures of participating States; this task should encompass a study of the problem as a whole, which would include the following:

(a) To assess the feasibility of such an exercise;
(b) To design the project and methodology to be employed;
(c) To determine the types of data required, such as product descriptions, prices and statistical weights;
(d) To construct military price indices and purchasing-power parities;

6. Requests the Secretary-General to ascertain the willingness of States to participate and to enlist their voluntary co-operation;

7. Invites Member States to participate in the above-mentioned exercise;

8. Requests the Secretary-General to submit progress reports to the General Assembly at its thirty-eighth and thirty-ninth sessions and a final report to the Assembly at its fortieth session;

9. Also requests the Secretary-General to provide the group of experts with the necessary assistance and secretariat services;

10. Further requests the Secretary-General to make the necessary arrangements for the report on the reduction of military budgets to be issued as a United Nations publication and to be widely distributed;

11. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Reduction of military budgets".

37/96. Implementation of the Declaration of the Indian Ocean as a Zone of Peace

The General Assembly,

Recalling also that, in the Final Document of the Tenth Special Session of the General Assembly, it is stated that the establishment of zones of peace in various regions of the world under appropriate conditions to be clearly defined and determined freely by the States concerned in the zone, taking into account the characteristics of the zone and the principles of the Charter of the United Nations, and in conformity with international law, can contribute to strengthening the security of States within such zones and to international peace and security as a whole,78

---

76 A/6-12/7. The report was subsequently issued with the title Reduction of Military Budgets—Refinement of international reporting and comparison of military expenditures (United Nations publication, Sales No. E.83.IX.4).

77 Subsequently referred to as the Group of Experts on the Comparison of Military Budgets.

78 Resolution S-10/2, para. 64.
Recalling further the report of the Meeting of the Littoral and Hinterland States of the Indian Ocean, 79

Reaffirming its conviction that concrete action for the achievement of the objectives of the Declaration of the Indian Ocean as a Zone of Peace would be a substantial contribution to the strengthening of international peace and security,

Recalling its decision, taken at the thirty-fourth session in resolution 34/80 B, to convene a Conference on the Indian Ocean at Colombo during 1981.

Recalling further its decision, taken at the thirty-fifth session in resolution 35/150, to make every effort, in consideration of the political and security climate in the Indian Ocean area, particularly recent developments, as well as the progress made in the harmonization of views, to finalize, in accordance with its normal methods of work, all preparations for the Conference, including the date for its convening.

Recalling the exchange of varied views in the Ad Hoc Committee on the Indian Ocean in 1982 and noting that, while some progress has been made, a number of issues remain to be resolved,

Noting the exchange of views on the adverse political and security climate in the region, 80

Noting also that the Ad Hoc Committee has failed to reach consensus on the date for the convening, during 1983, of the Conference on the Indian Ocean at Colombo,

Convinced that the continued military presence of the great Powers in the Indian Ocean area, conceived in the context of their confrontation, gives urgency to the need to take practical steps for the early achievement of the objectives of the Declaration of the Indian Ocean as a Zone of Peace,

Considering that all other foreign military presence in the area, whenever it is contrary to the objectives of the Declaration of the Indian Ocean as a Zone of Peace and the purposes and principles of the Charter, further gives greater urgency to the need to take practical steps towards the early achievement of the objectives of the Declaration.

Considering also that the creation of a zone of peace in the Indian Ocean requires the active participation of and full co-operation among the littoral and hinterland States, the permanent members of the Security Council and the major maritime users to ensure conditions of peace and security based on the purposes and principles of the Charter as well as the general principles of international law,

Considering further that the creation of a zone of peace requires co-operation and agreement among the States of the region to ensure conditions of peace and security within the area, as envisaged in the Declaration of the Indian Ocean as a Zone of Peace, and respect for the independence, sovereignty and territorial integrity of the littoral and hinterland States,

Calling for the renewal of genuinely constructive efforts through the exercise of the political will necessary for the achievement of the objectives of the Declaration of the Indian Ocean as a Zone of Peace.

Deeply concerned at the danger posed by the grave and ominous developments in the area and the resulting sharp deterioration of peace, security and stability which particularly seriously affect the littoral and hinterland States, as well as international peace and security,

Convinced that the continued deterioration of the political and security climate in the Indian Ocean area is an important consideration bearing on the question of the early convening of the Conference and that the easing of tension in the area would enhance the prospect of success being achieved by the Conference,

1. Takes note of the report of the Ad Hoc Committee on the Indian Ocean81 and the exchange of views in the Committee;

2. Regrets that the Ad Hoc Committee has failed to reach consensus on the finalization of the date for the convening in 1983 of the Conference on the Indian Ocean, and takes note of the views expressed relating to the need for the convening of the Conference in the first half of 1984;

3. Emphasizes its decision to convene the Conference at Colombo as a necessary step for the implementation of the Declaration of the Indian Ocean as a Zone of Peace, adopted in 1971;

4. Emphasizes also, in pursuance of that decision and in consideration of the political and security climate in the Indian Ocean area, its decision to request the Ad Hoc Committee to continue its efforts for the necessary harmonization of views on the remaining issues related to the convening of the Conference;

5. Requests the Ad Hoc Committee to continue its work on the necessary harmonization of views on the relevant issues, including those set forth in paragraph 4 above, and to make every effort to accomplish the necessary preparatory work for the Conference, including consideration of its convening not later than the first half of 1984;

6. Renews the mandate of the Ad Hoc Committee as defined in the relevant resolutions;

7. Requests the Ad Hoc Committee to hold three further sessions in 1983 of a duration of two weeks each, with the possibility of holding a fourth session to be considered as required;

8. Requests the Chairman of the Ad Hoc Committee to continue his consultations on the participation in the work of the Committee by States Members of the United Nations which are not members of the Committee, with the aim of resolving this matter at the earliest possible date;

9. Requests the Ad Hoc Committee to submit to the General Assembly at its thirty-eighth session a full report on the implementation of the present resolution;

10. Requests the Secretary-General to continue to render all necessary assistance to the Ad Hoc Committee, including the provision of summary records.

37/97. World Disarmament Conference

The General Assembly,

Reiterating its conviction that all the peoples of the world have a vital interest in the success of disarmament negotiations and that all States should be in a position to contribute to the adoption of measures for the achievement of this goal,
Stressing anew its conviction that a world disarmament conference, adequately prepared and convened at an appropriate time, could provide the realization of such an aim and that the co-operation of all nuclear-weapon Powers would considerably facilitate its attainment,

Taking note of the report of the Ad Hoc Committee on the World Disarmament Conference,82

Recalling that, in paragraph 122 of the Final Document of the Tenth Special Session of the General Assembly,83 the first special session devoted to disarmament, it decided that, at the earliest appropriate time, a world disarmament conference should be convened with universal participation and with adequate preparation,

Recalling also that, in paragraph 23 of the Declaration of the 1980s as the Second Disarmament Decade, contained in the annex to its resolution 35/46 of 3 December 1980, the General Assembly considered it pertinent also to recall that in paragraph 122 of the Final Document of its Tenth Special Session it had stated that at the earliest appropriate time a world disarmament conference should be convened, with universal participation and with adequate preparation,

Recalling further that although the General Assembly, at its twelfth special session, the second special session devoted to disarmament, did not make any recommendations on the question of a world disarmament conference, in its report to the General Assembly, the Ad Hoc Committee of the Twelfth Special Session recommended that the items on the agenda on which the Assembly had not reached decisions should be taken up at its thirty-seventh session for further consideration,84

1. Notes with satisfaction that in its report to the General Assembly the Ad Hoc Committee on the World Disarmament Conference stated, inter alia, the following:

"Having regard for the important requirements of a world disarmament conference to be convened at the earliest appropriate time, with universal participation and with adequate preparation, the General Assembly, in accordance with paragraph 64 of the report of the Ad Hoc Committee of the Twelfth Special Session, should take up the question at its thirty-seventh regular session for its further consideration, bearing in mind the relevant provisions of resolution 36/91, adopted by consensus, in particular paragraph 1 of the said resolution".85

2. Renews the mandate of the Ad Hoc Committee;
3. Requests the Ad Hoc Committee to maintain close contact with the representatives of the States possessing nuclear weapons, in order to remain currently informed of their attitudes, as well as with all other States, and to consider any possible relevant proposals and observations which might be made to the Committee, especially having in mind paragraph 122 of the Final Document of the Tenth Special Session of the General Assembly;
4. Requests the Ad Hoc Committee to report to the General Assembly at its thirty-eighth session;
5. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "World Disarmament Conference".

37/98. Chemical and bacteriological (biological) weapons

A

PROHIBITION OF CHEMICAL AND BACTERIOLOGICAL WEAPONS

The General Assembly,

Recalling paragraph 75 of the Final Document of the Tenth Special Session of the General Assembly,86 the first special session devoted to disarmament, in which it is stated that the complete and effective prohibition of the development, production and stockpiling of all chemical weapons and their destruction represents one of the most urgent measures of disarmament,

Recalling the unanimous and categorical reaffirmation by all Member States, at the twelfth special session of the General Assembly, the second special session devoted to disarmament, of the validity of the Final Document of the Tenth Special Session,86

Convinced of the need for the earliest conclusion of a convention on the prohibition of the development, production and stockpiling of all chemical weapons and on their destruction, which would significantly contribute to general and complete disarmament under effective international control,

Recalling its resolution 36/96 B of 9 December 1981,

Expressing profound concern at the production and deployment of binary chemical weapons,

Taking into consideration the decision by the Committee on Disarmament on the new mandate for the Ad Hoc Working Group on Chemical Weapons, as well as the work of the Group during the session of the Committee in 1982,87

Regretting that the bilateral negotiations between the Union of Soviet Socialist Republics and the United States of America have been suspended since 1980 and have not been resumed,

Deeming it desirable for States to refrain from taking any action that could delay or further complicate negotiations,

Aware that the qualitative improvement and development of chemical weapons complicate ongoing negotiations on the prohibition of chemical weapons,

Taking note of the proposals on the creation of chemical-weapon-free zones aimed at facilitating the complete prohibition of chemical weapons,

1. Reaffirms the necessity of the earliest elaboration and conclusion of a convention on the prohibition of the development, production and stockpiling of all chemical weapons and on their destruction;
2. Appeals to all States to facilitate in every possible way the conclusion of such a convention;
3. Urges the Committee on Disarmament to intensify the negotiations in the Ad Hoc Working Group on Chemical Weapons on the basis of its new mandate to achieve accord on a chemical weapons convention at the earliest possible date;
4. Calls upon the Union of Soviet Socialist Republics and the United States of America to resume at the earliest possible date their bilateral negotiations on the prohibition of chemical weapons and to submit their joint proposal to the Committee on Disarmament;

**CHEMICAL AND BACTERIOLOGICAL (BIOLOGICAL) WEAPONS**

_The General Assembly,_

**Recalling** its previous resolutions relating to the complete and effective prohibition of the development, production and stockpiling of all chemical weapons and to their destruction,

**Reaffirming** the necessity of strict observance by all States of the principles and objectives of the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare, signed at Geneva on 17 June 1925, and of the adherence by all States to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction, signed in London, Moscow and Washington on 10 April 1972,

**Having considered** the report of the Committee on Disarmament, which includes, _inter alia_, the report of its _Ad Hoc_ Working Group on Chemical Weapons,

**Noting** relevant proposals and initiatives, including those put forward at the twelfth special session of the General Assembly, the second special session devoted to disarmament,

**Considering** it necessary that all efforts be exerted for the resumption and successful conclusion of the bilateral and multilateral negotiations on the prohibition of the development, production and stockpiling of all chemical weapons and on their destruction,

1. **Takes note with satisfaction** the work of the Committee on Disarmament during its session in 1982 regarding the prohibition of chemical weapons, in particular the progress in the work of its _Ad Hoc_ Working Group on that question;

2. **Expresses its regret** that an agreement on the complete and effective prohibition of the development, production and stockpiling of all chemical weapons and on their destruction has not yet been elaborated;

**CHEMICAL AND BACTERIOLOGICAL (BIOLOGICAL) WEAPONS**

_The General Assembly,_

**Mindful** of the continued importance of the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction, signed in London, Moscow and Washington on 10 April 1972,

**Deeply convinced** that the effective implementation and functioning of the Convention, through the application of an adequate complaint and verification procedure, will enhance international peace and security as well as the prospect of realizing the goal of general and complete disarmament under effective international control,

**Conscious** of the need to maintain inviolate the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare, signed at Geneva on 17 June 1925, and to ensure its universal application,

**Recalling** its resolution 2662 (XXV) of 7 December 1970 on the question of chemical and bacteriological (biological) weapons, in which it stated, _inter alia_, that verification should be based on a combination of appropriate national and international measures which would complement and supplement each other, thereby providing an acceptable system that would ensure the effective implementation of the prohibition,

**Recalling also** resolution 35/144 A of 12 December 1980, by which it welcomed the Final Declaration of the Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction,

**Noting** that, in the Final Declaration, the States parties considered that various international procedures, including the right of any State party subsequently to request that a consultative meeting open to all States parties be convened at expert level, would make it possible to ensure effectively and adequately the implementation of the provisions of the Convention,

**Taking into account** that, in their Final Declaration, the States parties, having noted the concerns and differing views expressed on the adequacy of article V of the Convention, believed that this question should be further considered at an appropriate time,

1. **Reaffirms once again** its resolution 2662 (XXV) on the question of chemical and bacteriological (biological) weapons;

2. **Recommends** that the States parties should hold a special conference as soon as possible to establish a flexible, objective and non-discriminatory procedure to deal with issues concerning compliance with the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction,

3. **Requests** the Secretary-General to render the necessary assistance and to provide such services, including summary research, as may be required for the special conference of States parties to the Convention.

PROVISIONAL PROCEDURES TO UDPH THE AUTHORITY OF THE 1925 GENEVA PROTOCOL

The General Assembly,

Recalling the provisions of the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods in Warfare, signed at Geneva on 17 June 1925, which entered into force on 8 February 1928,

Noting that States parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction have reaffirmed their adherence to the principles and objectives of that Protocol and called upon all States to comply with them,

Noting also that the Protocol does not provide for the establishment of procedures for investigating reports concerning activities prohibited by the Protocol,

Noting further that the Committee on Disarmament is currently engaged in the negotiation of a convention on the prohibition of chemical weapons, which should contain provisions to ensure its effective verification,

Believing it conducive to the continued authority of the Protocol that, pending eventual formal arrangements, procedures be established to make possible the prompt and impartial investigation of information concerning possible violations of the provisions of the Protocol,

1. Calls upon all States that have not yet done so to accede to the 1925 Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare;

2. Calls upon all States to comply with the provisions of the Protocol;

3. Calls upon the Committee on Disarmament to expedite its negotiations on a convention on the prohibition of chemical weapons with a view to its submission to the General Assembly with the shortest possible delay;

4. Requests the Secretary-General to investigate, with the assistance of qualified experts, information that may be brought to his attention by any Member State concerning activities that may constitute a violation of the Protocol or of the relevant rules of customary international law in order to ascertain thereby the facts of the matter, and promptly to report the results of any such investigation to all Member States and to the General Assembly;

5. Requests the Secretary-General, with the co-operation of Member States, to compile, as a matter of priority, and maintain lists of qualified experts whose services could be made available at short notice to undertake such investigations, and of laboratories with the capability to undertake testing for the presence of agents the use of which is prohibited;

6. Requests the Secretary-General, in meeting the objectives of paragraph 4 above:

(a) To appoint, as necessary, groups of experts selected from the above-mentioned list to undertake urgent investigation of possible violations;

(b) To make the necessary arrangements for the experts to collect and examine evidence, including on-site, with the co-operation of the countries concerned, to the extent relevant to the investigation, and for such testing as may be required;

(c) To seek, in any such investigation, appropriate assistance and relevant information from all Governments and international organizations concerned, as well as from other appropriate sources;

7. Further requests the Secretary-General, with the assistance of qualified consultant experts, to devise procedures for the timely and efficient investigation of information concerning activities that may constitute a violation of the Geneva Protocol or of the relevant rules of customary international law and to assemble and organize systematically documentation relating to the identification of signs and symptoms associated with the use of such agents as a means of facilitating such investigations and the medical treatment that may be required;

8. Requests Governments, national and international organizations, as well as scientific and research institutions, to co-operate fully with the Secretary-General in this work;

9. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session on the implementation of the present resolution.

CHEMICAL AND BACTERIOLOGICAL (BIOLOGICAL) WEAPONS

The General Assembly,

Having considered the report of the Secretary-General to which was annexed the report of the Group of Experts to Investigate Reports on the Alleged Use of Chemical Weapons, appointed by the Secretary-General pursuant to General Assembly resolutions 35/144 C of 12 December 1980 and 36/96 C of 9 December 1981,

Taking note of the final conclusion of the Group of Experts that, while it could not state that the allegations had been proven, nevertheless it could not disregard the circumstantial evidence suggestive of the possible use of some sort of toxic chemical substance in some instances,

Recalling that the use of chemical and biological weapons has been declared incompatible with the accepted norms of civilization,

1. Takes note of the report of the Secretary-General and expresses its appreciation to the Group of Experts to Investigate Reports on the Alleged Use of Chemical Weapons for the work it has accomplished, as well as to the Member States that co-operated with the Group in fulfilling its mandate;

2. Calls anew for strict observance by all States of the principles and objectives of the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare and condemns all actions that are contrary to those objectives.

NON-STATIONING OF NUCLEAR WEAPONS ON THE TERRITORIES OF STATES WHERE THERE ARE NO SUCH WEAPONS AT PRESENT

The General Assembly,

Conscious that a nuclear war would have devastating consequences for the whole of mankind,

Recalling its resolution 33/91 F of 16 December 1978, which contains an appeal to all nuclear-weapon States to

A/37/259

Ibid., para. 197.
refrain from stationing nuclear weapons on the territories of States where there are no such weapons at present and to all non-nuclear-weapon States that do not have nuclear weapons on their territories to refrain from any steps that would directly or indirectly result in the stationing of such weapons on their territories,

Recalling further its resolutions 35/156 C of 12 December 1980 and 36/97 E of 9 December 1981, in which it requested the Committee on Disarmament to proceed without delay to talks with a view to elaborating an international agreement on the non-stationing of nuclear weapons on the territories of States where there are no such weapons at present,

Noting with regret that the appeals by the General Assembly remain unheeded,

Considering that the non-stationing of nuclear weapons on the territories of States where there are no such weapons at present would constitute a step towards the larger objective of the subsequent complete withdrawal of nuclear weapons from the territories of other States, thus contributing to the prevention of the spread of nuclear weapons and leading eventually to the total elimination of nuclear weapons,

Bear in mind the clearly expressed intention of many States to prevent the stationing of nuclear weapons on their territories,

Deeply alarmed by plans and practical steps leading to a build-up of nuclear-weapon arsenals on the territories of other States,

1. Requests once again the Committee on Disarmament to proceed without delay to talks with a view to elaborating an international agreement on the non-stationing of nuclear weapons on the territories of States where there are no such weapons at present;

2. Calls upon all nuclear-weapon States not to station nuclear weapons on the territories of States where there are no such weapons at present and to refrain from further action involving the stationing of nuclear weapons on the territories of other States;

3. Calls upon all nuclear-weapon States to freeze qualitatively nuclear weapons on the territories of other States;

4. Requests the Secretary-General to transmit to the Committee on Disarmament all documents relating to the discussion of this question by the General Assembly at its thirty-seventh session;

5. Requests the Committee on Disarmament to submit a report on the question to the General Assembly at its thirty-eighth session;

6. Decides to include in the provisional agenda of its thirty-eighth session the item entitled “Non-stationing of nuclear weapons on the territories of States where there are no such weapons at present: report of the Committee on Disarmament”.

REPORT OF THE INDEPENDENT COMMISSION ON DISARMAMENT AND SECURITY ISSUES

The General Assembly,

Concerned over the alarming state of the arms race and the risks it causes to the very survival of humanity,

Recognizing the central role of the United Nations in reducing tension, in safeguarding and promoting confidence between States and in furthering common security and the cause of disarmament,

Having noted the report of the Independent Commission on Disarmament and Security Issues entitled “Common Security—a programme for disarmament”, submitted to the General Assembly at its twelfth special session.

Convinced that the Commission has made an important contribution to the discussion and deliberation on disarmament and security issues and that its recommendations and proposals, embodied in its programme of action, should be further considered within the United Nations system,

Noting that the recommendations in the report were addressed to Governments and to the United Nations and its organs,

Convinced of the importance of ensuring an effective follow-up to the report in the United Nations system and in other relevant contexts,

1. Requests the Secretary-General to transmit the report of the Independent Commission on Disarmament and Security Issues to the Disarmament Commission;

2. Further requests the Disarmament Commission to consider those recommendations and proposals in the report that relate to disarmament and arms limitation and to suggest, in a report to the General Assembly, how best to ensure an effective follow-up thereto within the United Nations system or otherwise;

3. Decides to include in the agenda of its thirty-eighth session an item entitled “Independent Commission on Disarmament and Security Issues: report of the Disarmament Commission”.

PROHIBITION OF THE DEVELOPMENT, PRODUCTION, STOCKPILING AND USE OF RADIOLOGICAL WEAPONS

The General Assembly,

Recalling the resolution of the Commission for Conventional Armaments of 12 August 1948, which defined weapons of mass destruction to include atomic explosive weapons, radioactive material weapons, lethal chemical and biological weapons and any weapons developed in the future which have characteristics comparable in destructive effect to those of the atomic bomb or the other weapons mentioned above,

Recalling its resolution 2602 C (XXIV) of 16 December 1969,

Recalling paragraph 76 of the Final Document of the Tenth Special Session of the General Assembly67 in which it is stated that a convention should be concluded prohibiting the development, production, stockpiling and use of radiological weapons,

Reaffirming its resolution 36/97 B of 9 December 1981 on the conclusion of such a convention,

Convinced that such a convention would serve to spare mankind the potential dangers of the use of radiological weapons and thereby contribute to strengthening peace and averting the threat of war,

Noting that negotiations on the conclusion of an international convention prohibiting the development, production, stockpiling and use of radiological weapons have been conducted in the Committee on Disarmament,

Taking note of those parts of the reports of the Committee on Disarmament to the General Assembly at its twelfth special session and its thirty-seventh session that deal with

those negotiations, including the reports of the Ad Hoc Working Group on Radiological Weapons.\textsuperscript{97}

Recognising that notwithstanding the progress achieved in those negotiations, divergent views continue to exist in connection with various aspects,

Taking into consideration the fact that the peaceful applications of nuclear energy involve the establishment of a large number of nuclear installations with a high concentration of radioactive materials, and bearing in mind that the destruction of such nuclear facilities by military attacks could have disastrous consequences,

Noting with satisfaction the wide recognition of the need to reach agreement on the comprehensive prohibition of radiological weapons,

1. Requests the Committee on Disarmament to continue negotiations with a view to an early conclusion of the elaboration of a treaty prohibiting the development, production, stockpiling and use of radiological weapons, in order that it may be submitted to the General Assembly at its thirty-eighth session;

2. Further requests the Committee on Disarmament to continue its search for a solution to the question of prohibition of military attacks on nuclear facilities, including the scope of such prohibition, taking into account all proposals submitted to it to this end:

3. Takes note of the recommendation of the Ad Hoc Working Group on Radiological Weapons, in the report adopted by the Committee on Disarmament,\textsuperscript{98} to establish, at the beginning of its session to be held in 1983, an ad hoc working group to continue negotiations on the prohibition of radiological weapons;\textsuperscript{99}

4. Requests the Secretary-General to transmit to the Committee on Disarmament all documents relating to the discussion by the General Assembly at its thirty-seventh session of the prohibition of the development, production, stockpiling and use of radiological weapons;

5. Decides to include in the provisional agenda of its thirty-eighth session the item entitled “Prohibition of the development, production, stockpiling and use of radiological weapons”.

\textbf{PREVENTION OF AN ARMS RACE IN OUTER SPACE AND PROHIBITION OF ANTI-SATELLITE SYSTEMS}}

\textbf{The General Assembly,}

\textit{Inspired} by the great prospects opening up before mankind as a result of man’s entry into outer space,

\textit{Believing} that any activity in outer space should be for peaceful purposes and carried on for the benefit of all peoples, irrespective of the degree of their economic and scientific development,

\textit{Recalling} that the States parties to the Treaty on Principles Governing the Activities of States in the Exploration and Use of Outer Space, including the Moon and Other Celestial Bodies,\textsuperscript{100} have undertaken, in article III, to carry on activities in the exploration and use of outer space, including the Moon and other celestial bodies, in accordance with international law and the Charter of the United Nations, in the interest of maintaining international peace and security and promoting international co-operation and understanding,

\textit{Reaffirming}, in particular, article IV of the above-mentioned Treaty, which stipulates that States parties to the Treaty undertake not to place in orbit around the earth any objects carrying nuclear weapons or any other kinds of weapons of mass destruction, install such weapons on celestial bodies or station such weapons in outer space in any other manner,

\textit{Reaffirming also} paragraph 80 of the Final Document of the Tenth Special Session of the General Assembly,\textsuperscript{101} in which it is stated that, in order to prevent an arms race in outer space, further measures should be taken and appropriate international negotiations held in accordance with the spirit of the Treaty,

\textit{Aware of} the need to prevent an arms race in outer space and in particular of the threat posed by anti-satellite systems and their destabilizing effects on international peace and security,

\textit{Recalling} its resolutions 36/97 C and 36/99 of 9 December 1981,

\textit{Noting} the grave concern expressed by the Second United Nations Conference on the Exploration and Peaceful Uses of Outer Space over the possible extension of an arms race into outer space and the recommendations made to the competent organs of the United Nations, in particular the General Assembly, and also to the Committee on Disarmament,\textsuperscript{102} Noting also that in the course of its session in 1982 the Committee on Disarmament considered this subject both at its formal and informal meetings, as well as through informal consultations,

\textit{Taking note} of the part of the report of the Committee on Disarmament relating to the item entitled “Prevention of an arms race in outer space”\textsuperscript{103},

1. \textit{Reaffirms} that further effective measures to prevent an arms race in outer space should be adopted by the international community;

2. \textit{Notes with appreciation} the contribution made by Member States to the discussion of the item in the Committee on Disarmament and in the General Assembly;

3. \textit{Requests} the Committee on Disarmament to continue substantive consideration of:

\begin{itemize}
  \item (a) The question of negotiating effective and verifiable agreements aimed at preventing an arms race in outer space, taking into account all existing and future proposals designed to meet this objective;
  \item (b) As a matter of priority, the question of negotiating an effective and verifiable agreement to prohibit anti-satellite systems as an important step towards the fulfilment of the objectives set out in subparagraph (a) above;
  \item \textit{Expresses the hope} that the Committee on Disarmament will take the appropriate steps, such as the possible establishment of a working group, in order to promote the objectives set forth in paragraphs 1 and 3 above;
  \item \textit{Requests} the Committee on Disarmament to report on the consideration given to this subject to the General Assembly at the thirty-eighth session;
  \item \textit{Decides} to include in the provisional agenda of its thirty-eighth session the item entitled “Prevention of an arms race in outer space and prohibition of anti-satellite systems”.

Prohibition of the Production of Fissionable Material for Weapons Purposes

The General Assembly,

Recalling its resolutions 33/91 H of 16 December 1978, 34/87 D of 11 December 1979, 35/156 H of 12 December 1980 and 36/97 G of 9 December 1981, in which it requested the Committee on Disarmament, at an appropriate stage of the implementation of the Programme of Action set forth in section III of the Final Document of the Tenth Special Session of the General Assembly, and of its work on the item entitled "Nuclear weapons in all aspects", to consider urgently the question of adequately verified cessation and prohibition of the production of fissionable material for nuclear weapons and other nuclear explosive devices and to keep the Assembly informed of the progress of that consideration,

Noting that the agenda of the Committee on Disarmament for 1982 included the item entitled "Nuclear weapons in all aspects" and that the Committee's programme of work for both parts of its session held in 1982 contained the item entitled "Cessation of the nuclear-arms race and nuclear disarmament",

Recalling the proposals and statements made in the Committee on Disarmament on those items,103

Considering that the cessation of production of fissionable material for weapons purposes and the progressive conversion and transfer of stocks to peaceful uses would be a significant step towards halting and reversing the nuclear-arms race,

Considering that the production of fissionable material for nuclear weapons and other explosive devices also would be an important measure in facilitating the prevention of the proliferation of nuclear weapons and explosive devices,

Requests the Committee on Disarmament, at an appropriate stage of its work on the item entitled "Nuclear weapons in all aspects", to pursue its consideration of the question of adequately verified cessation and prohibition of the production of fissionable material for nuclear weapons and other nuclear explosive devices and to keep the General Assembly informed of the progress of that consideration.

Review of and Supplement to the Comprehensive Study of the Question of Nuclear-Weapon-Free Zones in All Its Aspects

The General Assembly,

Conscious of the need to make every effort towards achieving a cessation of the nuclear-arms race, nuclear disarmament and general and complete disarmament under strict and effective international control,

Recognizing, in pursuance of these ends, the urgent need to prevent the proliferation of nuclear weapons in the world,

Affirming that the establishment of nuclear-weapon-free zones is a contribution to disarmament,

Recalling its resolution 3472 (XXX) of 11 December 1975 on the comprehensive study of the question of nuclear-weapon-free zones in all its aspects,

Recalling the views, observations and suggestions made on it by Governments, and by the International Atomic Energy Agency and other international organizations concerned, and the report of the Secretary-General containing them,104

Considering that questions related to the establishment of nuclear-weapon-free zones in various parts of the world have been addressed in a number of recent studies undertaken by the United Nations in the field of disarmament,

Considering further that the experience of the Treaty for the Prohibition of Nuclear Weapons in Latin America (Treaty of Tlatelolco)105 would be of great value for the other regions of the world,

Recognizing that these developments should be recorded in a new complementary study of this subject,

1. Decides that a study should be undertaken to review and supplement the Comprehensive study of the question of nuclear-weapon-free zones in all its aspects106 in the light of information and experience accumulated since 1975;

2. Requests the Secretary-General, with the assistance of ad hoc group of qualified governmental experts,107 to carry out the study and to submit it to the General Assembly at its thirty-ninth session, bearing in mind the savings that may be made within existing budgetary appropriations;

3. Calls upon interested Governments and international organizations concerned to extend such assistance as may be required from time to time for the carrying out of the study;

4. Decides to include in the provisional agenda of its thirty-ninth session an item entitled "Study of the question of nuclear-weapon-free zones in all its aspects".

Measures to Provide Objective Information on Military Capabilities

The General Assembly,

Deeply concerned about the continuing escalation of the arms race, in particular the nuclear-arms race, its extremely harmful effects on world peace and security and the deplorable waste of human and material resources for military purposes,

Recalling paragraph 93 of the Final Document of the Tenth Special Session of the General Assembly, in which it is stated, inter alia, that, in order to facilitate the process of disarmament, it is necessary to take measures and to pursue policies to strengthen international peace and security and to build confidence among States, in accordance with the purposes and principles of the Charter of the United Nations,

Bearing in mind that it is also stated, in paragraph 34 of the Final Document, that disarmament, relaxation of international tension, respect for the right of self-determination and national independence, the peaceful settlement of disputes in accordance with the Charter of the United Nations and the strengthening of international peace and security are directly related to each other, that progress in any of these spheres has a beneficial effect on all of them and that, in turn, failure in one sphere has negative effects on others,

103 Ibid., Twelfth Special Session, Supplement No. 2 (A/S-12/2), paras. 41-60; and ibid., Thirty-seventh Session, Supplement No. 27 (A/37/27 and Corr.1), paras. 43-58.

106 United Nations publication, Sales No. E.76.17.

107 Subsequently referred to as the Group of Governmental Experts on Nuclear-Weapon-Free Zones.
Recalling also that, in paragraph 105 of the Final Document, Member States are encouraged to ensure a better flow of information with regard to the various aspects of disarmament, to avoid dissemination of false and tendentious information concerning armaments and to concentrate on the danger of escalation of the arms race and on the need for general and complete disarmament under effective international control,

Noting that misperceptions of the military capabilities and the motivation of potential adversaries, which could be caused, inter alia, by lack of objective information, could induce States to undertake armaments programmes leading to the acceleration of the arms race, in particular the nuclear-arms race, and to heightened international tensions,

Aware that objective information on military capabilities, in particular among nuclear-weapon States and other militarily significant States, could contribute to the building of confidence among States and to the conclusion of concrete disarmament agreements and, thereby, help to halt and reverse the arms race,

1. Calls upon all States, in particular nuclear-weapon States and other militarily significant States, to consider additional measures to facilitate the provision of objective information on, and objective assessments of, military capabilities;

2. Invites all States to submit to the Secretary-General their views and proposals concerning such measures;

3. Requests the Secretary-General to submit to the General Assembly at its thirty-eighth session a report containing, first, the replies of Member States called for under paragraph 2 above, and, secondly, on the basis of these replies, a preliminary analysis of the possible role of the United Nations in the context of measures to facilitate the provision of objective information on, and objective assessments of, military capabilities.

SECOND REVIEW CONFERENCE OF THE PARTIES TO THE TREATY ON THE PROHIBITION OF THE EMPLACEMENT OF NUCLEAR WEAPONS AND OTHER WEAPONS OF MASS DESTRUCTION ON THE SEA-BED AND THE OCEAN FLOOR AND IN THE SUBSOIL THEREOF

The General Assembly,

Recalling its resolution 2660 (XXV) of 7 December 1970, in which it commended the Treaty on the Prohibition of the Emplacement of Nuclear Weapons and Other Weapons of Mass Destruction on the Sea-Bed and the Ocean Floor and in the Subsoil Thereof,

Noting the provisions of article VII of that Treaty concerning the holding of review conferences,

Bearing in mind that the first Review Conference of the Parties to the Treaty on the Prohibition of the Emplacement of Nuclear Weapons and Other Weapons of Mass Destruction on the Sea-Bed and the Ocean Floor and in the Subsoil Thereof, held at Geneva from 20 June to 1 July 1977, decided, in its Final Declaration, that a further review conference should be held at Geneva in 1982, unless a majority of States parties indicated to the depositaries that they wished such a conference to be postponed, in which case it should be convened not later than in 1984,

Recalling its resolution 32/87 A of 12 December 1977, in which it made an assessment of the outcome of the first Review Conference,

Bearing in mind all the relevant paragraphs of the Final Document of the Tenth Special Session of the General Assembly, 106

1. Notes that, following appropriate consultations, a Preparatory Committee for the Second Review Conference of the Parties to the Treaty on the Prohibition of the Emplacement of Nuclear Weapons and Other Weapons of Mass Destruction on the Sea-Bed and the Ocean Floor and in the Subsoil Thereof is to be established prior to holding a further review conference in 1983;

2. Requests the Secretary-General to render the necessary assistance and to provide such services, including summary records, as may be required for the Review Conference and its preparation;

3. Recalls its expressed hope for the widest possible adherence to the Treaty.

REVIEW CONFERENCE OF THE PARTIES TO THE CONVENTION ON THE PROHIBITION OF MILITARY OR ANY OTHER HOSTILE USE OF ENVIRONMENTAL MODIFICATION TECHNIQUES

The General Assembly,

Recalling its resolution 31/72 of 10 December 1976, in which it referred the Convention on the Prohibition of Military or Any Other Hostile Use of Environmental Modification Techniques to all States for their consideration, signature and ratification and expressed the hope for the widest possible adherence to the Convention,

Noting that paragraph 1 of article VIII of the Convention provides that:

"Five years after the entry into force of this Convention, a conference of the States Parties to the Convention shall be convened by the Depositary at Geneva, Switzerland. The conference shall review the operation of the Convention with a view to ensuring that its purposes and provisions are being realized, and shall in particular examine the effectiveness of the provisions of paragraph 1 of article I in eliminating the dangers of military or any other hostile use of environmental modification techniques";

Bearing in mind that the Convention will have been in force for five years on 5 October 1983,

1. Notes that the Secretary-General, as depositary of the Convention, intends to convene the Review Conference of the Parties to the Convention on the Prohibition of Military or Any Other Hostile Use of Environmental Modification Techniques called for in paragraph 1 of article VIII of the Convention at the earliest practicable time after 5 October 1983 and that, to that end, he will hold consultations with the parties to the Convention with regard to questions relating to the Conference and its preparation, including the establishment of a Preparatory Committee for the Conference;

2. Requests the Secretary-General to render the necessary assistance and to provide such services, including summary records, as may be required for the Review Conference and its preparation;

3. Also notes that arrangements for meeting the costs of the Review Conference and its preparation are to be made by the Conference.

MILITARY RESEARCH AND DEVELOPMENT

The General Assembly,

Mindful of the important task of the United Nations to evaluate the state of the arms race, in particular the nuclear-arms race, and to deliberate all relevant issues of disarmament,

Recalling the provisions of paragraph 39 of the Final Document of the Tenth Special Session of the General Assembly, the first special session devoted to disarmament, according to which qualitative and quantitative disarmament measures are both important for halting the arms race and efforts to that end must include negotiations on the limitation and cessation of the qualitative improvement of armaments, especially weapons of mass destruction, and the development of new means of warfare, so that ultimately scientific and technological achievements may be used solely for peaceful purposes,

Recalling further that, according to paragraph 103 of the Final Document, the Centre for Disarmament of the Secretariat should intensify its activities in the presentation of information concerning the armaments race and disarmament,

Noting the impact of military research and development on the arms race, in particular in relation to major weapons systems such as nuclear weapons and other weapons of mass destruction,

Concerned that, at present, a large proportion of all scientists and technicians in the world are involved in military programmes,

Noting also that in the arms race, particularly as regards nuclear weapons and other weapons of mass destruction, there is an increasing emphasis on the qualitative aspects,

Recognizing that research and development in certain fields may contribute to disarmament and have conflict-preventing effects,

Aware of the fundamental importance of research and development for peaceful purposes, and of the inalienable right of all States to develop, also in co-operation with other States, their research and development for such purposes,

Convinced of the need to focus attention on the military use of research and development and to prepare the ground for further substantial consideration of this matter,

Recalling the suggestions on military research and development submitted to the General Assembly at its twelfth special session, the second special session devoted to disarmament,

Convinced also that increased information on military research and development could contribute to promoting confidence between States and enhance the possibility of reaching agreements on arms limitation and disarmament,

Convinced further that a study on the military application of research and development would make a valuable contribution to increasing available knowledge on military research and development in all States, particularly research and development by the major military Powers, and to the dissemination of factual information on these issues, as well as the analysis thereof,

1. Requests the Secretary-General, with the assistance of qualified governmental experts, bearing in mind the savings that might be made from the existing budgetary appropriations, to carry out a comprehensive study on the scope, role and direction of the military use of research and development, the mechanisms involved, its role in the overall arms race, in particular the nuclear-arms race, and its impact on arms limitation and disarmament, particularly in relation to major weapons systems, such as nuclear weapons and other weapons of mass destruction, with a view to preventing a qualitative arms race and to ensuring that scientific and technological achievements may ultimately be used solely for peaceful purposes;

2. Invites all States to submit to the Secretary-General, not later than 15 April 1983, their views on the subject of the study and to co-operate with the Secretary-General so that the objectives of the study may be achieved;

3. Requests the Secretary-General to report on this subject to the General Assembly at its thirty-ninth session.

Recalling also its resolution 34/87 E of 11 December 1979, in which it, inter alia,

(a) Reaffirmed that the United Nations had a central role and primary responsibility in the field of disarmament,

(b) Noted that the growing disarmament agenda and the complexity of the issues involved, as well as the more active participation of a large number of Member States, created increasing demands on United Nations management of disarmament affairs for purposes such as the promotion, substantive preparation, implementation and control of the process of disarmament,

Reaffirming the importance of the Committee on Disarmament as the single multilateral disarmament negotiating forum, in conformity with paragraph 120 of the Final Document of the Tenth Special Session of the General Assembly, the first special session devoted to disarmament,

Recognizing the growing importance attached to disarmament questions since the tenth special session, as evidenced by the increasing work-load placed on the Centre for Disarmament of the Secretariat and on the Committee on Disarmament,

Bearing in mind the close relationship between matters concerning international security and disarmament and the interest in close co-operation between the units in the Secretariat dealing with them,

Noting the proposals submitted to the General Assembly at its twelfth special session, the second special session devoted to disarmament, with a view to taking certain action to strengthen the United Nations disarmament machinery,

Noting also that the General Assembly, at its twelfth special session, placed increasing duties on the Centre for Disarmament in requesting it to provide the central guidance in co-ordinating the World Disarmament Campaign activities within the United Nations system,

I

Having considered the relevant parts of section II F of the report of the Committee on Disarmament,

Reaffirming paragraph 28 of the Final Document of the Tenth Special Session of the General Assembly. 96

Commends to the Committee on Disarmament that it consider designating itself as a conference without prejudice to paragraph 120 of the Final Document;

III

Recalling paragraph 124 of the Final Document of the Tenth Special Session of the General Assembly,\textsuperscript{96}

Requests the Secretary-General to revive the Advisory Board on Disarmament Studies in line with his note of 26 October 1982\textsuperscript{113} and to entrust it with the functions listed therein, taking into account the provisions of section IV of the present resolution and further relevant decisions of the General Assembly in this regard;

IV

Aware of the need of the international community to be provided with more diversified and complete data on problems relating to international security, the armaments race and disarmament so as to facilitate progress, through negotiations, towards greater security for all States,

Convinced that negotiations on disarmament and continuing efforts to secure greater security at a lower level of armaments would benefit from objective and factual studies and analyses,

Reaffirming the importance of ensuring that disarmament studies should be conducted in accordance with the criteria of scientific independence,

Conscious that sustained research and study activity by the United Nations in the field of disarmament would promote informed participation by all States in disarmament efforts,

Stressing the need to undertake more in-depth, forward-looking and long-term research on disarmament within the United Nations,

Recalling its resolution 34/83 M of 11 December 1979,

1. Expresses its gratitude to the Board of Trustees of the United Nations Institute for Training and Research for its contribution to the establishment and development of the United Nations Institute for Disarmament Research;

FREEZE ON NUCLEAR WEAPONS

The General Assembly,

Convinced that in this nuclear age lasting world peace can be based only on the attainment of the goal of general and complete disarmament under effective international control.

\textsuperscript{112} Ibid., Twelfth Special Session, Annexes, agenda items 9, 10, 11, 12 and 13, document A/S-12/32.

\textsuperscript{113} A/37/S50.

\textsuperscript{114} See section V of the present resolution.
III. Resolutions adopted on the reports of the First Committee

Further convinced that the highest priority objectives in the field of disarmament have to be nuclear disarmament and the elimination of all weapons of mass destruction,

Recognizing the urgent need to halt the arms race, particularly in nuclear weapons,

Recognizing further the urgent need for a negotiated reduction of nuclear-weapon stockpiles leading to their complete elimination,

1. Calls upon all nuclear-weapon States to agree to a freeze on nuclear weapons, which would, inter alia, provide for a simultaneous total stoppage of any further production of nuclear weapons and a complete cut-off in the production of fissionable material for weapons purposes;

2. Decides to include in the provisional agenda of its thirty-eighth session an item entitled "Freeze on nuclear weapons".

B

NUCLEAR-ARMS FREEZE

The General Assembly,

Recalling that, in the Final Document of the Tenth Special Session of the General Assembly,115 in 1978, it expressed deep concern over the threat to the very survival of mankind posed by the existence of nuclear weapons and the continuing arms race,

Recalling also that, on the same occasion, it pointed out that existing arsenals of nuclear weapons were more than sufficient to destroy all life on earth and stressed that mankind was therefore confronted with a choice: halt the arms race and proceed to disarmament, or face annihilation,

Noting that the conditions prevailing today are a source of even more serious concern than those existing in 1978 because of several factors such as the deterioration of the international situation, the increase in the accuracy, speed and destructive power of nuclear weapons, the promotion of illusory doctrines of "limited" or "winnable" nuclear war and the many false alarms which have occurred owing to the malfunctioning of computers,

Believing that it is a matter of the utmost urgency to stop any further increase in the awesome arsenals of the two major nuclear-weapon States, which already have ample retaliatory power and a frightening overkill capacity,

Believing also that it is equally urgent to activate negotiations for the substantial reduction and qualitative limitation of existing nuclear arms,

Considering that a nuclear-arms freeze, while not an end in itself, would constitute the most effective first step for the achievement of the above-mentioned two objectives, since it would provide a favourable environment for the conduct of the reduction negotiations, at the same time, preventing the continued increase and qualitative improvement of existing nuclear weaponry during the period when the negotiations would take place,

Firmly convinced that at present the conditions are most propitious for such a freeze, since the Union of Soviet Socialist Republics and the United States of America are now equivalent in nuclear military power and it seems evident that there exists between them an overall rough parity,

1. Urges the Union of Soviet Socialist Republics and the United States of America, as the two major nuclear-weapon States, to proclaim, either through simultaneous unilateral declarations or through a joint declaration, an immediate nuclear-arms freeze which would be a first step towards the comprehensive programme of disarmament and whose structure and scope would be the following:

(a) It would embrace:

(i) A comprehensive test ban of nuclear weapons and of their delivery vehicles;

(ii) The complete cessation of the manufacture of nuclear weapons and of their delivery vehicles;

(iii) A ban on all further deployment of nuclear weapons and of their delivery vehicles;

(iv) The complete cessation of the production of fissionable material for weapons purposes;

(b) It would be subject to all the relevant measures and procedures of verification which have already been agreed upon by the parties in the case of the SALT I116 and SALT II117 treaties, as well as those agreed upon in principle by them during the preparatory trilateral negotiations on the comprehensive test ban held at Geneva;

(c) It would be of an initial five-year duration, subject to prolongation in the event of other nuclear-weapon States joining in such a freeze, as the General Assembly expects them to do;

2. Requests the above-mentioned two major nuclear-weapon States to report to the General Assembly, prior to the opening of its thirty-eighth session, on the implementation of the present resolution;

3. Decides to include in the provisional agenda of its thirty-eighth session an item entitled "Implementation of General Assembly resolution 37/100 B on a nuclear-arms freeze".

CONVENTION ON THE PROHIBITION OF THE USE OF NUCLEAR WEAPONS

The General Assembly,

Alarmed by the threat to the survival of mankind and to the life-sustaining system posed by nuclear weapons and by their use, inherent in concepts of deterrence,

Convinced that nuclear disarmament is essential for the prevention of nuclear war and for the strengthening of international peace and security,

Further convinced that a prohibition of the use or threat of use of nuclear weapons would be a step towards the complete elimination of nuclear weapons leading to general and complete disarmament under strict and effective international control,

Recalling that, in paragraph 58 of the Final Document of the Tenth Special Session of the General Assembly,115 it is stated that all States should actively participate in efforts to bring about conditions in international relations among States in which a code of peaceful conduct of nations in international affairs could be agreed upon and which would preclude the use or threat of use of nuclear weapons,

Reaffirming the declaration that the use of nuclear weapons would be a violation of the Charter of the United Nations and a crime against humanity, contained in its resolutions

115 Resolution S-10/2.

116 "Interim Agreement between the United States of America and the Union of Soviet Socialist Republics on certain measures with respect to the limitation of strategic offensive arms" (United Nations, Treaty Series, vol. 944, No. 13445, p. 3).

117 "Treaty between the United States of America and the Union of Soviet Socialist Republics on the limitation of Strategic Offensive Arms" (see CD/53/Appendix III/ Vol. 1, document CD/28).

1. Requests the Committee on Disarmament to undertake, on a priority basis, negotiations with a view to achieving agreement on an international convention prohibiting the use or threat of use of nuclear weapons under any circumstances, taking as a basis the text of the annexed draft Convention on the Prohibition of the Use of Nuclear Weapons;

2. Decides to include in the provisional agenda of its thirty-eighth session an item entitled “Convention on the Prohibition of the Use of Nuclear Weapons”.

CONFIDENCE-BUILDING MEASURES

The General Assembly,

Recalling its resolution 36/97 F of 9 December 1981, in which it took note of the Comprehensive Study on Confidence-building Measures, prepared by the Secretary-General with the assistance of the Group of Governmental Experts on Confidence-building Measures appointed by him on an equitable geographical basis,

Expressing its concern about the deterioration of the international situation and the further escalation of the arms race, which both reflect and aggravate the unsatisfactory international political climate, tension and mistrust,

Desirous of strengthening international peace and security and, at the same time, creating and improving conditions conducive to further measures of disarmament,

Noting again the findings of the Comprehensive Study on Confidence-building Measures and in particular the important role that confidence-building measures can play with regard to regional and world-wide stability as well as to progress in disarmament,

Mindful of the fact that, while confidence-building measures cannot serve as a substitute for concrete disarmament measures, they play a very significant role in achieving disarmament,

Convinced of the usefulness of confidence-building measures freely arrived at by the States concerned and agreed upon, taking into account the particular conditions and requirements of the regions concerned,

Convinced of the need to reduce mistrust and fear among States through the realization of confidence-building measures, such as those recommended by consensus in the Comprehensive Study on Confidence-building Measures, including pertinent and timely information on military activities and other matters pertaining to mutual security, and on measures concerning the military conduct of States in peace-time, as well as through progress on concrete measures of disarmament,

Recalling that confidence reflects a set of interrelated factors of a military as well as of a non-military character and that a plurality of approaches is needed to overcome fear, apprehension and mistrust between States and to replace them by confidence,

1. Urges all States to encourage and assist all efforts designed to explore further the ways in which confidence-building measures can strengthen international peace and security;

2. Invites all States to consider the possible introduction of confidence-building measures in their particular regions and, where possible, to negotiate on them in keeping with the conditions and requirements prevailing in the respective regions;

3. Requests the Disarmament Commission to consider the elaboration of guidelines for appropriate types of confidence-building measures and for the implementation of such measures on a global or regional level;

4. Further requests the Disarmament Commission to submit a progress report on its deliberations on this item to the General Assembly at its thirty-eighth session;

5. Further recommends that all States consider the inclusion of a reference to, or an agreement on, confidence-building measures, as appropriate, in any joint statements or declarations of a political nature;

6. Decides to include in the provisional agenda of its thirty-eighth session an item entitled “Consideration of guidelines for confidence-building measures”.

DISARMAMENT AND INTERNATIONAL SECURITY

The General Assembly,

Recalling its resolutions 34/83 A of 11 December 1979, 35/156 J of 12 December 1980 and 36/97 K of 9 December 1981,

Viewing with concern the aggravation of the deteriorating world situation which has reached the lowest point of understanding and co-operation for peace and security, thus making the survival of mankind extremely precarious,

Alarmed at the present critical world situation and the incapacity of the United Nations to take decisive action, thus bringing into sharp focus the reality that the Security Council finds itself without the means to give effect to its decisions, even when they were unanimously adopted,

Gravely concerned over the continuing stagnation in the disarmament negotiating efforts, while the arms race has been rapidly escalating with threatening consequences and the danger of the outbreak of nuclear war has increased,

Conscious of the need for a new and more positive approach to the whole problem of disarmament based on rendering operable the collective security system provided for in the Charter of the United Nations in conjunction with efforts towards disarmament agreements,

Convincing that to this end the first step is to restore to the Security Council its meaningfulness by making effective its decisions for the maintenance of international security and peace, as required by the Charter,

Recognizing that this process would create the necessary conditions for the cessation of the arms race and would facilitate productive negotiations on a comprehensive programme of disarmament,

Recognizing further that the implementation of such an approach would engender a climate of confidence in the United Nations, thereby initiating a stable détente that would harmonize the actions of nations—more significantly among the major Powers—for co-operation towards peace and survival,

Aware that the principles of disarmament embodied in the Charter are an integral part of the system of collective international security and flow from it,

Recalling paragraph 13 of the Final Document of the Tenth Special Session of the General Assembly, the first special session devoted to disarmament, in which it is recognized that genuine and lasting peace can only be created through the effective implementation of the security system provided for in the Charter and the speedy and substantial reduction of arms and armed forces by international agreement and mutual example,

Recalling further paragraph 62 of the Concluding Document of the Twelfth Special Session of the General Assembly, the second special session devoted to disarmament, in which it stressed the need for strengthening the central role of the United Nations in the field of disarmament and the implementation of the security system provided for in the Charter in accordance with the Final Document of the Tenth Special Session,

Noting with appreciation the report of the Secretary-General on the work of the Organization, in which he emphasized, inter alia, that “our most urgent goal is to reconstruct the Charter concept of collective action for peace and security so as to render the United Nations more capable of carrying out its primary function” and appealed to all Governments to make a serious effort for “a more stable system of collective international security”.

Reaffirming its resolution 36/97 K of 9 December 1981, in which it called for the provisions of its resolution 35/156 J of 12 December 1980, adopted by consensus, to be carried out,

1. Calls upon all States to take prompt action for the implementation of General Assembly resolution 36/97 K and to co-operate towards making more effective the system of security provided for in the Charter of the United Nations, thus effectively facilitating substantial disarmament;

2. Requests the Security Council—and more significantly its permanent members—to proceed with a sense of urgency to the necessary measures for the effective implementation of the decisions of the Council, in accordance with the Charter, for the maintenance of international peace and security.

REGIONAL DISARMAMENT

The General Assembly,

Reiterating its concern over the arms race, particularly in its nuclear aspects, and the continuing increase in arms expenditure,

Recalling that all States, in particular nuclear-weapon States and other militarily significant States, have the responsibility for halting and reversing the arms race,

Reaffirming the right of each State to make a sovereign assessment of the conditions necessary for its security and to take all appropriate measures in this respect, taking into account the objectives and principles of the United Nations, as well as the specific conditions of each region,

Taking account of the decisions and recommendations of the Final Document of the Tenth Special Session of the General Assembly, in its paragraph 114,

Stressing the importance of the regional measures that have already been adopted, as well as of efforts of a regional nature undertaken in the field of nuclear and conventional disarmament,

Aware of the studies that have already been carried out and are of relevance to regional disarmament,

Recalling its resolutions 35/156 D of 12 December 1980 and 36/97 H of 9 December 1981 concerning the Study on All the Aspects of Regional Disarmament and the views of Member States on that study,

Recalling also that one of the aims of regional disarmament is to assist in promoting the ultimate goal of general and complete disarmament under effective international control,

Confirming the importance and the potential effectiveness of regional disarmament measures taken at the initiative and with the participation of all the States concerned, in that they can contribute to the realization of general and complete disarmament under strict and effective international control,

122 A/36/363 and Add.1.
1. Expresses the hope that Governments, where the circumstances of the region permit, will consult with each other on appropriate regional disarmament measures that could be taken at the initiative, and with the participation, of all the States concerned;

2. Encourages Governments to consider the possible establishment or strengthening at the regional level, where appropriate, of institutional arrangements capable of promoting the implementation of such measures;

3. Calls upon Governments and the existing competent regional institutions which may have taken measures to that end, so to inform the Secretary-General;

4. Requests the Secretariat, in particular the Department for Disarmament Affairs,123 and the United Nations Institute for Disarmament Research to lend assistance to States and regional institutions which may request it in the context of regional disarmament measures taken at the initiative and with the participation of all the States concerned;

5. Requests the Secretary-General to submit a progress report to the General Assembly at its thirty-eighth session;

6. Decides to include in the provisional agenda of its thirty-eighth session an item entitled “Regional disarmament: report of the Secretary-General”.

UNITED NATIONS PROGRAMME OF FELLOWSHIPS ON DISARMAMENT

The General Assembly,

Recalling its decision, contained in paragraph 108 of the Final Document of the Tenth Special Session of the General Assembly,115 to establish a United Nations programme of fellowships on disarmament, as well as its subsequent resolutions 33/71 E of 14 December 1978, 34/83 D of 11 December 1979, 35/152 A of 12 December 1980 and 36/92 A of 9 December 1981, in which it, inter alia, decided to continue the programme,

Recalling also its decisions, contained in annex IV to the Concluding Document of the Twelfth Special Session of the General Assembly,119 to continue the programme, to increase the number of fellowships from twenty to twenty-five as from 1983 and to request the Secretary-General to submit the financial implications of awarding twenty-five fellowships, taking into account the necessary staffing requirements to meet the level of activities and structure of the programme and bearing in mind the savings that could be made within existing budgetary appropriations,

Bearing in mind that the level of activities, including the elements of the programme as outlined by the Secretary-General in his report,124 has increased since the inception of the programme of fellowships in 1979,

1. Requests the Secretary-General to make the necessary arrangements for the implementation of the programme for 1983, in accordance with the guidelines established for it, and to submit a progress report thereon to the General Assembly at its thirty-eighth session;

3. Commends the Secretary-General for the diligence with which the programme has continued to be carried out.

WORLD DISARMAMENT CAMPAIGN

The General Assembly,

AWARE of the public concern at the dangers of the arms race, particularly the nuclear arms race, and its negative social and economic consequences,

NOTING that the World Disarmament Campaign, launched by the General Assembly at its twelfth special session,125 the second special session devoted to disarmament, is intended to promote public interest in and support for the goals set out in the Final Document of the Tenth Special Session of the General Assembly,115 the first special session devoted to disarmament, in particular for the reaching of agreements on measures of arms limitation and disarmament with a view to achieving the goal of general and complete disarmament under effective international control,

Reaffirming that the universality of the World Disarmament Campaign should be guaranteed by the cooperation and participation of all States and by the widest possible dissemination of information and unimpeded access for all sectors of the public to a broad range of information and opinions on questions of arms limitation and disarmament and on the dangers relating to all aspects of the arms race and war, in particular nuclear war,

Convinced that the United Nations system, Member States, with respect for their sovereign rights, and other bodies, in particular non-governmental organizations, all have their role to play in achieving the objectives of the World Disarmament Campaign,126

Taking into account the report of the Secretary-General on world-wide action for collecting signatures in support of measures to prevent nuclear war, to curb the arms race and for disarmament,

Recalling its resolution 36/92 J of 9 December 1981 and the discussions thereon at the twelfth special session of the General Assembly,

Welcoming the voluntary contributions made by some Member States to carry out the objectives of the World Disarmament Campaign,

Noting with satisfaction the report of the Director-General of the United Nations Educational, Scientific and Cultural Organization on its contribution to the World Disarmament Campaign,128

1. Invites Member States, in the implementation of the activities within the framework of the World Disarmament Campaign, to take into account various views and opinions expressed at the twelfth special session, including the proposal on launching world-wide action for collecting signatures in support of measures to prevent nuclear war, to curb the arms race and for disarmament;

2. Also invites Member States to co-operate with the United Nations to ensure a better flow of information with regard to the various aspects of disarmament and to avoid dissemination of false and tendentious information;

3. Takes note of the programme of activities for 1983 for the World Disarmament Campaign proposed by the Secretary-General129 and requests the Secretary-General to inform the General Assembly at its thirty-eighth session of the progress made in the implementation of the present resolution.

WORLD DISARMAMENT CAMPAIGN

The General Assembly,

Recalling that, in paragraph 15 of the Final Document of the Tenth Special Session of the General Assembly,115 the first special session devoted to disarmament, it declared that it was essential that not only Governments but also the peoples of the world recognize and understand the dangers in the present situation and stressed the importance of mobilizing world public opinion on behalf of disarmament,

Recalling also its resolutions 35/152 I of 12 December 1980 and 36/92 C of 9 December 1981, as well as the reports of the Secretary-General of 17 September 1981120 and 11 June 1982,121

Noting with satisfaction that the World Disarmament Campaign contemplated in the above-mentioned resolutions and reports was solemnly launched on 7 June 1982 at the opening meeting of the twelfth special session of the General Assembly,122 the second special session devoted to disarmament,

Bearing in mind that at the twelfth special session the General Assembly defined in general terms the objectives, contents, modalities and financial implications of the World Disarmament Campaign and requested the Secretary-General to submit to the Assembly at its thirty-seventh session the specifics of the programme outlined in his previous report,123

Having examined the report of the Secretary-General of 3 November 1982,124 submitted in conformity with that request,

1. Approves the general framework of the World Disarmament Campaign specified by the Secretary-General in his report of 3 November 1982 relating to the programme of activities for the Campaign under the auspices of the United Nations,125 including the provisions of its paragraph 21 relating to the submission of an annual report to the General Assembly on the implementation of the Campaign during the preceding year, and the transmission to the Assembly of the relevant views of the Advisory Board on Disarmament Studies;

J

WORLD DISARMAMENT CAMPAIGN: PEACE AND DISARMAMENT MOVEMENTS

The General Assembly,

Recognizing that well-informed discussion and debate on all points of view relating to disarmament issues may exercise a positive influence on the attainment of meaningful arms limitation measures, progress in disarmament and the ultimate goal of general and complete disarmament under effective international control,

Convinced that the best way to build trust and confidence and to advance the conditions which contribute to the cause of disarmament is through the co-operation and participation of all States and by the widest possible dissemination of information and unimpeded access by all sectors of the public to a broad range of information and opinion on questions of arms limitation and disarmament,

Desiring of promoting the ability of all citizens to participate in an informed and free discussion of such matters,

Recalling that the World Disarmament Campaign was launched at the twelfth special session of the General Assembly,134 the second special session devoted to disarmament,

Noting with satisfaction that at its twelfth special session the General Assembly called, inter alia, for the World Disarmament Campaign to be carried out in all regions of the world in a balanced, factual and objective manner, for the universality of the Campaign to be guaranteed by the cooperation and participation of all States and by the widest possible dissemination of information, for unimpeded access by all sectors of the public to a broad range of information and opinions, and for the Campaign to provide an opportunity for discussion and debate in all countries on all points of view relating to disarmament issues, objectives and conditions,135

1. Calls upon Member States to facilitate the flow of a broad range of accurate information on disarmament matters, both governmental and non-governmental, to and among their citizens, with a view to the furtherance of the objectives of the World Disarmament Campaign and in order to advance the final objective of general and complete disarmament under effective international control;

2. Calls upon all Member States to encourage their citizens freely and publicly to express their own views on disarmament questions and to organize and meet publicly for that purpose;

3. Requests the Secretary-General to report annually to the General Assembly on the implementation of the provisions of the present resolution.

37/117. Development and strengthening of good-neighbourliness between States

The General Assembly,

Bearing in mind the determination of the peoples of the United Nations, as expressed in the Charter, to practise tolerance and live together in peace with one another as good neighbours,

115 A/36/458.
116 A/S/12/27.
117 A/37/548.
118 Ibid., sect. II.
119 Ibid., paras. 3-5 and 9.
Recalling its resolutions 1236 (XII) of 14 December 1957, 1301 (XIII) of 10 December 1958, 2129 (XX) of 21 December 1965, 34/99 of 14 December 1979 and 36/101 of 9 December 1981,

Bearing in mind that, owing to geographic proximity, there are particularly favourable opportunities for co-operation and mutual advantage between neighbouring countries in many fields and various forms and that the development of such co-operation may have a positive influence on international relations as a whole,

Considering that the great changes of a political, economic and social nature, as well as the scientific and technological progress which have taken place in the world and led to unprecedented interdependence of nations, have given new dimensions to good-neighbourliness in the conduct of States and increased the need to develop and strengthen it,

Recalling its opinion that it is necessary to continue to examine the question of good-neighbourliness in order to strengthen and develop its content, as well as ways and modalities to enhance its effectiveness, and that the results of this examination could be included, at an appropriate time, in a suitable international document,

1. Reaffirms that good-neighbourliness fully conforms with the purposes of the United Nations and is founded upon the strict observance of the principles of the Charter of the United Nations and of the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations,\(^{136}\) as well as upon the rejection of any acts seeking to establish zones of influence or domination;

2. Calls once again upon all States, in the interest of the maintenance of international peace and security, to develop good-neighbourly relations, acting on the basis of these principles;

3. Reaffirms that the generalization of the long practice of good-neighbourliness and of principles and rules pertaining to it is likely to strengthen friendly relations and co-operation among States in accordance with the Charter;

4. Deems it appropriate, taking into account the report of the Secretary-General concerning good-neighbourliness\(^{137}\) together with other ideas and proposals which may be submitted subsequently by Member States, to clarify the elements of good-neighbourliness as part of a process of elaborating, at an appropriate time, a suitable international document on the subject;

5. Invites once again the Governments and the international organizations that have not communicated to the Secretary-General their views and suggestions on good-neighbourliness, in accordance with General Assembly resolutions 34/99 and 36/101, to do so as soon as possible, and the Governments that have already communicated such views and suggestions to supplement them if they deem it necessary;

6. Decides to include in the provisional agenda of its thirty-eighth session the item entitled “Development and strengthening of good-neighbourliness between States”.

108th plenary meeting
16 December 1982

37/118. Review of the implementation of the Declaration on the Strengthening of International Security

The General Assembly,

Having considered the item entitled “Review of the implementation of the Declaration on the Strengthening of International Security”,

Noting with concern that the provisions of the Declaration on the Strengthening of International Security\(^{138}\) have not been fully implemented,

Profoundly disturbed by the continued escalation of tension in the world, the ever more frequent recourse to the threat or use of force, intervention, interference, aggression and foreign occupation, the continued stalemate in the solution of crises in different regions and their aggravation, the continuous escalation of the arms race and military buildup by major Powers, the pursuance of the policy of rivalry, confrontation and continued attempts to divide the world into spheres of influence and domination, the persistence of colonialism, racism and apartheid, attempts to distort the nature of national liberation struggles and the lack of solution of the economic problems of developing countries, all of which endanger international peace and security,

Deeply concerned that the exacerbation of international tension has reached a point of deep crisis owing to the lack of progress in the settlement of international problems and conflicts and to the lack of progress in disarmament,

Alarmed by the intensification, the expansion in scope and the frequency of manoeuvres and other military activities, which are assuming dangerous proportions, which are conceived within the context of big-power confrontation and which are used as an instrument of pressure against and as a threat to the independence of States and the liberation of peoples struggling against alien and colonial domination, leading to a destabilization of international relations,

Noting with concern that the United Nations system of collective security has not been used effectively,

Aware that international peace and security can be maintained and strengthened only on the basis of freedom, independence, sovereignty, territorial integrity, and equality of States, as well as of the self-determination of peoples under colonial and foreign domination, respect for fundamental human rights and the development of friendly relations among States,

Stressing the need for the main organs of the United Nations responsible for the maintenance of peace and security, particularly the Security Council, to contribute more effectively to the promotion of international peace and security by seeking solutions to the unresolved problems and crises in the world,

Emphasizing that the Movement of Non-Aligned Countries has contributed significantly to the struggle for national liberation and to the efforts of the United Nations for the promotion of international peace and security, the democratization of international relations, the development of international co-operation and the establishment of a system of international relations based on justice, sovereign equality and security for all States and peoples, in accordance with the purposes and principles of the Charter of the United Nations and the principles and policy of non-alignment,

Taking note of the report of the Secretary-General,\(^{139}\) which incorporates the views of Member States on the question of the strengthening of security and co-operation in the region of the Mediterranean, and recalling the provisions of the chapter on the Mediterranean in the Final Act of the Conference on Security and Co-operation in Europe, signed at Helsinki on 1 August 1975, the recommendations of the Movement of Non-Aligned Countries, as well as official declarations on and contributions to peace and security in that region made by individual countries,

1. Reaffirms once more the universal and unconditional validity of the purposes and principles of the Charter of the

\(^{136}\) Resolution 2625 (XXV), annex.

United Nations as the firm basis of relations among all States, irrespective of size, geographic location, level of development or political, economic, social or ideological systems;

2. Urges all States to abide strictly, in their international relations, by their commitment to the Charter and, to that end:
   (a) To refrain from the use or threat of use of force, intervention, interference, aggression, foreign occupation and colonial domination or measures of political and economic coercion which violate the sovereignty, territorial integrity, independence and security of other States or their right freely to dispose of their natural resources;
   (b) To refrain from supporting or encouraging any such act for any reason whatsoever;
   (c) To reject and refuse recognition of situations brought about by any such act;
   3. Calls upon all States to contribute effectively to the implementation of the Declaration on the Strengthening of International Security;
   4. Also calls upon all States, in particular nuclear-weapon States and other militarily significant States, to take immediate steps aimed at promoting the system of collective security as envisaged in the Charter together with measures for the effective halting of the arms race and for the achievement of general and complete disarmament under effective international control;
   5. Invites all States, in particular the major military Powers and States members of military alliances, to refrain, especially in critical situations and in crisis areas, from actions, including military activities and manoeuvres, which constitute pressure on and a threat to other States and regions;
   6. Urges all States, in particular the permanent members of the Security Council, to take all necessary measures to prevent the further deterioration of the international situation and, to this end:
      (a) To seek the peaceful settlement of disputes and the elimination of focal points of crisis and tension;
      (b) To start serious, meaningful and effective negotiations with a view to implementing the recommendations and decisions contained in the Final Document of the Tenth Special Session of the General Assembly, the first special session devoted to disarmament, and to fulfilling the priority tasks listed in its Programme of Action and set forth in section III of the Final Document, which were solemnly reaffirmed in the Concluding Document of the Twelfth Special Session of the General Assembly, the second special session devoted to disarmament;
      (c) To contribute to the urgent solution of international economic problems and the establishment of the new international economic order;
      (d) To accelerate the economic development of developing countries, particularly the least developed ones;
      (e) To proceed without any delay to a global consideration of ways and means for a revival of the world economy and for the restructurings of international economic relations within the framework of the global negotiations;
   7. Takes note of the fact that the Security Council has again failed to report to the General Assembly on steps taken to implement the provisions of paragraphs 13 and 15 of Assembly resolution 35/158 of 12 December 1980 and urges the Council to do so without delay;
   8. Requests once again the Security Council to consider ways and means to ensure the implementation of the relevant provisions of paragraphs 4 and 6 above as well as to examine all existing mechanisms and to propose new ones aimed at enhancing the authority and enforcement capacity of the Council in accordance with the Charter, and to explore also the possibility of holding periodic meetings of the Council, in conformity with Article 28 of the Charter, at the ministerial or higher level in specific cases, so as to enable it to play a more active role in preventing potential conflicts, and to present the Council’s conclusions to the General Assembly at its thirty-eighth session;
   9. Reiterates the need for the Security Council, in particular its permanent members, to ensure the effective implementation of its decisions in compliance with the relevant provisions of the Charter;
   10. Considers that respect for and promotion of human rights and fundamental freedoms in their civil, political, economic, social and cultural aspects, on the one hand, and the strengthening of international peace and security, on the other, mutually reinforce each other;
   11. Reaffirms the legitimacy of the struggle of peoples under colonial domination, foreign occupation or racist régimes and their inalienable right to self-determination and independence, and urges Member States to increase their support for and solidarity with them and their national liberation movements and to take urgent and effective measures for the speedy completion of the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and for the final elimination of colonialism, racism and apartheid;
   12. Calls upon the Security Council to take appropriate effective measures to promote the fulfilment of the objective of the denuclearization of Africa in order to avert the serious danger which the nuclear capability of South Africa constitutes to the African States, in particular the front-line States, as well as to international peace and security;
   13. Reiterates its support for the Declaration of the Indian Ocean as a Zone of Peace and expresses the hope that the Conference on the Indian Ocean, which is an important stage in the realization of the objectives of that Declaration, will be held not later than in the first half of 1984 and, to this end, calls upon all States to contribute effectively to the success of that Conference;
   14. Calls upon all States participating in the Conference on Security and Co-operation in Europe, at Madrid, to take all possible measures and exert every effort in order to ensure substantial and balanced results of that meeting in the implementation of the principles and goals established by the Final Act of the Conference signed at Helsinki on 1 August 1975, as well as the continuity of the multilateral process initiated by the Conference, which has great significance for the strengthening of peace and security in Europe and in the world;
   15. Considers that the security of the Mediterranean and the security of the adjacent regions are interdependent and that further efforts are necessary for the creation of conditions of security and fruitful co-operation in all fields for all countries and peoples of the Mediterranean, on the basis of the principles of sovereignty, independence, territorial integrity, security, non-intervention and non-interference, non-violation of international frontiers, non-use of force, the inadmissibility of the acquisition of territory by force, peaceful settlement of disputes and just and viable solutions of the existing problems and crises in the area on the basis of the provisions of the Charter and of relevant resolutions of the United Nations, the withdrawal of foreign forces of occupation, respect for sovereignty over natural resources and the right of peoples under colonial or foreign domination to self-determination and independence;

140 Resolution S-10/2.
142 Resolution 2832 (XXVI).
16. Calls upon all Governments that have not done so to submit before the thirty-eighth session of the General Assembly their views on the question of the strengthening of security and co-operation in the region of the Mediterranean and requests the Secretary-General to submit, on the basis of all replies received, an analytical report on this question to the Assembly at its thirty-eighth session;

17. Decides to include in the provisional agenda of its thirty-eighth session an item entitled "Strengthening of security and co-operation in the Mediterranean region";

18. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Review of the implementation of the Declaration on the Strengthening of International Security".

108th plenary meeting  
16 December 1982

37/119. Implementation of the collective security provisions of the Charter of the United Nations for the maintenance of international peace and security

The General Assembly,

Reaffirming that the primary function of the United Nations is the maintenance of international peace and security,

Reaffirming also the fundamental principle of the Charter of the United Nations that all States have the duty not to threaten or use force against the sovereignty, political independence or territorial integrity of other States,

Noting the primary responsibility of the Security Council for the maintenance of international peace and security,

Stressing that the purposes and principles of the United Nations can be achieved only under conditions in which States enjoy sovereign equality and comply fully with the requirements of these purposes and principles in their international relations,

Gravely concerned over the growing tendency by States to resort to the use of force in international relations, thus ignoring the Charter and the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations, 143

Further concerned that the Security Council has not been able to take decisive action for the maintenance of international peace and for resolving international problems,

Recognizing that fundamental approaches to genuine security include, inter alia, the strengthening of the Charter system of collective security, the establishment of the new international economic order and the promotion of general and complete disarmament under effective international control, in conformity with the principles and priorities agreed upon in the Final Document of the Tenth Special Session of the General Assembly, 140 the first special session devoted to disarmament, and reaffirmed in the Concluding Document of the Twelfth Special Session, 141 the second special session devoted to disarmament,

Conscious of the important role that collective security measures can play in enhancing the role of the Security Council in carrying out its responsibility to promote and maintain international peace and security in accordance with the Charter,

Regretting that the provisions of the Charter concerning collective security measures have not been fully implemented,

Taking into account, in this connection, the report of the Secretary-General on the work of the Organization, 144

Having considered the item entitled "Implementation of the collective security provisions of the Charter of the United Nations for the maintenance of international peace and security";

Convinced that a study on collective security is timely and necessary,

1. Requests the Security Council as a matter of high priority to study the question of implementation of the collective security provisions of the Charter of the United Nations, with a view to strengthening international peace and security, and to report to the General Assembly at its thirty-eighth session;

2. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Implementation of the collective security provisions of the Charter of the United Nations for the maintenance of international peace and security".

37/87. Effects of atomic radiation

The General Assembly,

Recalling its resolution 913 (X) of 3 December 1955, by which it established the United Nations Scientific Committee on the Effects of Atomic Radiation, and its subsequent resolutions on the subject, including resolution 36/14 of 28 October 1981, by which it, inter alia, requested the Scientific Committee to continue its work,

Taking note with appreciation of the report of the United Nations Scientific Committee on the Effects of Atomic Radiation with its scientific annexes,

3 For the full report with its scientific annexes, see Ionizing Radiation. Sources and Biological Effects (United Nations publication, Sales No. E.82.IX.8).
Reaffirming the desirability of the Scientific Committee
continuing its work,
Concerned about the potentially harmful effects on present
and future generations, resulting from the levels of radia-
tion to which man is exposed,
Conscious of the continued need to examine and compile
information about atomic and ionizing radiation and to ana-
lyse its effects on man and his environment,
1. Commends the United Nations Scientific Committee
on the Effects of Atomic Radiation for its excellent sub-
stantive report and for the valuable contribution it has been
making in the course of the past twenty-seven years, since
its inception, to widen knowledge and understanding of the
levels, effects and risks of atomic radiation and for fulfilling
its original mandate with scientific authority and indepen-
dence of judgement;
2. Notes with satisfaction the continued and growing
scientific co-operation between the Scientific Committee and
the United Nations Environment Programme;
3. Requests the Scientific Committee to continue its
work, including its important co-ordinating activities, to
increase knowledge of the levels, effects and risks of ion-
izing radiation from all sources;
4. Welcomes and endorses the Scientific Committee’s
intentions and plans for its future activities of scientific
review and assessment on behalf of the General Assembly;
5. Requests the Scientific Committee to review at its
next session the important problems in the field of radiation
and to report thereon to the General Assembly at its thirty-
eighth session;
6. Requests the United Nations Environment Pro-
grame to continue providing support for the effective con-
duct of the Scientific Committee’s work and for the
dissemination of its findings to the General Assembly, the
scientific community and the public;
7. Expresses its appreciation for the assistance rendered
to the Scientific Committee by Member States, the spe-
cialized agencies, the International Atomic Energy Agency
and non-governmental organizations, and invites them to
increase their co-operation in this field;
8. Invites Member States and the United Nations agen-
cies and non-governmental organizations concerned to pro-
vide further relevant data about doses, effects and risks from
various sources of radiation, which would greatly help in
the preparation of the Scientific Committee’s future reports
to the General Assembly.

37/88. Report of the Special Committee to Investigate
Israeli Practices Affecting the Human Rights of
the Population of the Occupied Territories

A

The General Assembly,
Recalling its resolutions 3092 A (XXVIII) of 7 December
1973, 3240 B (XXIX) of 29 November 1974, 3525 B (XXX)
of 15 December 1975, 31/106 B of 16 December 1976,
32/91 A of 13 December 1977, 33/113 A of 18 December
1978, 34/90 B of 12 December 1979, 35/122 A of 11 De-
Recalling also Security Council resolution 465 (1980) of
1 March 1980,
Expressing grave anxiety and concern at the present se-
rious situation in the occupied Palestinian and other Arab
territories, including Jerusalem, as a result of the continued
Israeli occupation and the measures and actions taken by
the Government of Israel, the occupying Power, designed
to change the legal status, geographical nature and demo-
graphic composition of those territories,
Considering that the Geneva Convention relative to the
Protection of Civilian Persons in Time of War, of 12 August
1949,¹ is applicable to the Arab territories occupied by Israel since
1967, including Jerusalem,
Considering that the promotion of respect for the obli-
gations arising from the Charter of the United Nations and
other instruments and rules of international law is among
the basic purposes and principles of the United Nations,
Bearing in mind the provisions of the Geneva Convention,
Noting that Israel and those Arab States whose territories
have been occupied by Israel since June 1967 are parties to
that Convention,
Taking into account that States parties to that Convention
undertake, in accordance with article 1 thereof, not only to
respect but also to ensure respect for the Convention in all
circumstances,
1. Reaffirms that the Geneva Convention relative to the
Protection of Civilian Persons in Time of War, of 12 August
1949, is applicable to Palestinian and other Arab territories
occupied by Israel since 1967, including Jerusalem;
2. Condemns once again the failure of Israel as the
occupying Power to acknowledge the applicability of that
Convention to the territories it has occupied since 1967,
including Jerusalem;
3. Strongly demands that Israel acknowledge and com-
ply with the provisions of that Convention in Palestinian
and other Arab territories it has occupied since 1967, in-
cluding Jerusalem;
4. Urgently calls upon all States parties to that Con-
vention to exert all efforts in order to ensure respect for and
compliance with its provisions in Palestinian and other Arab
territories occupied by Israel since 1967, including Jerusalem.

IV. Resolutions adopted on the reports of the Special Political Committee

international law and the provisions of the Geneva Convention;

4. Demands once more that the Government of Israel, the occupying Power, desist forthwith from taking any action which would result in changing the legal status, geographical nature or demographic composition of the Palestine and other Arab territories occupied since 1967, including Jerusalem;

5. Urgently calls upon all States parties to the Geneva Convention to respect and to exert all efforts in order to ensure respect for and compliance with its provisions in all Arab territories occupied by Israel since 1967, including Jerusalem.

100th plenary meeting
10 December 1982

C

The General Assembly,

Guided by the purposes and principles of the Charter of the United Nations and by the principles and provisions of the Universal Declaration of Human Rights,

Bearing in mind the provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, as well as of other relevant conventions and regulations,

WORKING GROUP ON THE FINANCING OF THE UNITED NATIONS RELIEF AND WORKS AGENCY FOR PALESTINE REFUGEES IN THE NEAR EAST

The General Assembly,
Recalling also its decision 36/462 of 16 March 1982, whereby the General Assembly took note of the special report of the Working Group on the Financing of the United Nations Relief and Works Agency for Palestine Refugees in the Near East34 and adopted the recommendations contained therein,

Having considered the report of the Working Group on the Financing of the United Nations Relief and Works Agency for Palestine Refugees in the Near East,35

Taking into account the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, covering the period from 1 July 1981 to 30 June 1982,36 and his special report issued on 28 September 1982,37

Gravely concerned at the critical financial situation of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, which has already reduced the essential minimum services being provided to the Palestine refugees and which threatens even greater reductions in the future,

Emphasizing the urgent need for extraordinary efforts in order to maintain, at least at their present minimum level,
1. Commends the constructive efforts made by the Secretary-General, the Commissioner-General of the United Nations Relief and Works Agency for Palestinian Refugees in the Near East, the Council of the United Nations University and the United Nations Educational, Scientific and Cultural Organization, which worked diligently towards the implementation of General Assembly resolution 36/146 G;

2. Further commends the close co-operation of the competent educational authorities concerned;

OFFERS BY MEMBER STATES OF GRANTS AND SCHOLARSHIPS FOR HIGHER EDUCATION, INCLUDING VOCATIONAL TRAINING, FOR PALESTINE REFUGEES

The General Assembly,

Recalling its resolution 212 (III) of 19 November 1948 on assistance to Palestine refugees,

Recalling also its resolutions 35/13 B of 3 November 1980 and 36/146 H of 16 December 1981,

Cognizant of the fact that the Palestine refugees have, for the last three decades, lost their lands and means of livelihood,

Having examined with appreciation the report of the Secretary-General on offers of grants and scholarships for higher education for Palestine refugees and on the scope of the implementation of resolution 36/146 H,

Having also examined the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, covering the period from 1 July 1981 to 30 June 1982, dealing with this subject,

Noting that fewer than one per thousand of the Palestine refugee students have the chance to continue higher education, including vocational training,

Noting also that over the past several years the number of scholarships offered by the United Nations Relief and Works Agency for Palestine Refugees in the Near East has dwindled to half of what it was because of the Agency’s recurring budgetary difficulties,

1. Urges all States to respond to the appeal contained in General Assembly resolution 32/90 F of 13 December 1977 in a manner commensurate with the needs of Palestine refugees for higher education and vocational training;

2. Strongly appeals to all States, specialized agencies and non-governmental organizations to augment the special allocations for grants and scholarships to Palestine refugees in addition to their contributions to the regular budget of the United Nations Relief and Works Agency for Palestine Refugees in the Near East;

3. Expresses its appreciation to all Governments, specialized agencies and non-governmental organizations that responded favourably to General Assembly resolution 36/146 H:

4. Invites the relevant United Nations agencies to continue, within their respective spheres of competence, to expand assistance for higher education to Palestine refugee students;

5. Appeals to all States, specialized agencies and the United Nations University to contribute generously to the Palestinian universities in the territories occupied by Israel since 1967;

6. Also appeals to all States, specialized agencies and other international bodies to contribute towards the establishment of vocational training centres for Palestine refugees;

7. Requests the United Nations Relief and Works Agency for Palestine Refugees in the Near East to act as recipient and trustee for such special allocations and scholarships and to award them to qualified Palestine refugee candidates;

8. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session on the implementation of the present resolution.

E

Recalling the provisions of paragraph 11 of its resolution 194 (III) of 11 December 1948 and considering that measures to resettle Palestine refugees in the Gaza Strip away from the homes and property from which they were displaced constitute a violation of their inalienable right of return,

Alarmed by the reports received from the Commissioner-General that the Israeli occupying authorities persist in their policy of demolishing, on punitive grounds, shelters occupied by refugee families,

1. Reiterates its demand that Israel desist from the removal and resettlement of Palestinian refugees in the Gaza Strip and from the destruction of their shelters;

39 A/37/427.

IV. Resolutions adopted on the reports of the Special Political Committee

1. Reaffirms the inalienable right of all displaced inhabitants to return to their homes or former places of residence in the territories occupied by Israel since 1967 and declares once more that any attempt to restrict, or to attach conditions to, the free exercise of the right of return by any displaced person is inconsistent with that inalienable right and inadmissible;

2. Considers any and all agreements embodying any restriction on or condition for the return of the displaced inhabitants as null and void;

3. Strongly deplores the continued refusal of the Israeli authorities to take steps for the return of the displaced inhabitants;

4. Calls once more upon Israel:
   (a) To take immediate steps for the return of all displaced inhabitants;
   (b) To desist from all measures that obstruct the return of the displaced inhabitants, including measures affecting the physical and demographic structure of the occupied territories;

5. Requests the Secretary-General, after consulting with the Commissioner-General of the United Nations Relief and Works Agency for Palestinian Refugees in the Near East, to report to the General Assembly before the opening of its thirty-eighth session on Israel’s compliance with paragraph 4 above.

108th plenary meeting
16 December 1982

The General Assembly.

Recalling its resolution 36/146 F of 16 December 1981 and all previous resolutions on the question, including resolution 302 (IV) of 8 December 1949,

Deeply concerned at the interruption by the United Nations Relief and Works Agency for Palestinian Refugees in the Near East, owing to financial difficulties, of the general ration distribution to Palestinian refugees in all fields in the occupied Palestinian territories, Jordan and the Syrian Arab Republic,

1. Calls upon all Governments, as a matter of urgency, to make the most generous efforts possible to meet the needs of the United Nations Relief and Works Agency for Palestinian Refugees in the Near East, particularly in the light of the interruption by the Agency of the general ration distribution to Palestinian refugees in all fields, and therefore urges non-contributing Governments to contribute regularly and contributing Governments to consider increasing their regular contributions;

2. Requests the Commissioner-General of the United Nations Relief and Works Agency for Palestinian Refugees in the Near East to resume on a continuing basis and as soon as possible the interrupted general ration distribution to Palestinian refugees in all fields.

108th plenary meeting
16 December 1982

The General Assembly.

Recalling its resolutions 35/13 A to F of 3 November 1980, 36/146 C of 16 December 1981 and all its previous resolutions on the question, including resolution 194 (III) of 11 December 1948,

Taking note of the report of the Secretary-General of 28 September 1982,42

Taking note also of the report of the United Nations Conciliation Commission for Palestine, covering the period from 1 October 1981 to 30 September 1982,43

Recalling that the Universal Declaration of Human Rights44 and the principles of international law uphold the principle that no one shall be arbitrarily deprived of one’s private property,

Considering that the Palestinian Arab refugees are entitled to their property and to the income derived from their property, in conformity with the principles of justice and equity,

Recalling, in particular, its resolution 394 (V) of 14 December 1950, in which it directed the United Nations Conciliation Commission for Palestine, in consultation with the parties concerned, to prescribe measures for the protection of the rights, property and interests of the Palestinian Arab refugees,

Taking note of the completion of the programme of identification and evaluation of Arab property, as announced by the United Nations Conciliation Commission for Palestine in its twenty-second progress report,45 of 11 May 1964, and of the fact that the Land Office had a schedule of Arab owners and file of documents defining the location, area and other particulars of Arab property,
1. Requests the Secretary-General to take all appropriate steps, in consultation with the United Nations Conciliation Commission for Palestine, for the protection and administration of Arab property, assets and property rights in Israel, and to establish a fund for the receipt of income derived therefrom, on behalf of their rightful owners;

2. Calls once again upon the Governments concerned, especially Israel, to render all facilities and assistance to the Secretary-General in the implementation of the present resolution;

3. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session on the implementation of the present resolution

SPECIAL IDENTIFICATION CARDS TO ALL PALESTINE REFUGEES

The General Assembly,

Recalling its resolution 36/146 F of 16 December 1981 and all previous resolutions on the question,

Recalling, in particular, its resolutions 194 (III) of 11 December 1948 and 302 (IV) of 8 December 1949,

Recognizing the concern of the United Nations with the problem of the Palestine refugees,

1. Reiterates its regret that paragraph 11 of General Assembly resolution 194 (III) has not thus far been implemented;

2. Requests the Secretary-General, in cooperation with the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, to issue identification cards to all Palestine refugees and their descendants, irrespective of whether they are recipients or not of rations and services from the Agency, as well as to all displaced persons and to those who have been prevented from returning to their homes as a result of the 1967 hostilities, and their descendants;

3. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session on the implementation of the present resolution

J

PROTECTION OF PALESTINE REFUGEES

The General Assembly,

Having considered the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, covering the period from 1 July 1981 to 30 June 1982, and his special report covering the period from 6 June to 31 August 1982,

Referring to the humanitarian principles of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, and to the obligations arising from the regulations annexed to the Hague Convention of 1907,

Deeply distressed at the sufferings of the Palestinians resulting from the Israeli invasion of Lebanon,

1. Urges the Secretary-General, in consultation with the United Nations Relief and Works Agency for Palestine Refugees in the Near East, and pending the withdrawal of Israeli forces from the Palestinian and other Arab territories occupied by Israel since 1967, including Jerusalem, to undertake effective measures to guarantee the safety and security and the legal and human rights of the Palestine refugees in the occupied territories;

2. Calls upon Israel, the occupying Power, to release forthwith all detained Palestinian refugees, including the employees of the United Nations Relief and Works Agency for Palestine Refugees in the Near East;

3. Also calls upon Israel to desist forthwith from preventing those Palestinians registered by the United Nations Relief and Works Agency for Palestine Refugees in the Near East as refugees in Lebanon from returning to their camps in Lebanon;

4. Further calls upon Israel to allow the resumption of health, medical, educational and social services rendered by the United Nations Relief and Works Agency for Palestine Refugees in the Near East to the Palestinians in the refugee camps in southern Lebanon;

5. Requests the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East to co-ordinate his activities in rendering those services with the Government of Lebanon, the host country;

6. Urges the Commissioner-General to provide housing, in consultation with the Government of Lebanon, to the Palestine refugees whose houses were demolished or razed by the Israeli forces, in order to protect them from the severity of the weather;

7. Requests the Commissioner-General, in consultation with the Government of Lebanon, to prepare a report on the totality of the damage caused to the Palestine refugees and their property and to the Agency's facilities, as well as those of other international bodies, as a result of the Israeli aggression;

8. Requests the Secretary-General, in consultation with the Commissioner-General, to report to the General Assembly before the opening of its thirty-eighth session on the implementation of the present resolution.

K

ASSISTANCE TO PALESTINE REFUGEES

The General Assembly,

Recalling its resolution 36/146 F of 16 December 1981 and all previous resolutions on the question, including resolution 194 (III) of 11 December 1948,

Taking note of the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, covering the period from 1 July 1981 to 30 June 1982,

1. Notes with regret that repatriation or compensation of the refugees as provided for in paragraph 11 of General Assembly resolution 194 (III) has not been effected, that no substantial progress has been made in the programme endorsed by the Assembly in paragraph 2 of its resolution 513 (VI) of 26 January 1952 for the reintegration of refugees either by repatriation or resettlement and that, therefore, the
situation of the refugees continues to be a matter of serious concern;

2. Expresses its thanks to the Commissioner-General and to all the staff of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, recognizing that the Agency is doing all it can within the limits of available resources, and also expresses its thanks to the specialized agencies and private organizations for their valuable work in assisting the refugees;

3. Reiterates its request that the headquarters of the United Nations Relief and Works Agency for Palestine Refugees in the Near East should be relocated to its former site within its area of operations as soon as practicable;

4. Notes with regret that the United Nations Conciliation Commission for Palestine has been unable to find a means of achieving progress in the implementation of paragraph 11 of General Assembly resolution 194 (III) and requests the Commission to exert continued efforts towards the implementation of that paragraph and to report to the Assembly as appropriate, but not later than 1 October 1983;

5. Directs attention to the continuing seriousness of the financial position of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, as outlined in the report of the Commissioner-General;

6. Notes with concern that, despite the commendable and successful efforts of the Commissioner-General to collect additional contributions, this increased level of income to the United Nations Relief and Works Agency for Palestine Refugees in the Near East is still insufficient to cover essential budget requirements in the present year and that, at currently foreseen levels of giving, deficits will recur each year;

7. Calls upon all Governments as a matter of urgency to make the most generous efforts possible to meet the anticipated needs of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, particularly in the light of the budgetary deficit projected in the report of the Commissioner-General, and therefore urges non-contributing Governments to contribute regularly and contributing Governments to consider increasing their regular contributions.

37/121. International co-operation to avert new flows of refugees

The General Assembly,
Having examined the report of the Secretary-General,47
Taking note of the comments and suggestions submitted by Member States, organs and organizations of the United Nations and specialized agencies in response to General Assembly resolutions 35/124 of 11 December 1980 and 36/148 of 16 December 1981,
Stressing the importance of adopting a constructive and future-oriented approach in considering the question of international co-operation to avert new massive flows of refugees,
1. Takes note of the report of the Secretary-General;
2. Reaffirms its resolution 36/148 on international co-operation to avert new flows of refugees;
3. Welcomes the comments and suggestions submitted in response to General Assembly resolutions 35/124 and 36/148 by Member States, organs and organizations of the United Nations and specialized agencies;

4. Decides to enlarge the Group of Governmental Experts on International Co-operation to Avert New Flows of Refugees, established in accordance with paragraph 4 of resolution 36/148, from seventeen to twenty-four members;48

5. Reaffirms the mandate of the Group of Governmental Experts as defined by resolution 36/148 by stressing the need for members of the Group to embark upon the study in question in the framework of a constructive, future-oriented approach and in conformity with the spirit which must form the basis of friendly relations and close cooperation among Member States;

6. Requests the Group of Governmental Experts to be mindful of the importance of reaching general agreement whenever that has significance for the outcome of its work;

7. Renews its call upon Member States that have not yet conveyed to the Secretary-General their comments and suggestions on this item to do so as soon as possible;

8. Requests the Secretary-General to prepare a compilation of the replies received in accordance with paragraph 7 above and to provide the Group of Governmental Experts with all necessary assistance and facilities for the completion of its task;

9. Calls upon the Group of Governmental Experts to hold, as soon as possible, the meetings which had already been arranged and to submit a report to the Secretary-General in time for deliberation by the General Assembly at its thirty-eighth session;

10. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "International co-operation to avert new flows of refugees".49

108th plenary meeting 16 December 1982

37/122. Israel's decision to build a canal linking the Mediterranean Sea to the Dead Sea

The General Assembly,
Recalling its resolution 36/150 of 16 December 1981,
Recalling the rules and principles of international law relative to the fundamental rights and duties of States,
Bearing in mind the principles of international law relative to belligerent occupation of land, including the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,46 and reaffirming their applicability to all Arab territories occupied since 1967, including Jerusalem,
Taking note of the report of the Secretary-General,49
Recognizing that the proposed canal, to be constructed partly through the Gaza Strip, a Palestinian territory occupied in 1967, would violate the principles of international law and affect the interests of the Palestinian people,
Confident that the canal linking the Mediterranean Sea with the Dead Sea, if constructed by Israel, will cause direct, serious and irreparable damage to Jordan's rights and legitimate vital interests in the economic, agricultural, demographic and ecological fields,
Noting with regret the non-compliance by Israel with General Assembly resolution 36/150,
1. Deplores Israel’s non-compliance with General Assembly resolution 36/150:

---

47 A/37/416 and Add.1.
48 One additional seat is to be rotated between the Latin American, African and Asian regions.
2. Emphasizes that the canal linking the Mediterranean Sea with the Dead Sea, if constructed, is a violation of the rules and principles of international law, especially those relating to the fundamental rights and duties of States and to belligerent occupation of land;

3. Demands that Israel not construct this canal and cease forthwith all actions and/or plans taken towards the implementation of this project;

4. Calls upon all States, specialized agencies, governmental and non-governmental organizations not to assist, directly or indirectly, in preparations for and execution of this project and strongly urges national, international and multinational corporations to do likewise;

5. Requests the Secretary-General to monitor and assess, on a continuing basis and through a competent expert organ, all aspects—juridical, political, economic, ecological and demographic—of the adverse effects on Jordan and on the Arab territories occupied since 1967, including Jerusalem, arising from the implementation of the Israeli decision to construct this canal and to forward the findings of that organ on a regular basis to the General Assembly;

6. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session on the implementation of the present resolution;

7. Decides to include in the provisional agenda of its thirty-eighth session the item entitled "Israel's decision to build a canal linking the Mediterranean Sea to the Dead Sea".

The General Assembly,

Recalling also its previous resolutions on permanent sovereignty over natural resources, particularly their provisions supporting resolutely the efforts of the developing countries and the peoples of territories under colonial and racial domination and foreign occupation in their struggle to regain
effective control over their natural and all other resources, wealth and economic activities,

_Bearing in mind_ the relevant principles of international law and the provisions of the international conventions and regulations, in particular Convention IV of the Hague of 1907,4 and the fourth Geneva Convention of 12 August 1949,5 concerning the obligations and responsibilities of the occupying Power,

_Bearing in mind also_ the pertinent provisions of its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, and 3281 (XXXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States,

_Regretting_ that the report of the Secretary-General on permanent sovereignty over national resources in the occupied Palestinian and other Arab territories, requested in General Assembly resolution 36/173, was not submitted,

1. _Condemns_ Israel for its exploitation of the national resources of the occupied Palestinian and other Arab territories;

2. _Emphasizes_ the right of the Palestinian and other Arab peoples whose territories are under Israeli occupation to full and effective permanent sovereignty and control over their natural and all other resources, wealth and economic activities;

5. _Calls upon_ all States to support the Palestinian and other Arab peoples in the exercise of their above-mentioned rights;

6. _Calls upon_ all States, international organizations, specialized agencies, business corporations and all other institutions not to recognize, or co-operate with or assist in any manner in, any measures undertaken by Israel to exploit the national resources of the occupied Palestinian and other Arab territories or to effect any changes in the demographic composition, the character and form of use of their natural resources or the institutional structure of those territories;

7. _Requests_ the Secretary-General to prepare and submit to the General Assembly at its thirty-eighth session, through the Economic and Social Council, the two reports requested in Assembly resolution 36/173.

_The General Assembly_,

1. _Takes note_ of decision 80/44 of 27 June 1980 of the Governing Council of the United Nations Development Pro-

gramme on agency support costs6 and of section I, paragraph 3, of decision 82/20 of 18 June 1982,7 in which the Council endorsed the guidelines for the approval of new and continuing intercountry projects that, _inter alia_, called for the discontinuation by the United Nations Fund for Population Activities of infrastructural support to its project-executing agencies, including the regional commissions;8

2. _Requests_ the Secretary-General, in consultation with the executive secretaries of the regional commissions, to consider the inclusion in the draft programme budget for the biennium 1984-1985 of proposals on modalities for the continuation of activities in the field of population at the regional level.

37/137. _Protection against products harmful to health and the environment_

_The General Assembly_,

_Aware_ of the damage to health and the environment that the continued production and export of products that have been banned and/or permanently withdrawn on grounds of human health and safety from domestic markets is causing in the importing countries,

_Aware_ that some products, although they present a certain usefulness in specific cases and/or under certain conditions, have been severely restricted in their consumption and/or sale owing to their toxic effects on health and the environment,

_Aware_ of the harm to health being caused in importing countries by the export of pharmaceutical products ultimately intended also for consumption and/or sale in the home market of the exporting country, but which have not yet been approved there,

_Physical_ that many developing countries lack the necessary information and expertise to keep up with developments in this field,

_Physical_ the need for countries that have been exporting the above-mentioned products to make available the necessary information and assistance to enable the importing countries to protect themselves adequately,

_Cognisant_ of the fact that almost all of these products are at present manufactured and exported from a limited number of countries,

_Taking into account_ that the primary responsibility for consumer protection rests with each State,

_Recalling_ its resolution 36/166 of 16 December 1981 and the report on transnational corporations in the pharmaceutical industry of developing countries,9 and acting in pursuance of Economic and Social Council resolution 1981/62 of 23 July 1981,

9 E/C.10/85.
1. Agrees that products that have been banned from domestic consumption and/or sale because they have been judged to endanger health and the environment should be sold abroad by companies, corporations or individuals only when a request for such products is received from an importing country or when the consumption of such products is officially permitted in the importing country;

2. Agrees that all countries that have severely restricted or have not approved the domestic consumption and/or sale of specific products, in particular pharmaceuticals and pesticides, should make available full information on these products with a view to safeguarding the health and environment of the importing country, including clear labelling in a language acceptable to the importing country;

3. Requests the Secretary-General to continue to ensure the provision of the necessary information and assistance by the United Nations system in order to strengthen the national capacities of developing countries to protect themselves from the consumption and/or sale of banned, withdrawn, severely restricted or, in the case of pharmaceuticals, non-approved products;

4. Requests the Secretary-General, based upon the work already being done within the Food and Agriculture Organization of the United Nations, the World Health Organization, the International Labour Organization, the United Nations Environment Programme, the General Agreement on Tariffs and Trade, the United Nations Centre on Transnational Corporations and other relevant intergovernmental organizations, to the maximum extent possible within existing resources, to prepare and regularly update a consolidated list of products whose consumption and/or sale have been banned, withdrawn, severely restricted or, in the case of pharmaceuticals, not approved by Governments, and to make this list available as early as possible and, in any case, not later than December 1983;

5. 6. Decides, on the basis of the above-agreed criteria, to keep under review the format of the consolidated list with a view to its possible improvement;

7. Requests Governments and the relevant organs, organizations and bodies of the United Nations system to provide all the information and assistance necessary for the prompt and effective fulfilment of the task entrusted to the Secretary-General.

Taking into account the views expressed by the Conference of Ministers of the Economic Commission for Africa in its resolution 450 (XVII) of 30 April 1982\(^ {13}\) on the need to correct the present situation regarding the inadequacy of the human and financial resources available to the Multinational Programming and Operational Centres for regular budget and operational activities, as a result of which their very existence is threatened,

Bearing in mind the action already taken by the Executive Secretary of the Economic Commission for Africa to improve the resource situation of the Multinational Programming and Operational Centres,

Having considered the report of the Secretary-General on the financing of the Multinational Programming and Operational Centres of the Economic Commission for Africa on an established basis,\(^ {14}\) prepared pursuant to General Assembly resolution 36/178, and having examined, in particular, paragraphs 47 to 49 of that report,

Endorses the recommendations contained in paragraphs 47 to 49 of the report of the Secretary-General, which call for the provision of the financial resources required from the regular budget, among other sources, for funding the Multinational Programming and Operational Centres on an established basis in order to bring about their immediate and effective implementation.

Deeply concerned at the continuing low level of economic activities in Africa and the devastating effects of the current world economic crisis on the particularly vulnerable economies of the countries in the region that has the largest number of least developed countries.

Fully aware that the Lagos Plan of Action for the Implementation of the Monrovia Strategy for the Economic Development of Africa provides a framework of priority actions for achieving the rapid overall economic and social development of Africa, as reiterated in the Declaration of Tripoli adopted by the Conference of Ministers of the Economic Commission for Africa on 30 April 1982, 

Recognizing the primary responsibility of the African countries for their development and the importance of the mobilization of their national resources for their socio-economic development,

Takes note with appreciation of the report of the Secretary-General indicating the actions proposed by non-governmental organizations for promoting the realization of the objectives of the Lagos Plan of Action for the Implementation of the Monrovia Strategy for the Economic Development of Africa;

5. Invites all international financial institutions, particularly the World Bank, the International Development Association and the International Fund for Agricultural Development, to continue actively to consider increasing substantially their development assistance to Africa during the Decade;

6. Requests the Secretary-General to continue to allocate the necessary resources to the Economic Commission for Africa, taking into account its role as the main economic and social development centre within the United Nations system for the African region, in accordance with General Assembly resolutions 32/197 of 20 December 1977 and 33/202 of 29 January 1979;

7. Further requests the Secretary-General to submit to the General Assembly at its thirty-eighth session, through the Economic and Social Council, at its second regular session of 1983, a full report on the progress made in the implementation of the present resolution.

The General Assembly,

Recalling its resolutions 32/160 of 19 December 1977, 33/197 of 29 January 1979 and 34/15 of 9 November 1979 on the Transport and Communications Decade in Africa and, in particular, its resolutions 35/108 of 5 December 1980 and 36/177 of 17 December 1981, by which it approved the organization of consultative technical meetings for the various African subregions,

Recalling also resolution 341 (XIV) adopted on 27 March 1979 by the Conference of Ministers of the Economic Commission for Africa,

In which the Conference urged member States to give high priority to the development of transport and communications in the region,

Noting resolution CM/Res.889 (XXXVII) on the Transport and Communications Decade in Africa, adopted by the Council of Ministers of the Organization of African Unity at its thirty-seventh ordinary session, held at Nairobi from 15 to 26 June 1981,

Referring to resolution 422 (XVI) adopted on 10 April 1981 by the Conference of Ministers of the Economic Commission for Africa, in which the Conference, inter alia, requested the Executive Secretary of the Commission to continue to monitor the progress in the implementation of the programme for the first phase (1980-1983) of the Decade, to update the programme, to organize four consultative technical meetings and to undertake the preparation of the plan of action for the second phase (1984-1988) of the Decade,

Referring also to resolution 435 (XVII) adopted on 30 April 1982 by the Conference of Ministers of the Economic Commission for Africa, in which the Conference requested the Executive Secretary of the Commission to monitor the follow-up to the first four consultative technical meetings and recommended that a fifth meeting should be organized for the countries of North Africa, East Africa and the islands of the Indian Ocean,

Considering that sustained efforts should be made to mobilize additional resources in order to ensure the implementation of the programme for the Decade,

Aware of the role which the Economic Commission for Africa plays as the lead agency in the implementation of the programme for the Decade,

1. Takes note of the report of the Secretary-General on the Transport and Communications Decade in Africa;

2. Notes with satisfaction that a measure of progress has been made concerning the implementation of the first phase (1980-1983) of the Decade, including the encouraging results of the four consultative technical meetings, held at Lomé from 8 to 11 June 1981, Ouagadougou from 20 to 23 January 1982, Yaoundé from 15 to 17 March 1982 and Abidjan from 3 to 5 May 1982;

3. Notes with appreciation the contribution made by certain countries and financial institutions towards the implementation of the programme for the Decade;

4. Appeals to donor countries, financing organs and various financial institutions to increase their financial support to the programme for the Decade in view of the fact that the total volume of the resources thus far mobilized is well below the amount required to finance the whole of the programme for the first phase;

5. Requests the Executive Secretary of the Economic Commission for Africa to organize, during the second half of 1983, a fifth consultative technical meeting on roads, maritime transport and ports for the countries of North Africa, East Africa and the islands of the Indian Ocean;

6. Appeals once again to donor countries and financing institutions to participate fully and positively in the fifth consultative technical meeting;

7. Requests the Executive Secretary of the Economic Commission for Africa to maintain good co-ordination between the financing sources and the African countries in order to monitor the follow-up to the four consultative technical meetings by closely assisting the countries in their contacts with donors and in formulating and presenting their requests for financing;

8. Notes the measures taken by the Executive Secretary of the Economic Commission for Africa with regard to the preparation of the plan of action for the second phase (1984-1988) of the Decade and requests him to submit a report on its preparation, through the Economic and Social Council at its second regular session of 1983, to the General Assembly at its thirty-eighth session;

9. 11. Requests the Secretary-General to provide the Economic Commission for Africa, as the lead agency for the implementation of the Decade, with financial and other resources using, inter alia, extrabudgetary funds and existing resources to the maximum extent possible, to enable it to hold the fifth consultative technical meeting, scheduled to be held in 1983, and to complete the preparation of the plan of action for the second phase of the Decade;

12. Requests the Executive Secretary of the Economic Commission for Africa to continue to submit progress reports on the implementation of the programme for the Transport and Communications Decade in Africa;

13. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session on the progress achieved in the implementation of the present resolution.

37/144. Office of the United Nations Disaster Relief Co-ordinator

The General Assembly,

Recalling its resolution 36/225 of 17 December 1981, by which it reaffirmed the mandate of the Office of the United Nations Disaster Relief Co-ordinator and called for the strengthening and improvement of the capacity and effectiveness of the Office,

Recognizing the contribution made by the United Nations system to the relief of suffering and provision of humanitarian assistance in natural disasters and other disaster situations,

Recognizing further the importance of the contribution of the International Committee of the Red Cross, the League of Red Cross and Red Crescent Societies and appropriate voluntary organizations,

Recognizing that, in order to attain an effective co-ordination system of humanitarian and disaster relief assistance, it is essential to strengthen and improve the capacity and effectiveness of the Office of the United Nations Disaster Relief Co-ordinator and the United Nations system as a whole in order to enable the Office to respond to natural disasters and other disaster situations speedily, efficiently and effectively, thereby ensuring prompt delivery of concerted relief,

Recognizing that a major constraint on an effective response of the United Nations to natural disasters and other disaster situations has been the shortage of resources,

1. Takes note with appreciation of the report of the Secretary-General on the work of the Office of the United Nations Disaster Relief Co-ordinator\textsuperscript{33} and of the statement made by the Co-ordinator before the Second Committee on 2 November 1982,\textsuperscript{34}

6. Authorizes the Secretary-General to permit the United Nations Disaster Relief Co-ordinator to mobilize additional voluntary resources to meet the needs presented by complex disasters and emergencies of exceptional magnitude;

10. Reiterates its desire further to strengthen and improve the capability of the Office of the United Nations Disaster Relief Co-ordinator to take full advantage of information provided by existing early-warning systems and to co-ordinate, to the extent feasible and useful, all relevant early-warning systems, taking into account new technological developments in this field, including communications;

11. Urges all Governments and relevant organs and organizations to co-operate with the United Nations Disaster Relief Co-ordinator and to improve in particular their flow of information on relief assistance, actions and plans;

12. Calls upon the specialized agencies and other constituent organizations of the United Nations system to eliminate wasteful duplication of resources, to coordinate, in accordance with the provisions of paragraph 3 of General Assembly resolution 36/225, their efforts at all stages of the response of the international community to natural disasters and other disaster situations;

13. Reaffirms its belief that the strengthening and reinforcing of the Office of the United Nations Disaster Relief Co-ordinator offers the most efficient and economic means of effectively co-ordinating the relief activities of the United Nations system as a whole in the interest of the survivors of disasters, and requests the Secretary-General to assign a higher priority to strengthening, preferably within the means at his disposal, the financial and manpower resources of the Office;

14. Requests the Secretary-General to submit a comprehensive report on the implementation of General Assembly resolution 36/225, including a report on the implementation of the present resolution, to the Assembly at its thirty-eighth session, through the Economic and Social Council at its second regular session of 1983.

7. Calls upon regional and interregional organizations and other non-governmental organizations and regional and intergovernmental bodies to support fully the efforts of the Government of Liberia to mobilize funds for its special economic assistance programme and, to this end, to respond generously to the needs of Liberia;

37/151. Special economic assistance to Benin

The General Assembly,

Recalling its resolutions 35/88 of 5 December 1980 and 36/208 of 17 December 1981, in which it appealed to the international community to provide effective and continuous financial, material and technical assistance to Benin so as to help that country overcome its financial and economic difficulties,

Recalling also Security Council resolution 419 (1977) of 24 November 1977, in which the Council appealed to all States and all appropriate international organizations, including the United Nations and the specialized agencies, to assist Benin,

Having heard the statement made by the representative of Benin before the Second Committee on 4 November 1982 describing his country’s serious economic and financial situation and the measures adopted by his Government to tackle those difficulties,

Having considered the report of the Secretary-General to which is annexed the report of the review mission which he dispatched to Benin in July 1982,

Noting from the report that there has been an encouraging development in Benin as a result of the measures adopted by the Government and the appeal of the Secretary-General,

Deeply concerned, however, by the fact that Benin continues to experience serious economic and financial difficulties, characterized by a severe balance-of-payments disequilibrium, heavy burdens of external debt and a lack of resources to implement its planned economic and social development programme,

Noting further that unfavourable climatic conditions in Benin have entailed losses in agricultural and livestock production and that serious floods have led the Government to introduce emergency measures to assist the stricken populations,

Taking note of the recommendation concerning the programme of assistance to Benin as referred to in the report of the Secretary-General,

Noting further Benin’s urgent need for international assistance in its health programmes, as well as for food aid,

Aware of the desire of the Government of Benin to organize in January 1983, with the assistance of the United Nations Development Programme, a round-table conference of partners in development to discuss the country’s development needs and to consider ways and means of helping the Government in its efforts to meet those needs,

Bearing in mind that Benin is classified as one of the least developed countries,

1. Expresses its appreciation to the Secretary-General for the measures he has taken to organize an international programme of economic assistance for Benin;
2. Endorses fully the assessment and recommendations of the mission contained in the annex to the report of the Secretary-General;\(^{55}\)
3. Expresses its appreciation for the assistance already given or pledged to Benin by Member States, organizations of the United Nations system and regional, interregional and intergovernmental organizations;
4. Takes note with appreciation of the various measures adopted by the Government of Benin to strengthen the country’s economy, and of the fruitful implementation of a number of economic initiatives of prime importance;
5. Expresses its concern at the fact that, in spite of those favourable developments, the Government of Benin continues to encounter serious economic and financial difficulties and that those problems have been aggravated by losses in agricultural and livestock production as a result of the floods in the south of the country and the drought in the north;
6. Draws attention to the needs of Benin for supplementary external assistance in order to implement fully the recommended special programme of economic assistance;
7. Urgently reiterates the appeal it has addressed to all Member States to provide substantial and appropriate assistance bilaterally and multilaterally, if possible in the form of grants-in-aid or loans granted on favourable terms, in order to enable Benin to carry out fully the recommended special programme of economic assistance;
8. Urges Member States, organizations and programmes of the United Nations, regional and interregional organizations, financing and development institutions and intergovernmental and non-governmental organizations to respond generously to the needs of Benin at the round-table conference, scheduled to be held at Cotonou in January 1983;
9. Requests the appropriate bodies and programmes of the United Nations—in particular the United Nations Development Programme, the Food and Agriculture Organization of the United Nations, the International Fund for

\(^{54}\) Ibid., 31st meeting, paras. 12-15.
Agricultural Development and the United Nations Children’s Fund—to maintain and expand their programmes of assistance to Benin, to co-operate closely with the Secretary-General in organizing an effective international programme of assistance and to report periodically to him on the measures they have taken and the resources they have made available to help that country;

10. **Calls upon** regional and interregional organizations and other intergovernmental bodies and non-governmental organizations, as well as international development and financial institutions, to give urgent consideration to the establishment of a programme of assistance to Benin or, where one is already in existence, to the expansion of that programme;

11. **Urges** Member States and appropriate United Nations agencies—in particular the United Nations Development Programme, the World Food Programme and the United Nations Fund for Population Activities—to provide all possible assistance to help the Government of Benin to meet the critical humanitarian needs of the population, and to provide to that Government, as appropriate, food, medicines and equipment for hospitals and schools;

12. **Invites** the United Nations Development Programme, the United Nations Children’s Fund, the World Food Programme, the World Health Organization, the Food and Agriculture Organization of the United Nations, the World Bank and the International Fund for Agricultural Development to bring to the attention of their governing bodies, for their consideration, the special needs of Benin and to report the decisions of those bodies to the Secretary-General by 15 July 1983;

13. **Requests** the Secretary-General:
   
   (a) To continue his efforts to mobilize the necessary resources for an effective programme of financial, technical and material assistance to Benin;

   (b) To ensure that the necessary financial and budgetary arrangements are made to continue the organization of the international programme of assistance to Benin and the mobilization of that assistance;

   (c) To keep the situation in Benin under constant review, to maintain close contact with Member States, the specialized agencies, regional and other intergovernmental organizations and the international financial institutions concerned, and to apprise the Economic and Social Council, at its second regular session of 1983, of the status of the special programme of economic assistance for Benin;

37/152. **Assistance to Cape Verde**

The General Assembly,

Recalling its resolution 36/211 of 17 December 1981, in which the international community was called upon to take adequate measures to support the realization of the Five-Year Plan of Cape Verde,

Recalling also its resolutions 32/99 of 13 December 1977, 33/127 of 19 December 1978, 34/119 of 14 December 1979 and 35/104 of 5 December 1980, in which the international community was requested to provide an appropriate level of resources for the implementation of the programme of assistance to Cape Verde as envisaged in the reports of the Secretary-General,56

Recalling further its resolution 36/194 of 17 December 1981, endorsing the Substantial New Programme of Action for the 1980s for the Least Developed Countries,57

Acknowledging the difficulties inherent in the fragile economy of Cape Verde, aggravated by a permanent and severe drought situation,

Noting that Cape Verde is a least developed country, a small archipelago and a member of the Permanent Inter-State Committee in Drought Control in the Sahel,

Recognizing that increased substantial and continuous assistance from the international community, both in the short term and in the long term, will contribute to the effective development of Cape Verde,

Taking into account that a round table of Cape Verde’s partners in development was organized jointly by Cape Verde and the United Nations Development Programme at Praia, Cape Verde, from 21 to 24 June 1982, which undertook a concrete and detailed analysis of the priorities of Cape Verde and the level of resources needed for the implementation of the Five-Year Plan,

Gravely concerned that the expected harvest for 1983 has been lost as a result of the failure of the seasonal rains and the recurrence of drought,

Noting that, according to a joint report of the Food and Agriculture Organization of the United Nations and the World Food Programme of January 1982, the food situation of Cape Verde will remain very critical in the short term and the medium term,

Recognizing the strenuous efforts deployed by the Government and the people of Cape Verde in the process of the socio-economic development of the country, despite existing constraints,

Having examined the report of the Secretary-General of 14 June 198258 on assistance to Cape Verde,

1. **Expresses its appreciation** to the Secretary-General for the efforts deployed in the process of mobilizing resources for the implementation of the programme of assistance to Cape Verde;

2. **Expresses its gratitude** to States, and to international, regional and interregional organizations and other intergovernmental organizations for their contribution to the programme of assistance to Cape Verde;

3. **Expresses its appreciation** to those Governments and international organizations and non-governmental organizations which participated in the round table of Cape Verde’s partners in development, and urges them to take appropriate measures to implement the conclusions of that meeting;

4. **Calls the attention** of the international community to table 6 of the annex to the report of the Secretary-General,58 which enumerates the projects to which the Government attaches priority;

5. **Urges Governments and international, regional and interregional organizations and other intergovernmental organizations to extend and intensify substantially their assistance with a view to implementing the programme of assistance to Cape Verde as soon as possible;

6. **Invites** the international community, in particular donor countries, to take appropriate and urgent measures to

support the realization of the Five-Year Plan of Cape Verde, in accordance with the Substantial New Programme of Action for the 1980s for the Least Developed Countries;

7. Requests the organizations, organs and bodies of the United Nations system to continue and to increase their assistance to Cape Verde, to co-operate with the Secretary-General in his efforts to mobilize resources for the implementation of the programme of assistance and to report periodically to him on the measures they have taken and the resources they have made available to help that country;

8. Calls upon the international community to continue to contribute generously to all appeals for food and fodder assistance, made by the Government of Cape Verde or on its behalf by the specialized agencies and other competent organizations of the United Nations system to help it cope with the critical situation in the country;

9. Draws once again the attention of the international community to the special account which was established at United Nations Headquarters by the Secretary-General, in accordance with General Assembly resolution 32/99, for the purpose of facilitating the channelling of contributions to Cape Verde;

10. Invites the United Nations Conference on Trade and Development, the United Nations Children’s Fund, the World Food Programme, the World Health Organization, the United Nations Industrial Development Organization, the Food and Agriculture Organization of the United Nations, the World Bank and the International Fund for Agricultural Development to continue to consider, through their governing bodies, the special needs of Cape Verde and to report the decisions of those bodies to the Secretary-General by 15 July 1983;

11. Requests the Secretary-General:

(a) To continue his efforts to mobilize the necessary resources for implementing the programme of development assistance to Cape Verde;

(b) To keep the situation in Cape Verde under constant review and to apprise the Economic and Social Council, at its second regular session of 1983, on the progress made in the implementation of the present resolution, and to report thereon to the General Assembly at its thirty-eighth session;

(c) To arrange for a review of the economic situation in Cape Verde and to make a substantive report on further progress in organizing and implementing the special programme of economic assistance for that country in time for the matter to be considered by the General Assembly at its thirty-ninth session.

Renews its appeal to Member States, the appropriate organs, organizations and programmes of the United Nations system, regional and international organizations and other intergovernmental bodies and non-governmental organizations, as well as international financial institutions, to provide assistance bilaterally and multilaterally, as appropriate, to Djibouti in order to enable it to cope with its difficult economic situation and to implement its development strategies;

37/154. Assistance to the Comoros

The General Assembly,

Taking note of the special problems confronting the Comoros as a developing island country and as one of the least developed countries,

Noting the priority which the Government of the Comoros has assigned to the questions of infrastructure, transport and telecommunications,

Noting also the economic difficulties arising from the country’s scarcity of natural resources, compounded by recent drought and cyclones,

Noting further the grave budgetary and balance-of-payments problems facing the Comoros,

AWARE of the intention of the Government of the Comoros to convene a donor’s conference in the first quarter of 1983,

Noting with satisfaction that the stability of the situation in Chad has enabled the Secretary-General to organize an international conference on assistance to Chad in late November 1982 at Geneva, in close co-operation with the Organization of African Unity and the Government of Chad,

Aware that serious destruction of property and extensive damage to the economic and social infrastructure of Chad over more than fifteen years, together with the effects of natural disasters, have placed the country in a situation of dire need,

Noting that Guinea-Bissau will continue to be dependent in the years to come, for its public capital expenditure, on external sources of financing,

Also noting with concern the chronic deficit in the balance of payments of Guinea-Bissau, the substantial increase in its loans and the inordinately low level of its foreign-exchange reserves,

Noting that Guinea-Bissau is experiencing difficulties, aggravated by irregular rainfall, in its agricultural production and that it needs emergency food aid,

Noting that the Government of Guinea-Bissau, in view of the seriousness of the economic situation, decided to implement an economic and financial stabilization programme, the main purpose of which is to remedy the economic situation,

Noting further that the Government of Guinea-Bissau is preparing a first four-year development plan 1983/1986 and proposes to hold a round table of donors during the first half of 1983,

109th plenary meeting 17 December 1982

37/157. Assistance to Nicaragua

The General Assembly,
Recalling its resolutions 34/8 of 25 October 1979, 35/84 of 5 December 1980 and 36/213 of 17 December 1981 concerning assistance for the reconstruction of Nicaragua,
Taking note of the report of the Secretary-General on assistance to Nicaragua,49
Bearing in mind that the floods of May 1982 caused grave damage to the infrastructure of Nicaragua, reducing its productive capacity and worsening the situation existing before that date, as reflected in the report of the Economic Commission for Latin America entitled “Nicaragua: the May 1982 floods and their repercussions on the economic and social development of the country”,50
Also bearing in mind that Nicaragua suffered, from June to September 1982, an intense drought which seriously affected the agricultural and livestock sectors, the country’s most important economic activities,
Considering Economic and Social Council decision 1982/168 of 29 July 1982, in which the Council decided to endorse resolution 419 (PLEN.15) on international assistance to alleviate the economic and social problems faced by Nicaragua as a result of the May 1982 floods,51 which was adopted by the Committee of the Whole of the Economic Commission for Latin America at its fifteenth special session, held in New York on 22 and 23 July 1982, and to recommend that the General Assembly at its thirty-seventh session also endorse the resolution,
Considering also resolution 982 adopted by the Seventeenth Regional Conference for Latin America of the Food and Agriculture Organization of the United Nations, held at Managua from 30 August to 10 September 1982, in which the Conference recommended to the World Food Programme and to the Food and Agriculture Organization of the United Nations that special measures of assistance to Nicaragua should be adopted,
Considering further that, despite the efforts of the Government and people of Nicaragua, the economic situation of the country has not become normalized, and requires the assistance of the international community,

1. Endorses Economic and Social Council decision 1982/168;
2. Expresses its appreciation to the Secretary-General for his efforts regarding assistance to Nicaragua;
3. Expresses its appreciation to those States and organizations which have provided assistance to Nicaragua;
4. Renews with urgency its call to all States and the bodies of the United Nations system to continue and to increase their assistance to Nicaragua;

37/158. Assistance for the development of Sierra Leone

The General Assembly,
Having heard the statement made by the Minister for Foreign Affairs of Sierra Leone before the General Assembly on 29 September 1982,52 in which he described the serious economic situation facing Sierra Leone,
Deeply concerned about the weak and underdeveloped state of the economic and social infrastructure of Sierra Leone and the lack of capital resources, which constitute serious obstacles to the economic and social development of the country and to the raising of the living standards of the population,
Also concerned about the weak growth rate experienced by the economy during the five-year period of the first National Development Plan and the decline in real terms of per capita gross domestic product during that period,
Noting that the country’s mining industry has encountered serious difficulties and that the manufacturing industries are highly dependent on foreign exchange for the import of almost all of the materials consumed,
Further concerned about the critical unemployment problem which prevails in Sierra Leone,
Taking note of the recommendation made by the Committee for Development Planning at its eighteenth session that Sierra Leone should be included in the list of the least developed countries53 and of the endorsement of that recommendation by the Economic and Social Council in its resolution 1982/41 of 27 July 1982,
Bearing in mind its resolution 37/133 of 17 December 1982, in which it decided to include Sierra Leone in the list of least developed countries,
1. Strongly recommends urgent international action to assist the Government of Sierra Leone in its efforts to strengthen the country’s infrastructure, to develop more fully the country’s natural and human resources and to accelerate economic growth and the social advancement of its people;
2. Urgently appeals to all States and international development and financial institutions to contribute generously, through bilateral or multilateral channels, to the economic and social development of Sierra Leone;
3. Requests the Secretary-General to organize an international programme of financial, technical and material assistance to Sierra Leone to enable the Government to overcome the severe obstacles which stand in the way of the country’s economic and social development;
4. Requests the appropriate organizations and programmes of the United Nations system—in particular the United Nations Development Programme, the United Nations Fund for Population Activities, the Food and Agriculture Organization of the United Nations, the International Fund for Agricultural Development, the World Food

5. Calls upon regional and interregional organizations and other intergovernmental bodies and non-governmental organizations, as well as the international development and financial institutions, to give urgent consideration to the establishment of a programme of assistance to Sierra Leone or, where one is already in existence, to the expansion of that programme;

6. Urges all States and relevant United Nations bodies—in particular the United Nations Development Programme, the World Food Programme, the United Nations Industrial Development Organization, the United Nations Children’s Fund, the World Health Organization, the United Nations Educational, Scientific and Cultural Organization and the United Nations Fund for Population Activities—to provide all possible assistance to help Government of Sierra Leone meet the critical humanitarian needs of the population and to provide, as appropriate, food, medicines and essential equipment for hospitals and schools;

7. Invites the United Nations Development Programme, the United Nations Children’s Fund, the World Food Programme, the World Health Organization, the United Nations Industrial Development Organization, the Food and Agriculture Organization of the United Nations, the World Bank, the African Development Bank and the International Fund for Agricultural Development to bring to the attention of their governing bodies, for their consideration, the special needs of Sierra Leone and to report the decisions of those bodies to the Secretary-General by 15 July 1983;

8. Requests the Secretary-General:

(a) To dispatch a multi-agency mission to Sierra Leone with a view to holding consultations with the Government on the additional assistance which it needs for the economic and social development of the country and to communicate the report of the mission to the international community, the Economic and Social Council and the General Assembly;

Recalling its resolution 36/220 of 17 December 1981 in which it, inter alia, expressed its deep concern about the extensive destruction of life and property as well as the severe damage to infrastructure which were inflicted on the Gambia as the result of the events of 30 July 1981,

Having considered the report of the Secretary-General on assistance for the rehabilitation and reconstruction of the Gambia, 55

Noting that the economy of the Gambia is vulnerable to several factors that are entirely beyond the Government’s control, such as the fall in prices and in the volume of its exports,

Aware of the intention of the Government of the Gambia to organize, with the assistance of the United Nations Development Programme, a round-table conference of donors early in 1983 to discuss the country’s development needs and to consider ways and means of helping the Government in its efforts to meet those needs,

37/160. Assistance to Lesotho

The General Assembly,

Recalling Security Council resolution 402 (1976) of 22 December 1976, in which the Council, inter alia, expressed concern at the serious situation created by South Africa’s closure of certain border posts between South Africa and Lesotho aimed at coercing Lesotho into according recognition to the bantustan of the Transkei,

Commending the decision of the Government of Lesotho not to recognize the Transkei, in compliance with United Nations decisions, particularly General Assembly resolution 31/6 A of 26 October 1976,

Noting the priority which the Government of Lesotho accords to raising levels of food production through increased productivity, thus lessening the country’s dependency on South Africa for food imports,

76 A/37/126.

Recalling its resolutions 32/160 of 19 December 1977 and 33/197 of 29 January 1979 concerning the Transport and Communications Decade in Africa and, in this regard, noting Lesotho’s geopolitical situation, which necessitates the urgent development of air and telecommunication links with neighbouring countries of Africa and the rest of the world,

6. Reiterates its appeal to Member States, regional and interregional organizations and other intergovernmental bodies to provide financial, material and technical assistance to Lesotho for the implementation of several projects and programmes which are still unfunded, as identified in the report of the Secretary-General;

7. Calls upon Member States and the appropriate agencies, organizations and financial institutions to provide assistance to Lesotho so as to enable it to achieve a greater degree of self-sufficiency in food production;

Considering that the nature and magnitude of the needs of the countries of the Sudan-Saharan region call for the continuation and further strengthening of actions of solidarity by the international community in support of the recovery efforts and the economic development of those countries,

Bearing in mind the critical food situation which obtains this year again in some countries of the Sahel, particularly in Cape Verde, Chad, Mali and Mauritania,

Having considered the report of the Secretary-General on the implementation of the medium-term and long-term recovery and rehabilitation programme in the Sudan-Sahelian region,

109th plenary meeting
17 December 1982

The General Assembly,

Recalling its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States, and 3362 (S-VII) of 16 September 1975 on development and international economic co-operation,

Recalling also its resolution 35/56 of 5 December 1980, the annex to which contains the International Development Strategy for the Third United Nations Development Decade,

Aware of its responsibility to carry out in 1984 the first overall review and appraisal of the implementation of the International Development Strategy,

Recalling also that the process of review and appraisal forms an integral part of the International Development Strategy and provides an opportunity to strengthen it as an instrument of policy for the attainment of the goals and objectives set out therein,

Recalling further that the process of review and appraisal should, within the context of an overall review of the international economic situation, scrutinize the state of the implementation of the International Development Strategy and identify the factors responsible for the shortfalls,

Stressing that such a review and appraisal should be undertaken within the United Nations system at the regional, sectoral and global levels, and by the respective Governments at the national level,

Noting with deep regret that global negotiations relating to international economic co-operation for development, which are intended to be one of the principal instruments for facilitating the implementation of the International Development Strategy, have not been launched,

Conscious that the adverse effects of the continuing international economic crisis, especially on the economies of the developing countries, make particularly necessary the task of carrying out such a review and appraisal with a view to considering the adjustment, intensification or reformulation of the policy measures required in the light of evolving needs and developments, in order to achieve the goals and objectives of the International Development Strategy,

1. Reaffirms the decision to carry out in 1984, at the global level, the first overall review and appraisal of the state of implementation of the policy measures, as well as the realization of the goals and objectives of the International Development Strategy for the Third United Nations Development Decade; 83

2. Stresses that the process of review and appraisal at the global level shall take into account the results achieved at the sectoral, regional and national levels;

3. Emphasizes that the review and appraisal shall, at all levels, take into account the results of various United Nations conferences as well as the results of relevant regional and interregional meetings, and that the agreed results will be incorporated in the International Development Strategy by the General Assembly when and as appropriate, with a view to contributing to its effective implementation;

4. Emphasizes further that the review and appraisal, based on an assessment provided for in General Assembly resolutions 33/201 of 29 January 1979, 35/81 of 5 December 1980 and 36/199 of 17 December 1981, should ensure that the operational activities of the United Nations system contribute effectively to the implementation of the International Development Strategy;

5. Decides to establish a committee of universal membership to carry out in 1984 a review and appraisal of the implementation of the International Development Strategy and further decides that the Committee on the Review and Appraisal of the Implementation of the International Development Strategy for the Third United Nations Development Decade, which will meet in a brief organizational session during the thirty-eighth session of the General Assembly, will report to the Assembly at its thirty-ninth session through the Economic and Social Council at its second regular session of 1984;

6. Calls upon the relevant organs, organizations and bodies of the United Nations system to report, for consideration, to the Committee on the Review and Appraisal of the Implementation of the International Development Strategy for the Third United Nations Development Decade on the results achieved in their respective sectors in applying the International Development Strategy as the policy framework in the formulation and implementation of their programmes of work and medium-term plans;

7. Requests the regional commissions to carry out in 1984, as part of their regular activity of preparing economic surveys of the regions, a review of the implementation of the International Development Strategy in their respective regions;

8. Invites the Committee for Development Planning to submit its observations and recommendations regarding the review and appraisal to the General Assembly at its thirty-ninth session, through the Committee on the Review and Appraisal of the Implementation of the International Development Strategy for the Third United Nations Development Decade and the Economic and Social Council at its second regular session of 1984;

9. Requests the Secretary-General to prepare and submit to the General Assembly at its thirty-ninth session, through the Committee on the Review and Appraisal of the Implementation of the International Development Strategy for the Third United Nations Development Decade and the Economic and Social Council, a comprehensive report and other appropriate documentation in order to assist in the review and appraisal;

10. Invites Governments to reflect appropriately, at the national level, in accordance with their national priorities and plans, the goals and objectives and the policy measures of the International Development Strategy in their policy formulation.

The General Assembly,

Recalling its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States, and 3362 (S-VII) of 16 September 1975 on development and international economic co-operation,

Recalling also its resolution 35/56 of 5 December 1980, the annex to which contains the International Development Strategy for the Third United Nations Development Decade,

Expressing concern about the worsening of certain trends in international economic relations, which run counter to the objectives of international co-operation contained in the above-mentioned resolutions and constitute serious obstacles to the international economy, in particular to the economic growth and development prospects of the developing countries,

Concerned that the international economy remains in a state of structural disequilibrium characterized by a slowing-down of activities and of economic growth, accompanied by, inter alia, prolonged monetary instability, intensified protectionist pressures, structural problems and maladjustment and uncertain long-term growth prospects,

1. Considers that the continuation or worsening of the current situation could lead to a climate of mistrust in international economic relations, with unpredictable consequences for international economic co-operation as well as for world peace and security;

2. Expresses its deep concern about the grave international economic situation, in particular of the developing countries, and about the perspectives arising from the current trends in the world economy, which, if they continue, will endanger the realization of the goals and objectives of the International Development Strategy for the Third United Nations Development Decade;

3. Urges all States, in particular the developing countries, to pursue concerted efforts to reverse the present negative trends and to overcome the critical economic situation currently affecting in particular the developing countries;

4. Requests the Secretary-General, as part of the preparations for the review and appraisal of the International Development Strategy, to analyse also the current negative trends in the world economy, which affect international economic co-operation and endanger the efforts towards the fulfilment of the goals and objectives of the International Development Strategy, and to reflect such analysis appropriately in the World Economic Survey and other documentation to be prepared for the review and appraisal of the International Development Strategy.

The General Assembly,

Recalling its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States, and 3362 (S-VII) of 16 September 1975 on development and international economic co-operation, which laid down the foundations of the new international economic order,

Bearing in mind article 34 of the Charter of Economic Rights and Duties of States and General Assembly resolution 3486 (XXX) of 12 December 1975, relating to the review of the implementation of the Charter,

Mindful of the importance of the principles set forth in the Charter of Economic Rights and Duties of States and the close relationship between the Charter and the Declaration and the Programme of Action on the Establishment of a New International Economic Order,

Conscious that the immediate launching and the successful conclusion of the global round of negotiations on international economic co-operation for development will be an important contribution to the solution of international economic problems, within the framework of the restructuring of international economic relations, and to steady global development, in particular the development of developing countries,

1. Decides to conduct at its thirty-ninth session, on the occasion of the tenth anniversary of the adoption of the Charter of Economic Rights and Duties of States, a comprehensive review of its implementation, as provided for in article 34 thereof;

2. Requests the Secretary-General to prepare a report on the implementation of the Charter of Economic Rights and Duties of States, based on information provided by Governments as well as the intergovernmental organizations concerned, and to submit it to the General Assembly at its thirty-ninth session through the Economic and Social Council at its second regular session of 1984;

3. Calls upon all Member States to co-operate with the Secretary-General in the preparation of the report requested in paragraph 2 above;

5. Decides to include in the provisional agenda of its thirty-ninth session an item entitled "Review of the implementation of the Charter of Economic Rights and Duties of States".

Recalling resolution 110 (V) of 3 June 1979 adopted by the United Nations Conference on Trade and Development at its fifth session, held at Manila from 7 May to 3 June 1979. 86

Taking note of Economic and Social Council resolution 1982/61 of 30 July 1982,

Aware of the fact that, until a durable solution is found to the particular problems facing Zaire with regard to transport, transit and access to foreign markets, its external trade and economy will continue to be seriously affected,

1. Takes note of the report of the Executive Secretary of the Economic Commission for Africa on particular problems facing Zaire with regard to transport, transit and access to foreign markets and activities carried out to date concerning the search for solutions to the transport and transit problems facing Zaire, particularly measures taken by the Commission regarding the timetable for the activities to be undertaken;

3. Appeals to donor countries and financing agencies to participate in a positive manner in the round-table meeting;

Requests the Secretary-General to provide, within existing resources, the Economic Commission for Africa with the resources required to organize a round-table technical consultative meeting with donor countries and to accelerate the implementation of the relevant resolutions of the Economic and Social Council and the General Assembly;

5. Requests the Secretary-General, in consultation with the Executive Secretary of the Economic Commission for Africa, to submit to the General Assembly at its thirty-eighth session, through the Economic and Social Council, a report on the particular problems facing Zaire with regard to transport, transit and access to foreign markets and on the implementation of the present resolution.

Reiterating the programme of specific action in favour of island developing countries envisaged in resolutions 98 (IV) of 31 May 1976 and 111 (V) of 3 June 1979 of the United Nations Conference on Trade and Development,

Welcoming Trade and Development Board decision 247 (XXIV) of 26 March 1982 in which the Secretary-General of the United Nations Conference on Trade and Development was requested to submit a report on the problems of island developing countries for consideration by the Conference at its sixth session,

Mindful of the fact that additional efforts are needed to implement the specific measures required to assist island developing countries—particularly those which suffer handicaps owing especially to smallness, remoteness, frequent natural disasters, discontinuity and scattering of territory, constraints in transport and communications, great distances from market centres, limited internal markets, lack of marketing expertise, low resource endowment, lack of natural resources, heavy dependence on a few commodities for their foreign exchange earnings, shortage of administrative expertise and heavy debt burdens—in offsetting the major handicaps which retard their development process,

Welcoming the analysis of the problems facing smaller island countries undertaken at the meeting on the special problems of those countries, held at Alofi, Niue, from 9 to 12 February 1982,

Recognizing that appropriate industrial development can be vital to the economic development of small island countries,

Takes note of the report of the Secretary-General on the progress made in the implementation of specific action in favour of island developing countries; 89

Requests the competent organizations of the United Nations system, in particular the United Nations Conference on Trade and Development, the United Nations Development Programme, the United Nations Industrial Development Organization and the United Nations Capital Development Fund, to take adequate measures to enhance their ability to respond positively to the particular needs of island developing countries during the Third United Nations Development Decade;

7. Requests the Secretary-General to report to the General Assembly at its thirty-ninth session on the measures taken by the international community to respond to the specific needs of island developing countries, as called for in the relevant United Nations resolutions, and to recommend further appropriate actions to permit the Assembly to undertake a comprehensive review of the problems and needs of the island developing countries at that session.

Noting also the proposals contained in the Arusha Programme for Collective Self-Reliance and Framework for Negotiations adopted by the Fourth Ministerial Meeting of the Group of Seventy-seven,

Convinced that the availability in the developing countries of their properly trained, skilled and professional personnel and of opportunities for their employment in their respective fields of competence is an essential factor in the economic and social development of developing countries,

Expressing its concern regarding the adverse effects of the reverse transfer of technology on the capacity and potential of scientific and technological development in the developing countries and, thus on their economic and social development,

Reiterating the urgent need to reduce, as part of the efforts of the international community towards the establishment of the new international economic order, the reverse transfer of technology and to obviate its adverse effects on the developing countries,

Convinced that the United Nations system should play an active role in the alleviation of the adverse effects of the reverse transfer of technology,

1. Recommends that the Member States concerned and the competent international organizations should, as a matter of urgency, give due consideration to the formulation of policies with a view to mitigating the adverse consequences of the reverse transfer of technology;

5. Requests the Secretary-General of the United Nations Conference on Trade and Development to convene the requisite meetings of governmental experts with the following terms of reference:

(a) To formulate recommendations on policies and concrete measures, with a view to mitigating the adverse consequences for the developing countries of the reverse transfer of technology, including the proposal for the establishment of an international labour compensatory facility;

(b) To submit their report to the Trade and Development Board at its twenty-seventh session for its thorough consideration;

6. Urges all Governments and appropriate organizations to participate actively in the meetings mentioned in paragraph 5 above;

(d) The conclusions reached at the above-mentioned session with respect to the institutional arrangements for the United Nations Environment Programme;

6. Invites all Governments, intergovernmental bodies and non-governmental organizations to ensure that the priorities for action, agreed upon by the Governing Council at its session of a special character in section III of its resolution I,\textsuperscript{164} are accorded high priority within their respective programmes at both the national and regional levels;

7. Also invites the governing bodies of the relevant organizations of the United Nations system to integrate the major environmental trends over the next ten years effectively in their action plans and, on the basis of those trends, in close co-operation with the United Nations Environment Programme, to draw up appropriate measures for environmental protection, particularly in developing countries, with due regard to available resources;

8. Reiterates the importance it attaches to the development of the Environmental Perspective to the year 2000 and beyond, and requests the Governing Council at its eleventh session to make, on the basis of a report by the Executive Director, concrete recommendations to the General Assembly at its thirty-eighth session, through the Economic and Social Council at its second regular session of 1983, on the modalities for preparing the Environmental Perspective;

9. Supports the view expressed at the session of a special character that the human environment would greatly benefit from an international atmosphere of peace and security, free from the threat of any war;

10. Emphasizes that the implementation of the priorities for action recommended by the Governing Council of the United Nations Environment Programme at its session of a special character requires adequate financial resources and, in view of this, appeals to all Governments, particularly of developed countries, to respond positively and increase their contribution to the Fund of the United Nations Environment Programme.

Taking note of the relevant section of the report of the Governing Council of the United Nations Environment Programme on its tenth session,\textsuperscript{165} in particular paragraphs 2 and 4 of section VII of Governing Council decision 10/14

\textsuperscript{160} Resolution 35/56, annex.

\textsuperscript{165} Ibid., part two.
of 31 May 1982\textsuperscript{166} on the implementation of the Plan of Action to Combat Desertification,

2. \textit{Takes note} of the report of the Secretary-General on financing the Plan of Action to Combat Desertification\textsuperscript{168} and of the fact that the number of replies received from Governments in response to the request made by the General Assembly in paragraphs 3 and 4 of its resolution 36/191 was too small to allow for preparation of the report requested of the Secretary-General in that resolution;

3. \textit{Urges} all Member States that have not yet provided their comments to the Secretary-General on the feasibility studies and concrete recommendations for the implementation of the additional measures of financing, as well as on the modalities for obtaining financial resources as described in the annex to the report of the Secretary-General,\textsuperscript{169} to do so as soon as possible;

37/221. \textbf{International Year of Shelter for the Homeless}

\textit{The General Assembly.}

Recalling its resolution 35/76 of 5 December 1980, in which it expressed the view that an international year devoted to the problems of homeless people in urban and rural areas of the developing countries could be an appropriate occasion to focus the attention of the international community on those problems,

\textit{Recalling also} its resolution 36/71 of 4 December 1981 in which it decided, in principle, to designate 1987 as the International Year of Shelter for the Homeless, on the understanding that the criteria for financing and organizing international years set out in the annex to Economic and Social Council resolution 1980/67 of 25 July 1980 were complied with,

\textit{Having considered} the recommendations of the Commission on Human Settlements, contained in its resolution 5/14 of 7 May 1982,\textsuperscript{176} Economic and Social Council resolution 1982/46 B and the report of the Secretary-General,\textsuperscript{177}

1. \textit{Proclaims} the year 1987 International Year of Shelter for the Homeless;

2. \textit{Decides} that the objective of activities before and during the Year will be to improve the shelter and neighbourhoods of some of the poor and disadvantaged by the end of 1987, particularly in the developing countries, according to national priorities, and to demonstrate by the end of 2000 ways and means of improving the shelter and neighbourhoods of the poor and disadvantaged;

3. \textit{Also decides} that special attention will be given, during the Year and the preparations therefor, to ways and means of:

(a) Securing renewed political commitment by the international community to the improvement of the shelter and neighbourhoods of the poor and disadvantaged and to the provision of shelter for the homeless, particularly in the developing countries, as a matter of priority;

(b) Consolidating and sharing all new and existing knowledge and relevant experience gained since Habitat: United Nations Conference on Human Settlements, held in 1976,\textsuperscript{178} in order to provide a full range of tested and practical alternatives for improving the shelter and neighbourhoods of the poor and disadvantaged and for providing shelter for the homeless;

(d) Exchanging experience and providing support among countries to meet the objectives of the Year;\textsuperscript{179}

4. \textit{Urges} that the main thrust of the specific programme of measures and activities to be undertaken prior to and during the Year should take place at the national and local levels, in accordance with national plans and priorities;

MOBILIZATION OF FINANCIAL RESOURCES FOR THE DEVELOPMENT AND IMPROVEMENT OF HUMAN SETTLEMENTS

The General Assembly,

Recalling its resolution 32/162 of 19 December 1977 on institutional arrangements for international co-operation in the field of human settlements, by which it, inter alia, provided for the mobilization and utilization of resources in the various regions in the field of human settlements,

Bearing in mind other relevant resolutions of the General Assembly, including, in particular, resolutions 31/109 of 16 December 1976, 35/77 D of 5 December 1980 and 36/72 of 4 December 1981,

Recalling also its resolution 35/56 of 5 December 1980, the annex to which contains the International Development Strategy for the Third United Nations Development Decade, in particular paragraphs 159 and 160 of the Strategy on the development and improvement of human settlements,

Considering that human settlements policies are inseparable from the goals of social and economic development and that solutions to the problems of such settlements must, consequently, be conceived of as an integral part of the development process of individual countries and the world community,

Recalling Economic and Social Council resolution 1981/69 A of 24 July 1981, particularly paragraphs 4 and 5 thereof on the need for adequate financing for the projected activities of the United Nations Centre for Human Settlements (Habitat),

Disturbed by the current trends affecting the resources available for the development and improvement of human settlements, resources which are clearly insufficient to meet existing requirements,

Convinced of the need for urgent action to improve the living conditions of the masses of people in human settlements, particularly in the developing countries,

Recognizing that such action is primarily the responsibility of Governments at the national and local levels,

Recognizing also that the international community should provide, at both the global and regional levels, encouragement and support to Governments determined to take effective action to ameliorate conditions, especially for the most disadvantaged, in rural and urban human settlements,

1. Expresses its appreciation to those Governments that have so far made financial contributions to the activities of the United Nations Centre for Human Settlements (Habitat);

2. Urges recipient countries, consistent with their own national priorities, to give consideration to allocating an appropriate portion of the development aid resources they receive from multilateral sources to the specific financing of national projects for the development and improvement of human settlements;

3. Urges also donor and recipient countries to give consideration to the utilization of parts of bilateral assistance funds for the financing of human settlements activities of interest to them;

4. Appeals to international and regional financial institutions to allocate an appropriate portion of their development aid resources to the development and improvement of human settlements in the developing countries, in accordance with the priorities of the recipient countries;

5. Reiterates its urgent appeal to Member States, particularly developed countries and others in a position to do so, to contribute and, if possible, to increase their contributions to the United Nations Habitat and Human Settlements Foundation in support of the activities of the Centre.

C

CO-ORDINATION OF HUMAN SETTLEMENTS PROGRAMMES WITHIN THE UNITED NATIONS SYSTEM

The General Assembly,

Recalling its resolution 35/77 C of 5 December 1980, in which it invited the Secretary-General to arrange, in consultation with the members of the Administrative Committee on Co-ordination, for the United Nations Centre for Human Settlements (Habitat) to participate in all aspects of the work of that Committee and its subsidiary machinery,

Recalling also section III, paragraphs 5 (a) and (b), of its resolution 32/162 of 19 December 1977, in which it called upon the Centre to ensure the harmonization at the intersecretariat level of human settlements programmes planned and carried out by the United Nations system and to assist the Commission on Human Settlements in co-ordinating human settlements activities in the United Nations system, to keep them under review and to assess their effectiveness,

Recalling, in particular, section VI, paragraph 4, of its resolution 32/162, in which it decided that the existing mechanisms of the Administrative Committee on Co-ordination must be strengthened to ensure that co-ordination in the field of human settlements is effective throughout the United Nations system,

Convinced that the implementation of the mandates of the Commission on Human Settlements and the Centre with respect to the co-ordination and harmonization of human settlements activities in the United Nations system can be most efficiently assured through the Centre's participation in all aspects of the work of the Administrative Committee on Co-ordination and its subsidiary machinery,

Taking note of Economic and Social Council resolution 1982/46 A of 27 July 1982, particularly paragraph 3 thereof,

183 Ibid., Thirty-seventh Session, Supplement No. 8 (A/37/8).
1. Requests the Secretary-General to accelerate his efforts to arrange consultations with the members of the Administrative Committee on Co-ordination, with a view to arranging for the United Nations Centre for Human Settlements (Habitat) to participate in all aspects of the work of the Committee and its subsidiary machinery in order to strengthen the co-ordination of human settlements programmes within the United Nations system, and to report to the General Assembly at its thirty-eighth session on the results of those efforts.

2. Urges the Commission on Human Settlements and the Centre to accelerate their efforts to achieve greater harmonization and co-ordination of human settlements activities in the United Nations system, in accordance with their respective mandates under General Assembly resolution 32/162, and calls upon the appropriate specialized agencies and other bodies and organizations of the United Nations system to co-operate with the Commission and the Centre in those efforts.

37/224. Implementation of the Substantial New Programme of Action for the 1980s for the Least Developed Countries

The General Assembly,

Recalling its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States, and 3362 (S-VII) of 16 September 1975 on development and international economic co-operation,

Reaffirming that in the International Development Strategy for the Third United Nations Development Decade it was stated, inter alia, that, as an essential priority within the Strategy, the least developed countries—the economically weakest and poorest countries with the most formidable structural problems—require a special programme of sufficient size and intensity consistent with their national plans and priorities to make a decisive break from their past and present situations and their bleak prospects,

Recalling resolution 122 (V) of 3 June 1979 of the United Nations Conference on Trade and Development, which was endorsed by the General Assembly in its resolution 34/210 of 19 December 1979,

Reaffirming the Substantial New Programme of Action for the 1980s for the Least Developed Countries, adopted unanimously by the United Nations Conference on the Least Developed Countries and endorsed by the General Assembly in its resolution 36/194 of 17 December 1981,

Reaffirming also that the main objectives of the Substantial New Programme of Action are to transform the economies of the least developed countries towards self-sustaining development, to promote the structural changes necessary to overcome the extreme economic difficulties of the least developed countries, to provide fully adequate and internationally accepted minimum standards of nutrition, health, transport and communications, housing and education as well as job opportunities to all their citizens, to identify and support major investment opportunities and priorities, and to mitigate the adverse effects of natural disasters,

Stressing the immediate need for greatly expanded support measures, including a major increase in the transfer of additional resources from all developed countries, developing countries in a position to do so, multilateral development and financial institutions and other sources, for the realization of the objectives of the Substantial New Programme of Action,

Emphasizing the need for improvements in aid modalities and practices and their responsiveness to the requirements of the least developed countries,

Expressing its deepest concern at the continued deterioration of the economic and social situation of the least developed countries and their dismal development, even after adoption of the Substantial New Programme of Action,

Noting with concern that the present external resource flows to the least developed countries are not in line with the substantial increases envisaged in the Substantial New Programme of Action, thus contributing to the slow implementation of the Programme,

Noting with appreciation the progress made by some of the donor countries towards the implementation of their commitments, as contained in paragraphs 61 to 69 of the Substantial New Programme of Action,

Taking note of the report of the Secretary-General on the implementation of the Substantial New Programme of Action for the 1980s for the Least Developed Countries,

1. Emphasizes that, in view of their desperate socio-economic plight, the least developed countries need the urgent and special attention and the large-scale support on a continuous basis of the international community to enable them to progress towards self-reliant development, consistent with the plans and programmes of each least developed country;

2. Calls upon all Member States, as well as multilateral development and financial institutions, the organs, organizations and bodies of the United Nations system and all others concerned to take immediate, concrete and fully adequate measures and steps to accelerate the implementation of the Substantial New Programme of Action for the 1980s for the Least Developed Countries;

3. Strongly urges all donor countries to implement their commitments, as stated in paragraphs 61 to 69 of the Substantial New Programme of Action, so as to achieve, in that regard, a substantial increase of resources for the development of the least developed countries;

4. Reaffirms that the least developed countries have primary responsibility for their overall development and that, although international support measures are vitally important, the domestic policies that those countries pursue will be of critical importance for the success of their development efforts;

5. Calls upon all Member States, as well as multilateral development and financial institutions, the organs, organizations and bodies of the United Nations system and all others concerned to consider favourably giving their full support to aid consultative groups or other arrangements to be established at the initiative of the least developed countries in accordance with paragraphs 10 to 116 of the Substantial New Programme of Action;

6. Recommends strongly that the first round of review meetings at the country level on the implementation of the

Substantial New Programme of Action in accordance with paragraphs 110 to 116 of the Programme should be completed by 1983;

7. Requests all donors and multilateral development, financial and technical assistance institutions to participate in those review meetings at an appropriately high level with a view to providing support for the implementation of the plans and programmes of the individual countries;

8. Calls upon donor countries and institutions urgently to improve further the quality and effectiveness of official development assistance in order to increase its responsiveness to the requirements of the least developed countries, as called for in paragraph 70 of the Substantial New Programme of Action;

9. Urges all donor countries and multilateral development and financial institutions to take immediate concrete measures and steps in accordance with the Substantial New Programme of Action to help the least developed countries to overcome the adverse effects of global recession;

10. Also urges all donor countries to make adequate special allocations to the Special Measures Fund for the Least Developed Countries of the United Nations Development Programme and to the United Nations Capital Development Fund or through other suitable channels for the least developed countries and, for that purpose, invites the Administrator of the United Nations Development Programme to continue his efforts to mobilize additional resources for the activities under his administration;

11. Decides that regular review and monitoring of the progress in the implementation of the Substantial New Programme of Action at the national, regional and global levels should be undertaken, as envisaged in the Programme, to maintain the momentum of commitments made by the international community and to promote the implementation of the plans and programmes of the least developed countries with a view to achieving accelerated growth rates and structural transformation of their economies;

12. Renews its invitation to the governing bodies of appropriate organs, organizations and bodies of the United Nations system to take the necessary and appropriate measures for effective implementation and follow-up of the Substantial New Programme of Action within their respective spheres of competence and mandate;

13. Requests the Administrator of the United Nations Development Programme to continue supporting and making arrangements for the round-table meetings for the least developed countries, including the Round-Table Meeting for the Least Developed Countries in the Asia and Pacific Region, to be held from 9 to 18 May 1983 at the United Nations Office at Geneva;

14. Requests the Secretary-General of the United Nations Conference on Trade and Development to report to the Conference at its sixth session on the progress made in the implementation of the Substantial New Programme of Action and on measures for ensuring its full and expeditious implementation;

15. Requests the Director-General for Development and International Economic Co-operation to continue, in close collaboration with the Secretary-General of the United Nations Conference on Trade and Development, the executive secretaries of the regional commissions and lead agencies for the aid consultative groups, to ensure at the Secretariat level the full mobilization and co-ordination of the United Nations system for the purpose of implementing and following up the Substantial New Programme of Action;

16. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session, in the light of the outcome of the sixth session of the United Nations Conference on Trade and Development and other developments, on the implementation of the present resolution.

Realizing the need for a further elaboration of the proposal,
1. 2. Requests Governments to submit their comments on this question before 30 April 1983 to the Secretary-General, for transmission by him to the Economic and Social Council at that session;

37/226. Operational activities for development of the United Nations system

The General Assembly,
Recalling its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States, and 3362 (S-VII) of 16 September 1975 on development and international economic co-operation,
Recalling also its resolution 35/56 of 5 December 1980, the annex to which contains the International Development Strategy for the Third United Nations Development Decade,
Recalling further its resolutions 32/197 of 20 December 1977, 33/201 of 29 January 1979 and 35/81 of 5 December 1980 on a comprehensive policy review of operational activities for development and 36/199 of 17 December 1981 on operational activities for development,
Recalling also its resolutions 2688 (XXV) of 11 December 1970 on the capacity of the United Nations development system and 3405 (XXX) of 28 November 1975 on new dimensions in technical co-operation,
Noting that co-ordination of national action with regard to operational activities by Governments makes it possible for concerted policies to be pursued in the United Nations and other organizations of the United Nations system,
Noting with deep concern the outcome of the 1982 United Nations Pledging Conference for Development Activities, held on 8 and 9 November 1982, 189

188 See A/CONF.115/SR.1-3.
Having examined the annual report for 1982 of the Director-General for Development and International Economic Co-operation on operational activities for development of the United Nations system, 190

Reiterating that a substantial part of world resources, material as well as human, continues to be diverted to armaments, with detrimental effect on international security and on efforts to achieve the new international economic order, including the operational activities for development of the United Nations system, and calling upon all Governments to take effective measures in the field of real disarmament that would increase the possibilities of allocation of resources now being used for military purposes to economic and social development, especially the development of developing countries,

1. Takes note with appreciation of the annual report of the Director-General for Development and International Economic Co-operation; 190

2. Reaffirms the important contribution that operational activities of the United Nations system make to the development of developing countries within the framework of the International Development Strategy for the Third United Nations Development Decade;

3. Expresses its deep concern that overall voluntary contributions from Governments and other sources to the funds and programmes announced during the 1982 United Nations Pledging Conference for Development Activities were highly unsatisfactory, falling short, in many cases, of targets that have been set by the relevant intergovernmental bodies, with serious consequences for the organizations concerned with respect to their capacity to maintain the level of their operational programmes in support of the growing needs of developing countries for multilateral concessional assistance through the United Nations system;

4. Strongly reiterates the need for a substantial and real increase in the flow of resources for operational activities on an increasingly predictable, continuous and assured basis, so as to enable the organizations of the system to maintain and, where possible, increase the level of their operational programmes and, in that context, strongly urges all countries, particularly developed countries, whose overall performance is not commensurate with their capacity, to increase rapidly and substantially their voluntary contributions for operational activities for development, taking into account the targets that have been set by relevant intergovernmental bodies;

5. Decides to conduct its regular review and appraisal of the mobilization of resources for operational activities in the light of each of the four objectives for the restructuring of operational activities contained in paragraph 28 of the annex to resolution 32/197, and requests the Director-General for Development and International Economic Co-operation to include the necessary information for this purpose in his annual reports, as well as information on the resource situation and prospects of the International Development Association, the International Fund for Agricultural Development and the World Food Programme;

6. 37/230. United Nations Special Fund for Land-locked Developing Countries

The General Assembly,

Recalling its resolution 31/177 of 21 December 1976, by which it approved the statute of the United Nations Special Fund for Land-locked Developing Countries,

Bearing in mind resolution 123 (V) of 3 June 1979 of the United Nations Conference on Trade and Development,203 and decisions 80/21 of 26 June 1980204 and 81/3 of 19 June 1981205 of the Governing Council of the United Nations Development Programme,

Recalling the relevant provisions of the International Development Strategy for the Third United Nations Development Decade,206

Recalling further the relevant paragraphs of the Substantial New Programme of Action for the 1980s for the Least Developed Countries, adopted by the United Nations Conference on the Least Developed Countries,207

Convinced that access to world markets at the least possible cost is an integral part of meaningful economic development of land-locked developing countries,

Bearing in mind that a large number of countries classified as least developed are land-locked developing countries,

Expressing deep concern at the consistently very low level of contributions that have been pledged to the Fund since its establishment,

Noting that, according to the report of the Secretary-General prepared in response to General Assembly resolution 34/207 of 19 December 1979, contributions to the Fund must increase significantly if it is to be effective in meeting the large requirements for reducing the real costs of transit for land-locked developing countries,208

Noting further that the demands for assistance from the Fund are additional to, and generally different from, the types of activities financed from other sources of the United Nations system,

1. Urges all Member States to give due consideration to the special constraints affecting the economic and social development of land-locked developing countries;

2. Appeals to all donor countries to review their position with respect to the United Nations Special Fund for Land-locked Developing Countries, with a view to extending their greater support to it;

3. Also appeals to all Member States, in particular developed countries, and to multilateral and bilateral financing institutions to contribute significantly and generously to the Fund in order to implement the measures relating to land-locked developing countries provided for in the International Development Strategy for the Third United Nations Development Decade;

4. Requests the Administrator of the United Nations Development Programme, in consultation with the Secretary-General of the United Nations Conference on Trade and Development and the executive heads of other related bodies, to continue to pursue action in favour of land-locked developing countries within the framework of the interim arrangements, bearing in mind that each country concerned should receive appropriate technical and financial assistance;

5. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session on the implementation of the present resolution.

37/231. United Nations Children's Fund

The General Assembly,

Taking note of Economic and Social Council resolution 1982/51 of 28 July 1982,

Having considered the report of the Executive Board of the United Nations Children's Fund on its session held at United Nations Headquarters from 10 to 21 May 1982,209

Reaffirming the principles and guidelines for programme activities established by the Executive Board of the United Nations Children's Fund, in particular its basic-services approach and its efforts to reach the most disadvantaged as part of a comprehensive field-oriented and action-oriented development policy, and the maintenance of a low ratio of administration to programme costs,

Acting aware that the present global economic situation both adversely affects the ability of developing countries to implement efforts to extend basic services and makes the need for those efforts all the more critical,

Concerned that the situation regarding financing for development, including in particular the situation of multilateral agencies dependent upon voluntary contributions, has been adversely affected by a number of unfavourable factors,

1. Commends the policies and activities of the United Nations Children's Fund;

2. Endorses Economic and Social Council resolution 1982/51;

3. Reaffirms the role of the United Nations Children's Fund as the lead agency in the United Nations system responsible for co-coordinating the follow-up activities of the International Year of the Child related to the goals and objectives concerning children set forth in the International Development Strategy for the Third United Nations Development Decade;210

4. URGES the Executive Director and the secretariat of the United Nations Children's Fund to continue and intensify their innovative efforts to adapt the basic-services approach for children in the light of the current economic crisis, in accordance with the relevant decisions of the Executive Board of the Fund;

5. Commends the Executive Director and the secretariat of the United Nations Children's Fund for their imaginative efforts to enlarge the income of the Fund so that it may respond to the needs of developing countries;

6. Expresses its appreciation to Governments that have responded to the needs of the United Nations Children's Fund and expresses the hope that more Member States will follow their example;

7. Appeals to all Governments, especially to those whose voluntary contributions may not reflect their capacity to contribute, to increase their contributions, preferably the contributions to the general resources, if possible on a multi-year basis, so that, in the light of the present economic situation, the United Nations Children's Fund may meet its responsibilities to developing countries in responding to the urgent needs of children.

37/232. United Nations technical co-operation activities

The General Assembly,

Recalling its resolution 2029 (XX) of 22 November 1965, by which it established the Governing Council of the United Nations Development Programme to provide general policy guidance and direction for the United Nations Development Programme as a whole, as well as for the United Nations regular programmes of technical assistance,

Recalling also its resolution 2688 (XXV) of 11 December 1970, in particular paragraph 43 of the annex thereto regarding the accountability of the executing agents to the Administrator of the United Nations Development Programme for the implementation of projects funded by the Programme,

Recalling further its resolution 32/197 of 20 December 1977, in the annex to which were set out the functions of a separate organizational Secretariat entity for, inter alia, the management of technical co-operation activities carried out by the United Nations, and the need for that resolution to be fully implemented in order to accomplish economies of scale,

Bearing in mind the goals and objectives of the International Development Strategy for the Third United Nations Development Decade set out in the annex to its resolution 35/56 of 5 December 1980,

Taking into account Economic and Social Council resolution 1982/71 of 10 November 1982 concerning a register of development activities to be developed by the Administrative Committee on Co-ordination within a year,

Convinced that greater transparency in activities of technical co-operation will support the mobilization of financial resources for accelerated development,

Mindful that the Department of Technical Co-operation for Development of the Secretariat is the second largest executing agency of projects financed by the United Nations Development Programme,

Noting with appreciation in this respect the statement made on 5 October 1982 by the Under-Secretary-General for Technical Co-operation for Development,211

Endorses decision 82/19 of 18 June 1982 of the Governing Council of the United Nations Development Programme,212 in which the Council took note, inter alia, of the annual report of the Secretary-General on technical co-operation activities of the United Nations;213

2. Requests the Secretary-General to make his annual report on technical co-operation activities of the United Nations also available in the future, through the Economic and Social Council, to the General Assembly, and recommends that, with reference to the Department of Technical Co-operation for Development, the report should be expanded in order to contain a qualitative and quantitative analysis of the relationship between programme delivery and administrative costs, the level and use of programme support cost earnings, and expenditures by sources of funds and by components, with an indication of the origin of inputs;

3. Requests the Secretary-General also to include in his annual report a succinct evaluation of the results achieved, during the preceding year, with regard to completed projects.

37/245. Situation of food and agriculture in Africa

The General Assembly,

Recalling its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States, and 3362 (S-VII) of 16 September 1975 on development and international economic co-operation,

Noting with grave concern that, over the past two decades, the situation of food and agriculture in Africa has drastically deteriorated, resulting in a decline in food production per capita with detrimental effects on dietary standards, which are already well below the minimum requirements, as well as in an alarming increase in the number of people exposed to malnutrition, hunger and starvation,

Recognizing the high priority attached to food and agriculture in the Lagos Plan of Action for the Implementation of the Monrovia Strategy for the Economic Development of Africa,\(^{217}\)

Recognizing the commitment and determination of Africa to devoting its limited resources on a priority basis to agricultural development, in accordance with the Lagos Plan of Action,

Recognizing that the responsibility for the development of food and agricultural production lies primarily with the developing countries themselves and that there is an increasing effort and growing commitment by the developing countries to accelerate the development of their food and agricultural sectors,

Recognizing the role of food-sector strategies, which emerged from the World Food Council as a means for interested developing countries to adopt an integrated approach for increasing food production, improving consumption and attracting the necessary additional international resources,

Welcoming the priority assigned to food and agricultural development in the deliberations of heads of State and Government held in 1981 and 1982,

Noting with interest the conclusions of the African Ministers for Food and Agriculture at the World Food Council Regional Consultation for Africa, held at Nairobi on 16 and 17 March 1982,\(^{218}\) as well as the special attention devoted to food and agriculture by the Ministerial Conference of the Food and Agriculture Organization of the United Nations, held in Rome in November 1981, and by the World Food Council at its eighth ministerial session, held at Acapulco from 21 to 24 June 1982,\(^{219}\)

Convinced that increased international support to combat drought, desertification, African animal trypanosomiasis, African migratory locust and post-harvest losses, among other problems, is crucial to the attainment of food self-sufficiency in Africa,

Further convinced that collective action at the global level can reinforce the efforts of the African countries to resolve the technological, managerial and financial resource gaps impeding food and agricultural production in Africa,

1. **Takes note with satisfaction** of the report of the Secretary-General on the situation of food and agriculture in Africa;\(^{220}\)

2. **Reaffirms** its resolutions 35/69 of 5 December 1980 and 36/186 of 17 December 1981 and calls for their early and full implementation;

3. **Urges** all the countries of Africa to implement, in accordance with their national development programmes and priorities, measures to increase substantially their food and agricultural production;

4. **Urges** the international community to provide increased assistance in support of essential policy adjustments by African Governments, within the framework of the Lagos Plan of Action for the Implementation of the Monrovia Strategy for the Economic Development of Africa, to alleviate food deficits in Africa, taking into account the conclusions and recommendations adopted by the African Ministers for Food and Agriculture at the World Food Council Regional Consultation for Africa and endorsed by the Council at its eighth ministerial session;

5. **Calls upon** the international community to continue to support efforts undertaken by African countries at the national, subregional and regional levels to increase food production through, **inter alia**, the provision, on a priority and long-term basis, of additional financial and technical assistance to Africa by organizations of the United Nations system, such as the International Fund for Agricultural Development, the United Nations Development Programme and other organizations involved in the financing of agricultural development, and through an increase in lending by the World Bank to the agricultural sector in Africa;

6. **Also calls** for the adoption by multilateral and governmental institutions, when providing financing for agricultural development in the form of grants and loans on concessional terms, of a positive and flexible approach which would take into account, **inter alia**, the recurrent expenditure arising from investment and the cost of factors of production;

7. **Recognizes** the role of the international community, the Food and Agriculture Organization of the United Nations, the World Food Programme, the World Food Council and the International Fund for Agricultural Development in mobilizing food aid and agricultural assistance

in Africa, and requests existing and new donor countries to increase the resources required to meet African needs for food aid and agricultural development;

8. Requests the Secretary-General to provide, within existing resources, the Economic Commission for Africa with the necessary resources to undertake, in consultation with relevant organizations, such as the Food and Agriculture Organization of the United Nations and other organizations dealing with food and agriculture and intergovernmental institutions based in Africa, a survey of existing food and agriculture technology in Africa, taking into account the existing and ongoing studies thereon, and to make an assessment of the gap, detailing what exists and what is required to enable the countries in the region to begin to make an effective impact on the resolution of the food and agriculture problem, and to submit a report, through the Economic and Social Council at its second regular session of 1983, to the General Assembly at its thirty-eighth session;

9. Urges all relevant organs, organizations and bodies of the United Nations system to expand their training programmes in the building up of national capabilities for the preparation, execution, monitoring and evaluation of agricultural development projects in Africa;

10. Requests the Secretary-General, in consultation with the Organization of African Unity and relevant organs, organizations and bodies of the United Nations system, to submit to the General Assembly, at its thirty-eighth session, a progress report on the situation of food and agriculture in Africa and on the implementation of the present resolution.

115th plenary meeting
21 December 1982

37/246. International year for the mobilization of financial and technological resources for food and agriculture in Africa

The General Assembly,

Noting with grave concern that, over the past two decades, the situation of food and agriculture in Africa has drastically deteriorated, resulting in a decline in food production per capita and a reduction of average dietary standards below essential requirements,

Recalling its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States, and 3362 (S-VII) of 16 September 1975 on development and international economic co-operation,

Recalling its resolutions 35/69 of 5 December 1980 and 36/186 of 17 December 1981 on the critical situation of food and agriculture in Africa,

Recalling also the relevant decisions and recommendations of the World Food Conference,

Recalling further Economic and Social Council resolution 1980/67 of 25 July 1980, the annex to which contains the guidelines for international years,

Recalling, in particular, Economic and Social Council resolution 1980/58 of 24 July 1980 relating to the report of the World Food Council on the work of its sixth ministerial session,

Taking into account the deep concern reflected in the decisions on the food situation and agriculture outlook in Africa adopted by the Conference of the Food and Agriculture Organization of the United Nations at its twentieth session,\(^{223}\)

Recognizing that all countries of Africa should implement, in accordance with their national development programmes and priorities, measures to increase substantially their national food and agriculture programmes through, inter alia, national, subregional and regional measures, including economic and technical co-operation among developing countries,

Recognizing the commitment and determination of Africa to devoting its limited resources on a priority basis to food and agriculture development in accordance with the Lagos Plan of Action for the Implementation of the Monrovia Strategy for the Economic Development of Africa,\(^{224}\)

Stressing that the current shortages demonstrate the continued vulnerability of many countries in the region to food crises owing to, inter alia, crop failures, drought, soil erosion, desertification and the high level of post-harvest losses,

Recognizing the role of food-sector strategies, which emerged from the World Food Council as a means for interested developing countries to adopt an integrated approach for increasing food production, improving consumption and attracting the necessary additional international resources,

Regretting that food aid has not been adequate to cope with the emergency food shortages in many African countries,

Deeply concerned at the unabated encroachment of the desert in many countries of Africa, which has continued to accentuate the food problem on that continent,

Deeply concerned at the critical food shortages currently affecting many countries in the African region, which necessitate a distressingly large allocation of the scarce foreign exchange of those countries for the import of foodstuffs, to the detriment of their overall development,

Convinced that substantial and sustained international efforts by Governments, organs, organizations and bodies of the United Nations system, intergovernmental bodies, non-governmental organizations and other bodies could significantly augment domestic efforts to resolve the crisis of hunger and malnutrition in Africa,

Encouraged by the priority given to food and agriculture by the heads of State and Government at the summit conferences held in 1981 and 1982,

1. Expresses the view that an international year devoted to the mobilization of financial and technological resources for food and agriculture in Africa could be an appropriate occasion to focus the attention of the international community on this problem and would stimulate a process that would lead to a significant improvement in the situation in the region;

2. Requests the Secretary-General, after appropriate consultations with Governments, the Organization of African Unity, the Economic Commission for Africa, the Food and Agriculture Organization of the United Nations, the World Food Council, the International Fund for Agricultural Development and the United Nations Development Programme, to submit an interim report, through the Economic and Social Council at its second regular session of 1983, to the General Assembly at its thirty-eighth session on the implications of declaring an international year which

\(^{224}\) See A/S-11/14, annex I.
would be committed to mobilizing financial and technological resources for food and agriculture in Africa, in accordance with the criteria for holding international years set out in the annex to Economic and Social Council resolution 1980/67.

115th plenary meeting 21 December 1982

37/247. Food problems

The General Assembly,

Recalling the Declaration and the Programme of Action on the Establishment of a New International Economic Order, contained in its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, the Charter of Economic Rights and Duties of States, contained in its resolution 3281 (XXIX) of 12 December 1974, resolution 3362 (S-VII) of 16 September 1975 on development and international economic co-operation, and the International Development Strategy for the Third United Nations Development Decade, contained in the annex to its resolution 35/56 of 5 December 1980,

Recalling the Universal Declaration on the Eradication of Hunger and Malnutrition adopted by the World Food Conference225 and the Programme of Action adopted by the World Conference on Agrarian Reform and Rural Development,226

Recalling its resolutions 34/110 of 14 December 1979 and 35/68 of 5 December 1980 on the report of the World Food Council and 35/69 of 5 December 1980 on the situation of food and agriculture in Africa, as well as its resolutions 36/185 and 36/186 of 17 December 1981,

Having considered the report of the World Food Council on the work of its eighth ministerial session227 and the seventh annual report of the Committee on Food Aid Policies and Programmes,228

Expressing its appreciation to the Government and people of Mexico for acting as host to the World Food Council at its eighth ministerial session, held at Acapulco, from 21 to 24 June 1982, and for the generous hospitality accorded to the participants,

Concerned that progress towards realizing food policy objectives, particularly in developing countries, is impeded by the prolonged world recession, growing production costs, high interest rates and inflation and by growing international political tension,

Expressing its deep concern at the fact that a substantial part of world resources, material as well as human, continues to be diverted to armaments with a detrimental effect on international security and on efforts to achieve the new international economic order, including the solution of food problems, and calling upon Governments to effective measures in the field of real disarmament that would increase the possibilities of allocation of the resources now being used for military purposes to economic and social development, especially development of developing countries, and to upgrading their food conditions,

Recognizing that a substantial increase in the export earnings of developing countries is essential for the adequate financing of their overall economic development and their imports of food and agricultural inputs,

Noting the need for all countries, particularly the developed countries, to adopt policies designed to bring about the reduction and elimination of obstacles in order to avoid disruption of international trade in agricultural products and to facilitate access to international markets of agricultural exports, especially those of developing countries,

Urging all countries to consider improvements in the generalized system of preferences, including the inclusion of additional agricultural products, especially those of export interest to least developed countries,

Recognizing that the lasting solution to the problems of food and agriculture in developing countries depends on progress towards the attainment of self-reliance through increased food and agricultural production and investment as part of the overall development of those countries within the framework of structural changes in international economic relations,

Emphasizing that, within the framework of national economic development, due priority must be given to the development of the food sector,

Deeply concerned about the precarious nature of the food situation and the alarming trends of the growing food import dependency in many of the developing countries, particularly the least developed countries, while noting the increase in world food production in the past year,

Emphasizing that African countries, in particular, require the strongest assistance of the international community for their efforts to reverse the trend of deteriorating food production and of growing hunger and malnutrition in their region, in support of essential policy adjustments by African Governments within the framework of the Lagos Plan of Action for the Implementation of the Monrovia Strategy for the Economic Development of Africa.224

Concerned with the continuing instability of food supply occasioned by fluctuating production and prices in international grain markets and with increased food security risks for many developing countries and reduced self-reliance engendered by uncertain returns to domestic producers,

Regretting the fact that international assistance to the food and agricultural sector in developing countries has been decreasing since 1979 and is now lagging far behind the internationally estimated requirements,

1. Welcomes the conclusions and recommendations adopted by the World Food Council at its eighth ministerial session;225

2. Takes note with appreciation of the seventh annual report of the Committee on Food Aid Policies and Programmes;

3. Commends the developing countries that have achieved increased food self-reliance through a determined application of policies, resources and technology and urges that such efforts should be continued;

4. Calls upon the Governments concerned to implement agrarian reform and rural development within the framework of their national plans and objectives and in accordance with the recommendations adopted by the World Conference on Agrarian Reform and Rural Development;

5. Reaffirms the importance of enhancing the role of multilateral assistance in support of food production and agricultural development in the developing countries;

228 See E/1982/73.

6. Urge the international community, in adopting multilateral measures in the food sector, to take particularly into account the problems and interests of food-producing and food-exporting developing countries;

7. Reaffirms that food is a universal human right which Governments endeavour to guarantee their people and, in that context, stresses its belief in the general principle that food should not be used as an instrument of political pressure;

8. Expresses its satisfaction at the growing number of countries that are adopting a more integrated approach to food policy, including food-sector strategies, as one of the means for interested developing countries to translate their own priorities into effective action and to mobilize, within the context of their national plans and priorities, increased technical and financial resources and co-operation from international development assistance agencies;

9. Requests the developed countries, international institutions and others able to provide development assistance to increase the volume substantially and to improve the quality of international assistance to the food sector in developing countries, for which the estimated necessary element of external assistance is $8.3 billion, growing to $12.5 billion by 1990, both figures at 1975 prices;

10. Welcomes the efforts of the International Labour Organisation, the United Nations Development Programme, the World Food Programme and donor countries in mobilizing technical and financial support in favour of special labour-intensive public works programmes in developing countries, particularly in the least developed countries, which help to mobilize their food production potential, expand employment opportunities and generate incomes in the rural sector;

11. Urge the Food and Agriculture Organization of the United Nations, the International Fund for Agricultural Development, the World Food Programme, the World Bank, the United Nations Development Programme, other international organizations concerned and donor countries to expand measures to assist developing countries in the implementation of their food strategies, plans and programmes;

12. Invites Governments concerned to adopt direct hunger-reduction measures integrated with productive development within the framework of national strategies and policies, including, inter alia, more assistance to rural development to reach smallholder producers and cooperatives, special attention to the needs of women farmers, investment in human capacities through programmes for mothers and children, the creation of productive employment for poor landless families and an increase in food aid;

13. Welcomes the recommendation of the World Food Council to pay particular attention to progress in integrating food aid more directly in national plans to overcome hunger, and to more effective ways of achieving higher levels of food production, taking into account the report of the Committee on Food Aid Policies and Programmes; 230

14. Urge present and new donor countries to achieve without delay the minimum target of the 1974 World Food Conference 231 of 10 million tons of cereal aid annually and to ensure that the minimum annual target of 500,000 tons of grains for the International Emergency Food Reserve is reached, as in 1981, and to ensure that the World Food Programme target of $1.2 billion in 1983/1984 is fulfilled;

15. Urge that, in the implementation of food aid policies and programmes, a greater volume of food and agricultural products be acquired from food-exporting developing countries, where appropriate, including through triangular transactions;

16. Recognizes the need for increased food production and food self-reliance of developing countries to overcome hunger and malnutrition and, in this context, also recognizes the transitional role of food aid;

17. Urge the international community to provide increased assistance in support of essential policy adjustments by African Governments, within the framework of the Lagos Plan of Action for the Implementation of the Monrovia Strategy for the Economic Development of Africa, to alleviate food deficits in Africa, taking into account the conclusions and recommendations adopted by the African Ministers for Food and Agriculture at the World Food Council Regional Consultation for Africa, held at Nairobi on 16 and 17 March 1982, 232 and endorsed by the Council at its eighth ministerial session, in particular through:

(a) The speeding up of national food-strategy implementation and financing, with emphasis on policies, particularly those improving producer incentives and raising the standard of living of the rural population;

(b) Stepped-up training in food-policy planning and investment preparation and management;

(c) Substantially increased technical and resource support for adaptive research, technology and related services to farmers, with emphasis on early low-cost improvement in cultivation practices;

(d) Improved food-security infrastructure, including transport, storage and marketing;

18. Further urge developed countries, and others in a position to do so, to increase assistance to developing countries in meeting their needs for technological progress in food and agricultural matters and the development of agro-industries related to food problems;

19. Affirms the important role of agro-scientific research in the promotion of agriculture and food production, processing, storage and reduction of food and grain losses, and urge all States, relevant international organizations and agencies to strengthen their capacities in agro-scientific research and to take effective measures aimed at promoting transfer of agro-technology to the developing countries;

20. Affirms that a sound basis for world food security can best be established by successful national programmes for attaining food self-reliance through increased food and agricultural production and investment in developing countries, as well as more open and more stable world trade and assurance of supplies;

21. Notes with interest the appreciation expressed by the World Food Council at its eighth ministerial meeting on the proposal for a developing country-owned reserve, giving priority to the food security needs of individual developing countries and to enhance grain market stability and, in that context, calls upon the World Food Council to consider, at its ninth session, the proposals it has requested of its Executive Director on possible ways of building food security reserves; 233

22. Expresses concern at the lack of sufficient progress in different negotiating forums in connection with proposals to bring about the reduction and elimination of the various types of barriers to trade in agricultural products, in particular in relation to those of export interest to developing

230 Ibid., part one, para. 12.

countries, and calls for urgent action in this regard in those forums, thus facilitating, inter alia, more efficient patterns of production;

23. Notes with great concern the continued instability and downward trends in prices of agricultural commodities exported in particular by developing countries, which are adversely affecting the production of these commodities in those countries;

24. Notes that the Contracting Parties to the General Agreement on Tariffs and Trade, at their recent ministerial meeting, in recognition of the urgent need to find lasting solutions to the problems of trade in agricultural products, agreed to establish a committee on trade in agriculture to examine, inter alia, all measures affecting trade, market access and competition and supply in agricultural products, with full account being taken of the special needs of developing countries in the light of the provisions of the General Agreement on Tariffs and Trade providing for differential and more favourable treatment for such contracting parties;

25. Notes further that the Contracting Parties to the General Agreement on Tariffs and Trade, at that meeting, did not succeed in reconciling divergent views on certain substantial issues of agricultural trade;

26. Notes with deep concern that only limited progress has been achieved towards the solution of the long-standing problems of international trade in agricultural products, including access to international markets of agricultural exports, which adversely affect production and exports, particularly of developing countries, and the solution to which could make an important contribution to improving overall food production in the world;

27. Urges developed countries to make their best efforts to adjust those sectors of their agricultural and manufacturing economies which, for those countries, require support with regard to exports from developing countries, thus facilitating, inter alia, access to markets of food and agricultural products;

28. Urges the international community to implement resolution 105 (V) of 1 June 1979 of the United Nations Conference on Trade and Development on international food trade and, in this context, invites the Conference, at its sixth session, to review progress in this regard;

29. Requests the international organizations concerned, especially the Food and Agriculture Organization of the United Nations, the International Fund for Agricultural Development, the World Bank, the World Food Programme and the United Nations Development Programme, and the developed countries to assist further the developing countries in their efforts to implement programmes and projects of economic co-operation among developing countries in the sectors of food production, food security and food trade;

30. Stresses the desirability of co-ordinating the efforts being made, in the various international forums concerned, with regard to world food problems;

31. Welcomes the decision of the World Food Council that its tenth session in 1984 would be the occasion to prepare a special assessment of progress made and the tasks ahead to achieve the objectives of the 1974 World Food Conference and requests the Council to report to the General Assembly at its thirty-eighth session on progress in the arrangements being made for the convening of the tenth session.

115th plenary meeting 21 December 1982

37/250. Immediate implementation of the Nairobi Programme of Action for the Development and Utilization of New and Renewable Sources of Energy

The General Assembly,

Recalling its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States, and 3362 (S-VII) of 16 September 1975 on development and international economic co-operation,
Recalling also its resolution 35/56 of 5 December 1980, the annex to which contains the International Development Strategy for the Third United Nations Development Decade,

Convinced of the importance of developing new and renewable sources of energy in order to contribute to meeting requirements for continued economic and social development, particularly in the developing countries, through, inter alia, the transition from the present international economy based primarily on hydrocarbons to one based increasingly on new and renewable sources of energy,

Reaffirming that the primary responsibility for promoting the development and utilization of new and renewable sources of energy rests with individual countries, that in this regard international co-operation is indispensable and should be directed to assist and support national efforts, that developed countries bear a special responsibility to contribute actively to this end and that other countries in a position to do so should also continue to promote efforts in this regard,

Further reaffirming that the United Nations system should fully participate in and support the implementation of the Nairobi Programme of Action for the Development and Utilization of New and Renewable Sources of Energy241 through adequate institutional arrangements and additional and adequate resources, and that it is imperative to increase the responsiveness of the system in this respect,

Cognizant of the need to take urgent and concerted measures for the mobilization of additional and adequate resources necessary for the implementation of the Nairobi Programme of Action and to ensure for this purpose the co-operation and effective co-ordination of the activities of the organs, organizations and bodies of the United Nations system, as well as of all specialized agencies and institutions in the field of new and renewable sources of energy,

Recalling that specialized intergovernmental organizations and institutions in the field of new and renewable sources of energy are invited to extend their co-operation in order to strengthen the co-operative action of the international community and to ensure that further resources are made available for the development of new and renewable sources of energy, that national private entities in interested countries, as appropriate, have a role to play and that, in certain countries, non-governmental entities will also have a significant role to play,

Recalling its resolution 36/193 of 17 December 1981, in which it, inter alia, endorsed the Nairobi Programme of Action, urged all Governments, as well as organs, organizations and bodies of the United Nations system, to take effective action for the implementation of the Programme and stressed the necessity for taking, at its thirty-seventh session, the final decision on adequate institutional arrangements for the implementation of the Programme,

Emphasizing the importance of the subregional, regional and interregional efforts for implementing the Nairobi Programme of Action,

Taking note of the report of the Interim Committee on New and Renewable Sources of Energy,242 which met in Rome from 7 to 18 June 1982,

Taking note also of the report of the Secretary-General called for under General Assembly resolution 36/193,243

IV
MOBILIZATION OF RESOURCES FOR NEW AND RENEWABLE SOURCES OF ENERGY

1. Emphasizes that the early implementation of the Nairobi Programme of Action requires the mobilization of additional and adequate resources and that each country will continue to bear the main responsibility for the development of its new and renewable sources of energy, which will require vigorous measures for a fuller mobilization of its domestic financial and other resources;

2. Calls, to this end, for the urgent implementation of the measures for the mobilization of financial resources as enumerated in paragraphs 76 to 95 of the Nairobi Programme of Action, as well as in paragraphs 93, 94 and 96 to 102 of the report of the Interim Committee on New and Renewable Sources of Energy, and calls upon all countries, particularly the developed countries and other countries in a position to do so, for the provision of additional and adequate financial resources to the relevant organs, organizations and bodies of the United Nations system;

and global levels, within the framework of the Nairobi Programme of Action, taking into account national plans and priorities and operating on a non-discriminatory basis;

4. **Emphasizes** that such meetings should be consistent with existing procedures, for example, along the lines of the round-tables held by the United Nations Development Programme and the consultative groups convened by the World Bank, and reiterates the role which the United Nations system must continue to play at the national level through the resident co-ordinators of the operational activities for development of the United Nations system, at the request of the countries concerned, at the regional level through the regional commissions and at the global level, through the Director-General for Development and International Economic Co-operation, by the relevant organs, organizations and bodies of the United Nations system;

5. **Reaffirms,** in this context, that specific and additional resources should be directed through such channels as the United Nations Development Programme, the United Nations Revolving Fund for Natural Resources Exploration, the long-term financial arrangements for the United Nations Financing System for Science and Technology for Development, the United Nations Development Programme Energy Account and others directly or indirectly involved, in accordance with national plans and priorities;

6. **Further emphasizes** the role which an energy affiliate for the development of energy resources of developing countries within the World Bank could play with a view to generating additional resources, and stresses the importance of the consideration of other complementary frameworks for the mobilization of financial resources to assure, on an urgent basis, the expenditures and investment needs of the developing countries, and calls upon Member States to make appropriate efforts to this end in the relevant forums;

V

3. **Endorses** the recommendation of the Interim Committee on New and Renewable Sources of Energy regarding the establishment of an appropriate mechanism for co-ordination, and requests the Director-General for Development and International Economic Co-operation to convene an **ad hoc** interagency meeting in early 1983 in order to establish an **ad hoc** interagency group and to define its terms of reference;

4. **Requests** the Secretary-General, taking into account the Nairobi Programme of Action, the conclusions and recommendations of the Interim Committee on New and Renewable Sources of Energy and the provisions of the present resolution, to submit a report to the Committee on the Development and Utilization of New and Renewable Sources of Energy at its first regular session, in 1983, which will contain, *inter alia,* practical proposals regarding:

   (a) Guidelines for the relevant organs, organizations and bodies of the United Nations system on the preparation and convening of consultative meetings, bearing in mind the provisions of paragraph 4 of section IV above;

115th plenary meeting
21 December 1982

37/251. **Development of the energy resources of developing countries**

The General Assembly,

Recalling the Declaration and the Programme of Action on the Establishment of a New International Economic Order, contained in its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, the Charter of Economic Rights and Duties of States, contained in its resolution 3281 (XXIX) of 12 December 1974, and resolution 3362 (S-VII) of 16 September 1975 on development and international economic co-operation,

Recalling its resolution 35/56 of 5 December 1980, the annex to which contains the International Development Strategy for the Third United Nations Development Decade, which, *inter alia,* called, in paragraph 35, for the promotion of the exploration, development, expansion and processing of all energy resources of the developing countries at a rate commensurate with their development objectives and for the provision of adequate financial and technical resources for this purpose,

Recalling also the Nairobi Programme of Action for the Development and Utilization of New and Renewable Sources of Energy,246

Recalling further section II.A of resolution 112 (V) of 3 June 1979 of the United Nations Conference on Trade and Development247 concerning the strengthening of the technological capacity of the developing countries in the development of their energy resources, including that relating to transition from conventional sources to a more diversified pattern of energy consumption,

V. Resolutions adopted on the reports of the Second Committee

Aware that special measures are required in this regard for the least developed countries,

Aware that multilateral financial and technical assistance for the exploration, development, expansion and processing of the energy resources of the developing countries continues to be inadequate in relation to either their indigenous energy potential or the requirements commensurate with their development objectives,

Having regard to the situation of the developing countries, in particular the energy-deficient among them, which are unable to reduce energy use significantly without hindering their development and for which concerted and adequate measures are needed for the exploration and rational development of their energy resources,

Considering that the principal impediments to the realization of the indigenous energy potential of the developing countries are the scarcity of financial resources, insufficient analysis of exploration data, inadequate access to technology and a shortage of skills,

Emphasizing the importance of intensifying the capabilities of the United Nations in the collection, analysis and dissemination of information in the field of the development of energy resources in the developing countries,

Taking into account the fact that the development of their energy resources constitutes an important factor in the economic and social development of the developing countries,

Reaffirming that effective and urgent measures should be taken by the international community to assist and support the national efforts of the developing countries for developing the domestic energy resources of those countries, in particular the energy-deficient among them, in order to meet their needs through co-operation, assistance and investment in the field of conventional and of new and renewable sources of energy, consistent with their national plans and priorities, as called for in the International Development Strategy,

1. Requests the Secretary-General to prepare, within the context of the International Development Strategy for the Third United Nations Development Decade, a comprehensive report on the development of the energy resources of the developing countries, to be submitted to the Economic and Social Council at its second regular session of 1983 and to contain:

(a) An overview of the energy situation of the developing countries in regard to the development of their energy resources, including new and renewable sources of energy;

(b) An identification of the constraints to the development of energy resources in the developing countries, including constraints encountered in such fields as financing, both bilateral and multilateral, exploration and energy planning at the national level, information flows, education and training, research and development, and technology transfer;

(c) A review of the energy investment requirements of the developing countries and the possible and available mechanisms for the financing of such investment, and of the existing gaps and the prospective means of filling them, particularly in the field of energy exploration, taking into account desirable levels of increase in the ratio of energy consumption in those countries;

2. Emphasizes the importance of a substantial expansion in concessional lending, not merely a reallocation of existing resources, by multilateral financing and development institutions, in particular the World Bank, and the regional development banks, for the exploration and development of the energy resources of developing countries;

3. Further emphasizes the role which an energy affiliate for the development of energy resources of developing countries within the World Bank could play with a view to generating additional resources, stresses the importance of the consideration of other complementary frameworks for the mobilization of financial resources, to assure, on an urgent basis, the expenditures and investment needs of the developing countries, and calls upon Member States to make appropriate efforts to this end in the relevant forums;

4. Urges the international community to provide increased technical assistance to enable developing countries to formulate energy plans and investment programmes suited to their individual developmental needs, and to engage in the necessary pre-investment energy development activities, consistent with the national plans and priorities of those countries;

5. Recognizes the importance of strengthening the technological capacities of the developing countries in the energy sector to facilitate the development of their energy resources and, in this regard, calls upon the international community to stimulate the transfer of appropriate technologies to the developing countries, to enhance financial and technical flows and to promote interdisciplinary research and analysis of the implications of, and requirements for, stepped-up energy exploration and development activities, as well as a gradual transition to a more diversified pattern of energy consumption, particularly in the developing countries;

6. Affirms that special measures are required for the least developed countries for the development of their energy resources;

7. Welcomes the work being done by the United Nations Conference on Trade and Development in the implementation of section II.A of its resolution 112 (V), concerning the strengthening of the technological capacity of the developing countries in the development of their energy resources, and requests the Secretary-General of the Conference to submit a comprehensive report on that question to the General Assembly at its thirty-eighth session;

8. Decides to review at its thirty-eighth session the progress made in the implementation of the present resolution.

115th plenary meeting
21 December 1982

37/252. Immediate measures in favour of the developing countries

The General Assembly,

Recalling its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States, 3362 (S-VII) of 16 September 1975 on development and international economic co-operation and 35/56 of 5 December 1980, the annex to which contains the International Development Strategy for the Third United Nations Development Decade,

Deeply concerned by the world economic crisis, which creates great economic problems for the developing countries and has a negative impact on their development process,

Convinced that the structural economic problems facing the development of the developing countries require solution through a restructuring of international economic relations within the framework of the establishment of the new international economic order,

Further convinced that immediate measures in favour of the developing countries would contribute to the lessening of their present economic problems,
Noting, in this context, that the increased deficit in the balance of payments of the developing countries, the deterioration of their terms of trade, the adverse effects of high interest rates on the servicing of their external debt and on their access to international capital markets, insufficient increase of flows of multilateral assistance on concessional terms, including technical assistance, the severity of the terms of financial assistance, the precarious nature of the food situation, the adverse effects of protectionist pressures in the international economy on the economies of the developing countries, the inequitable terms of transfer of technology, the impediments for developing countries to gain access to the international capital markets and the price fluctuations of raw materials, as well as the downward trend in the prices of commodities, constitute serious obstacles to the economic growth of the developing countries, to the servicing of their external debt, to the procurement of their essential imports of food, industrial products, energy and technology and to the earnings for their exports, and that these symptoms of deep crisis require urgent and effective measures on the part of the international community,

Calling for the immediate launching and successful conclusion of the global negotiations on international co-operation for development,

Reaffirming that resolution 34/138 of 14 December 1979 provides that global negotiations should not involve any interruption of, or have any adverse effect upon, the negotiations in other United Nations forums but should reinforce and draw upon them,

Reiterating in this context the need for urgent concurrent efforts in fields that are of critical importance for the developing countries such as food, assistance in the development of energy resources of developing countries by the World Bank and balance-of-payments support by the International Monetary Fund, financial flows, trade and raw materials at the forthcoming conferences and meetings of the United Nations system,

Noting the Declaration by the Ministers for Foreign Affairs of the Group of Seventy-seven,248 adopted in New York on 8 October 1982, which, inter alia, stressed that without prejudice to the adoption and the implementation of long-term and structural changes and the launching of the global negotiations, concrete emergency action, to benefit all developing countries, should be taken on the most pressing economic questions which present a short-term threat to the international community.

Taking note of the statement made by the Secretary-General on 17 July 1982 to the Economic and Social Council at its second regular session of 1982,249 in which he, inter alia, called for concerted and immediate international action aiming at a broad economic recovery,

1. Agrees that concrete immediate action to benefit all developing countries should be taken on the pressing economic problems which present a short-term threat to the world economy;

2. Affirms that, in order to create favourable conditions for the development of developing countries, the developed countries should, individually and collectively, take effective and concrete measures to complement the efforts of the developing countries to meet the problems resulting from the world economic crisis, which affects, in particular, the development of developing countries and severely threatens their economies;

3. Calls upon the international community, particularly within the framework of the United Nations, to take immediate, effective and concrete measures in the areas of critical importance to developing countries, as outlined in the eighth preambular paragraph above, in forthcoming conferences and meetings;

4. Reaffirms that the present world economic crisis and, in particular, the obstacles to the development of the developing countries are a result of structural malfunctioning and disequilibrium in present international economic relations and, therefore, calls upon the international community to engage in effective negotiations, within the framework of restructuring the international economic relations, towards the establishment of the new international economic order.

37/39. **Adverse consequences for the enjoyment of human rights of political, military, economic and other forms of assistance given to the racist and colonialist régime of South Africa**

Recalling also its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, and 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States,

Mindful of its resolution 3171 (XXVIII) of 17 December 1973 relating to permanent sovereignty over natural resources of both developing countries and territories under
colonial and foreign domination or subjected to the apartheid régime.

Recalling its resolutions on military collaboration with South Africa, as well as Security Council resolutions 418 (1977) of 4 November 1977 and 421 (1977) of 9 December 1977,

Taking into account, in particular, the relevant decisions adopted by the Council of Ministers of the Organization of African Unity at its thirty-seventh ordinary session, held at Nairobi from 15 to 26 June 1981, 2

Taking note of the revised report prepared by the Special Rapporteur of the Sub-Commission on Prevention of Discrimination and Protection of Minorities on the adverse consequences for the enjoyment of human rights of political, military, economic and other forms of assistance given to colonial and racist régimes in southern Africa, 3

Having noted with concern that the Secretary-General, in his report on the special review of the ongoing work programme of the United Nations, 4 concluded that the annual updated report on the adverse consequences for the enjoyment of human rights of political, military, economic and other forms of assistance given to colonial and racist régimes in southern Africa had been identified for termination in the proposed programme budget for the biennium 1982-1983, 5

Reaffirming that any collaboration with the racist régime of South Africa constitutes a hostile act against the oppressed peoples of southern Africa in their struggle for freedom and independence and a contumacious defiance of the United Nations and of the international community,

Considering that such collaboration enables South Africa to acquire the means necessary to carry out acts of aggression and blackmail against independent African States,

Deeply concerned that the major Western and other trading partners of South Africa continue to collaborate with the racist régime and that their collaboration constitutes the main obstacle to the liquidation of that racist régime and the elimination of the inhuman and criminal system of apartheid,

Alarmed at the continued collaboration of certain Western States and Israel with the racist régime of South Africa in the nuclear field,

Regretting that the Security Council has not been in a position to take binding decisions to prevent any collaboration in the nuclear field with South Africa,

Recognizing that the highest priority must be accorded to international action to secure the full implementation of the resolutions of the United Nations for the eradication of apartheid and the liberation of the peoples of southern Africa,

Conscious of the continuing need to mobilize world public opinion against the political, military, economic and other assistance given to the racist régime of South Africa,

1. Reaffirms the inalienable right of the oppressed peoples of southern Africa to self-determination, independence and the enjoyment of the natural resources of their territories;

2. Again reaffirms the right of those same peoples to dispose of those resources for their greater well-being and to obtain just reparation for the exploitation, depletion, loss or depreciation of those natural resources, including reparation for the exploitation and abuse of their human resources;

3. Vigorously condemns the collaboration of certain Western States, Israel and other States, as well as the transnational corporations and other organizations which maintain or continue to increase their collaboration with the racist régime of South Africa, especially in the political, economic, military and nuclear fields, thus encouraging that régime to persist in its inhuman and criminal policy of brutal oppression of the peoples of southern Africa and denial of their human rights;

4. Reaffirms once again that States and organizations which give assistance to the racist régime of South Africa become accomplices in the inhuman practices of racial discrimination, colonialism and apartheid perpetrated by that régime, as well as in acts of aggression against the liberation movements and neighbouring States;

5. Requests the Security Council urgently to consider complete and mandatory sanctions under Chapter VII of the Charter of the United Nations against the racist régime of South Africa, in particular:

(a) The prohibition of all technological assistance or collaboration in the manufacture of arms and military supplies in South Africa;

(b) The cessation of all collaboration with South Africa in the nuclear field;

(c) The prohibition of all loans to, and all investments in, South Africa and the cessation of any trade with South Africa;

(d) An embargo on the supply of petroleum, petroleum products and other strategic goods to South Africa;

6. Appeals to all States, specialized agencies and nongovernmental organizations to extend all possible cooperation to the liberation movements of southern Africa recognized by the United Nations and the Organization of African Unity;

7. Expresses its appreciation to the Special Rapporteur of the Sub-Commission on Prevention of Discrimination and Protection of Minorities for his revised report;

8. Affirms that the updating of the report on the adverse consequences for the enjoyment of human rights of political, military, economic and other forms of assistance given to colonial and racist régimes in southern Africa is of the greatest importance to the cause of fighting apartheid and other violations of human rights in South Africa and Namibia and should continue to be an activity in the ongoing work programme for 1982-1983;

9. Calls upon the Secretary-General to give all necessary assistance to the Special Rapporteur with a view to making available to him the computer services essential for the more detailed updating of the list contained in his report;

10. Calls upon the Governments of the countries where the banks, transnational corporations and other organizations named and listed in the revised report are based to take effective action to put a stop to their trading, manufacturing and investing activities in the territory of South Africa as well as in the Territory of Namibia illegally occupied by the racist Pretoria régime;

11. Requests the Secretary-General to transmit the revised report to the Special Committee against Apartheid, the United Nations Council for Namibia, other bodies concerned within the United Nations system and regional international organizations;

12. Urgently requests all specialized agencies, particularly the International Monetary Fund and the World Bank, to refrain from granting loans of any type to the racist régime in South Africa;

13. Calls upon all States, specialized agencies and regional, intergovernmental and other organizations concerned to give wide publicity to the revised report;

14. Invites the Commission on Human Rights to give high priority at its thirty-ninth session to the consideration of the revised report;

2 See A/36/534, annex I.
3 E/CN.4/Sub.2/1982/10
4 A/36/658.
5 Ibid., annex II.
15. Decides to consider at its thirty-ninth session, as a matter of high priority, the item entitled "Adverse consequences for the enjoyment of human rights of political, military, economic and other forms of assistance given to the racist and colonialist régime of South Africa", in the light of any recommendations which the Sub-Commission on Prevention of Discrimination and Protection of Minorities, the Commission on Human Rights, the Economic and Social Council and the Special Committee against Apartheid may wish to submit to it.

37/40. Implementation of the Programme for the Decade for Action to Combat Racism and Racial Discrimination

The General Assembly,

Reaffirming its resolve to bring about the total and unconditional eradication of racism, racial discrimination and apartheid, which still represent serious obstacles to further progress and to the strengthening of international peace and security,

Recalling that, in its resolution 3057 (XXVIII) of 2 November 1973 and in the Programme for the Decade for Action to Combat Racism and Racial Discrimination annexed thereto, and in other relevant resolutions, it called upon all peoples, Governments and institutions to continue their efforts to eradicate racism, racial discrimination and apartheid and thus to promote respect for human rights and fundamental freedoms for all, without distinction as to race, colour, descent or national or ethnic origin,

Taking into account the Declaration and the Programme of Action adopted by the World Conference to Combat Racism and Racial Discrimination, 6

Recalling that, in the programme of activities to be undertaken during the second half of the Decade for Action to Combat Racism and Racial Discrimination, contained in the annex to its resolution 34/24 of 15 November 1979, it called upon all States, United Nations organs and intergovernmental and non-governmental organizations to intensify their efforts to achieve the speediest attainment of the objectives of the Decade, aimed at the complete and final elimination of all forms of racism and racial discrimination,

Expressing its serious concern at the situation prevailing in South Africa and throughout southern Africa as a result of the policies and actions of the apartheid régime, particularly its efforts to perpetuate and strengthen racist domination of the country, its policy of "bantustanization", its brutal repression of opponents of apartheid and its renewed acts of aggression against neighbouring States,

Reaffirming that apartheid is a crime against humanity, Particularly concerned at the persistence of the illegal occupation of Namibia by the racist minority régime of South Africa,

Disappointed that the talks between the United Nations and the South African racist and illegal occupation régime aimed at reaching a negotiated settlement of the question of Namibia have thus far failed because of the bad faith of that régime,

Reaffirming that any collaboration with the racist régime of South Africa constitutes a hostile act against the oppressed people of South Africa and a contemptuous defiance of the United Nations and the international community,

Considering that such collaboration strengthens the racist régime, encourages it to persist in its repressive and aggressive policy and seriously aggravates the situation in southern Africa, thus constituting a threat to international peace and security,

Seriously concerned at the fact that the principal Western and other trading partners of South Africa are continuing to collaborate with the racist régime and that their collaboration constitutes the main obstacle to the abolition of that régime and the elimination of the inhuman and criminal system of apartheid,

Alarmed at the persistent collaboration of certain Western States and Israel with the racist régime of South Africa in the nuclear field,

Aware of the constant need to mobilize world public opinion against any political, military, economic and other assistance granted to the racist régime of South Africa,

Aware of the need to promote solutions to the problems of discrimination facing migrant workers and their families,

Recalling its resolution 35/33 of 14 November 1980, in which it decided to hold in 1983 a Second World Conference to Combat Racism and Racial Discrimination, which, while reviewing and assessing the activities undertaken during the Decade, should have as its main purpose the formulation of ways and means and of specific measures aimed at ensuring the full and universal implementation of United Nations resolutions and decisions on racism, racial discrimination and apartheid,

Stressing the importance of attaining the objectives of the Decade,

Convinced that the Second World Conference to Combat Racism and Racial Discrimination will make a useful and constructive contribution to the attainment of those objectives,

1. Proclaims that the elimination of all forms of racism and of discrimination based on race and the attainment of the objectives of the Programme for the Decade for Action to Combat Racism and Racial Discrimination and of the programme of activities to be undertaken during the second half of the Decade are matters of high priority for the international community and, therefore, for the United Nations;

2. Strongly condemns the policies of apartheid, racism and racial discrimination pursued in southern Africa, all occupied Arab territories and elsewhere, including the denial of the right of peoples to self-determination and independence;

3. Reaffirms its strong support for the national liberation struggle against racism, racial discrimination, apartheid, colonialism and foreign domination and for self-determination by all available means, including armed struggle;

4. Reaffirms the inalienable right of the Namibian people to self-determination and independence;

5. Vigorously condemns the repeated acts of aggression committed by South Africa against the States of the region, particularly Angola, Botswana, Mozambique, Seychelles and Zambia;

6. Expresses its profound solidarity with the front-line States that are victims of the racist aggression and destabilization attempts of the Pretoria régime;

7. Once again invites all Member States, United Nations organs, specialized agencies, intergovernmental organizations, national liberation movements, anti-apartheid

---

and anti-racist organizations and other solidarity groups to strengthen and enlarge the scope of their activities in support of the objectives of the Programme for the Decade;

8. Again requests the Security Council to consider, as a matter of urgency, the imposition of full mandatory sanctions under Chapter VII of the Charter of the United Nations against the racist régime of South Africa and the strengthening of the embargo on arms, with a view to putting an end to all military and nuclear collaboration with South Africa;

9. Reaffirms the decision by which it approved the Declaration of the International Seminar on the Implementation and Reinforcement of the Arms Embargo against South Africa, held in London from 1 to 3 April 1981 under the auspices of the Special Committee against Apartheid;

10. Vigorously condemns the collaboration of certain Western States, Israel and other States and of transnational corporations and other organizations which are maintaining or continuing to increase their collaboration with the racist régime of South Africa, particularly in the political, economic, military and nuclear fields, thereby encouraging that régime to persist in its inhuman and criminal policy of brutal oppression of the peoples of southern Africa and in its denial of human rights;

11. Calls once again upon all Governments that have not yet done so to take legislative, administrative and other measures in respect of their nationals and the bodies corporate under their jurisdiction that own enterprises in southern Africa in order to put an end to such enterprises;

12. Calls upon all States to adopt, as a matter of high priority, measures declaring punishable by law any dissemination of ideas based on racial superiority or hatred and outlawing organizations based on racial hatred and prejudice, including neo-Nazi and Fascist organizations and private clubs and institutions established on the basis of racial criteria or propagating ideas of racial discrimination and apartheid;

13. Invites Member States, the organs and bodies of the United Nations system and the specialized agencies to continue their efforts with a view to the protection of the rights of all migrant workers and their families;

14. Takes note with appreciation of the report of the Preparatory Sub-Committee for the Second World Conference to Combat Racism and Racial Discrimination on its first session;

15. Requests the Secretary-General to provide the Preparatory Sub-Committee with all necessary assistance;

16. Further requests the Secretary-General to appoint, after consultation with the regional groups, in 1982, a Secretary-General of the Second World Conference to Combat Racism and Racial Discrimination, who shall have the rank of Assistant Secretary-General and shall be responsible for the organization of the Conference and co-ordination with Member States, organs and bodies of the United Nations, specialized agencies and intergovernmental and non-governmental organizations;

17. Invites Member States to continue to cooperate with the Secretary-General as part of the Programme for the Decade and the preparations for the Conference;

18. Invites the appropriate organs and bodies of the United Nations system to contribute to the preparations for the Conference;

19. Expresses its satisfaction to the Committee on the Elimination of Racial Discrimination, the Special Commit-

tee against Apartheid, the United Nations Council for Namibia, the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, the Committee on the Exercise of the Inalienable Rights of the Palestinian People and the Commission on Human Rights, through its Ad Hoc Working Group of Experts on Southern Africa, for their contribution to the implementation of the Programme for the Decade and invites them to include in their activities the preparations for the Conference;

20. Decides to consider at its thirty-eighth session, as a matter of high priority, the item entitled "Implementation of the Programme for the Decade to Combat Racism and Racial Discrimination".

10 Resolution 2200 A (XXI), annex.
Welcoming the progressive exercise of the right to self-determination by peoples under colonial, foreign or alien occupation and their emergence into sovereign statehood and independence,

Deeply concerned at the continuation of acts or threats of foreign military intervention and occupation, which are threatening to suppress, or have already suppressed, the right to self-determination of an increasing number of sovereign peoples and nations,

Further expressing grave concern that, as a consequence of the persistence of such actions, millions of people have been and are being uprooted from their homes as refugees and displaced persons, and emphasizing the urgent need for concerted international action to alleviate their conditions,

Recalling the relevant resolutions regarding the violation of the right of peoples to self-determination and other human rights as a result of foreign military intervention, aggression and occupation, adopted by the Commission on Human Rights at its thirty-sixth, thirteen-seventh and thirty-eighth sessions, 13

Reiterating its resolutions 35/35 B of 14 November 1980 and 36/10 of 28 October 1981,

Taking note of the note by the Secretary-General of 28 September 1982, 14

2. Declares its firm opposition to acts of foreign military intervention, aggression and occupation, since these have resulted in the suppression of the right of peoples to self-determination and of other human rights in certain parts of the world;

3. Calls upon those States responsible to cease immediately their military intervention and occupation of foreign countries and territories, and to cease all acts of repression, discrimination, exploitation and maltreatment, particularly the brutal and inhuman methods reportedly employed for the execution of these acts against the peoples concerned;

16 A/36/534, annex I.
17 A/32/61, annex I.

Reaffirming the obligation of all Member States to comply with the provisions of the Charter of the United Nations and the resolutions of the United Nations regarding the exercise of the right to self-determination by peoples under colonial and foreign domination,

Reaffirming also that the system of apartheid imposed on the South African people constitutes an inadmissible violation of the rights of that people and a constant threat to international security,

Reaffirming the national unity and territorial integrity of the Comoros,

Gravely concerned at the continuation of the illegal occupation of Namibia by South Africa and the continued violations of the human rights of the peoples still under colonial and foreign domination and alien subjugation,

10. Strongly condemns once again the invasion and occupation of part of the territory of Angola by troops of the racist Pretoria régime and demands the immediate withdrawal of those troops from Angolan territory;

11. Reaffirms that the practice of using mercenaries against sovereign States and national liberation movements constitutes a criminal act and that the mercenaries themselves are criminals, and calls upon the Governments of all countries to enact legislation declaring the recruitment, financing and training of mercenaries in their territories and the transit of mercenaries through their territories to be punishable offences, and prohibiting their nationals from serving as mercenaries, and to report on such legislation to the Secretary-General;

13. Also strongly condemns the policies of those Western and other countries whose political, economic, military, nuclear, strategic, cultural and sports relations with the racist minority régime in South Africa encourage that régime to persist in its suppression of the aspirations of peoples to self-determination and independence;

14. Again demands the immediate application of the mandatory arms embargo against South Africa, imposed under Security Council resolution 418 (1977), by all countries, particularly by those countries that maintain military and nuclear co-operation with the racist Pretoria régime and continue to supply it with related matériel;

90th plenary meeting 3 December 1982

The General Assembly,

Recalling its resolution 3068 (XXVIII) of 30 November 1973, by which it adopted and opened for signature and ratification the International Convention on the Suppression and Punishment of the Crime of Apartheid, and its subsequent resolutions on the status of the Convention,

Convinced that the Declaration and the Programme of Action adopted by the World Conference to Combat Racism and Racial Discrimination, as well as the programme of activities to be undertaken during the second half of the Decade for Action to Combat Racism and Racial Discrimination, adopted by the General Assembly in its resolution 34/24 of 15 November 1979, and their full implementation will contribute to the final eradication of apartheid and all other forms of racism and racial discrimination,

Reaffirming its conviction that apartheid constitutes a total negation of the purposes and principles of the Charter of the United Nations and is a gross violation of human rights and a crime against humanity, seriously threatening international peace and security,

Strongly condemning South Africa’s continued policy of apartheid, repression and “bantustanization” and its continued illegal occupation of Namibia, thereby perpetuating on Namibian territory its odious policy of apartheid, racial discrimination and fragmentation,

Deeply concerned about South Africa’s repeated acts of aggression against sovereign African States, which constitute a manifest breach of international peace and security,

Recalling its resolutions 36/172 A to P of 17 December 1981, in particular resolution 36/172 B in which it proclaimed the year 1982 International Year of Mobilization for Sanctions against South Africa,

Firmly convinced that the legitimate struggle of the oppressed peoples in southern Africa against apartheid, racism and colonialism and for the effective implementation of their inalienable right to self-determination and independence demands more than ever all necessary support by the international community and, in particular, further action by the Security Council,

Commending the work of the Preparatory Sub-Committee for the Second World Conference to Combat Racism and Racial Discrimination and the recommendations contained in its report to the Economic and Social Council,

Underlining that ratification of and accession to the International Convention on the Suppression and Punishment of the Crime of Apartheid on a universal basis and the implementation of its provisions without any delay are necessary for its effectiveness and would be a useful contribution towards achieving the goals of the Decade for Action to Combat Racism and Racial Discrimination,

Considering it necessary to disseminate among youth the ideals of peace, respect for human rights and fundamental freedoms, human solidarity and dedication to the objectives of progress and development,

Convinced of the imperative need to harness the energies, enthusiasms and creative abilities of youth to the tasks of nation-building, the struggle for self-determination and national independence, in accordance with the Charter of the United Nations, and against foreign domination and occupation, for the economic, social and cultural advancement of peoples, the implementation of the new international economic order, the preservation of world peace and the promotion of international co-operation and understanding,

Aware of the valuable contribution which the United Nations Educational, Scientific and Cultural Organization is making to the promotion of international co-operation in the field of youth,

Reaffirming the necessity of better co-ordination of efforts in dealing with specific problems confronting young people and in examining the manner in which those problems are being treated by the specialized agencies and by various United Nations bodies,

Convinced that the preparation for and observance in 1985 of the International Youth Year with the motto “Participation, Development, Peace” will offer a useful and significant opportunity for drawing attention to the situation and specific needs and aspirations of youth, for increasing co-operation at all levels in dealing with youth issues, for undertaking concerted action programmes in favour of youth and for involving young people in the study and resolution of major national, regional and international problems,

Confident that the International Youth Year will serve to mobilize efforts at the local, national, regional and international levels in order to promote the best educational, professional and living conditions for young people, to ensure their active participation in the overall development of society and to encourage the preparation of new national and local policies and programmes in accordance with each country’s experience, conditions and priorities.

8. Further requests the Secretary-General to continue to take concrete measures, through all the communications media at his disposal, to give widespread publicity to the activities of the United Nations system in the field of youth and to increase the dissemination of information on youth;

9. Welcomes the voluntary contributions so far made for the International Youth Year, expresses its appreciation to all contributors and again appeals to all States, to international governmental and non-governmental organizations and to the public to make in due time generous voluntary contributions to supplement funds provided under the regular budget of the United Nations for the costs of the Specific Programme of Measures and Activities and requests the Secretary-General to take all appropriate measures for obtaining such voluntary contributions;

The General Assembly.

Recalling its resolution 36/29 of 13 November 1981, in which it, inter alia, recognized the need to intensify efforts and to adopt appropriate measures for securing the implementation and the enjoyment by youth of human rights, particularly the right to education and to work,

Recalling also its resolution 34/151 of 17 December 1979, by which it decided to designate 1985 as International Youth Year: Participation, Development, Peace,

Aware of the fact that insufficient education and the unemployment of youth limits their ability to participate in the development process, and, in this regard, emphasizing the importance of secondary and higher education of youth, as well as of their access to appropriate technical, vocational guidance and training programmes,

Expressing its serious interest in the success of the forthcoming International Youth Year which should, inter alia, promote increasing participation of youth in the socioeconomic life of their country.

Equally convinced of the valuable contribution that youth can make in promoting co-operation among States and in implementing the new international economic order and the International Development Strategy for the Third United Nations Development Decade, 41

37/51. Question of aging

The General Assembly,

Recalling its resolution 33/52 of 14 December 1978, in which it decided to convene a World Assembly on Aging to call world-wide attention to the serious problems besetting a growing portion of the population of the world and to provide a forum to launch an international programme of action aimed at guaranteeing economic and social security to older persons, as well as opportunities for them to contribute to national development,

Recognizing that increasing longevity is an achievement of biology and a sign of progress, and that the aged are an asset and not a liability to society because of the invaluable contribution they can make by virtue of their accumulated wealth of knowledge and experience,

Bearing in mind that the States gathered in the World Assembly on Aging, held at Vienna from 26 July to 6 August 1982, reaffirmed their belief that the fundamental and inalienable rights enshrined in the Universal Declaration of Human Rights 58 apply fully and undiminishedly to the aging, and recognized that quality of life was no less important than longevity, and that the aging should therefore, as far as possible, be enabled to enjoy in their own families and communities a life of fulfillment, health, security and contentment, appreciated as an integral part of society; 59

Convinced that the International Plan of Action on Aging 61 adopted by the World Assembly on Aging must lead to developing and applying, at the international, regional and national levels, policies designed to enhance the lives of the aging as individuals and to mitigate, by appropriate measures, any negative effects resulting from the impact of the aging of populations on development,

Recognizing that the Plan of Action should be considered an integral component of the major international, regional

Acknowledging the role played by the United Nations and the specialized agencies through their efforts in the field of aging and the need to strengthen this role in order to make the implementation of the recommendations of the Plan of Action effective,

Emphasizing the importance of the Plan of Action and stressing the spirit of co-operation that prevailed during the World Assembly on Aging,

Expressing appreciation to the Government of Austria for acting as host to the World Assembly on Aging,

Having considered the Report of the World Assembly on Aging, 44

2. Endorses the International Plan of Action on Aging, adopted by consensus by the World Assembly on Aging;

3. Affirms that aging should be considered in the context of economic, social and cultural development, as well as in the context of international strategies and plans;

4. Calls upon Governments to make continuous efforts to implement the principles and recommendations contained in the Plan of Action in accordance with their national structures, needs and objectives;

5. Requests the Secretary-General to take the necessary steps to ensure that sufficient resources within reasonable limits are made available for effective implementation of, and follow-up action to, the Plan of Action, as well as to maintain the momentum generated by the World Assembly on Aging; in doing so, the Secretary-General should make every effort to reallocate existing global resources;

6. Also requests the Secretary-General to take such steps as may be appropriate for the necessary strengthening of activities in the field of aging at the central and regional levels of the United Nations, as set forth in the Plan of Action;

7. Further requests the Secretary-General to strengthen the international network of existing information, research and training centres in the field of aging in order to encourage and facilitate the exchange of knowledge, skills and experiences, as well as technical co-operation between countries within the various regions;

8. Urges the Secretary-General to implement the recommendations concerning international co-operation with respect to aging, as well as those concerning the assessment, review and appraisal of the implementation of the Plan of Action, using the Centre for Social Development and Humanitarian Affairs of the Secretariat as the focal point;

9. Requests the Secretary-General to continue to use the United Nations Trust Fund for the World Assembly on Aging to meet the rapidly increasing needs of the aging in the developing countries, in particular in the least developed countries;

10. Also requests the Secretary-General to use the Trust Fund to encourage greater interest among developing countries in matters related to aging and to assist Member States, at their request, in formulating and implementing policies and programmes for the elderly; further requests the Secretary-General to use the Trust Fund for technical cooperation and research related to the aging of populations and for promoting co-operation among developing countries in the exchange of relevant information and technology;

11. Appeals to Member States to make voluntary contributions to the Trust Fund;

37/52. World Programme of Action concerning Disabled Persons

The General Assembly.

Recalling its resolutions 31/123 of 16 December 1976, by which it proclaimed the year 1981 International Year of Disabled Persons, 32/133 of 16 December 1977, by which it established the Advisory Committee for the International Year of Disabled Persons, 33/170 of 20 December 1978, 34/154 of 17 December 1979, in which it, inter alia, decided to expand the theme of the International Year of Disabled Persons to "full participation and equality", 35/133 of 11 December 1980 and 36/77 of 8 December 1981, in the year

Deeply concerned that no less than five hundred million persons are estimated to suffer from disability of one form or another, of whom four hundred million are estimated to be in developing countries,

Reiterating the continuing need to promote the realization of the right of disabled persons to participate fully in the social life and development of their societies and to enjoy living conditions equal to those of other citizens, as well as to share equally in improvements in living conditions resulting from social and economic development,
Recognizing that the International Year of Disabled Persons contributed to the acceptance by the community of the right of disabled persons to participate fully in the social life and development of their societies and to enjoy living conditions equal to those of their fellow citizens,

Convinced that the International Year of Disabled Persons gave a genuine and meaningful impetus to activities related to equalization of opportunities for disabled persons, as well as prevention and rehabilitation at all levels,

Expressing its satisfaction with the efforts of Member States during the International Year of Disabled Persons to improve the conditions and well-being of disabled persons and their willingness to involve disabled persons and their organizations in all matters of concern to them,

Also expressing its satisfaction with the initiatives taken by the specialized agencies and other organizations of the United Nations system, non-governmental organizations and, in particular, organizations of disabled persons,

Taking note of the emergence of organizations of disabled persons in all parts of the world and their positive influence on the image and condition of persons with a disability,

Having considered the Vienna Affirmative Action Plan adopted by the World Symposium of Experts on Technical Cooperation among Developing Countries and Technical Assistance in Disability Prevention and Rehabilitation of Disabled Persons,45

Expressing its appreciation to the Advisory Committee for the International Year of Disabled Persons for the work it has done,

Having considered the report of the Advisory Committee for the International Year of Disabled Persons on its fourth session and its recommendations for a World Programme of Action concerning Disabled Persons,46

Desirous of ensuring effective follow-up to the International Year of Disabled Persons and aware that, if this is to be achieved, Member States, organs, organizations and agencies of the United Nations system, non-governmental organizations and organizations of disabled persons must therefore be encouraged to continue the activities already undertaken and to initiate new programmes and activities,

Stressing that the primary responsibility for promoting effective measures for prevention of disability, rehabilitation and the realization of the goals of “full participation” of disabled persons in social life and development and of “equality” rests with individual countries and that international action should be directed towards assisting and supporting national efforts in this regard,

1. Adopts the World Programme of Action concerning Disabled Persons as set forth in recommendation 1 (IV) of the Advisory Committee for the International Year of Disabled Persons;47

2. Calls upon all Member States, all non-governmental organizations concerned and organizations of disabled persons and, through a reallocation of existing resources, calls also upon all organs, organizations and agencies of the United Nations system to ensure early implementation of the World Programme of Action concerning Disabled Persons;

3. Decides to evaluate at its forty-second session, with the help of the Secretary-General, the implementation of the World Programme of Action concerning Disabled Persons.

37/53. Implementation of the World Programme of Action concerning Disabled Persons

The General Assembly,

Recognizing that the International Year of Disabled Persons contributed to the acceptance by the community of the right of disabled persons to participate fully in the social life and development of their societies and to enjoy living conditions equal to those of their fellow citizens,

Convinced that the International Year of Disabled Persons gave a genuine and meaningful impetus to activities related to equalization of opportunities for disabled persons, as well as prevention and rehabilitation at all levels,

Expressing its appreciation to the Advisory Committee for the International Year of Disabled Persons for its work, in particular for its contribution to the formulation of the World Programme of Action concerning Disabled Persons,

Expressing its satisfaction with the efforts of Member States during the International Year of Disabled Persons to improve the conditions and well-being of disabled persons and their willingness to involve disabled persons and their organizations in all matters of concern to them,

Also expressing its satisfaction with the initiatives taken by the specialized agencies, other organs and organizations of the United Nations system, non-governmental organizations and, in particular, organizations of disabled persons,

Encouraged by the emergence of organizations of disabled persons in all parts of the world and their positive influence on the image and condition of persons with a disability,

Having considered with appreciation the Vienna Affirmative Action Plan adopted by the World Symposium of Experts on Technical Co-operation among Developing Countries and Technical Assistance in Disability Prevention and Rehabilitation of Disabled Persons,45 in which it was emphasized that, in developing countries, efforts to prevent disabilities should be intensified and standards of rehabilitation for disabled persons should be as high as possible,

Noting in particular the results of the meetings organized for the International Year of Disabled Persons by the regional commissions, which stressed the need for more efficient technical co-operation at the regional and subregional levels in the training of rehabilitation personnel and the production of prosthetic appliances and aids using locally available resources, and also stressed the need for an interregional exchange of experience in the elaboration of national programmes for the development of such services,

Stressing that the primary responsibility for promoting effective measures for prevention of disability, rehabilitation and the realization of the goals of full participation and equality of disabled persons rests with the individual countries and that, in this regard, international co-operation is highly desirable and should be directed towards assisting and supporting national efforts.

Believing that, in addition to national programmes, effective implementation of the World Programme of Action

would be assisted by activities at the international level of
the organs, organizations and agencies of the United Nations
system, non-governmental organizations and organizations
of disabled persons.

Recognizing that such activities will be difficult to finance
at present and that every effort must be made to reallocate
existing resources within the United Nations system,

implementation of the World Programme of Action con-
cerning Disabled Persons by ensuring its wide distribution

the United Nations system to formulate and undertake meas-
ures within their respective spheres of competence, through
a reallocation of existing resources, to ensure early imple-

between the various bodies are essential;
4. Requests the Secretary-General to establish inter-
organizational task forces, as recommended by the Advisory
Committee for the International Year of Disabled Persons
at its third and fourth sessions, in order to provide support
services, as described in paragraph 17 of General Assembly

agency co-ordination in order to support national and re-
gional activities in the developing regions in the fields of
prevention of disability, rehabilitation and equalization of
opportunities for disabled persons;
5. Encourages the Secretary-General to find the means
to provide the Centre for Social Development and Human-

to enable it to ensure follow-up to the International Year of

World Programme of Action concerning Disabled Persons;
6. Requests the Secretary-General to continue consult-
sative services to Member States concerning the design of
national programmes for the prevention of disability, for
rehabilitation and for equalization of opportunities for dis-
babled persons, to develop a practical check-list dealing with
the equalization of opportunities for disabled persons which
could be used by consultants in discussion with Govern-
ments of Member States and to compile and distribute in-
formation on available technical and financial resources to
assist developing countries in the prevention of disability,
rehabilitation and the equalization of opportunities;
7. Also requests the Secretary-General to continue to
give appropriate priority, within the programmes for dis-
babled persons, to activities related to organizations of dis-
babled persons;
8. Again urges all organs, organizations and agencies of
the United Nations system to undertake new measures or
expedite those already under way to improve employment

levels and to improve access to their buildings and facilities
and to their information sources, and requests the Secretary-
General to submit a report on these measures to the General
Assembly at its thirty-ninth session;
9. Requests the Secretary-General, in consultation with
Governments, to examine the need and possibility of con-
tinuing the United Nations Trust Fund for the International

ernments, at their request, in the implementation of the
World Programme of Action concerning Disabled Persons
and to report thereon to the General Assembly at its thirty-
eighth session;
10. Requests all Governments in a position to do so,
the United Nations Development Programme and all rele-
vant United Nations organs, organizations and agencies to
assist Governments of developing countries, at their request,
in the formulation of national policies and programmes for
disabled persons;
11. Proclaims the period 1983-1992 United Nations Dec-
ade of Disabled Persons as a long-term plan of action, on
the understanding that no additional resources from the United
Nations system will be needed for this purpose, and en-
courages Member States to utilize this period as one of the
means to implement the World Programme of Action con-
cerning Disabled Persons;

for the disabled;

international and regional conferences and meetings that they
sponsor;
15. Requests the World Health Organization, in the light
of the experience of the International Year of Disabled Per-
sons, to review its definitions of impairment, disability and
handicap in consultation with organizations of disabled per-
sons and other appropriate bodies;
16. Requests the Secretary-General to explore the pos-
sibility of convening in 1987 a meeting of experts, consisting
largely of disabled persons, to prepare a report that would
enable him to help the General Assembly at its forty-second
session to evaluate the implementation of the World Pro-
grame of Action concerning Disabled Persons, as provided
for in paragraph 3 of resolution 37/52;
17. Requests the Secretary-General to report to the Gen-

the implementation of the Declaration on Social Progress

taining the Charter of Economic Rights and Duties of States, 3362 (S-VII) of 16 September 1975 on development and international economic co-operation, 35/56 of 5 December 1980, containing the International Development Strategy for the Third United Nations Development Decade, and 36/194 of 17 December 1981, in which it endorsed the Substantial New Programme of Action for the 1980s for the Least Developed Countries.49

Recalling also its resolution 35/136 of 11 December 1980 on the World Conference of the United Nations Decade for Women,

Recalling further its resolution 36/28 of 13 November 1981 on the International Youth Year: Participation, Development, Peace,

Recalling its resolutions 37/52 and 37/53 of 3 December 1982 on the World Programme of Action concerning Disabled Persons,

Recalling also its resolution 37/51 of 3 December 1982 on the World Assembly on Aging,

Recalling further its resolution 32/197 of 20 December 1977, in which it, inter alia, requested the Secretariat to prepare, on a regular basis, global economic and social surveys and projections,

Bearing in mind that social progress and development are founded on respect for the dignity and value of the human person,

Bearing in mind also that the ultimate aim of development is the constant improvement of the well-being of the entire population on the basis of its full participation in the process of development and a fair distribution of the benefits therefrom, and that the pace of development in the developing countries as a whole should be accelerated substantially in order to enable them to achieve this goal,

Mindful that the existing inequities and imbalances in international economic relations are widening the gap between developed and developing countries, and thereby constitute a major obstacle to the development of the developing countries and adversely affect international relations and the promotion of world peace and security,

Conscious that each country has the inalienable right to adopt the economic and social system that it deems the most appropriate and that each Government has a primary role in ensuring the social progress and well-being of its people,

Reaffirming that economic growth must go hand in hand with qualitative and structural changes, the reduction of social and economic disparities and the adoption of measures to ensure the effective participation of all peoples in the preparation and execution of national policies for economic and social development,

Convinced of the necessity rapidly and completely to eliminate colonialism, neo-colonialism, racism, racial discrimination, apartheid, aggression, foreign occupation and alien domination and all other forms of inequality, exploitation and subjugation of peoples which constitute major obstacles to economic and social progress as well as to the promotion of world peace and security,

Reaffirming the existence of the undeniable link between peace and development and the imperative need to halt the arms race, thereby releasing valuable additional resources which could be used for the development of the developing countries and could contribute to the well-being and prosperity of all,

Re-emphasizing that the primary responsibility for the development of developing countries rests upon themselves, but that, however great their own efforts, these will not enable them to achieve the desired development goals as expeditiously as they must unless just and equitable economic and commercial relations between developed and developing countries are established and, to that end, increasing financial resources and technological know-how are assured,

Having considered the 1982 Report on the World Social Situation,50

1. Notes with deep concern that the economic and social situation in the world today is not only disturbing but is also deteriorating rapidly;

2. Notes also with great concern the lack of implementation of the Declaration on Social Progress and Development51 and of the objectives and overall development goals adopted and reaffirmed in the International Development Strategy for the Third United Nations Development Decade;

3. Reaffirms that the social aspects and goals of development are an integral part of the overall development process and that their implementation must take into account national priorities, levels of economic development and cultural tradition and values;

4. Emphasizes again the importance of the establishment of the new international economic order for the achievement of social progress;

5. Reaffirms the urgent need to implement the socioeconomic development objectives established by the international community and contained in the International Development Strategy for the Third United Nations Development Decade, inter alia, the elimination of hunger and malnutrition, the achievement of full employment by the year 2000, health for all by the year 2000, appropriate population policies, the reduction of the infant mortality rate, the availability of safe water and adequate sanitary facilities by 1990, the attainment of a life expectancy of 60 years as a minimum by the year 2000, universal primary school enrolment by the year 2000 and the securing of the full participation of women, both as agents and beneficiaries, in all sectors and at all levels of the development process;

6. Reaffirms also the need to implement the socioeconomic objectives of the Substantial New Programme of Action for the 1980s for the Least Developed Countries;

7. Calls upon all Member States to promote economic growth and social progress by the formulation and implementation of an interrelated set of policy measures to achieve their goals and objectives, within the framework of national priorities and interests, in the fields of employment, education, health, nutrition, housing facilities, crime prevention, the well-being of children, equal opportunities for the disabled and the aged, full participation of youth in the development process and the full integration and participation of women in development;

8. Calls upon the relevant organs, organizations and bodies of the United Nations system to mobilize the necessary resources so as to undertake measures aimed at improving social conditions and achieving the main objectives set forth in the Declaration on Social Progress and Development and in the International Development Strategy for the Third United Nations Development Decade;

9. Emphasizes again that rapid socio-economic progress of developing countries requires substantially enhanced multilateral and bilateral financial and technological contributions to national development efforts, rendered within

the framework of the development plans of developing countries;

10. Requests the Commission on Social Development at its twenty-eighth session to give high priority to the examination and discussion of the 1982 Report on the World Social Situation and to submit its views and observations to the General Assembly at its thirty-eighth session through the Economic and Social Council;

11. Requests the Secretary-General to transmit the 1982 Report on the World Social Situation to other United Nations bodies concerned with operational activities and to the regional commissions for their consideration;

12. Invites Member States to convey to the Secretary-General their comments on the 1982 Report on the World Social Situation so as to facilitate the preparation of the 1985 report;

13. 37/61. Women in public life

The General Assembly,

Reaffirming the objectives of the United Nations Decade for Women: Equality, Development and Peace,

Bearing in mind paragraphs 72 and 73 of the Programme of Action for the Second Half of the United Nations Decade for Women,*7 in which equitable representation for women was called for at all levels in national government and in international bodies,

Recognizing that only three years remain before the end of the United Nations Decade for Women,

1. Notes with concern that women are still not represented on an equitable basis with men in decision-making positions in a majority of national and international institutions;

2. Calls upon all Member States, by the end of the United Nations Decade for Women in 1985, to make special efforts to nominate and appoint women, on an equal basis with men and taking due account of the same professional criteria, to decision-making positions in those national and international bodies in which they are not equitably represented;

Declaration on the Participation of Women in Promoting International Peace and Co-operation

The General Assembly,

Considering that the Charter of the United Nations expresses the determination of the peoples of the United Nations to reaffirm faith in the equal rights of men and women and to practise tolerance and live together in peace with one another as good neighbours,

Considering also that the Universal Declaration of Human Rights proclaims that recognition of the inherent dignity and of the equal and inalienable rights of all members of the human family is the foundation of freedom, justice and peace in the world,

Considering further that the International Covenants on Human Rights provide for the equal right of men and women to the enjoyment of all economic, social, cultural, civil and political rights,

Reaffirming the objectives of the United Nations Decade for Women: Equality, Development and Peace,

Taking into account the resolutions, declarations, conventions, programmes and recommendations of the United Nations and the specialized agencies and international conferences designed to eliminate all forms of discrimination and to promote equal rights for men and women,

Recalling that the Declaration of Mexico on the Equality of Women and their Contribution to Development and Peace, 1975, states that women have a vital role to play in the promotion of peace in all spheres of life: in the family, the community, the nation and the world,

Recalling that the Convention on the Elimination of All Forms of Discrimination against Women declares that discrimination against women violates the principles of equality of rights and respect for human dignity, is an obstacle to the participation of women, on equal terms with men, in the political, social, economic and cultural life of their countries and makes more difficult the full development of the potentialities of women in the service of their countries and of humanity,

Recalling also that the Convention on the Elimination of All Forms of Discrimination against Women affirms that the strengthening of international peace and security, the relaxation of international tension, mutual co-operation among States irrespective of their social and economic systems, general and complete disarmament, in particular nuclear disarmament under strict and effective international control, the affirmation of the principles of justice, equality and mutual benefit in relations among countries and the realization of the right of peoples under alien and colonial domination and foreign occupation to self-determination and independence, as well as respect for national sovereignty and territorial integrity, will promote social progress and development and as a consequence will contribute to the attainment of full equality between men and women,

Recognizing that the Convention on the Elimination of All Forms of Discrimination against Women obligates States Parties to take all appropriate measures to eliminate discrimination against women in all its forms and in every field of human endeavour, including politics, economic activities, law, employment, education, health care and domestic relations,

Noting that, despite progress towards the achievement of equality between men and women, considerable discrimination against women continues to exist, thereby impeding the active participation of women in promoting international peace and co-operation,

Welcoming the contribution which women have nevertheless made towards promoting international peace and co-operation, the struggle against colonialism, apartheid, all forms of racism and racial discrimination, foreign aggression and occupation and all forms of alien domination, and towards the unrestricted and effective enjoyment of human rights and fundamental freedoms,

Welcoming also the contribution of women towards a just restructuring of international economic relations and the achievement of a new international economic order,

Convinced that women can play an important and increasing role in these areas,

Solemnly proclaims the Declaration on the Participation of Women in Promoting International Peace and Co-operation set forth in the annex to the present resolution.

Article 5

Special national and international measures are necessary to increase the level of women's participation in the sphere of international relations so that women can contribute, on an equal basis with men, to national and international efforts to secure world peace and economic and social progress and to promote international co-operation.

PART II

Article 6

All appropriate measures shall be taken to intensify national and international efforts in respect of the participation of women in promoting international peace and co-operation by ensuring the equal participation of women in the economic, social, cultural, civil and political affairs of society through a balanced and equitable distribution of roles between men and women in the domestic sphere and in society as a whole, as well as by providing an equal opportunity for women to participate in the decision-making process.

9. The General Assembly.

Recalling its resolution 33/173 of 20 December 1978, entitled "Disappeared persons", and its resolution 36/163 of 16 December 1981 on the question of enforced or involuntary disappearances,

Bearing in mind Commission on Human Rights resolution 1982/24 of 10 March 1982, by which the Commission decided to extend for one year the term of the mandate of the Working Group on Enforced or Involuntary Disappearances, and Economic and Social Council decision 1982/131 of 7 May 1982, by which the Council approved the Commission's decision,

Convinced that the action taken, in consultation with the Governments concerned, to promote the implementation of the provisions of General Assembly resolution 33/173 and other United Nations resolutions relevant to the plight of missing or disappeared persons should be continued,

Expressing its emotion at the anguish and sorrow of the families concerned, who should know the fate of their relatives,

Renews its request to the Secretary-General to continue to provide the Working Group with all necessary assistance.

The General Assembly.

Recalling its previous resolutions on the question of missing persons in Cyprus,

Reaffirming the basic need of families to be informed, without further delay, about the fate of their missing relatives,

Expressing concern that the Committee on Missing Persons in Cyprus, the establishment of which was announced on 22 April 1981, has failed to overcome procedural difficulties and has achieved no progress towards the commencement of its investigative work,

Invites the Working Group on Enforced or Involuntary Disappearances of the Commission on Human Rights to

**37/182. Summary or arbitrary executions**

**The General Assembly.**

**Recalling** the provisions of the Universal Declaration of Human Rights,\(^{126}\) which states that every human being has the right to life, liberty and security of person and that everyone shall be entitled to a fair and public hearing by an independent and impartial tribunal established by law,

**Recalling also** its resolution 34/175 of 17 December 1979, in which it reaffirmed that mass and flagrant violations of human rights are of special concern to the United Nations and urged the Commission on Human Rights to take timely and effective action in existing and future cases of mass and flagrant violations of human rights,

**Recalling further** its resolution 36/22 of 9 November 1981, in which it condemned the practice of summary or arbitrary executions,

**Deeply alarmed** at the occurrence on a large scale of summary or arbitrary executions, including extra-legal executions,

**Taking note** of resolution 1982/13 of 7 September 1982 of the Sub-Commission on Prevention of Discrimination and Protection of Minorities\(^{126}\) in which the Sub-Commission recommended that effective measures should be adopted to prevent the occurrence of summary or arbitrary executions,

**Convinced** of the need for appropriate action to combat and eventually eliminate this practice, which represents a flagrant violation of the most fundamental human right, the right to life,

1. **Welcomes** Economic and Social Council resolution 1982/35 of 7 May 1982, in which it was decided to appoint for one year a special rapporteur to examine the questions related to summary or arbitrary executions and to submit to the Commission on Human Rights, at its thirty-ninth session, a comprehensive report on the occurrence and extent of the practice of such executions, together with his conclusions and recommendations;

**37/183. Situation of human rights and fundamental freedoms in Chile**

**The General Assembly.**

Aware of its responsibility to promote and encourage respect for human rights and fundamental freedoms for all and determined to remain vigilant with regard to violations of human rights wherever they occur,

Emphasizing the obligation of Governments to protect and promote human rights and to carry out the responsibilities they have undertaken with respect to the various international instruments,

**Recalling also** the resolutions of the Commission on Human Rights dealing with the human rights situation in Chile, in particular resolution 1982/25 of 10 March 1982,\(^{127}\) by which the Commission decided, inter alia, to extend the mandate of the Special Rapporteur on the situation of human rights in Chile,

Deploring the fact that the Chilean authorities have consistently refused to co-operate with the Commission on Human Rights and its Special Rapporteur,

**Expressing its deepest concern** at the total lack of improvement in the human rights situation in Chile, as shown by the Special Rapporteur in his report,\(^{127}\)

Noting with increasing concern that the Chilean authorities continue to ignore the repeated appeals of the international community, made through a number of resolutions of the General Assembly, the Commission on Human Rights and various other international organs,

Reiterating its deep concern at the lack of information concerning the numerous persons who have disappeared in Chile for political reasons and at the fact that the Chilean authorities have not taken urgent and effective measures to investigate and clarify the fate of those persons,

Noting with great concern that the Constitution promulgated by the Chilean authorities on 11 March 1981 represents the institutionalization of the state of exception, with grave prejudice to the civil and political rights of the Chilean people and serious limitations to their economic, social and cultural rights,

1. **Commends** the Special Rapporteur on the human rights situation in Chile for his report, submitted in accordance with resolution 1982/25 of the Commission on Human Rights;

2. **Reiterates its grave concern** at the persistence of serious and systematic violations of human rights in Chile, as described by the Special Rapporteur, in particular at the subversion of the traditional democratic legal order and its institutions, through the maintenance and widening of emergency and exceptional legislation and the promulgation of a Constitution which does not reflect a freely expressed popular will and the provisions of which suppress, suspend or restrict the enjoyment and the exercise of human rights and fundamental freedoms;

3. **Reiterates also its deep concern** at the inefficacy of the recourse of habeas corpus or amparo in view of the fact that the judiciary in Chile does not exercise its functions fully in this respect, except with considerable restrictions;

\(^{127}\) A/37/564.
4. Once more urgently requests the Chilean authorities to respect and promote human rights in conformity with the obligations undertaken under various international instruments and, in particular, to adopt the concrete measures contemplated in resolution 1982/25 of the Commission on Human Rights, especially the lifting of the state of emergency and the state of exception and the re-establishment of democratic institutions, by ensuring the full enjoyment and exercise of the civil and political rights as well as the economic, social and cultural rights and fundamental freedoms of the Chilean people, as provided in those international instruments;

5. Urges once more the Chilean authorities to investigate and clarify the fate of all persons who have disappeared in Chile for political reasons, to inform their families of the results of such investigation and to punish those responsible for the disappearance;

6. Further urges again the Chilean authorities to restore the full enjoyment of trade union rights, in particular the right to organize trade unions, the right to collective bargaining and the right to strike;

7. Urges the Chilean authorities to respect, in conformity with the International Covenant on Civil and Political Rights, the right of Chilean nationals to live in and freely enter and leave Chilean territory, without restrictions or conditions of any kind, and to cease the practice of 'relegation' (assignment of forced residence) and forced exile, in particular of those who participate in trade union activities, academic life or the defence of human rights;

8. Also urges the Chilean authorities to put an end to arbitrary detentions and imprisonment in secret places and the practice of torture and other forms of inhuman or degrading treatment which have resulted on occasion in unexplained deaths;

9. Requests the Chilean authorities to respect fully the economic, social and cultural rights of the Chilean population in general and of the indigenous population in particular;

10. Concludes, on the basis of the report of the Special Rapporteur, that it is necessary to keep under consideration the situation of human rights in Chile;

11. Calls again on the Chilean authorities to co-operate with the Commission on Human Rights and its Special Rapporteur and to submit commentaries on his report to the Commission on Human Rights at its thirty-ninth session;

12. Requests the Commission on Human Rights to study in depth the report of the Special Rapporteur at its thirty-ninth session, with a view to taking the most appropriate steps, in particular the extension of the mandate of the Special Rapporteur, and report on its consideration, through the Economic and Social Council, to the General Assembly at its thirty-eighth session.

The General Assembly.

Reiterating that the Governments of all Member States have an obligation to promote and protect human rights and fundamental freedoms,

Recalling Commission on Human Rights resolution 1982/31 of 11 March 1982, in which the Commission expressed its profound concern at the continuing deterioration in the situation of human rights and fundamental freedoms in Guatemala under the previous régime and in which it requested its Chairman to appoint a Special Rapporteur,

Taking into account General Assembly decision 36/435 of 16 December 1981,

Expressing its satisfaction at the declared willingness of the present Government of Guatemala to co-operate with the Special Rapporteur to be appointed pursuant to Commission on Human Rights resolution 1982/31 with a mandate to make a thorough study of the human rights situation in Guatemala,

Taking note of resolution 1982/17 of 7 September 1982 of the Sub-Commission on Prevention of Discrimination and Protection of Minorities, in which the Sub-Commission expressed alarm at reports of massive repression against and displacement of indigenous populations,

Disturbed about the large number of missing persons, who, despite appeals from various international organizations to the Government of Guatemala, remain unaccounted for,

Noting with concern the state of siege in force in Guatemala since 1 July 1982, under which basic human rights are abrogated and serious violations of human rights are reported to occur,

1. Expresses its deep concern at the serious violations of human rights reported to be taking place in Guatemala, particularly those reports of widespread repression, killing and massive displacement of rural and indigenous populations;

2. Urges the Government of Guatemala to ensure that human rights and fundamental freedoms are fully respected by all its authorities and agencies, including its security forces;

37/185. Situation of human rights and fundamental freedoms in El Salvador

The General Assembly.

Guided by the principles embodied in the Charter of the United Nations and in the Universal Declaration of Human Rights,

Conscious of its responsibility in all circumstances to promote and encourage respect for human rights and fundamental freedoms for all,

Reiterating that the Governments of all Member States have an obligation to promote and protect human rights and fundamental freedoms and to carry out the responsibilities they have undertaken under various international human rights instruments,
Determined to remain vigilant with regard to violations of human rights wherever they occur and to take measures to restore respect for human rights and fundamental freedoms,

Recalling that, in its resolutions 35/192 of 15 December 1980 and 36/155 of 16 December 1981, it expressed deep concern at the situation of human rights in El Salvador, especially in view of the death of thousands of people, the climate of violence and insecurity prevailing in that country, and the impunity of paramilitary forces and other armed groups,

Bearing in mind Commission on Human Rights resolution 32 (XXVII) of 11 March 1981,\(^{128}\) in which the Commission decided to appoint a Special Representative on the situation of human rights in El Salvador, and resolution 1982/28 of 11 March 1982,\(^{129}\) whereby the Commission extended the mandate of the Special Representative for another year and requested him to report, \textit{inter alia}, to the General Assembly at its thirty-seventh session,

Taking note of resolutions 10 (XXXIV) of 9 September 1981\(^{130}\) and 1982/26 of 8 September 1982\(^{131}\) of the Sub-Commission on Prevention of Discrimination and Protection of Minorities,

Taking note with grave concern of the interim report of the Special Representative of the Commission on Human Rights,\(^{132}\) in which the unabated continuation of a climate of violence and insecurity in El Salvador with armed clashes, acts of terrorism and unbridled, large-scale and grave violations of human rights, as well as the failure of the judiciary to fulfill its duties to uphold the rule of law, are confirmed,

Observing that the elections which were held in El Salvador in March 1982 have not led to the cessation of violence or to any improvement in the situation of human rights and fundamental freedoms in that country,

1. \textit{Expresses its deepest concern} at the continued and unbridled violations of human rights and at the resulting suffering of the Salvadoran people, and regrets that the appeals for the cessation of violence made by the General Assembly, the Commission on Human Rights and the international community in general have not been heeded,

2. \textit{Again draws the attention} of all Salvadoran parties concerned to the fact that the rules of international law, as contained in article 3 common to the Geneva Conventions of 12 August 1949\(^{133}\) on the laws of war, are applicable to armed conflicts not of an international character and requests all parties to the conflict to apply a minimum standard of protection of human rights and of human treatment to the civilian population;

3. \textit{Notes} that the situation in El Salvador, as is clearly shown in the report of the Special Representative of the Commission on Human Rights, has its roots in internal political, economic and social factors, and that conditions in El Salvador for the effective exercise of civil and political rights do not exist at present;

4. \textit{Reaffirms} the right of the Salvadoran people freely to determine their political, economic and social future without interference from outside and in an atmosphere free from intimidation and terror from all parties;

5. \textit{Regrets} that the Government of El Salvador has not responded to suggestions to initiate, through available channels, contacts to negotiate a peaceful settlement with all representative political forces in that country;

6. \textit{Calls again upon} the parties in El Salvador to seek an end to all acts of violence in order to end the loss of life and the suffering of the people of El Salvador;

7. \textit{Reiterates its appeal} to the Government and other political forces in El Salvador to work together towards a comprehensive negotiated political solution in order to bring about a peaceful settlement and appropriate conditions for the establishment of a Government through free and unhindered elections, in an atmosphere free from intimidation and terror;

8. \textit{Reiterates its appeal} to all States to abstain from intervening in the internal situation in El Salvador and to suspend all supplies of arms and any type of military assistance, so as to allow the political forces in that country to restore peace and security and to permit the establishment of a democratic system;

9. \textit{Strongly urges} the Government of El Salvador to fulfill its obligations towards its citizens and to assume its international responsibilities in this regard by taking the necessary steps to ensure that human rights and fundamental freedoms are fully respected by all its agencies, including its security forces and other armed organizations operating under its authority or with its permission;

10. \textit{Urges} the judiciary in El Salvador to assume its obligation to uphold the rule of law and to prosecute and to punish those found responsible for assassinations, acts of torture and other forms of cruel, inhuman or degrading treatment;

11. \textit{Reiterates its appeal} to all Salvadorian parties concerned to co-operate fully and not to interfere with the activities of humanitarian organizations dedicated to alleviating the suffering of the civilian population, wherever these organizations operate in El Salvador;

12. \textit{Calls again upon} the Government of El Salvador, as well as all other parties concerned, to continue to co-operate with the Special Representative of the Commission on Human Rights;

13. \textit{Requests} the Commission on Human Rights at its thirty-ninth session to continue to examine, as a matter of high priority, the situation in El Salvador on the basis of the report of its Special Representative;

14. \textit{Decides} to keep under consideration, during its thirty-eighth session, the situation of human rights and fundamental freedoms in El Salvador, in order to examine this situation anew in the light of additional elements provided by the Commission on Human Rights and the Economic and Social Council.

\textit{The General Assembly,}

\textit{Mindful of its general humanitarian mandate under the Charter of the United Nations and its mandate to promote and encourage respect for human rights and fundamental freedoms for all,}

\textit{Deeply disturbed by the increasing scale and magnitude of exoduses and displacements of populations in many regions of the world and by the human suffering of millions of refugees and displaced persons in all regions of the world,}

\textit{Conscious that human rights violations are among the principal factors in the complex and multiple root causes of mass exoduses and displacements of population,}

\textit{Deeply preoccupied by the increasingly heavy burden being imposed upon the international community as a whole,}

Recalling further its resolution 32/130 of 16 December 1977 and Commission on Human Rights resolution 4 (XXXIII) of 21 February 1977 on the full realization of economic, social and cultural rights,

1. Commends the Special Rapporteur of the Commission on Human Rights for his study on human rights and massive exoduses;

2. Renews the invitation extended in Commission on Human Rights resolution 1982/32 to Governments, United Nations agencies or departments concerned, specialized agencies, international organizations and non-governmental organizations to communicate their views on the study and the recommendations contained therein to the Secretary-General;

3. Requests the Secretary-General to ensure that the views expressed to date on the study and the recommendations contained therein by all interested parties—Governments, United Nations agencies or departments concerned, specialized agencies, international organizations and non-governmental organizations—together with those to be received in the mean time, are made available to the Commission on Human Rights at its thirty-ninth session and to the Group of Governmental Experts on International Cooperation to Avert New Flows of Refugees to facilitate their further consideration of the study and its recommendations;

4. Invites the Commission on Human Rights at its thirty-ninth session, and the Group of Governmental Experts, at meetings to be held pursuant to General Assembly resolution 37/121 of 16 December 1982, to give careful consideration to those aspects of the study of the Special Rapporteur which fall within their respective mandates in the light of the views expressed by all interested parties;

5. Requests the Secretary-General to pursue his examination of the recommendations contained in the study, taking into account the views of Governments and other interested parties, as enumerated in paragraph 3 above, the debates in the General Assembly at its thirty-seventh session and the deliberations of the Commission on Human Rights at its thirty-ninth session, and of the Group of Governmental Experts, and to report thereon to the Assembly at its thirty-eighth session in order to enable it to continue its consideration of this matter.

2. Invites all Governments to take the necessary measures to ensure wide publicity for the Declaration;

3. Requests the Secretary-General to bring the Declaration to the attention of the appropriate specialized agencies, including the United Nations Educational, Scientific and Cultural Organization, and other appropriate bodies within the United Nations system, for the consideration of measures to implement the Declaration, and to report to the Commission on Human Rights at its thirty-ninth session on the views expressed;

Noting with appreciation Commission on Human Rights resolution 1982/7 of 19 February 1982,\(^\text{129}\)

Reaffirming the inherent right to life of all peoples and all individuals,

Deeply concerned that international peace and security continue to be threatened by the arms race, particularly the nuclear arms race, as well as by violations of the principles of the Charter of the United Nations regarding the sovereignty and territorial integrity of States and self-determination of peoples,

Aware that all horrors of past wars and all other calamities that have befallen people would pale in comparison with what is inherent in the use of nuclear weapons capable of destroying civilization on earth,

Noting the pressing need for urgent measures towards general and complete disarmament, particularly nuclear disarmament,

Bearing in mind that, in accordance with the International Covenant on Civil and Political Rights, any propaganda for war shall be prohibited by law,

Recalling the historic responsibility of the Governments of all countries of the world to remove the threat of war from the lives of people, to preserve civilization and ensure that everyone enjoys his inherent right to life,

The General Assembly.

Noting that scientific and technological progress is one
of the important factors in the development of human society,
Noting once again the great importance of the Declaration
on the Use of Scientific and Technological Progress in the
Interests of Peace and for the Benefit of Mankind, adopted
by the General Assembly in its resolution 3384 (XXX) of
10 November 1975,
Considering that implementation of the said Declaration
will contribute to the strengthening of international peace
and the security of peoples and to their economic and social
development, as well as to international co-operation in
the field of human rights,
Seriously concerned that the results of scientific and tech-
nological progress could be used for the arms race to the
detriment of international peace and security and social
progress, human rights and fundamental freedoms, and the
dignity of the human person,
Recognizing that the establishment of the new interna-
tional economic order calls in particular for an important
contribution to be made by science and technology to eco-
nomic and social progress,
Bearing in mind that the exchange and transfer of
scientific and technological knowledge is one of the important
ways to accelerate the social and economic development of
the developing countries,
Noting with satisfaction the report of the Secretary-
General on human rights and scientific and technological
developments,141
1. Stresses the importance of the implementation by all
States of the provisions and principles contained in the De-

Conscious of the importance of its task to contribute to
the improvement of the situation of children in the world
and to ensure their development and education in conditions
of peace,
Bearing in mind the need to pursue effective action with
a view to generating an international record of accomplish-
ment such as that of the International Year of the Child,
Noting again the important role of the United Nations
Children's Fund and the specialized agencies in promoting
the well-being of children and their development,
Aware of the importance of an international convention
on the rights of the child for more effective protection of
children's rights,
Noting with appreciation that further progress has been
made in the elaboration of a draft convention on the rights
of the child prior to147 and during148 the thirty-eighth session
of the Commission on Human Rights,
1. Welcomes Economic and Social Council resolution
1982/37, by which the Council authorized a meeting of an

Bearing in mind the important responsibilities of the Economic and Social Council in relation to the International Covenants on Human Rights,

Recognizing the important role of the Human Rights Committee in the implementation of the International Covenant on Civil and Political Rights and the Optional Protocol thereto,

6. Emphasizes the importance of States parties sending experts to present their reports under the International Covenants on Human Rights;

7. Again invites all States that have not yet done so to become parties to the International Covenant on Economic, Social and Cultural Rights and the International Covenant on Civil and Political Rights as well as to consider acceding to the Optional Protocol to the International Covenant on Civil and Political Rights;

8. Invites the States parties to the International Covenant on Civil and Political Rights to consider making the declaration provided for in article 41 of the Covenant;

37/192. Capital punishment

The General Assembly,

Recalling its decision 35/437 of 15 December 1980 and its resolution 36/59 of 25 November 1981 concerning the idea of elaborating a draft of a second optional protocol to the International Covenant on Civil and Political Rights, aiming at the abolition of the death penalty,

Decides to resume at its thirty-ninth session, under the item entitled “International Covenants on Human Rights”, consideration of the idea of elaborating a draft of a second optional protocol to the International Covenant on Civil and Political Rights, aiming at the abolition of the death penalty, with a view to considering what steps may be taken in this area.

111th plenary meeting 18 December 1982

37/193. Torture and other cruel, inhuman or degrading treatment or punishment

The General Assembly,
Recalling the Declaration on the Protection of All Persons from Being Subjected to Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment, adopted by the General Assembly in its resolution 3452 (XXX) of 9 December 1975,
Bearings in mind article 7 of the International Covenant on Civil and Political Rights,136
Recalling also its resolution 32/62 of 8 December 1977, in which it requested the Commission on Human Rights to draw up a draft convention against torture and other cruel, inhuman or degrading treatment or punishment, in the light of the principles embodied in the Declaration, and its resolution 32/63 of 8 December 1977,
Recalling further that the Sixth United Nations Congress on the Prevention of Crime and Treatment of Offenders, in its resolution 11 of 5 September 1980, expressed the belief that the draft convention should be finalized at the earliest possible time,153
Considering that it was not found possible to complete the work on the draft convention during the thirty-eighth session of the Commission on Human Rights,

1. Welcomes Economic and Social Council resolution 1982/38 of 7 May 1982, by which the Council authorized a meeting of an open-ended working group of the Commission on Human Rights for a period of one week prior to the thirty-ninth session of the Commission to complete the work on a draft convention on torture and other cruel, inhuman or degrading treatment or punishment;
2. Requests the Commission on Human Rights to complete as a matter of highest priority, at its thirty-ninth session, the drafting of a convention on torture and other cruel, inhuman or degrading treatment or punishment, with a view to submitting a draft, including provisions for the effective implementation of the future convention, to the General Assembly at its thirty-eighth session;

3. Decides to include in the provisional agenda of its thirty-eighth session the item entitled “Torture and other cruel, inhuman or degrading treatment or punishment”.

111th plenary meeting 18 December 1982

37/194. Principles of Medical Ethics

The General Assembly,
Recalling its resolution 31/85 of 13 December 1976, in which it invited the World Health Organization to prepare a draft code of medical ethics relevant to the protection of persons subjected to any form of detention or imprisonment against torture and other cruel, inhuman or degrading treatment or punishment,
Expressing once again its appreciation to the Executive Board of the World Health Organization which, at its sixty-third session, in January 1979, decided to endorse the principles set forth in a report entitled “Development of codes of medical ethics” containing, in an annex, a draft body of principles prepared by the Council for International Organizations of Medical Sciences and entitled “Principles of medical ethics relevant to the role of health personnel in the protection of persons against torture and other cruel, inhuman or degrading treatment or punishment”.
Bearings in mind Economic and Social Council resolution 1981/27 of 6 May 1981, in which the Council recommended that the General Assembly should take measures to finalize the draft Principles of Medical Ethics at its thirty-sixth session,
Recalling its resolution 36/61 of 25 November 1981, in which it decided to consider the draft Principles of Medical Ethics at its thirty-seventh session with a view to adopting them,
Alarmed that not infrequently members of the medical profession or other health personnel are engaged in activities which are difficult to reconcile with medical ethics,
Recognizing that throughout the world significant medical activities are increasingly being performed by health personnel not licensed or trained as physicians, such as physician-assistants, paramedics, physical therapists and nurse practitioners,
Recalling with appreciation the Declaration of Tokyo of the World Medical Association, containing the Guidelines for Medical Doctors concerning Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment in relation to Detention and Imprisonment, adopted by the twenty-ninth World Medical Assembly, held at Tokyo in October 1975,
Noting that in accordance with the Declaration of Tokyo measures should be taken by States and by professional associations and other bodies, as appropriate, against any attempt to subject health personnel or members of their families to threats or reprisals resulting from a refusal by such personnel to condone the use of torture or other forms of cruel, inhuman or degrading treatment,
Reaffirming the Declaration on the Protection of All Persons from Being Subjected to Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment, unanimously adopted by the General Assembly in its resolution 3452 (XXX) of 9 December 1975, in which it declared any act of torture or other cruel, inhuman or degrading treatment or punishment an offence to human dignity, a denial of the purposes of the Charter of the United Nations and a violation of the Universal Declaration of Human Rights,135
Recalling that, in accordance with article 7 of the Declaration adopted in resolution 3452 (XXX), each State shall

VI. Resolutions adopted on the reports of the Third Committee

ensure that the commission of all acts of torture, as defined in article 1 of that Declaration, or participation in, complicity in, incitement to or attempt to commit torture are offences under its criminal law.

Convinced that under no circumstances should a person be punished for carrying out medical activities compatible with medical ethics, regardless of the person benefiting therefrom, or be compelled to perform acts or to carry out work in contravention of medical ethics, but that, at the same time, contravention of medical ethics for which health personnel, particularly physicians, can be held responsible should entail accountability,

Desirous of setting further standards in this field which ought to be implemented by health personnel, particularly physicians, and by Government officials,

1. Adopts the Principles of Medical Ethics relevant to the role of health personnel, particularly physicians, in the protection of prisoners and detainees against torture and other cruel, inhuman or degrading treatment or punishment, set forth in the annex to the present resolution;

2. Calls upon all Governments to give the Principles of Medical Ethics, together with the present resolution, the widest possible distribution, in particular among medical and paramedical associations and institutions of detention or imprisonment, in an official language of the State;

3. Invites all relevant intergovernmental organizations, in particular the World Health Organization, and non-governmental organizations concerned to bring the Principles of Medical Ethics to the attention of the widest possible group of individuals, especially those active in the medical and paramedical field.

111th plenary meeting
18 December 1982

ANNEX

Principles of Medical Ethics relevant to the role of health personnel, particularly physicians, in the protection of prisoners and detainees against torture and other cruel, inhuman or degrading treatment or punishment

Principle 1

Health personnel, particularly physicians, charged with the medical care of prisoners and detainees have a duty to provide them with protection of their physical and mental health and treatment of disease of the same quality and standard as is afforded to those who are not imprisoned or detained.

Principle 2

It is a gross contravention of medical ethics, as well as an offence under applicable international instruments, for health personnel, particularly physicians, to engage, actively or passively, in acts which constitute participation in, complicity in, incitement to or attempts to commit torture or other cruel, inhuman or degrading treatment or punishment.154

154 See the Declaration on the Protection of All Persons from Being Subjected to Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment (resolution 3452 (XXX), annex), article 4 of which states:

'1. For the purpose of this Declaration, torture means any act by which severe pain or suffering, whether physical or mental, is intentionally inflicted on a person for such purposes as obtaining from him or a third person information or confession, punishing him for an act he has committed or is suspected of having committed, or intimidating him or other persons. It does not include pain or suffering arising only from, inherent in or incidental to, lawful sanctions to the extent consistent with the Standard Minimum Rules for the Treatment of Prisoners.

'2. Torture constitutes an aggravated and deliberate form of cruel, inhuman or degrading treatment or punishment.'"

Article 7 of the Declaration states:

'Each State shall ensure that all acts of torture as defined in article 1 are offences under its criminal law. The same shall apply in regard to acts which constitute participation in, complicity in, incitement to or an attempt to commit torture.'

Principle 3

It is a contravention of medical ethics for health personnel, particularly physicians, to be involved in any professional relationship with prisoners or detainees the purpose of which is not solely to evaluate, protect or improve their physical and mental health.

Principle 4

It is a contravention of medical ethics for health personnel, particularly physicians:

(a) To apply their knowledge and skills in order to assist in the interrogation of prisoners and detainees in a manner that may adversely affect the physical or mental health or condition of such prisoners or detainees and which is not in accordance with the relevant international instruments;155

(b) To certify, or to participate in the certification of, the fitness of prisoners or detainees for any form of treatment or punishment that may adversely affect their physical or mental health and which is not in accordance with the relevant international instruments, or to participate in any way in the infliction of any such treatment or punishment which is not in accordance with the relevant international instruments.

Principle 5

It is a contravention of medical ethics for health personnel, particularly physicians, to participate in any procedure for restraining a prisoner or detainee unless such a procedure is determined in accordance with purely medical criteria as being necessary for the protection of the physical or mental health or the safety of the prisoner or detainee himself, of his fellow prisoners or detainees, or of his guards, and presents no hazard to his physical or mental health.

Principle 6

There may be no derogation from the foregoing principles on any ground whatsoever, including public emergency.

The General Assembly.

Having considered the report of the United Nations High Commissioner for Refugees on the activities of his Office,156 as well as the report of the Executive Committee of the Programme of the High Commissioner on the work of its thirty-third session,157 and having heard the statement made by the High Commissioner before the Third Committee on 15 November 1982,158

37/197. **International Conference on Assistance to Refugees in Africa**

_The General Assembly,_

Having considered the reports of the Secretary-General on the Conference163 and the report of the United Nations High Commissioner for Refugees on the activities of his Office,162

Gravely concerned at the present influx of refugees on the African continent, who now constitute over half the population of refugees in the world,

Noting that, while the Conference succeeded in raising world consciousness with regard to the plight of refugees and returnees in Africa, as well as the problems of asylum countries, the overall results of the Conference in terms of financial and material assistance have fallen short of the expectations of the African countries,

Aware of the economic and social burden imposed on African countries of asylum by the growing influx of refugees and its consequences for their development and of the heavy sacrifices made by them, despite their limited resources, to alleviate the plight of those refugees,

Considering, therefore, the need of the countries of asylum for adequate human, technical and financial assistance to enable them properly to shoulder their increased responsibilities and assume the additional burden that the presence of refugees represents for their economies,

**Considering further** the need similarly to assist the countries of origin in the voluntary repatriation and resettlement of returnees, in accordance with the procedures of the Office of the United Nations High Commissioner for Refugees,

**Recognizing**, therefore, the need to review further, with the African Governments concerned, the burden imposed on their national economies by refugees and returnees.

1. **Commends** the Secretary-General for his reports on the International Conference on Assistance to Refugees in Africa, which were prepared in pursuance of paragraphs 6 and 9 of General Assembly resolution 36/124;

2. **Expresses its appreciation** to all donor countries, the United Nations High Commissioner for Refugees and the international community at large for their continued support and assistance to African refugees, including their efforts to facilitate the process of voluntary repatriation to the countries of origin;

3. **Expresses its concern** that the assistance currently being provided under existing refugee-related programmes falls short of the urgent needs of refugees and returnees in Africa and does not provide sufficient resources to permit the implementation of projects designed to ensure adequate care and relief for the refugees and to expedite the process of rehabilitation and resettlement;

4. **Expresses its appreciation** to the countries of asylum for the great contribution that they are making in alleviating the plight of refugees and urges the international community to give the assistance necessary to enable those countries to provide essential services and facilities for the refugees;

5. **Requests** the Secretary-General, in close co-operation with the Secretary-General of the Organization of African Unity and the United Nations High Commissioner for Refugees, to convene at Geneva in 1984 a second International Conference on Assistance to Refugees in Africa:

(a) To review thoroughly the results of the Conference held in 1981 as well as the state of progress of the projects submitted to it;

(b) To consider the continuing need for assistance with a view to providing, as necessary, additional assistance to refugees and returnees in Africa for the implementation of programmes for their relief, rehabilitation and resettlement;

(c) To consider the impact imposed on the national economies of the African countries concerned and to provide them with the assistance required to strengthen their social and economic infrastructure so as to enable them to cope with the burden of dealing with large numbers of refugees and returnees;

6. **Also requests** the Secretary-General, in close co-operation with the Secretary-General of the Organization of African Unity and the United Nations High Commissioner for Refugees, to consult with the African countries concerned with regard to their needs for dealing adequately with the problem of refugees and returnees and to submit a report on the situation in each country so as to enable the

---

proposed Conference to have an up-to-date assessment, by priority, of the humanitarian, rehabilitation and resettlement needs of the refugees and returnees, and the assistance required by the countries concerned to strengthen existing services, facilities and infrastructure and, for that purpose, to reallocate existing resources;

7. Calls upon the competent specialized agencies and organizations of the United Nations system, including the development-oriented organizations, to provide all necessary co-operation and support to the Secretary-General in respect of the report called for in paragraph 6 above, to be prepared for the Conference to be held in 1984;

8. Requests the Secretary-General to ensure that adequate financial and budgetary arrangements are made to cover the expenses involved in the preparation of the report, as well as those for the organization of the Conference in 1984;

9. Appeals to the international community, all Member States, the specialized agencies and regional, intergovernmental and non-governmental organizations to provide the utmost support for the Conference with a view to offering maximum financial and material assistance to refugees and returnees in Africa;

10. Invites the executive bodies of the specialized agencies and intergovernmental and non-governmental organizations to bring the present resolution to the attention of their members and to consider, within their respective spheres of competence, various ways and means substantially to increase assistance to African refugees and returnees;

11. Stresses that any additional assistance provided for refugee-related projects should not be at the expense of the development needs of the countries concerned;

12. Requests the Secretary-General to report to the General Assembly at its thirty-eighth session on the implementation of the present resolution.

37/196. International campaign against traffic in drugs

The General Assembly,
Recalling its resolutions 36/132 of 14 December 1981, in which it recognized the need, within the context of the International Drug Abuse Control Strategy,\textsuperscript{164} for an effective international campaign against traffic in drugs, and 36/168 of 16 December 1981, in which it adopted the Strategy and the basic five-year programme of action,\textsuperscript{164}
Taking note of Economic and Social Council resolutions 1982/8 and 1982/9 of 30 April 1982,
Having considered the report of the Secretary-General,\textsuperscript{165}
Reaffirming the need to improve regional and interregional co-operation and co-ordination, particularly in the field of law enforcement, to eradicate illicit traffic,
Acknowledging that many countries, including developing countries, continue to divert substantial human, financial and other resources to control international drug trafficking,
Recognizing, in particular, the dilemma of transit States, which have no control over the production of and demand for illicit narcotics, yet are seriously affected both at the domestic and international levels by the movement of illicit drugs,

\textsuperscript{165} A/37/390.

Noting the significant role of the international drug control treaties in the development of effective countermeasures in combating the illicit supply, demand and traffic in drugs,
Considering the important role of the United Nations Fund for Drug Abuse Control in the implementation of various drug control programmes, particularly in developing countries, and the necessity of increasing contributions to the Fund to permit it to continue its most valuable work,
Takes note with appreciation of the report of the Secretary-General;

2. Calls upon Member States that have not yet done so to ratify the international drug control treaties and, until such time, to endeavour to abide by the provisions thereof;

3. Encourages Member States to contribute, or to continue to contribute, to the United Nations Fund for Drug Abuse Control so that it may pursue its useful programmes in the field of drug abuse control;

4. Urges organizations and programmes within the United Nations system, as well as Member States with available resources and expertise, to continue to grant technical and other forms of assistance, especially in the area of training of law enforcement professionals, to countries most affected by the illicit production of and traffic in drugs and drug abuse;

5. Requests the Secretary-General, through the Commission on Narcotic Drugs, to explore all avenues leading to further improving regional and international co-ordination of activities against drug trafficking and drug abuse, in particular:
(a) To explore the feasibility of establishing, on a continuing basis, co-ordination mechanisms for drug law enforcement in regions where these do not exist;
(b) To give adequate priority to measures designed to alleviate the special problems of transit States;
(c) To consider convening in 1986 an interregional meeting of heads of national drug law enforcement agencies;

37/200. Further promotion and protection of human rights and fundamental freedoms

The General Assembly,

Aware that in the Charter of the United Nations the peoples of the United Nations declared their determination to reaffirm faith in fundamental human rights, in the dignity and worth of the human person and in the equal rights of men and women and to promote social progress and better standards of life in larger freedom,

Conscious that it is a purpose of the United Nations and the duty of all Member States to achieve international cooperation in solving international problems of an economic, social, cultural or humanitarian character, and in promoting and encouraging respect for human rights and for fundamental freedoms for all without distinction as to race, sex, language or religion,

Convinced that a primary aim of such international cooperation must be the achievement by each human being of a life of freedom and dignity,

Aware that efforts to promote and protect human rights at the international level should be accompanied by efforts to establish a new international economic order,

Aware also that the promotion and protection of human rights are necessary conditions for the development of the human personality, whether in its individual or its social aspects, and that social development must be based on respect for the dignity of man from which all human rights derive their justification,

Considering that the advancement of development objectives is related to the promotion of harmonious relations within and among States,

Considering also that the great resources which would be released by disarmament could contribute significantly to the development of all States, especially those which are at present least developed,

Bearing in mind that the maintenance of international peace and security is vital for social and economic progress and for the full realization of human rights,

Bearing in mind also that mass and flagrant violations of human rights in one State may threaten the peace and development of neighbouring States, of a region or of the international community as a whole,

Recognizing that violations of human rights, wherever they exist, are of concern to the United Nations,

Emphasizing that the absence of peace or development can never exempt a State from its obligation to ensure respect for the human rights of its nationals and of other persons within its jurisdiction,

Reaffirming that everyone is entitled to all the rights and freedoms set forth in the Universal Declaration of Human Rights, without distinction of any kind, as to race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status,

Reaffirming also that nothing in the Universal Declaration of Human Rights may be interpreted as implying for any State, group or person any right to engage in any activity or perform any act aimed at the destruction of any of the rights and freedoms set forth therein,

Considering that regional arrangements for the promotion and protection of human rights can make a major contribution to the effective enjoyment of human rights and fundamental freedoms and that the exchange of information and experience in this field among the regions and within the United Nations system could be improved,

Underlining the obligation that Governments have to promote and protect human rights and to carry out the responsibilities that they have undertaken under various international instruments in the field of human rights,

Acknowledging the progress achieved by the international community in the promotion and protection of human rights and fundamental freedoms, particularly with respect to the setting of standards,

Acknowledging also the valuable efforts of the Commission on Human Rights in the study of violations of human rights and fundamental freedoms in any part of the world,

Aware of the need to allocate additional resources, including staff, to the Centre for Human Rights of the Secretariat,

Recalling its resolutions on this question, in particular its resolution 32/130 of 16 December 1977.

1. Affirms that a primary aim of international cooperation in the field of human rights is a life of freedom and dignity for each human being, that all human rights and fundamental freedoms are indivisible and interrelated and that the promotion and protection of one category of rights should never exempt or excuse States from the promotion and protection of the others;

2. Notes that mass and flagrant violations of human rights in one State may threaten the peace and development of neighbouring States, of a region or of the international community as a whole;

3. Emphasizes that foreign occupation, colonialism, apartheid, racism and racial discrimination and the denial of the right to self-determination of peoples and of all universally recognized human rights are serious impediments to peace and development;

4. Reaffirms that violations of human rights, wherever they exist, are of concern to the United Nations;

5. Considers that efforts to promote and protect human rights at the international level should be accompanied by efforts to establish a new international economic order;

6. Recognizes that the realization of the potentialities of the human person in harmony with the community should be seen as the central purpose of development;

7. Affirms that everyone has the right to participate in, as well as to benefit from, the development process;

8. Commends the Commission on Human Rights and its ad hoc working group, established by the Commission pursuant to its resolution 36 (XXXVII) of 11 March 1981, for their continuing efforts in the study of the right to development;

9. Stresses that Governments have a duty to take special measures to secure the human rights of vulnerable or disadvantaged groups of individuals;

10. Requests Member States that have not yet done so to consider ratifying or acceding to the various conventions in the field of human rights;

11. Urges all States to co-operate with the Commission on Human Rights in its study of violations of human rights and fundamental freedoms in any part of the world;

12. Requests the Commission on Human Rights at its thirty-ninth session to continue its efforts to improve the capacity of the United Nations system to take urgent action in cases of serious violations of human rights, bearing in mind the proposals submitted by the Sub-Commission on
VI. Resolutions adopted on the reports of the Third Committee

Prevention of Discrimination and Protection of Minorities on possible terms of reference for the draft mandate of a High Commissioner for Human Rights; 170

13. Requests the Secretary-General to take appropriate measures to strengthen the Centre for Human Rights of the Secretariat;

14. Also requests the Secretary-General, in the light of the thirty-fifth anniversary of the Universal Declaration of Human Rights, to include in the updated study on international conditions and human rights, which the General Assembly, in its resolution 36/133 of 14 December 1981, requested him to submit to it at its thirty-eighth session, an overview of trends in the field of human rights with emphasis on the problems still being encountered;

15. Decides to include in the provisional agenda of its thirty-eighth session the item entitled “Alternative approaches and ways and means within the United Nations system for improving the effective enjoyment of human rights and fundamental freedoms”.

37/201. New international humanitarian order

The General Assembly,
Recalling its resolution 36/136 of 14 December 1981,
Taking note of the report of the Secretary-General, 171
Bearing in mind that, as noted by the Secretary-General in his report, all Governments that provided their views on the proposal for the promotion of a new international humanitarian order supported the intentions underlying the proposal and the need for developing greater international awareness of humanitarian issues and more effective means of dealing with such issues, 172

Recognizing the need for again seeking the views of Governments that have not yet provided them to the Secretary-General,
Noting the proposal for the establishment, outside the framework of the United Nations, of an independent commission on international humanitarian issues, composed of leading personalities in the humanitarian field or having wide experience of government or world affairs, 173

Recognizing further that the deliberations of such a commission, if established, could be useful for further study of the proposal,

1. Requests Governments that have not yet done so to communicate their views on the proposal for the promotion of a new international humanitarian order to the Secretary-General;

2. Invites the Secretary-General to provide a more comprehensive report on the subject to the General Assembly at its thirty-eighth session;

3. Decides to review at its thirty-eighth session the question of a new international humanitarian order.

The General Assembly,

Having considered the question of American Samoa,

Having examined the relevant chapters of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, 2

Recalling its resolution 1514 (XV) of 14 December 1960, containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, and all other resolutions and decisions of the United Nations relating to American Samoa,

Taking into account the statement of the representative of the administering Power, 3

Conscious of the need to promote progress towards the full implementation of the Declaration in respect of American Samoa,

Noting with appreciation the continued active participation of the administering Power in the work of the Special Committee in regard to American Samoa, thereby enabling it to conduct a more informed and meaningful examination of the situation in the Territory, with a view to accelerating the process of decolonization for the purpose of the full implementation of the Declaration,

Considering that it remains the obligation of the administering Power to carry out a thorough programme of political education so as to ensure that the people of American Samoa are made fully aware of their inalienable right to self-determination and independence in accordance with General Assembly resolution 1514 (XV),

Noting with interest that the Office of Economic Development and Planning of the Government of American Samoa is now implementing a five-year economic development plan, focusing on economic diversification, land use, housing, banking and tourism, for the benefit of the people of the Territory,

Aware of the special circumstances of the geographical location and economic conditions of American Samoa and stressing the necessity of diversifying the economy of the Territory as a matter of priority in order to reduce its dependence on fluctuating economic activities,

Mindful that United Nations visiting missions provide an effective means of ascertaining the situation in the small Territories and expressing its satisfaction at the willingness

7. Reaffirms the responsibility of the administering Power, under the Charter, for the economic and social development of the Territory;

The General Assembly,

Having considered the item entitled “Activities of foreign economic and other interests which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Namibia and in all other Territories under colonial domination and efforts to eliminate colonialism, apartheid and racial discrimination in southern Africa”,

Having examined the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to this question,

Taking into consideration the relevant chapters of the report of the United Nations Council for Namibia,

Taking note of the progress report of the United Nations Centre on Transnational Corporations, relating to the preparation of a register indicating the profits which transnational corporations derive from their activities in colonial Territories, submitted in pursuance of General Assembly resolution 36/51 of 24 November 1981,

Recalling its resolutions 1514 (XV) of 14 December 1960, containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, 2621 (XXV) of 12 October 1970, containing the programme of action for the full implementation of the Declaration, and 35/118 of 11 December 1980, the annex to which contains the Plan of Action for the Full Implementation of the Declaration, as well as all other resolutions of the United Nations relating to the item,

Reaffirming the solemn obligation of the administering Powers under the Charter of the United Nations to promote the political, economic, social and educational advancement of the inhabitants of the Territories under their administration and to protect the human and natural resources of those Territories against abuses,

Bearing in mind the relevant resolutions adopted by the Council of Ministers of the Organization of African Unity at its thirty-seventh ordinary session, held at Nairobi from 15 to 26 June 1981, and endorsed by the Assembly of Heads of State and Government of the Organization of African Unity at its eighteenth ordinary session, held at Nairobi from 24 to 27 June 1981,

Taking into account the relevant provisions of the Special Declaration on Namibia, adopted by the International Conference on Sanctions against South Africa,

Reaffirming that any economic or other activity which impedes the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and obstructs efforts aimed at the elimination of colonialism, apartheid and racial discrimination in southern Africa and other colonial Territories is in direct violation of the rights of the inhabitants and of the principles of the Charter and all relevant resolutions of the United Nations,

Reaffirming that the natural resources of all Territories under colonial and racist domination are the heritage of the peoples of those Territories and that the exploitation and depletion of those resources by foreign economic interests, in particular in Namibia, in association with the occupying regime of South Africa, constitute a direct violation of the rights of the peoples and of the Charter and all relevant resolutions of the United Nations,

Bearing in mind the relevant provisions of the final communiqué and other documents of the Ministerial Meeting of the Co-ordinating Bureau of the Non-Aligned Countries, held at Havana from 31 May to 5 June 1982,

Taking into account the relevant provisions of the Arusha Declaration and Programme of Action on Namibia, adopted by the United Nations Council for Namibia on 13 May 1982 at its extraordinary plenary meeting held at Arusha, United Republic of Tanzania,

Noting with profound concern that the colonial Powers and certain States, through their activities in the colonial Territories, have continued to disregard United Nations decisions relating to the item and that they have failed to implement in particular the relevant provisions of General

\[\text{37 Ibid., Supplement No. 24 (A/37/24), part two, chaps. IV and XI A.}\]
Assembly resolutions 2621 (XXV) and 36/51, by which the Assembly called upon all Governments that had not yet done so to take legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction that own and operate enterprises in colonial Territories, particularly in Africa, which are detrimental to the interests of the inhabitants of those Territories, in order to put an end to such enterprises and to prevent new investments that run counter to the interests of the inhabitants of those Territories,

Condemning the intensified activities of those foreign economic, financial and other interests which continue to exploit the natural and human resources of the colonial Territories and to accumulate and repatriate huge profits to the detriment of the interests of the inhabitants, particularly in the case of Namibia, thereby impeding the realization by the peoples of the Territories of their legitimate aspirations for self-determination and independence,

Strongly condemning the support which the racist minority régime of South Africa continues to receive from those foreign economic, financial and other interests which are collaborating with it in the exploitation of the natural and human resources of the international Territory of Namibia, in the further entrenchment of its illegal racist domination over the Territory and in the strengthening of its system of apartheid,

Strongly condemning the investment of foreign capital in the production of uranium and the collaboration of certain Western States and other States with the racist minority régime of South Africa in the nuclear field which, by providing that régime with nuclear equipment and technology, enable it to develop nuclear and military capabilities and to become a nuclear Power, thereby promoting South Africa’s continued illegal occupation of Namibia,

Concerned about the conditions in other colonial Territories, including certain Territories in the Caribbean and the Pacific regions, where foreign economic, financial and other interests continue to deprive the indigenous populations of their rights over the wealth of their countries, and where the inhabitants of those Territories continue to suffer from a loss of land ownership as a result of the failure of the administering Powers concerned to restrict the sale of land to foreigners, despite the repeated appeals of the General Assembly,

Conscious of the continuing need to mobilize world public opinion against the involvement of foreign economic, financial and other interests in the exploitation of natural and human resources, which impedes the independence of colonial Territories and the elimination of racism, particularly in southern Africa,

1. **Reaffirms** the inalienable right of the peoples of dependent Territories to self-determination and independence and to the enjoyment of the natural resources of their Territories, as well as their right to dispose of those resources in their best interests;

2. **Reiterates** that any administering or occupying Power that deprives the colonial peoples of the exercise of their legitimate rights over their natural resources or subordinates the rights and interests of those peoples to foreign economic and financial interests violates the solemn obligations it has assumed under the Charter of the United Nations;

3. **Reaffirms** that, by their depletion exploitation of natural resources, the continued accumulation and repatriation of huge profits and the use of those profits for the enrichment of foreign settlers and the entrenchment of colonial domination and racial discrimination in the Territories, the activities of foreign economic, financial and other interests operating at present in the colonial Territories, particularly in southern Africa, constitute a major obstacle to political independence and racial equality as well as to the enjoyment of the natural resources of those Territories by the indigenous inhabitants;

4. **Condemns** the activities of foreign economic and other interests in the colonial Territories impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV), and the efforts to eliminate colonialism, apartheid and racial discrimination;

5. **Condemns** the policies of Governments that continue to support or collaborate with those foreign economic and other interests engaged in exploiting the natural and human resources of the Territories, including in particular illegally exploiting Namibia’s marine resources, violating the political, economic and social rights and interests of the indigenous peoples and thus obstructing the full and speedy implementation of the Declaration in respect of those Territories;

6. **Strongly condemns** the collusion of the Governments of certain Western States and other States with the racist minority régime of South Africa in the nuclear field and calls upon those and all other Governments to refrain from supplying that régime, directly or indirectly, with installations that might enable it to produce uranium, plutonium and other nuclear materials, reactors or military equipment;

7. **Requests** the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to continue to monitor closely the situation in other Non-Self-Governing Territories so as to ensure that all economic activities in those Territories are aimed at strengthening and diversifying their economies in the interests of the indigenous peoples and their speedy accession to independence, and that those peoples are not exploited for political, military and other purposes detrimental to their interests;

8. **Strongly condemns** those Western States and all other States, as well as the transnational corporations, which continue their investments in and supply of arms, ammunition and nuclear technology to, the racist régime of South Africa, thus buttressing it and aggravating the threat to world peace;

9. **Calls upon** all States, in particular certain Western States, to take urgent, effective measures to terminate all collaboration with South Africa in the political, diplomatic, economic, trade, military and nuclear fields and to refrain from entering into other relations with the racist régime of South Africa in violation of the relevant resolutions of the United Nations and of the Organization of African Unity;

10. **Calls once again upon** all Governments that have not yet done so to take legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction that own and operate enterprises in colonial Territories, particularly in Africa, which are detrimental to the interests of the inhabitants of those Territories, in order to put an end to such enterprises and to prevent new investments that run counter to the interests of the inhabitants of those Territories;

11. **Calls upon** all States to terminate, or cause to have terminated, any investments in Namibia or loans to the racist minority régime of South Africa and to refrain from any agreements or measures to promote trade or other economic relations with that régime;

12. **Requests** all States that have not yet done so to take effective measures to end the supply of funds and other forms of assistance, including military supplies and equipment, to the racist minority régime of South Africa, which uses such assistance to repress the people of Namibia and their national liberation movement:
13. Strongly condemns South Africa for its continued exploitation and plundering of the natural resources of Namibia, in complete disregard of the legitimate interests of the Namibian people, for the creation in the Territory of an economic structure dependent essentially upon its mineral resources and for its illegal extension of the territorial sea and its proclamation of an economic zone off the coast of Namibia;

14. Calls upon those oil-producing and oil-exporting countries that have not yet done so to take effective measures against the oil companies concerned so as to terminate the supply of crude oil and petroleum products to the racist régime of South Africa;

15. Reiterates that the exploitation and plundering of the natural resources of Namibia by South African and other foreign economic interest in the Eastern and Southern regions, the activities of those transnational corporations which are engaged in the exploitation and export of the Territory’s uranium ores and other resources, in violation of the relevant resolutions of the General Assembly and the Security Council and of Decree No. 1 for the Protection of the Natural Resources of Namibia, enacted by the United Nations Council for Namibia on 27 September 1974, are illegal and contribute to the maintenance of the illegal occupation régime;

16. Calls once again upon all States to discontinue all economic, financial and trade relations with the racist minority régime of South Africa concerning Namibia and to refrain from entering into any relations with South Africa, purporting to act on behalf of or concerning Namibia, which may lend support to its continued illegal occupation of that Territory;

17. Invites all Governments and organizations of the United Nations system, having regard to the relevant provisions of the Declaration on the Establishment of a New International Economic Order, contained in General Assembly resolution 3201 (S-VI) of 1 May 1974, and of the Charter of Economic Rights and Duties of States, contained in Assembly resolution 3281 (XXIX) of 12 December 1974, to ensure, in particular, that the permanent sovereignty of the colonial Territories over their natural resources is fully respected and safeguarded;

18. Calls upon the administering Powers to abolish all discriminatory and unjust wage systems and working conditions prevailing in the Territories under their administration and to apply in each Territory a uniform system of wages to all the inhabitants without any discrimination;

19. Requests the Secretary-General to continue, through the Department of Public Information of the Secretariat, a sustained and broad campaign with a view to informing world public opinion of the facts concerning the pillaging of natural resources in colonial Territories and the exploitation of their indigenous populations by foreign monopolies and, in respect of Namibia, the support they render to the racist minority régime of South Africa;

20. Appeals to all non-governmental organizations to continue their campaign to mobilize international public opinion for the enforcement of economic and other sanctions against the Pretoria régime;

21. Requests the United Nations Centre on Transnational Corporations to complete the register called for in General Assembly resolution 36/51, indicating the profits that transnational corporations derive from their activities in colonial Territories, and to report thereon to the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples at its session in 1983 and to the Assembly at its thirty-eighth session;

22. Requests the Special Committee to continue to examine this question and to report thereon to the General Assembly at its thirty-eighth session.

37/32. Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations

The General Assembly,

Having examined the item entitled “Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations”,

Recalling the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in its resolution 1514 (XV) of 14 December 1960, and the Plan of Action for the Full Implementation of the Declaration, contained in the annex to its resolution 35/118 of 11 December 1980, as well as all other relevant resolutions adopted by the General Assembly on this subject, in particular resolution 36/52 of 24 November 1981,

Recalling also its resolution ES-8/2 of 14 September 1981 on the question of Namibia,

Having examined the reports submitted on the item by the Secretary-General, the Economic and Social Council and the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,

Taking into account the relevant provisions of the Arusha Declaration and Programme of Action on Namibia adopted by the United Nations Council for Namibia on 13 May 1982 at its extraordinary plenary meeting held at Arusha, United Republic of Tanzania,

Bearing in mind the relevant provisions of the final communiqué and other documents of the Ministerial Meeting of the Co-ordinating Bureau of the Non-Aligned Countries, held at Havana from 31 May to 5 June 1982,

Aware that the struggle of the people of Namibia is in its most crucial stage and has sharply intensified as a consequence of the stepped-up aggression of the illegal colonialist régime of Pretoria against the people of the Territory and the increased general support rendered to that régime by the United States of America and other Western States, coupled with efforts to deprive the Namibian people of their hard-won victories in the liberation struggle, and that it is therefore incumbent upon the entire international community decisively to intensify concerted action in support of the people of Namibia and their sole and authentic representative, the South West Africa People’s Organization, for the attainment of their goal,

Deeply conscious of the critical need of the Namibian people and their national liberation movement, the South West Africa People’s Organization, and of the peoples of other colonial Territories for concrete assistance from the specialized agencies and other organizations of the United

Nations system in their struggle for liberation from colonial rule and in their efforts to achieve and consolidate their national independence,

Reaffirming the responsibility of the specialized agencies and other organizations of the United Nations system to take all the necessary measures, within their respective spheres of competence, to ensure the full and speedy implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and other relevant resolutions of the United Nations, particularly those relating to the provision of moral and material assistance, on a priority basis, to the peoples of the colonial Territories and their national liberation movements,

Deeply concerned that, although there has been progress in the extension of assistance to refugees from Namibia, the actions taken hitherto by the organizations concerned in providing assistance to the people of the Territory through their national liberation movement, the South West Africa People's Organization, still remain inadequate to meet the urgent needs of the Namibian people,

Expressing its confident hope that closer contacts and consultations between the specialized agencies and other organizations of the United Nations system and the Organization of African Unity and the national liberation movement concerned will help to overcome procedural and other difficulties which have impeded or delayed the implementation of some assistance programmes,

Recalling its resolution 36/121 D of 10 December 1981, in which it requested all specialized agencies and other organizations and conferences of the United Nations system to grant full membership to the United Nations Council for Namibia as the legal Administering Authority for Namibia,

Expressing its appreciation to the General Secretariat of the Organization of African Unity for the continued cooperation and assistance extended by it to the specialized agencies and other organizations of the United Nations system in connection with the implementation of the relevant resolutions of the United Nations,

Expressing its appreciation also to the Governments of the front-line States for the steadfast support extended to the people of Namibia and their national liberation movement, the South West Africa People's Organization, in their just and legitimate struggle for the attainment of freedom and independence despite increased armed attacks by the forces of the racist régime of South Africa, and aware of the particular needs of those Governments for assistance in that connection,

Noting with satisfaction the intensified efforts of the United Nations Development Programme in the extension of assistance to the national liberation movements and commending its initiative in establishing channels for closer periodic contacts and consultations between the specialized agencies and other organizations of the United Nations system and the Organization of African Unity and the national liberation movements in the formulation of assistance programmes,

Noting also the support given by the specialized agencies and other organizations of the United Nations system to the implementation of the Nationhood Programme for Namibia in accordance with General Assembly resolution 32/9 A of 4 November 1977,

Gravely concerned at the continued collaboration between the International Monetary Fund and the Government of South Africa in disregard of relevant General Assembly resolutions,

Noting with satisfaction the meeting between representatives of the General Secretariat of the Organization of African Unity and the secretariats of the United Nations and other organizations of the United Nations system, held at Geneva from 6 to 8 April 1982\textsuperscript{47} in accordance with General Assembly resolution 36/80 of 9 December 1981,

Mindful of the necessity of keeping under continuous review the activities of the specialized agencies and other organizations of the United Nations system in the implementation of the various United Nations decisions relating to decolonization,

1. Approves the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the question;\textsuperscript{46}

2. Reaffirms that the specialized agencies and other organizations and institutions of the United Nations system should continue to be guided by the relevant resolutions of the United Nations in their efforts to contribute, within their spheres of competence, to the full and speedy implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV);

3. Reaffirms also that the recognition by the General Assembly, the Security Council and other United Nations organs of the legitimacy of the struggle of colonial peoples to exercise their right to self-determination and independence entails, as a corollary, the extension by the specialized agencies and other organizations of the United Nations system of all the necessary moral and material assistance to those peoples and their national liberation movements;

4. Expresses its appreciation to those specialized agencies and other organizations of the United Nations system which have continued to co-operate in varying degrees with the United Nations and the Organization of African Unity in the implementation of the Declaration and other relevant resolutions of the United Nations, and urges all the specialized agencies and other organizations of the United Nations system to accelerate the full and speedy implementation of the relevant provisions of those resolutions;

5. Expresses its concern that the assistance extended thus far by certain specialized agencies and other organizations of the United Nations system to the colonial peoples, particularly the people of Namibia and their national liberation movement, the South West Africa People's Organization, is far from adequate in relation to the actual needs of the peoples concerned;

6. Regrets, notwithstanding the statement of the representative of the World Bank of 17 May 1982 that the Bank has terminated business relations with the régime of South Africa,\textsuperscript{48} that the World Bank and the International Monetary Fund continue to maintain links with the racist régime of Pretoria as exemplified by the continued membership of South Africa in both agencies;

7. Deeply deplores the persistent collaboration between the International Monetary Fund and South Africa, in disregard of repeated resolutions to the contrary by the General Assembly, and calls upon the International Monetary Fund to put an end to such collaboration;

8. Urges the executive heads of the World Bank and the International Monetary Fund to draw the particular attention of their governing bodies to the present resolution with a view to formulating specific programmes beneficial to the peoples of the colonial Territories, particularly Namibia;

9. Requests the specialized agencies and other organizations of the United Nations system to render or continue to render, as a matter of urgency, all possible moral and

material assistance to the colonial peoples struggling for liberation from colonial rule;

10. Requests once again the specialized agencies and other organizations of the United Nations system to continue to provide all moral and material assistance to the newly independent and emerging States;

11. Reiterates its recommendation that the specialized agencies and other organizations of the United Nations system should initiate or broaden contacts and co-operation with the colonial peoples and their national liberation movements, directly or, where appropriate, through the Organization of African Unity, and review and introduce greater flexibility in their procedures with respect to the formulation and preparation of assistance programmes and projects so as to be able to extend the necessary assistance without delay to help the colonial peoples and their national liberation movements in their struggle to exercise their inalienable right to self-determination and independence in accordance with General Assembly resolution 1514 (XV);

12. Notes with satisfaction that the South West Africa People's Organization continues to be the beneficiary of a number of programmes established within the framework of the United Nations Institute for Namibia at Lusaka and that the United Nations Council for Namibia, in co-operation with the South West Africa People's Organization, continues to represent the people of Namibia at meetings of the specialized agencies and other organizations and institutions of the United Nations system, and urges those agencies and organizations to increase their assistance to the South West Africa People's Organization, as well as to the United Nations Institute for Namibia and the Nationhood Programme for Namibia;

13. Urges the specialized agencies and other organizations of the United Nations system which have not already done so to include in the agenda of the regular meetings of their governing bodies a separate item on the progress they have made in the implementation of the Declaration and the other relevant resolutions of the United Nations;

14. Requests the specialized agencies and other organizations of the United Nations system, in accordance with the relevant resolutions of the General Assembly and the Security Council, to take all necessary measures to withhold any financial, economic, technical or other assistance from the Government of South Africa, to discontinue all support to that Government until it restores to the people of Namibia their inalienable right to self-determination and independence and to refrain from taking any action which might imply recognition of, or support for, the legitimacy of the domination of the Territory by that régime;

15. Notes with satisfaction the arrangements made by several specialized agencies and other organizations of the United Nations system which enable representatives of the national liberation movements recognized by the Organization of African Unity to participate fully as observers in the proceedings relating to matters concerning their respective countries and calls upon those agencies and organizations that have not yet done so to follow this example and to make the necessary arrangements without delay;

16. Urges the specialized agencies and other organizations of the United Nations system that have so far not granted full membership to the United Nations Council for Namibia to do so without delay;

17. Urges the specialized agencies and other organizations and institutions of the United Nations system to extend, as a matter of priority, substantial material assistance to the Governments of the front-line States in order to enable them more effectively to support the struggle of the people of Namibia for freedom and independence and to resist the violation of their territorial integrity by the armed forces of the racist régime of South Africa, directly or, as in Angola, through puppet traitor groups in the service of Pretoria;

18. Urges the specialized agencies and other organizations and institutions of the United Nations system to assist in accelerating progress in all sectors of the national life of the small Territories, particularly in the development of their economies;

19. Recommends that all Governments should intensify their efforts in the specialized agencies and other organizations of the United Nations system of which they are members to ensure the full and effective implementation of the Declaration and other relevant resolutions of the United Nations and, in that connection, should accord priority to the question of providing assistance on an emergency basis to the peoples of the colonial Territories and their national liberation movements;

20. Reiterates its proposal, under article III of the Agreement between the United Nations and the International Monetary Fund," for the urgent inclusion in the agenda of the Board of Governors of the Fund of an item dealing with the relationship between the Fund and South Africa and further reiterates its proposal that, in pursuance of article II of the Agreement, the relevant organs of the United Nations should participate in any meeting of the Board of Governors called by the Fund for the purpose of discussing the item;

21. Recommends the sending in 1983 of a high-level mission to the International Monetary Fund which, subject to the agreement of the United Nations bodies involved, would be composed of the Chairman of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, the President of the United Nations Council for Namibia and the Chairman of the Special Committee against Apartheid;

22. Draws the attention of the specialized agencies and other organizations of the United Nations system to the Plan of Action for the Full Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in the annex to General Assembly resolution 35/118, and in particular to the provisions of paragraph 19 calling on the agencies and organizations to render all possible moral and material assistance to the peoples of the colonial Territories and their national liberation movements;

23. Urges the executive heads of the specialized agencies and other organizations of the United Nations system, having regard to the provisions of paragraphs 11 and 22 above, to formulate, with the active co-operation of the Organization of African Unity where appropriate, and to submit, as a matter of priority, to their governing and legislative organs concrete proposals for the full implementation of the relevant United Nations decisions, in particular specific programmes of assistance to the peoples of the colonial Territories and their national liberation movements;

24. Requests the Secretary-General to continue to assist the specialized agencies and other organizations of the United Nations system in working out appropriate measures for implementing the relevant resolutions of the United Nations and to prepare for submission to the relevant bodies, with the assistance of those agencies and organizations, a report on the action taken since the circulation of his previous report in implementation of the relevant resolutions, including the present resolution;

---

25. Requests the Economic and Social Council to continue to consider, in consultation with the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, appropriate measures for the co-ordination of the policies and activities of the specialized agencies and other organizations of the United Nations system in implementing the relevant resolutions of the General Assembly;

26. Requests the Special Committee to continue to examine this question and to report thereon to the General Assembly at its thirty-eighth session.

37/33. United Nations Educational and Training Programme for Southern Africa

The General Assembly,

Recalling its resolutions on the United Nations Educational and Training Programme for Southern Africa, in particular resolution 36/53 of 24 November 1981,

Having considered the report of the Secretary-General,\(^{30}\) containing an account of the work of the Advisory Committee on the United Nations Educational and Training Programme for Southern Africa and the operation of the Programme for the period from 1 October 1981 to 30 September 1982,

Recognizing the valuable assistance rendered by the Programme to the peoples of South Africa and Namibia,

Strongly convinced that the continuation and expansion of the Programme is essential in order to meet the increasing demand for educational and training opportunities by the peoples of South Africa and Namibia,

Fully recognizing the need to provide educational opportunities and counselling to student refugees in a wide variety of professional, cultural, technical and linguistic disciplines, particularly in the areas of development and international co-operation,

3. Expresses its appreciation to all those that have supported the Programme by providing contributions, scholarships or places in their educational institutions;

4. Notes with concern that, owing to inflation and rising scholarship costs, contributions and pledges have declined, in real terms, in 1982 from the corresponding figure in 1981;

5. Appeals to all States, institutions, organizations and individuals to offer greater financial and other support to the Programme in order to ensure its continuation and expansion.

1 For the decisions adopted on the reports of the Fifth Committee, see sect. X.B.7.
37/12. Financial reports and accounts, and reports of the Board of Auditors

The General Assembly,

Having considered the financial reports and accounts for the financial period ended 31 December 1981 of the United Nations, the United Nations Development Programme, the United Nations Children's Fund, the United Nations Relief and Works Agency for Palestine Refugees in the Near East, the United Nations Institute for Training and Research, the voluntary funds administered by the United Nations High Commissioner for Refugees, the Fund of the United Nations Environment Programme, the United Nations Fund for Population Activities and the United Nations Habitat and Human Settlements Foundation, the audit opinions of the Board of Auditors and the report of the Advisory Committee on Administrative and Budgetary Questions,

Taking into account the views expressed by delegations during the debate in the Fifth Committee,

1. Accepts the financial reports and accounts and endorses with appreciation the audit opinions of the Board of Auditors;
2. Concurs with the observations and comments made by the Advisory Committee on Administrative and Budgetary Questions in its report;
3. Requests the Board of Auditors and the Advisory Committee on Administrative and Budgetary Questions to continue to give greater attention to areas regarding which they have made observations and comments;
4. Requests the Secretary-General to take necessary and effective steps further to strengthen financial discipline in all departments of the Secretariat and to remove the shortcomings referred to in the reports of the Board of Auditors and the report of the Advisory Committee on Administrative and Budgetary Questions;
5. Further requests the executive heads of the organizations and programmes concerned to take such remedial action in areas falling within their competence as may be required by the comments and observations made by the Board of Auditors in its reports.\footnote{94} 69th plenary meeting 16 November 1982

37/13. Financial emergency of the United Nations

The General Assembly,

Having considered the report of the Secretary-General on the analysis of the financial situation of the United Nations, and the statement adopted by the Administrative Committee on Co-ordination on 3 November 1982,\footnote{95} Recalling its resolutions 3049 A (XXVII) of 19 December 1972, 3538 (XXX) of 17 December 1975, 32/104 of 14 December 1977, 35/113 of 10 December 1980 and 36/116 B of 10 December 1981,

Noting with concern that the short-term deficit of the Organization is expected to exceed $300 million as at 31 December 1982,

Noting with deep regret that, in spite of repeated appeals to Member States, delays and partial payment of assessed contributions have aggravated the already serious cash-flow problems of the Organization,

Considering the possibility that for many Member States administrative considerations, including a lack of synchronisation of the national fiscal year with that of the Organization, may be responsible for the delay in the payment of assessed contributions,

1. Reaffirms its commitment to seek a comprehensive and lasting solution to the financial problems of the United Nations, based on the principle of collective financial responsibility of Member States;
2. Renews its appeal to all Member States to make their best efforts to overcome constraints to the prompt payment early each year of full assessed contributions and of advances to the Working Capital Fund;
3. Expresses its appreciation to all Member States which pay their assessed contributions in full within thirty days of the receipt of the Secretary-General’s request, in accordance with regulation 5.4 of the Financial Regulations of the United Nations;
4. Requests the Secretary-General, in addition to his official communications to the permanent representatives of Member States, to approach, as and when appropriate, the Governments of Member States for the purpose of encouraging expeditious payment in full of assessed contributions,

SECRETARIAT ORGANIZATION FOR UNITED NATIONS SPECIAL CONFERENCES

The General Assembly,
Recalling its resolutions 35/10 C of 3 November 1980 and 36/117 D of 10 December 1981,

1. Approves the guidelines on Secretariat organization for United Nations special conferences contained in the annex to the present resolution;

2. Decides that, following acceptance of the invitation to act as host to a special conference, the Government of the host country may, at its option, decide to make an advance payment to the United Nations of part of the estimated total additional cost to be borne by the Government in order to cover early preparatory expenses, including in particular the cost of the planning and review mission.

69th plenary meeting
16 November 1982

ANNEX

Guidelines on Secretariat organization for United Nations special conferences

1. Once an intergovernmental organ has decided to convene a special conference, the Secretary-General should establish at the Secretariat level a Conference Management Committee. The Committee should guide and co-ordinate all Secretariat activities during the preparatory phase of the conference and, after the conclusion of the conference, prepare a comprehensive and critical evaluation of the success and problems of the conference.

2. The Committee should be composed of representatives of all Secretariat departments and offices involved in the preparation and organization of the conference, including its logistical arrangements, and should meet regularly throughout the preparatory period under the chairmanship of the Special Representative of the Secretary-General or, where appointed, the secretary-general or executive secretary of the conference.

3. In its planning for the preparatory process, the Committee should institute disciplined management techniques for the detailed planning, scheduling, monitoring and co-ordination of both the departmental activities and the conference preparations as a whole.

4. Early provision should be made for inter-agency consultations to ensure that interested and concerned organizations of the United Nations system will contribute to the substantive preparations for the conference.

5. The Committee should be responsible for the preparation and submission of progress reports to intergovernmental organs on the status of preparations for the conference, including all financial, administrative and organizational arrangements and substantive and programme matters.

6. The Committee should, where appropriate, formulate proposals for the involvement of non-Secretariat participants in order to increase international support for the objectives of the conference and the likelihood of effective follow-up action outside the framework of the United Nations.

7. The Committee should, at an early date, also formulate proposals in line with General Assembly resolution 36/117 D of 10 December 1981 for harmonizing documentation needs with the design of the conference, taking into account all existing rules and instructions on the control and limitation of documentation. The Committee should further monitor, on a regular basis, the implementation of all documentation plans, particularly with regard to the timely submission of documents.

8. After completion of the conference, the Committee should submit a report to the Committee on Conferences, assessing its experience in the preparation and holding of the conference and, where appropriate, submitting recommendations for future improvement. Such evaluation should also take into account, in the case of conferences held at the invitation of a host country, views offered or reports prepared by host country authorities.

9. If it is proposed that the conference should take place at a venue away from established United Nations Headquarters, at the invitation of a host country in accordance with General Assembly resolution 31/140 of 17 December 1976, the Committee should ensure that a planning and review mission, whose composition would be determined in consultation with the host country, is dispatched to that country at the earliest possible time. Based on the findings of the mission, detailed cost and servicing
estimates should be prepared and discussed with the Government concerned, prior to the date when an offer to act as host is formally made and accepted.

10. The Committee should, where applicable, ensure that early arrangements are made for the conclusion of an agreement between the United Nations and the host country.

11. All servicing requirements for the conference should be as economical as possible and determined on a realistic and detailed basis, preferably by the Committee, as soon as it is established, in consultation with the host country.

12. In line with General Assembly resolution 35/10 C of 3 November 1980, the secretariats for conferences should, to the extent possible, be provided by existing Secretariat machinery, with such temporary strengthening as may be required for their effective functioning, allowing for the necessary mix of technical, substantive, administrative and conference-servicing skills.

13. In consultation with the competent intergovernmental organs, standards of staffing requirements should be developed for all Secretariat units involved in the preparation and servicing of conferences and should be kept under constant review.

14. In the case of United Nations conferences dealing with economic and social matters, the Director-General for Development and International Economic Co-operation may also set up a steering committee, under his chairmanship and with the participation of the heads of all the United Nations entities most directly concerned, to provide guidance on major policy issues affecting the substantial direction of conference preparations and, in particular, to ensure conformity of the preparatory work with the general strategies and priorities established by the General Assembly and the Economic and Social Council, as well as the substantive co-ordination of such work with related activities undertaken within the United Nations system.

C

MEETING RECORDS AND DOCUMENTATION FOR SUBSIDIARY ORGANS

The General Assembly, Recalling its resolutions 2292 (XXII) of 8 December 1967, 2538 (XXIV) of 11 December 1969, 3415 (XXX) of 8 December 1975, 34/50 of 23 November 1979, 35/10 B of 3 November 1980 and 36/117 A and D of 10 December 1981 and its decision 35/419 of 15 December 1978, Mindful of the action taken by the Economic and Social Council in its resolution 1979/69 of 2 August 1979 and its decision 1982/105 of 4 February 1982, Reaffirms that no United Nations body or organ shall have both verbatim and summary records for the same meeting; Confirms the present arrangements in regard to the provision of meeting records for the General Assembly, its Main Committees and the General Committee; Decides that, for an experimental period of three years, no subsidiary organ of the General Assembly shall be entitled to summary records, with the exception of the following:

(c) International Law Commission;
(d) Legal Sub-Committee of the Committee on the Peaceful Uses of Outer Space;
(e) Special Committee against Apartheid;
(f) United Nations Commission on International Trade Law;

Decides that summary records shall continue to be provided to regular and special sessions of governing bodies of United Nations organs and programmes listed in paragraph 1 of the annex to the present resolution and to pledging conferences or meetings of ad hoc bodies established for the announcement of voluntary contributions by States and determines that this entitlement shall not extend to any of their subsidiary organs;

5. Further decides that the exceptions granted to the subsidiary organs listed in paragraphs 3 and 4 above shall not apply to any of their subsidiary organs;

6. Reaffirms that any further exception shall require the explicit approval of the General Assembly in a pertinent resolution or decision;

7. Requests all its subsidiary organs entitled to written meeting records to keep their requirements for such records to a reasonable minimum, to dispense with them whenever possible, and to make wider use of sound recordings;

8. Confirms that summary records shall not be provided to special conferences and their preparatory organs, with the exception of legal codification conferences, for which the needs will be determined in each case;

9. Decides that those subsidiary organs that are entitled to receive written meeting records for all or some of their meetings shall receive them when meeting away from recognized United Nations conference centres only if there is a specific decision by the General Assembly for each case;

10. Requests the Secretary-General to arrange for sound recordings, in the appropriate working languages, for all proceedings of those organs no longer entitled to written meeting records in accordance with the present resolution, so that tapes may be made available with easy access to interested delegations in accordance with the established practice of the Secretariat;

11. Confirms the present entitlements to verbatim records of its subsidiary organs as set out in paragraph 2 of the annex to the present resolution and reiterates that no subsidiary organ shall be entitled to receive verbatim records unless the General Assembly has explicitly so approved in a relevant resolution;

12. Urges all its subsidiary organs not entitled to written meeting records to observe more widely the present guidelines on the format and contents of their reports, as approved by the General Assembly in its resolution 34/50, which are aimed at fostering the clear and succinct presentation of such information which the Assembly needs for a meaningful review of the work of its subsidiary organs and for taking action on their recommendations, by confining the contents of such reports to the following elements:

(a) Draft resolutions and draft decisions recommended for adoption by the General Assembly with, as necessary, concise statements supporting or opposing the recommendations;
(b) Matters meriting the special attention of the Assembly;
(c) Details of voting, where appropriate;
(d) Decisions relevant to the subsidiary organ's own activities and procedures, which do not require action by the Assembly;
(e) Organization of work and, where applicable, brief mention of opening statements;

13. Requests those subsidiary organs that receive written meeting records to avoid including summaries of discussions in their reports, unless such summaries are indispensable as part of the elements referred to in paragraph 12 (a), (b) and (d) above, by referring instead to the relevant meeting records;

14. Reiterates that, in preparing their reports, subsidiary organs, particularly those receiving written meeting records, should strive to keep such reports within the desirable limit of thirty-two pages;
15. Requests all subsidiary organs whose reports exceed thirty-two pages to submit to the Committee on Conferences, prior to its next session, reasons for non-compliance;

16. Requests the Committee on Conferences to report to the General Assembly at its thirty-eighth session on improving the effective implementation of the thirty-two-page rule;

17. Requests the Committee on Conferences to examine further the measures listed in paragraph 27 of its report and make concrete recommendations to the General Assembly at its thirty-eighth session on the possible implementation of these measures designed to relieve the overloading of conference services;

18. Invites the Secretary-General to continue to make use of contractual services for the translation and printing of United Nations documents, when it is the most effective and economical method;

19. Requests its subsidiary organs and recommends to other United Nations bodies to consider, at their meetings, the recommendations of the Committee on Conferences contained in paragraph 85 of its report and, through it, to submit their comments on the implementation of those recommendations for the consideration of the General Assembly at its thirty-eighth session.

37/38. Financing of the United Nations Disengagement Observer Force

A

The General Assembly.

Having considered the report of the Secretary-General on the financing of the United Nations Disengagement Observer Force, as well as the related report of the Advisory Committee on Administrative and Budgetary Questions,

Reaffirming its previous decisions regarding the fact that, in order to meet the expenditures caused by such operations, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards peace-keeping operations involving heavy expenditures,

Bearing in mind the special responsibilities of the States permanent members of the Security Council in the financing of such operations, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963 and other resolutions of the Assembly,

19 See A/36/167.
Decides to appropriate to the Special Account referred to in section II, paragraph 1, of General Assembly resolution 3211 B (XXIX) the amount of $15,973,998 gross ($15,784,998 net) authorized and apportioned by section III of Assembly resolution 36/66 A for the operation of the United Nations Disengagement Observer Force for the period from 1 June to 30 November 1982, inclusive;

II

1. Decides to appropriate to the Special Account an amount of $17,186,500 for the operation of the United Nations Disengagement Observer Force for the period from 1 December 1982 to 31 May 1983, inclusive;

2. Decides further, as an ad hoc arrangement, without prejudice to the positions of principle that may be taken by Member States in any consideration by the General Assembly of arrangements for the financing of peace-keeping operations, to apportion the amount of $17,186,500 among Member States in accordance with the scheme set out in Assembly resolution 3101 (XXVIII) and the provisions of section II, paragraphs 2 (b) and 2 (c), and section V, paragraph 1, of resolution 3374 C (XXX), section V, paragraph 1, of resolution 31/5 D, section V, paragraph 1, of resolution 32/4 C, section V, paragraph 1, of resolution 33/13 D, section V, paragraph 1, of resolution 34/7 C, section V, paragraph 1, of resolution 35/45 A and section V, paragraph 1, of resolution 36/66 A; the scale of assessments for the years 1980, 1981 and 1982 shall be applied against a portion thereof, that is $2,864,417, being the amount pertaining on a pro rata basis to the month of December 1982, and the scale of assessments for the years 1983, 1984 and 1985 shall be applied against the balance for the period thereafter;

3. Decides that there shall be set off against the apportionment among Member States, as provided in paragraph 2 above, their respective share in the estimated income of $10,000 other than staff assessment income approved for the period from 1 December 1982 to 31 May 1983, inclusive;

4. Decides that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 2 above, their respective share in the Tax Equalization Fund of the estimated staff assessment income of $192,500 approved for the period from 1 December 1982 to 31 May 1983, inclusive;

III

Authorizes the Secretary-General to enter into commitments for the United Nations Disengagement Observer Force at a rate not to exceed $2,864,416 gross ($2,830,666 net) per month for the period from 1 June to 30 November 1983 inclusive, should the Security Council decide to continue the Force beyond the period of six months authorized under its resolution 524 (1982), the said amount to be apportioned among Member States in accordance with the scheme set out in the present resolution;

IV

1. Stresses the need for voluntary contributions to the United Nations Disengagement Observer Force both in cash and in the form of services and supplies acceptable to the Secretary-General;

2. Requests the Secretary-General to take all necessary action to ensure that the United Nations Disengagement Observer Force is conducted with a maximum of efficiency and economy;

V

1. Decides that Antigua and Barbuda, Belize and Vanuatu shall be included in the group of Member States mentioned in paragraph 2 (d) of General Assembly resolution 3101 (XXVIII) and that their contributions to the United Nations Disengagement Observer Force shall be calculated in accordance with the provisions of the resolution adopted by the Assembly at the current session regarding the scale of assessments;23

2. Decides further that, in accordance with regulation 5.2 (c) of the Financial Regulations of the United Nations, the contributions to the United Nations Disengagement Observer Force until 30 November 1982 of the Member States referred to in paragraph 1 of the present section shall be treated as miscellaneous income to be set off against the appropriations apportioned in section II above.

30 November 1982

The General Assembly.

Having regard to the financial position of the Special Account for the United Nations Emergency Force and the United Nations Disengagement Observer Force, as set forth in the report of the Secretary-General,24 and referring to paragraph 5 of the report of the Advisory Committee on Administrative and Budgetary Questions,24

Mindful of the fact that it is essential to provide the United Nations Disengagement Observer Force with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Concerned that the Secretary-General is continuing to face growing difficulties in meeting the obligations of the Forces on a current basis, particularly those due to the Governments of troop-contributing States,

Recalling its resolutions 33/13 E of 14 December 1978, 34/7 D of 17 December 1979, 35/45 B of 1 December 1980 and 36/66 B of 30 November 1981,

Recognizing that, in consequence of the withholding of contributions by certain Member States, the surplus balances in the Special Account for the United Nations Emergency Force and the United Nations Disengagement Observer Force have, in effect, been drawn upon to the full extent to supplement the income received from contributions for meeting expenses of the Forces,

Concerned that the application of the provisions of regulations 5.2 (b), 5.2 (d), 4.3 and 4.4 of the Financial Regulations of the United Nations would aggravate the already difficult financial situation of the Forces,

Decides that the provisions of regulations 5.2 (b), 5.2 (d), 4.3 and 4.4 of the Financial Regulations of the United Nations shall be suspended in respect of the amount of $7,403,489, which otherwise would have to be surrendered pursuant to those provisions, this amount to be entered in the account referred to in the operative part of General Assembly resolution 33/13 E and held in suspense until a further decision is taken by the Assembly.

1979,

Recalling also its resolution 36/231 A of 18 December
1981,

Having examined the report of the Committee on Contributions31 and the addendum thereto,32

Recognizing once again the need for an improved methodology to assess the real capacity to pay of Member States, in order to increase the fairness and equity of the scale of assessments,

Taking into account the difficult economic and financial situation of Member States, in particular developing countries,

Mindful of the obligation of Member States to bear the expenses of the Organization as apportioned by the General Assembly according to the capacity to pay,

Noting the views expressed by Member States on the new scale as well as on the integrity of the Committee on Contributions,

   5. Requests the Committee on Contributions to report to the General Assembly at its thirty-eighth session on the progress made in carrying out the work called for in the present resolution.

Desirous of ensuring adequate financial support for programme delivery,

II

1. Takes note of the current status of the comparison between the total compensation in the comparator civil service and that in the United Nations common system.\(^3\)

2. Calls the attention of Member States to the fact that the practice of supplementary payments or deductions is inconsistent with the provisions of the Staff Regulations of the United Nations and, therefore, inappropriate;

3. Notes the results of the review by the International Civil Service Commission of the purposes and operation of the post adjustment system and the need to continue to improve the system, and in particular invites the Commission to continue to improve the methodology for cost-of-living measurements;

4. Decides that the education grant shall remain an expatriate benefit to be granted to all United Nations expatriate officials but that nationals returning to duty stations in their home country following an assignment elsewhere may receive the grant for the balance of a school year, not exceeding one full school year after their return from expatriate service.\(^4\)

5. Requests the Commission to keep the question of the education grant under review, particularly in regard to the situation of officials subject to rotation between headquarters and other duty stations and taking account of the views expressed by delegations during the debate;

6. Notes the Commission’s decision to increase the provisions of the assignment allowance by 50 per cent and to double the lump sum portion of the installation grant received by field staff;\(^5\)

7. Requests the Commission to complete on an urgent basis its study of the need for a rental subsidy arrangement in headquarters duty stations of organizations of the United Nations common system, particularly with regard to newcomers and staff transfers, and to report to the General Assembly, at its thirty-eighth session, on action taken;

8. Requests the Commission to examine the need for raising the ratio of contributions by organizations of the United Nations common system for health insurance of staff members and the question of applying appropriate retroactivity;

IV

1. Welcomes the study on the concept of career, types of appointment, career development and related questions submitted by the International Civil Service Commission;\(^2\)

2. Considers that the overall concept of integrated personnel management based on human resources planning as envisaged by the Commission will assist organizations in achieving their programme objectives in an efficient manner, while providing improved conditions for career development to all categories of staff in the common system, whether they serve on career or fixed-term appointments;

3. Recommends that the three-tiered job classification system developed by the Commission, based on a Master Standard of common system job classification standards, be applied to ensure optimal equity in remuneration as well as a sound basis for human resources planning and career development, and that personnel policies of organizations of the common system be harmonized with the job classification system promulgated by the Commission;

4. Recommends further that organizations should establish their needs for permanent and fixed-term staff on a continuing basis in conjunction with the human resources planning process, taking into account the criteria considered by the Commission for this purpose;

5. Decides that staff members on fixed-term appointments upon completion of five years of continuing good service shall be given every reasonable consideration for a career appointment;

6. Notes the Commission’s intention to undertake an evaluation of competitive examinations and other elements of recruitment policy;

7. Requests the Commission to pursue its programme under articles 13 and 14 of its statute as scheduled;

V

Requests all bodies making proposals for action on personnel matters affecting the United Nations common system to co-ordinate those proposals closely with the International Civil Service Commission, which shall give its recommendations thereon to the General Assembly and other legislative organs in the common system and thereby avoid duplication of efforts.

Reaffirming its previous decisions regarding the fact that, in order to meet the expenditures caused by such operations, a different procedure from the one applied to meet expenditures of the regular budget of the United Nations is required.

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards peace-keeping operations involving heavy expenditures,

2. Decides further that, in accordance with regulation 5.2 (c) of the Financial Regulations of the United Nations, the contributions to the United Nations Interim Force in Lebanon until 18 December 1982 of the Member States referred to in paragraph 1 of the present section shall be treated as miscellaneous income to be set off against the apportionments authorized in section V above.

109th plenary meeting

B

The General Assembly.

Having regard to the financial position of the Special Account for the United Nations Interim Force in Lebanon, as set forth in the report of the Secretary-General,\textsuperscript{43} and referring to paragraph 7 of the report of the Advisory Committee on Administrative and Budgetary Questions,\textsuperscript{44} Mindful of the fact that it is essential to provide the United Nations Interim Force in Lebanon with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Concerned that the Secretary-General is continuing to face growing difficulties in meeting the obligations of the United Nations Interim Force in Lebanon on a current basis, particularly those due to the Governments of troop-contributing States,

Recalling its resolutions 34/9 E of 17 December 1979, 35/115 B of 10 December 1980 and 36/138 B of 16 December 1981,

Recognizing that, in consequence of the withholding of contributions by certain Member States, the surplus balances in the Special Account for the United Nations Interim Force in Lebanon have, in effect, been drawn upon to the full extent to supplement the income received from contributions for meeting expenses of the Force,

Concerned that the application of the provisions of regulations 5.2 (b), 5.2 (d), 4.3 and 4.4 of the Financial Regulations of the United Nations would aggravate the already difficult financial situation of the United Nations Interim Force in Lebanon,

Decides that the provisions of regulations 5.2 (b), 5.2 (d), 4.3 and 4.4 of the Financial Regulations of the United Nations shall be suspended in respect of the amount of $5,939,256, which otherwise would have to be surrendered pursuant to those provisions, this amount to be entered in the account referred to in the operative part of General Assembly resolution 34/9 E and held in suspense until a further decision is taken by the Assembly.

VIII. Resolutions adopted on the reports of the Fifth Committee

37/130. Impact of inflation and monetary instability on the regular budget of the United Nations

The General Assembly,
Recalling its resolution 36/230 of 18 December 1981,
Deeply concerned at the increased cost of the goods and services associated with the operation of the United Nations and the United Nations system as a whole as a result of the persistence of inflation and monetary instability in those developed countries in which the United Nations makes its expenditures,
Convinced that many Member States are not responsible for the losses that the budget of the United Nations experiences as a result of the monetary phenomena referred to in the preceding paragraph,
Stressing that, in order to cover the substantial losses caused by inflation and monetary instability, there is a need for a continuing review of procedures that could help meet the above-mentioned budget costs in the most appropriate way,
Having considered the study prepared by the Secretary-General on the impact of inflation and monetary instability on the regular budget of the United Nations, contained in his report on the subject,48

Convinced of the need to analyse more thoroughly all aspects of the increased costs of the goods and services associated with the operation of the United Nations,
1. Takes note of the report of the Secretary-General on the impact of inflation and monetary instability on the regular budget of the United Nations;48
2. Requests the Secretary-General to prepare a more penetrating, extensive and detailed study on the impact of inflation and monetary instability on the regular budget of the United Nations, taking duly into consideration the content of the preambular paragraphs of General Assembly resolution 36/230 and the present resolution, together with the opinions of the Member States concerned, and to submit it to the General Assembly at its thirty-ninth session.

ANNEX

Regulations Governing Programme Planning, the Programme Aspects of the Budget, the Monitoring of Implementation and the Methods of Evaluation

Preamble

1. The planning, programming, budgeting, monitoring and evaluation cycle established in the United Nations by decisions of the General Assembly aims at the following:

(a) To subject all programmes of the Organization to periodic and thorough reviews;

(b) To afford an opportunity for reflection before choices among the various types of action possible are made in the light of all existing conditions;

(c) To associate in that reflection all participants in the Organization’s actions, especially Member States and the Secretariat;

(d) To assess what is feasible and derive from this assessment objectives which are both feasible and politically acceptable to Member States as a whole;

(e) To translate those objectives into programmes and work plans where the responsibilities and tasks of those who are to implement them are specified;

(f) To indicate to Member States the resources needed to design and implement activities and to ensure that those resources are utilized according to legislative intent and in the most effective and economic manner;

(g) To provide a framework for setting priorities among activities;

(h) To establish an independent and effective system for monitoring implementation and verifying the effectiveness of the work actually done;

(i) To evaluate periodically the results achieved, with a view either to confirming the validity of the orientations chosen or to reshaping the programmes towards different orientations.

\(^2\) See A/C.5/37/2R, 37, 38, 41, 42, 44, 45, 48, 51 and 56.
\(^3\) See A/C.5/37/25, para. 9.
\(^4\) See A/C.5/37/3R, 37, 38, 41, 42, 44, 45, 48, 51 and 56.
2. In pursuance of the above aims, the following instruments are to be utilized in the Organization:

(a) The introduction to the medium-term plan and the medium-term plan itself, whereby orientations are given to the Organization's activities;

(b) The programme budget and the programme performance report, where the Secretariat is committed to precise work plans involving delivery of output and where implementation thereof is monitored and reported;

(c) The evaluation system, which allows for continuing critical review of achievements, collective thinking thereon and formulation of subsequent plans.

**Article 1**

**APPLICABILITY**

**Regulation 1.1.** These regulations shall govern the planning, programming, monitoring and evaluation of all activities undertaken by the United Nations, irrespective of their source of financing.

**Article 2**

**INSTRUMENTS OF INTEGRATED MANAGEMENT**

**Regulation 2.1.** Activities undertaken by the United Nations shall be submitted to an integrated management process reflected in the following instruments:

(a) Medium-term plans;

(b) Programme budgets;

(c) Reports on programme performance;

(d) Evaluation reports.

Each of these instruments corresponds to one phase in a programme-planning cycle and, consequently, shall serve as a framework for the subsequent phases.

**Regulation 2.2.** The planning, programming, budgeting and evaluation cycle shall form an integral part of the general policy-making and management process of the Organization. The instruments referred to in regulation 2.1 above shall be used to ensure that activities are co-ordinated and that available resources are utilized according to legislative intent and in the most effective and economic manner.

**Article 3**

**MEDIUM-TERM PLAN**

**Regulation 3.1.** A medium-term plan shall be proposed by the Secretary-General.

**Regulation 3.2.** The medium-term plan shall be a translation of legislative mandates into programmes. Its objectives and strategies shall be derived from the policy orientations and goals set by the intergovernmental organs. It shall reflect Member States' priorities as set out in legislation adopted by functional and regional intergovernmental bodies within their spheres of competence and by the General Assembly, on advice from the Committee for Programme and Co-ordination. In this context, subsidiary intergovernmental and expert bodies should, accordingly, refrain from making recommendations on the relative priorities of the major programmes as outlined in the medium-term plan and should instead propose, through the Committee, the relative priorities to be accorded to the various subprogrammes within their respective fields of competence. The medium-term plan shall clearly identify new activities.

**Regulation 3.3.** After adoption by the General Assembly, the medium-term plan shall constitute the principal policy directive of the United Nations which:

(a) States the medium-term objectives to be attained in the plan period;

(b) Describes the strategy to be followed to that effect and the means of action to be used;

(c) Gives an indicative estimate of the necessary resources.

**Regulation 3.4.** The medium-term plan shall serve as a framework for the formulation of the biennal programme budgets within the period covered by the plan.

**Regulation 3.5.** The plan shall cover all activities, substantive and servicing, including those to be financed partially or fully from extrabudgetary resources.

**Regulation 3.6.** The plan shall be presented by programme and objective and not by organizational unit. It shall emphasize the description of objectives and strategies; the presentation and format of the analysis provided therein shall vary according to the type and nature of activities; to this end a distinction shall be made between substantive and servicing activities; objectives shall be time-limited as far as possible, and the plan shall be objective-based in all programmes where that is feasible. The medium-term plan shall identify:

(a) Major programmes, consisting of all activities conducted in a sector;

(b) Programmes, consisting within a major programme, of all activities in a sector which are under the responsibility of a distinct organizational unit, normally at the division level;

(c) Subprogrammes, consisting within a programme, of all activities that are directed at the accomplishment of one medium-term objective or several closely related objectives.

**Regulation 3.7.** The plan shall be preceded by an introduction, which will constitute a key integral element in the planning process and shall:

(a) Highlight, in a co-ordinated manner, the policy orientations of the United Nations system;

(b) Indicate the medium-term objectives and strategy and trends deduced from mandates which reflect priorities set by intergovernmental organizations;

(c) Contain the Secretary-General's proposals on priorities.

**Regulation 3.8.** In order to facilitate the planning process, the Secretary-General shall request the executive heads of the voluntary funds to indicate the likely future volume of extrabudgetary funds sufficiently in advance for this information to be taken into consideration in the preparation of the medium-term plan.

**Regulation 3.9.** The medium-term plan shall cover a six-year period and be submitted to the General Assembly one year before the submission of the proposed programme budget covering the first biennium of the plan period.

**Regulation 3.10.** Sectoral, functional and regional programme-formulating organs shall refrain from undertaking new activities not programmed in the medium-term plan, unless a pressing need of an unforeseeable nature arises, as determined by the General Assembly.

**Regulation 3.11.** The medium-term plan shall be revised as necessary every two years to incorporate required programme changes; revisions to the plan shall be considered by the General Assembly one year before the submission of the proposed programme budget providing for implementation of the changes. The proposed revisions shall be as detailed as required to incorporate the programme implications of the resolutions and decisions adopted by the intergovernmental organs or international conferences since the adoption of the plan.

**Regulation 3.12.** The chapters of the proposed medium-term plan shall be reviewed by the relevant sectoral, functional and regional intergovernmental bodies, if possible during the regular cycle of their meetings prior to their review by the Committee for Programme and Co-ordination, the Economic and Social Council and the General Assembly. The Committee for Programme and Co-ordination and the Advisory Committee on Administrative and Budgetary Questions shall consider the proposed medium-term plan in accordance with their terms of reference.

**Regulation 3.13.** The participation of sectoral, functional and regional organs in the formulation of the plan shall be achieved by means of an appropriate preparation period. To that end, the Secretary-General shall provide proposals for the co-ordination of their calendars of meetings. The activities in the medium-term plan shall be co-ordinated with those of the concerned specialized agencies through prior consultations.

**Regulation 3.14.** The General Assembly shall consider the proposed medium-term plan in the light of the comments and recommendations of the Economic and Social Council, the Committee for Programme and Co-ordination and the Advisory Committee on Administrative and Budgetary Questions. The Assembly shall decide to accept, curtail, reformulate or reject each of the subprogrammes proposed in the plan.

**Regulation 3.15.** The establishment of priorities among both substantive programmes and common services shall form an integral part of the general planning and management process without prejudice to arrangements and procedures now in force or to the specific character of servicing activities. Such priorities shall be based on the importance of the objective to Member States, the Organization's capacity to achieve it and the real effectiveness and usefulness of the results.

**Regulation 3.16.** Intergovernmental and expert bodies shall, when reviewing the relevant chapters of the proposed medium-term plan, recommend priorities among subprogrammes in their field of competence. They shall refrain from making recommendations on priority among major
programmes. The Committee for Programme and Co-ordination, when making recommendations, and the Secretary-General, when making proposals on programme priorities, shall take into account the views of the above-mentioned bodies.

Regulation 3.17. On the basis of the Secretary-General's proposals and of the recommendations of the Committee for Programme and Co-ordination, the General Assembly shall designate, among the subprogrammes it accepts, those which are of the highest and lowest priority.

Regulation 3.18. Priorities as determined by the General Assembly in the medium-term plan shall guide the allocation of budgetary and extrabudgetary resources in the subsequent programme budgets. After the medium-term plan has been adopted by the Assembly, the Secretary-General shall bring the decisions on priorities to the attention of Member States and the governing boards of the voluntary funds.

Article 4

PROGRAMME ASPECTS OF THE BUDGET

Regulation 4.1. The medium-term plan as adopted and revised by the General Assembly shall serve as the framework for the formulation of the biennial programme budget. In order to facilitate this relationship, the programme budget shall have financial information corresponding to at least one of the three programming levels in the medium-term plan.

Regulation 4.2. The programme proposals in the budget shall aim at implementing the strategy in the plan and, therefore, shall be derived from its strategy statements. Programme proposals that are not derived from the plan strategies shall be submitted only as a result of legislation passed subsequent to the adoption of the plan or its last revision.

Regulation 4.3. In the proposed programme budget, requested resources shall be justified in terms of the requirements of output delivery. The highest-priority subprogrammes, as decided by the General Assembly, shall have first claim on resources, if budgetary needs are demonstrated, and, if possible, through redeployment in the event that low-priority activities are curtailed or terminated by intergovernmental decision.

Regulation 4.4. The proposed programme budget shall be divided into parts, sections and programmes. Programme narratives shall set out subprogrammes, programme elements, output and users. The proposed programme budget shall be preceded by a statement explaining the main changes made in the content of the programme and the volume of resources allocated to them in relation to the previous biennium and indicating the progress envisaged for all activities with time-limited objectives in implementing the plan. The proposed programme budget shall be accompanied by such information annexes and explanatory statements as may be requested by or on behalf of the General Assembly and such further annexes or statements as the Secretary-General may deem necessary and useful.

Regulation 4.5. All activities for which resources are requested in the proposed programme budget shall be programmed.

Regulation 4.6. Within the proposed programme budget the Secretary-General shall provide the General Assembly with:

(a) A list of programme elements and output included in the previous budgetary period which, in his judgement, can be discontinued and, as a consequence, have not been included in the proposed programme budget;

(b) An identification within each programme of programme elements of high and low priority, each category representing approximately 10 per cent of the resources requested.

Regulation 4.7. The Secretary-General shall provide the Committee for Programme and Co-ordination and the Advisory Committee on Administrative and Budgetary Questions with advance copies of the proposed programme budget by the end of April of the year preceding the budgetary period.

Regulation 4.8. The Committee for Programme and Co-ordination shall prepare a report on the proposed programme budget, containing its programme recommendations and its general assessment of the related resource proposals. It shall receive a statement by the Secretary-General on the programme budget implications of its recommendations. The report of the Committee for Programme and Co-ordination shall be communicated simultaneously to the Economic and Social Council and to the Advisory Committee on Administrative and Budgetary Questions. The Advisory Committee shall receive the report of the Committee for Programme and Co-ordination and study the statement by the Secretary-General. The reports of the Committee for Programme and Co-ordination and the Advisory Committee on each section of the proposed programme budget shall be considered simultaneously by the General Assembly.

Regulation 4.9. No Council, Commission or other competent body shall take a decision involving either a change in the programme budget approved by the General Assembly or the possible requirement of expenditure unless it has received and taken account of a report from the Secretary-General on the programme budget implications of the proposal.

Article 5

MONITORING OF PROGRAMME IMPLEMENTATION

Regulation 5.1. The Secretary-General shall monitor the delivery of output scheduled in the approved programme budget through a central unit in the Secretariat. After the completion of the biennial budget period, the Secretary-General shall report to the General Assembly, through the Committee for Programme and Co-ordination, on programme performance during that period.

Regulation 5.2. An entire subprogramme shall not be reformulated nor a new programme introduced in the programme budget without the prior approval of an intergovernmental body and the General Assembly. The Secretary-General may make such proposals for review by the relevant intergovernmental body if he considers that circumstances so warrant.

Regulation 5.3. The Secretary-General shall transmit the biennial programme performance report to all Member States by the end of the first quarter following the completion of the biennial budget period.

Article 6

EVALUATION

Regulation 6.1. The objective of evaluation is:

(a) To determine as systematically and objectively as possible the relevance, efficiency, effectiveness and impact of the Organization's activities in relation to their objectives;

(b) To enable the Secretariat and Member States to engage in systematic reflections, with a view to increasing the effectiveness of the main programmes of the Organization by altering their content and, if necessary, reviewing their objectives.

Regulation 6.2. All activities programmed shall be evaluated over a fixed time period. An evaluation programme as well as a timetable for intergovernmental review of evaluation studies shall be proposed by the Secretary-General and approved by the General Assembly at the same time as the proposed medium-term plan.

Regulation 6.3. Evaluation shall be internal and/or external. The Secretary-General shall develop internal evaluation systems and seek the co-operation of Member States in the evaluation process, as appropriate. ANNEX

Manila Declaration on the Peaceful Settlement of International Disputes

The General Assembly,

Reaffirming the principle of the Charter of the United Nations that all States shall settle their international disputes by peaceful means in such a manner that international peace and security, and justice, are not endangered,

Conscious that the Charter of the United Nations embodies the means and an essential framework for the peaceful settlement of international disputes, the continuance of which is likely to endanger the maintenance of international peace and security,

Recognizing the important role of the United Nations and the need to enhance its effectiveness in the peaceful settlement of international disputes and the maintenance of international peace and security, in accordance with the principles of justice and international law, in conformity with the Charter of the United Nations,

Reaffirming the principle of the Charter of the United Nations that all States shall settle their international relations from the threat or use of force against the territorial integrity or political independence of any State, or in any other manner inconsistent with the purposes of the United Nations,

Reiterating that no State or group of States has the right to intervene, directly or indirectly, for any reason whatsoever, in the internal or external affairs of any other State,

Reaffirming the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations,

Bearing in mind the importance of maintaining and strengthening international peace and security and the development of friendly relations among States, irrespective of their political, economic and social systems or levels of economic development,

Reaffirming the principle of equal rights and self-determination of peoples as enshrined in the Charter of the United Nations and referred to in the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations and in other relevant resolutions of the General Assembly,

Stressing the need for all States to desist from any forcible action which deprives peoples, particularly peoples under colonial and racist regimes or other forms of alien domination, of their inalienable right to self-determination, freedom and independence, as referred to in the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations,

Mindful of existing international instruments as well as respective principles and rules concerning the peaceful settlement of international disputes, including the exhaustion of local remedies whenever applicable,

Determined to promote international co-operation in the political field and to encourage the progressive development of international law and its codification, particularly in relation to the peaceful settlement of international disputes,

Solemnly declares that:

1. All States shall act in good faith and in conformity with the purposes and principles enshrined in the Charter of the United Nations with a view to avoiding disputes among themselves likely to affect friendly relations among States, thus contributing to the maintenance of international peace and security. They shall live together in peace with one another as good neighbours and strive for the adoption of meaningful measures for strengthening international peace and security.

2. Every State shall settle its international disputes exclusively by peaceful means in such a manner that international peace and security, and justice, are not endangered.

3. International disputes shall be settled on the basis of the sovereign equality of States and in accordance with the principle of free choice of means in conformity with obligations under the Charter of the United Nations and with the principles of justice and international law. Recourse to, or acceptance of, a settlement procedure freely agreed to by States with regard to existing or future disputes to which they are parties shall not be regarded as incompatible with the sovereign equality of States.

4. States parties to a dispute shall continue to observe in their mutual relations their obligations under the fundamental principles of international law concerning the sovereignty, independence and territorial integrity of States, as well as other generally recognized principles and rules of contemporary international law.

5. States shall seek in good faith and in a spirit of co-operation an early and equitable settlement of their international disputes by any of the following means: negotiation, inquiry, mediation, conciliation, arbitration, judicial settlement, resort to regional arrangements or agencies or other peaceful means of their own choice, including good offices. In seeking such a settlement, the parties shall agree on such peaceful means as may be appropriate to the circumstances and the nature of their dispute.

6. States parties to regional arrangements or agencies shall make every effort to achieve pacific settlement of their local disputes through such regional arrangements or agencies before referring them to the Security Council. This does not preclude States from bringing any dispute to the attention of the Security Council or of the General Assembly in accordance with the Charter of the United Nations.

7. In the event of failure of the parties to a dispute to reach an early solution by any of the above means of settlement, they shall continue to seek a peaceful solution and shall consult forthwith on mutually agreed means to settle the dispute peacefully. Should the parties fail to settle by any of the above means a dispute the continuance of which is likely to endanger the maintenance of international peace and security, they shall refer it to the Security Council in accordance with the Charter of the United Nations and without prejudice to the functions and powers of the Council set forth in the relevant provisions of Chapter VI of the Charter.

8. States parties to an international dispute, as well as other States, shall refrain from any action whatsoever which may aggravate the situation so as to endanger the maintenance of international peace and security and make more difficult or impede the peaceful settlement of the dispute, and shall act in this respect in accordance with the purposes and principles of the United Nations.

9. States should consider concluding agreements for the peaceful settlement of disputes among them. They should also include in bilateral agreements and multilateral conventions to be concluded, as appropriate, effective provisions for the peaceful settlement of disputes arising from the interpretation or application thereof.

10. States should, without prejudice to the right of free choice of means, bear in mind that direct negotiations are a flexible and effective mode of peaceful settlement of their disputes. When they choose to resort to direct negotiations, States should negotiate meaningfully, in order to arrive at an early settlement acceptable to the parties. States should be equally prepared to seek the settlement of their disputes by the other means mentioned in the present Declaration.

11. States shall in accordance with international law implement in good faith all the provisions of agreements concluded by them for the settlement of their disputes.

Resolution 2525 (XXV), annex.
12. In order to facilitate the exercise by the peoples concerned of the right to self-determination as referred to in the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations, the parties to a dispute may have the possibility, if they agree to do so and as appropriate, to have recourse to the relevant procedures mentioned in the present Declaration, for the peaceful settlement of the dispute.

13. Neither the existence of a dispute nor the failure of a procedure of peaceful settlement of disputes shall permit the use of force or threat of force by any of the States parties to the dispute.

II

1. Member States should make full use of the provisions of the Charter of the United Nations, including the procedures and means provided for therein, particularly Chapter VI, concerning the peaceful settlement of disputes.

2. Member States shall fulfill in good faith the obligations assumed by them in accordance with the Charter of the United Nations. They should, in accordance with the Charter, as appropriate, duly take into account the recommendations of the Security Council relating to the peaceful settlement of disputes. They should also, in accordance with the Charter, as appropriate, duly take into account the recommendations adopted by the General Assembly, subject to Articles 11 and 12 of the Charter, in the field of peaceful settlement of disputes.

3. Member States reaffirm the important role conferred on the General Assembly by the Charter of the United Nations in the field of peaceful settlement of disputes and stress the need for it to discharge effectively its responsibilities. Accordingly, they should:

(a) Bear in mind that the General Assembly may discuss any situation, regardless of origin, which it deems likely to impair the general welfare or friendly relations among nations and, subject to Article 12 of the Charter, recommend measures for its peaceful adjustment;

(b) Consider making use, when they deem it appropriate, of the possibility of bringing to the attention of the General Assembly any dispute or any situation which might lead to international friction or give rise to a dispute;

(c) Consider utilizing, for the peaceful settlement of their disputes, the subsidiary organs established by the General Assembly in the performance of its functions under the Charter;

(d) Consider, when they are parties to a dispute brought to the attention of the General Assembly, making use of consultations within the framework of the Assembly, with a view to facilitating an early settlement of their dispute.

4. Member States should strengthen the primary role of the Security Council so that it may fully and effectively discharge its responsibilities, in accordance with the Charter of the United Nations, in the area of the settlement of disputes or of any situation the continuance of which is likely to endanger the maintenance of international peace and security. To this end they should:

(a) Be fully aware of their obligation to refer to the Security Council such a dispute to which they are parties if it fail to settle by the means indicated in Article 33 of the Charter;

(b) Make greater use of the possibility of bringing to the attention of the Security Council any dispute or any situation which might lead to international friction or give rise to a dispute;

(c) Encourage the Security Council to make wider use of the opportunities provided for by the Charter in order to review disputes or situations the continuance of which is likely to endanger the maintenance of international peace and security;

(d) Consider making greater use of the fact-finding capacity of the Security Council in accordance with the Charter;

(e) Encourage the Security Council to make wider use, as a means to promote peaceful settlement of disputes, of the subsidiary organs established by it in the performance of its functions under the Charter;

(f) Bear in mind that the Security Council may, at any stage of a dispute of the nature referred to in Article 33 of the Charter or of a situation of like nature, recommend appropriate procedures or methods of adjustment;

(g) Encourage the Security Council to act without delay, in accordance with its functions and powers, particularly in cases where international disputes develop into armed conflicts.

5. States should be fully aware of the role of the International Court of Justice, which is the principal judicial organ of the United Nations. Their attention is drawn to the facilities offered by the International Court of Justice for the settlement of legal disputes, especially since the revision of the Rules of the Court.

States may entrust the solution of their differences to other tribunals by virtue of agreements already in existence or which may be concluded in the future.

States should bear in mind:

(a) That legal disputes should as a general rule be referred by the parties to the International Court of Justice, in accordance with the provisions of the Statute of the Court;

(b) That it is desirable that they:

(i) Consider the possibility of inserting in treaties, whenever appropriate, clauses providing for the submission to the International Court of Justice of disputes which may arise from the interpretation or application of such treaties;

(ii) Study the possibility of choosing, in the free exercise of their sovereignty, to recognize as compulsory the jurisdiction of the International Court of Justice in accordance with Article 36 of its Statute;

(iii) Review the possibility of identifying cases in which use may be made of the International Court of Justice.

The organs of the United Nations and the specialized agencies should study the advisability of making use of the possibility of requesting advisory opinions of the International Court of Justice on legal questions arising within the scope of their activities, provided that they are duly authorized to do so.

Recourse to judicial settlement of legal disputes, particularly referral to the International Court of Justice, should not be considered an unfriendly act between States.

6. The Secretary-General should make full use of the provisions of the Charter of the United Nations concerning the responsibilities entrusted to him. The Secretary-General may bring to the attention of the Security Council any matter which in his opinion may threaten the maintenance of international peace and security. He shall perform such other functions as are entrusted to him by the Security Council or by the General Assembly. Reports in this connection shall be made when ever requested to the Security Council or the General Assembly.

Urges all States to observe and promote in good faith the provisions of the present Declaration in the peaceful settlement of their international disputes;

Declares that nothing in the present Declaration shall be construed as prejudicing in any manner the relevant provisions of the Charter or the rights and duties of States, or the scope of the functions and powers of the United Nations organs under the Charter, in particular those relating to the peaceful settlement of disputes;

Declares that nothing in the present Declaration could in any way prejudice the right to self-determination, freedom and independence, as derived from the Charter, of peoples forcibly deprived of that right and referred to in the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations, particularly peoples under colonial and racist régimes or other forms of alien domination, nor the right of these peoples to struggle to that end and to seek and receive support, in accordance with the principles of the Charter and in conformity with the above-mentioned Declaration;

Stresses the need, in accordance with the Charter, to continue efforts to strengthen the process of the peaceful settlement of disputes through progressive development and codification of international law, as appropriate, and through enhancing the effectiveness of the United Nations in this field.

the International Law Commission at its thirty-third session, and to embody the results of its work in an international convention and such other instruments as it might deem appropriate.

Recalling further that, in paragraph 1 of the same resolution, it expressed its appreciation to the International Law Commission for its valuable work on the question of succession of States in respect of State property, archives and debts, and to the Special Rapporteur on the topic for his contribution to that work,

Taking note of the report of the Secretary-General, which contains the comments and observations submitted by a number of Member States in accordance with General Assembly resolution 36/113,

Mindful of Article 13, paragraph 1 a, of the Charter of the United Nations, which provides that the General Assembly shall initiate studies and make recommendations for the purpose of encouraging the progressive development of international law and its codification,

Believing that the successful codification and progressive development of the rules of international law governing succession of States in respect of State property, archives and debts would contribute to the development of friendly relations and co-operation among States, irrespective of their constitutional and social systems, and would assist in promoting and implementing the purposes and principles set forth in Articles 1 and 2 of the Charter,

Noting with appreciation that an invitation has been extended by the Government of Austria to hold the United Nations Conference on Succession of States in respect of State Property, Archives and Debts at Vienna,

   (e) The specialized agencies and the International Atomic Energy Agency as well as interested organs of the United Nations and interested intergovernmental organizations to be represented by observers at the Conference;

3. Refers to the Conference, as the basic proposal for its consideration, the draft articles on succession of States in respect of State property, archives and debts adopted by the International Law Commission at its thirty-third session;

4. Decides that the languages of the Conference shall be the official and working languages of the General Assembly, its committees and its sub-committees;

5. Requests the Secretary-General to submit to the Conference all relevant documentation and recommendations relating to its methods of work and procedures and to arrange for the necessary staff, facilities and services which it will require, including the provision of summary records;

Having considered the draft Code of Offences against the Peace and Security of Mankind prepared by the International Law Commission and submitted to the General Assembly in 1954,

Recalling its belief that the elaboration of a code of offences against the peace and security of mankind could contribute to strengthening international peace and security and thus to promoting and implementing the purposes and principles set forth in the Charter of the United Nations,

Recalling its resolution 36/106 of 10 December 1981, in which it invited the International Law Commission to resume its work with a view to elaborating the draft Code and to examine it with the required priority in order to review it, taking into account the results achieved by the process of the progressive development of international law,

Bearing in mind the resolution of the United Nations Conference on the Representation of States in Their Relations with International Organizations relating to the observer status of national liberation movements recognized by the Organization of African Unity and/or by the League of Arab States,

Taking note of the statement made by the Chairman of the Special Committee at its session in 1982,

Having considered the report of the Special Committee,

Taking into account that the Special Committee has not completed the mandate entrusted to it,

Reaffirming the need for universal and effective application of the principle of the non-use of force in international relations and for assistance by the United Nations in this endeavour,

21 Ibid., Supplement No. 41 (A/37/41).
Reaffirming its conviction that the progressive harmonization and unification of international trade law, in reducing or removing legal obstacles to the flow of international trade, especially those affecting the developing countries, would significantly contribute to universal economic co-operation among all States on a basis of equality, equity and common interests and to the elimination of discrimination in international trade and, thereby, to the well-being of all peoples.

Bearing in mind its resolution 36/111 of 10 December 1981 concerning the draft articles on most-favoured-nation clauses,

Stressing the usefulness and importance of sponsoring symposia and seminars, including those organized on a regional basis, for promoting better knowledge and understanding of international trade law and, especially, for the training of lawyers from developing countries in this field,

8. Reaffirms the importance of bringing into effect the conventions emanating from the work of the United Nations Commission on International Trade Law for the global unification and harmonization of international trade law;

9. Reaffirms also the importance, in particular for the developing countries, of the work of the United Nations Commission on International Trade Law concerned with training and assistance in the field of international trade law and the desirability for the Commission to sponsor symposia and seminars, in particular those organized on a regional basis, to promote training and assistance in the field of international trade law, and, in this connection:

21 Ibid., para. 63; see also resolution 37/107.
22 Ibid., paras. 74-85.

The General Assembly,

Noting that many international transport and liability conventions of both a global and a regional character contain limitation of liability provisions, wherein the limitation of liability is expressed in a unit of account,

Expressing its sympathy for the victims of illegal acts against diplomatic and consular representatives and missions as well as against representatives and missions to international intergovernmental organizations and officials of such organizations,

Noting that only a small number of States have so far, in response to the call by the General Assembly at its thirty-fifth and thirty-sixth sessions, become parties to the relevant conventions concerning the inviolability of diplomatic and consular missions and representatives,

Convinced that the reporting procedures established under General Assembly resolution 35/168 of 15 December 1980 and further elaborated in Assembly resolution 36/33 of 13 November 1981 are important steps in the efforts to enhance the protection, security and safety of diplomatic and consular missions and representatives,

Desiring to maintain and further strengthen these reporting procedures,

1. Takes note of the report of the Secretary-General;

2. Strongly condemns acts of violence against diplomatic and consular missions and representatives as well as against missions and representatives to international intergovernmental organizations and officials of such organizations;

3. Urges States to observe and to implement the principles and rules of international law governing diplomatic and consular relations and, in particular, to take all necessary measures in conformity with their international obligations effectively to ensure the protection, security and safety of all diplomatic and consular missions and representatives officially present in territory under their jurisdiction, including practicable measures to prohibit in their territories illegal activities of persons, groups and organizations that encourage, instigate, organize or engage in the perpetration of acts against the security and safety of such missions and representatives;

4. Recommends that States should co-operate closely, inter alia through contacts between the diplomatic and consular missions and the receiving State, with regard to practical measures designed to enhance the protection, security and safety of diplomatic and consular missions and representatives and with regard to exchange of information on the circumstances of all serious violations thereof;

5. Calls upon States that have not yet done so to consider becoming parties to the instruments relevant to the protection, security and safety of diplomatic and consular missions and representatives, inter alia the Vienna Convention on Diplomatic Relations of 1961, the Vienna Convention on Consular Relations of 1963, and the respective optional protocols thereto, as well as the Convention of 1973 on the Prevention and Punishment of Crimes against Internationally Protected Persons, including Diplomatic Agents;

6. Calls upon States, in cases where a dispute arises in connection with a violation of the principles and rules of international law concerning the inviolability of diplomatic and consular missions and representatives, to make use of the means for peaceful settlement of disputes, including the good offices of the Secretary-General;

7. Invites:

(a) All States to report to the Secretary-General serious violations of the protection, security and safety of diplomatic and consular missions and representatives;

(b) The State in which the violation took place—and, where applicable, the State where the alleged offender is

37/108. Consideration of effective measures to enhance the protection, security and safety of diplomatic and consular missions and representatives

The General Assembly,

Having considered the report of the Secretary-General,

Emphasizing the duty of States to take all appropriate steps, as required by international law:

(a) To protect the premises of diplomatic and consular missions, as well as of missions to international intergovernmental organizations,

(b) To prevent any attacks on diplomatic and consular representatives, as well as on representatives to international intergovernmental organizations and officials of such organizations,

Deeply concerned about the continued large number of violations of, and failures to respect, the inviolability of diplomatic and consular missions and representatives, and about the serious threat presented by such violations to the maintenance of normal and peaceful international relations, which are necessary for co-operation among States.

23 Ibid., para. 63.
27 Resolution 3166 (XXVIII), annex.
IX. Resolutions adopted on the reports of the Sixth Committee

Recognizing that the activities of mercenaries are contrary to fundamental principles of international law, such as non-interference in the internal affairs of States, territorial integrity and independence, and seriously impede the process of self-determination of peoples struggling against colonialism, racism and apartheid and all forms of foreign domination,

Bearing in mind the pernicious impact that the activities of mercenaries have on international peace and security,

Considering that the progressive development and codification of the rules of international law on mercenaries would contribute immensely to the implementation of the purposes and principles of the Charter,

Taking account of the fact that, although the Ad Hoc Committee has made substantial progress, it has not yet fulfilled its mandate,

Reaffirming the need for the elaboration, at the earliest possible date, of an international convention against the recruitment, use, financing and training of mercenaries,

1. Takes note of the report of the Ad Hoc Committee on the Drafting of an International Convention against the Recruitment, Use, Financing and Training of Mercenaries and the progress made, especially during its second session;

2. Decides that the Ad Hoc Committee shall continue its work, with the goal of drafting, at the earliest possible date, an international convention against the recruitment, use, financing and training of mercenaries;

3. 37/109. Drafting of an international convention against the recruitment, use, financing and training of mercenaries

The General Assembly,

Bearing in mind the need for strict observance of the principles of sovereign equality, political independence, territorial integrity of States and self-determination of peoples, as enshrined in the Charter of the United Nations and developed in the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations, 76

Recalling in particular its resolution 36/76 of 4 December 1981, by which it renewed the mandate of the Ad Hoc Committee on the Drafting of an International Convention against the Recruitment, Use, Financing and Training of Mercenaries, composed of thirty-five Member States,

Having considered the report of the Ad Hoc Committee on its second session, 79

38 Resolution 2625 (XXV), annex.

70 Ibid, Thirty-seventh Session, Sixth Committee, 9th-15th, 53rd and 56th meetings.
Aware of the heavy burden which active involvement in the process of multilateral treaty-making places upon Governments,

Convinced that the most rational use should be made of the finite resources available for the elaboration of multilateral treaties,

Aware that the Asian-African Legal Consultative Committee has been reviewing certain aspects of multilateral treaty-making,

Taking note of the reports of the Secretary-General submitted to the General Assembly at its thirty-fifth, thirty-sixth, and thirty-seventh sessions, including the replies and observations made by Governments and international organizations on the review of the multilateral treaty-making process,

Having considered the report of the Working Group on the Review of the Multilateral Treaty-Making Process, established pursuant to General Assembly resolution 36/112 of 10 December 1981, and noting that the Working Group will require more time to fulfill its mandate as provided in paragraph 2 of that resolution,

1. Decides to reconvene the Working Group at its thirty-eighth session with the aim of completing the examination of the matters referred to in paragraph 2 of resolution 36/112;

37/111. Report of the International Law Commission

The General Assembly,

Having considered the report of the International Law Commission on the work of its thirty-fourth session,

Emphasizing the need for the progressive development of international law and its codification in order to make it a more effective means of implementing the purposes and principles set forth in the Charter of the United Nations and in the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations and to give increasing importance to its role in relations among States,

Recognizing the importance of referring legal and drafting questions to the Sixth Committee, including topics which might be submitted to the International Law Commission, and of enabling the Sixth Committee and the Commission further to enhance their contributions to the progressive development of international law and its codification,

Welcoming the establishment of general objectives and priorities which will guide the study by the International Law Commission of the topics on its programme of work within the term of office of Commission members elected at the thirty-sixth session of the General Assembly,

Recalling the need to keep under review those topics of international law which, given their new or renewed interest for the contemporary international community, may be suitable for progressive development and codification of international law and therefore may be included in the future programme of work of the International Law Commission,

1. Takes note of the report of the International Law Commission on the work of its thirty-fourth session;

2. Expresses its appreciation to the International Law Commission for the work accomplished at that session and, in particular, for having completed the final reading of the draft articles on the law of treaties between States and international organizations or between international organizations;

3. Recommends that, taking into account the comments of Governments, whether in writing or expressed orally in debates in the General Assembly, the International Law Commission should continue its work aimed at the preparation of drafts on all the topics in its current programme;

5. 6. Appeals to Governments and, as appropriate, to international organizations to respond as fully and expeditiously as possible to the requests of the International Law Commission for comments and observations on its draft articles and questionnaires and for materials on topics on its programme of work;

7. Reaffirms its wish that the International Law Commission will continue to enhance its co-operation with intergovernmental legal bodies whose work is of interest for the progressive development of international law and its codification;

8. Expresses the wish that seminars will continue to be held in conjunction with sessions of the International Law Commission and that an increasing number of participants from developing countries will be given the opportunity to attend those seminars;

37/112. Convention on the Law of Treaties between States and International Organizations or between International Organizations

The General Assembly.

Recalling that, following consideration of a recommendation adopted by the United Nations Conference on the Law of Treaties, held at Vienna in 1968 and 1969, the General Assembly, by its resolution 2501 (XXIV) of 12 November 1969, recommended that the International Law Commission should study, in consultation with the principal international organizations, as it may consider appropriate in accordance with its practice, the question of treaties concluded between States and international organizations or between two or more international organizations, as an important question,

Noting that, pursuant to General Assembly resolution 36/114 of 10 December 1981, the International Law Commission, taking into account the written comments of Governments and of principal international organizations as well as views expressed in debates in the Assembly, completed at its thirty-fourth session the second reading of the draft articles on the said question,41

Noting that, as reflected in paragraph 57 of the report of the International Law Commission on the work of its thirty-fourth session,42 the Commission decided to recommend that the General Assembly should convene a conference to study the draft articles on the law of treaties between States and international organizations or between international organizations prepared by the Commission and to conclude a convention,

Mindful of Article 13, paragraph 1 a, of the Charter of the United Nations, which provides that the General Assembly shall initiate studies and make recommendations for the purpose of encouraging the progressive development of international law and its codification,

Believing that the successful codification and progressive development of the rules of international law governing treaties between States and international organizations or between international organizations would contribute to the development of friendly relations and co-operation among States, irrespective of their differing constitutional and social systems, and would assist in promoting and implementing the purposes and principles set forth in Articles 1 and 2 of the Charter,

1. Expresses its appreciation to the International Law Commission for its valuable work on the law of treaties between States and international organizations or between international organizations and to the Special Rapporteur on the topic for his contribution to this work;

2. Invites States to submit, not later than 1 July 1983, their written comments and observations on the final draft articles on the law of treaties between States and international organizations or between international organizations, prepared by the International Law Commission, as well as on the questions referred to in paragraph 60 of the report of the Commission on the work of its thirty-fourth session.46

3. Invites also the principal international intergovernmental organizations to submit within the same period their written comments and observations on the subject;

4. Requests the Secretary-General to circulate such comments so as to facilitate the discussion on the subject at the thirty-eighth session of the General Assembly;

5. Decides that an international convention shall be concluded on the basis of the draft articles adopted by the International Law Commission;

6. Takes note of the recommendation of the International Law Commission on the subject and agrees to decide at its thirty-eighth session upon the appropriate forum for the adoption of the convention in the light of the comments received in accordance with the present resolution;

7. Decides to include in the provisional agenda of its thirty-eighth session an item entitled "Convention on the Law of Treaties between States and International Organizations or between International Organizations".

37/113. Report of the Committee on Relations with the Host Country

The General Assembly.

Having considered the report of the Committee on Relations with the Host Country,47

Recalling further that the problems related to the privileges and immunities of all missions accredited to the United Nations, their security and the safety of their personnel are of great importance and concern to them, as well as the primary responsibility of the host country,

Noting with deep concern the continued acts violating the security of missions and the safety of the personnel of missions accredited to the United Nations,

Recognizing that effective measures should be taken by the competent authorities of the host country, in particular to prevent any acts violating the security of missions and the safety of their personnel,

Endorses the recommendations of the Committee on Relations with the Host Country contained in paragraph 43 of its report;

2. Urges the host country to continue to take all necessary measures effectively to ensure the protection, security and safety of the missions accredited to the United Nations and their personnel, including practicable measures to prohibit illegal activities of persons, groups and organizations that encourage, instigate, organize or engage in the perpetration of acts against the security and safety of such missions and representatives;

16 December 1982

The General Assembly,

Recalling also its resolutions 2925 (XXVII) of 27 November 1972, 3073 (XXVIII) of 30 November 1973 and 3282 (XXIX) of 12 December 1974 on the strengthening of the role of the United Nations,

Welcoming the report of the Secretary-General on the work of the Organization,44

Having considered the report of the Special Committee on the Charter of the United Nations and on the Strengthening of the Role of the Organization on the work of the session it held in 1982,45

Noting that significant progress has been made in fulfilling the mandate of the Special Committee,

Noting the importance that pre-session consultations among the members of the Special Committee and other interested States may have in facilitating the fulfilment of its task,

37/115. Draft Declaration on Social and Legal Principles relating to the Protection and Welfare of Children, with Special Reference to Foster Placement and Adoption Nationally and Internationally

The General Assembly,

Recalling its resolution 36/167 of 16 December 1981, whereby it decided, inter alia, that appropriate measures should be taken to finalize the draft Declaration on Social and Legal Principles relating to the Protection and Welfare of Children, with Special Reference to Foster Placement and Adoption Nationally and Internationally,

Noting, in this connection, the current efforts of the Commission on Human Rights to elaborate a draft Convention on the Rights of the Child,

Taking note of the decisions taken by the Economic and Social Council on the draft Declaration on Social and Legal Principles relating to the Protection and Welfare of Children, with Special Reference to Foster Placement and Adoption Nationally and Internationally,

Bearing in mind the reports of the Secretary-General, of 8 September 1980 and 19 October 1982, which contains the views of Member States on the text of the draft Declaration,

Noting that section VI of the above-mentioned reports contains some proposed amendments and reformulations of certain articles based on comments by Member States,

Fully aware of the sovereign right of Governments to define their national and international policies as regards the protection and welfare of children, including foster placement and adoption,

Recognizing that it is the responsibility of Governments to determine the adequacy of their national services for children and to recognize those children whose needs are not being met by existing services,

Noting the usefulness of regional co-operation in matters regarding the well-being of children,

Recognizing that the best child welfare is good family welfare and that when family care is unavailable or inappropriate, substitute family care should be considered, in conformity with national legislation,

Convinced that adoption of the draft Declaration will promote the well-being of children with special needs,

Noting that the further views of Member States on the draft Declaration as well as on the amendments and reformulations of certain articles contained in section VI of the report of the Secretary-General would provide helpful guidance for further efforts to elaborate a generally agreed draft Declaration,

1. Requests the Secretary-General:

(a) To circulate to Member States, for their views, the draft Declaration on Social and Legal Principles relating to the Protection and Welfare of Children, with Special Reference to Foster Placement and Adoption Nationally and Internationally as well as the conclusions contained in the report of the Secretary-General;

(b) To submit to the General Assembly at its thirty-eighth session a report containing the views of Member States;

2. Decides to resume consideration of this item at its thirty-eighth session and to determine at that session the most appropriate course of further action.

37/116. State of signatures and ratifications of the Protocols Additional to the Geneva Conventions of 1949 and relating to the protection of victims of international armed conflicts (Protocol I) and the protection of victims of non-international armed conflicts (Protocol II)

The General Assembly,

Recalling its resolutions 32/44 of 8 December 1977 and 34/51 of 23 November 1979,

Having considered the report of the Secretary-General on the state of signatures and ratifications of the two Protocols Additional to the Geneva Conventions of 1949 and relating to the protection of victims of armed conflicts,

Taking note of resolution VII of the Twenty-fourth International Red Cross Conference, adopted on 13 November 1981,

Convinced of the continuing value of established humanitarian rules relating to armed conflict and the need to secure the full observance of human rights in armed conflicts pending the earliest possible termination of such conflicts,

Noting the virtually universal acceptance of the four Geneva Conventions of 12 August 1949 concerning the protection of victims of armed conflicts, and their binding character for all parties,

Noting further with appreciation the continuing efforts of the International Committee of the Red Cross to disseminate information about the two additional Protocols,

Concemed, however, at the fact that so far only a limited number of States have signed, ratified or acceded to the two Protocols,

Mindful of the need for continued improvement of the implementation, and for further expansion, of the body of humanitarian rules relating to armed conflicts,

1. Reiterates its call, contained in resolution 34/51, to all States to consider without delay the matter of ratifying or acceding to the two Protocols Additional to the Geneva Conventions of 1949 and relating to the protection of victims of armed conflicts;

2. Calls upon all States becoming parties to Protocol I to consider the matter of making the declaration provided for under article 90 of that Protocol;

3. Requests the Secretary-General to submit to the General Assembly at its thirty-ninth session a report on the status of the Protocols based on information received from Member States;

4. Decides to include in the provisional agenda of its thirty-ninth session an item entitled “Status of the Protocols Additional to the Geneva Conventions of 1949 and relating to the protection of victims of armed conflicts: report of the Secretary-General”.

In that regard, the Assembly noted that the people of the Territory had expressed the view that, for the time being, they did not wish to review the nature of the existing relationship between Tokelau and New Zealand. The Assembly welcomed the assurances of the administering Power that it would continue to be guided solely by the wishes of the people of Tokelau as to the future status of the Territory. The Assembly noted also that the administering Power had assured the people of Tokelau of its continuing assistance in the event that they should desire to change their status. The Assembly called upon the administering Power to continue its programme of political education within the context of its efforts to ensure the preservation of the identity and cultural heritage of the people of Tokelau. The Assembly recognized that the economic development of Tokelau was an important element in the process of self-determination. The Assembly noted the continuing efforts of the administering Power to promote the economic development of the Territory and the measures it had taken to safeguard and guarantee the rights of the peoples of Tokelau to all their natural resources and the benefits derived therefrom. The Assembly was of the opinion that the administering Power should continue to expand its programme of budgetary support and development aid to the Territory. The Assembly noted with appreciation the continuing efforts of the administering Power to make improvements in the fields of public health, public works and education. The Assembly reiterated its expression of appreciation to the specialized agencies and other organizations of the United Nations system, as well as to the regional organizations, for their assistance to Tokelau, and called upon those bodies to continue providing assistance to the Territory. Mindful of the effective means provided by United Nations visiting missions to assess the situation in the Territories, the Assembly was of the opinion that the possibility of sending a further visiting mission to the Territory at an appropriate time should be kept under review, taking into account, in particular, the wishes of the people of Tokelau. The Assembly requested the Special Committee to continue to examine the question at its next session, including the possible dispatch of a further visiting mission to Tokelau, at an appropriate time and in consultation with the administering Power, and to report thereon to the Assembly at its thirty-eighth session.

37/415. Question of Pitcairn

At its 77th plenary meeting, on 23 November 1982, the General Assembly, on the recommendation of the Fourth Committee, having examined the relevant chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, took note of the statement of the representative of the United Kingdom of Great Britain and Northern Ireland affirming the policy of his Government to encourage as much local initiative and enterprise as possible, so that the people of Pitcairn could make the most of their own way of life. The Assembly, further noting the willingness of the administering Power to discuss any change of constitutional status with the people of the Territory whenever the latter so desired, and that the current size of the population continued to raise the question of the capacity of the islanders to maintain the essential services of education, medical welfare and the launching of long boats, on which their trade with passing ships depended, called once again upon the administering Power to continue to take the necessary measures to safeguard the interests of the people of Pitcairn. The Assembly requested the Special Committee to continue to examine the question at its next session, and to report thereon to the Assembly at its thirty-eighth session.

37/416. Question of St. Helena

At its 77th plenary meeting, on 23 November 1982, the General Assembly, on the recommendation of the Fourth Committee, having examined the relevant chapters of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, and
having heard the statement of the representative of the United Kingdom of Great Britain and Northern Ireland, as the administering Power, reaffirmed the inalienable right of the people of St. Helena to self-determination and independence in conformity with the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in Assembly resolution 1514 (XV) of 14 December 1960. The Assembly noted the commitment of the Government of the United Kingdom to respect the wishes of the people of the Territory and, in that regard, urged the administering Power, in consultation with the freely elected representatives of the people of St. Helena, to continue to take all necessary steps to ensure the speedy implementation of the Declaration in respect to that Territory. The Assembly expressed the hope that the administering Power would continue to implement infrastructure and community projects aimed at improving the general welfare of the community and to encourage local initiative and enterprise, particularly in the area of the local handicrafts industry. The Assembly noted that, despite the economic improvement in these sectors, the commercial sector still remained affected by world inflation. The Assembly reaffirmed that continued development assistance from the administering Power, together with any assistance that the international community might be able to provide, constituted an important means of developing the economic potential of the Territory and of enhancing the capacity of its people to realize fully the goals set forth in the relevant provisions of the Charter of the United Nations for the improvement of economic conditions in the Territory. Noting the positive attitude of the administering Power with respect to the question of receiving United Nations visiting missions in the Territories under its administration, the Assembly considered that the possibility of dispatching such a mission to St. Helena at an appropriate time should be kept under review. The Assembly requested the Special Committee to continue to examine the question at its next session, including the possible dispatch of a visiting mission to St. Helena, at an appropriate time and in consultation with the administering Power, and to report thereon to the Assembly at its thirty-eighth session.

37/417. Question of Brunei

At its 77th plenary meeting, on 23 November 1982, the General Assembly, on the recommendation of the Fourth Committee, decided to defer until its thirty-eighth session consideration of the question of Brunei.

37/418. Question of St. Kitts-Nevis

At its 77th plenary meeting, on 23 November 1982, the General Assembly, on the recommendation of the Fourth Committee, decided to defer until its thirty-eighth session consideration of the question of St. Kitts-Nevis.

37/419. Question of Anguilla

At its 77th plenary meeting, on 23 November 1982, the General Assembly, on the recommendation of the Fourth Committee, decided to defer until its thirty-eighth session consideration of the question of Anguilla.

37/420. Military activities and arrangements by colonial Powers in Territories under their administration which might be impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples

At its 77th plenary meeting, on 23 November 1982, the General Assembly, on the recommendation of the Fourth Committee, adopted the following text:

"1. The General Assembly, having considered the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, deplores the fact that the colonial Powers concerned have taken no steps to implement the requests repeatedly addressed to them by the Assembly, most recently in paragraph 10 of its resolution 36/68 of 1 December 1981, and also in paragraph 9 of the annex to its resolution 35/118 of 11 December 1980, containing the Plan of Action for the Full Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, to withdraw immediately and unconditionally their military bases and installations from colonial Territories and to refrain from establishing new ones.

"2. The General Assembly, in reaffirming the inalienable right of the peoples of all colonial and dependent Territories to self-determination and independence in accordance with the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in its resolution 1514 (XV) of 14 December 1960, reiterates its conviction that military activities and arrangements in the Territories concerned constitute, in a great number of instances, a serious impediment to the full and speedy implementation of the Declaration with respect to those Territories."

"3. The General Assembly deplores the fact that South Africa and the colonial Powers continue to engage in activities and dispositions of a military character and to establish and maintain bases and other military installations in Namibia and other colonial Territories in violation of the purposes and principles of the Charter of the United Nations and of Assembly resolution 1514 (XV)."

"4. The General Assembly condemns all military activities and arrangements in colonial Territories which deny the peoples concerned their right to self-determination and independence."

"5. The General Assembly notes that, in southern Africa, an extremely serious situation continues to prevail owing to the persistent manoeuvres by the racist minority regime of Pretoria aimed at transferring power to illegitimate groups subservient to its interests in order to perpetuate its illegal occupation of Namibia. The illegal occupying regime has resorted to desperate measures in order to suppress by force the legitimate aspirations of the people and to maintain its control over the Territory. In its escalating war against the people of Namibia and their national liberation movement, the South West Africa
People’s Organization, struggling for freedom and independence, the régime has repeatedly committed acts of armed aggression against the neighbouring independent African countries, particularly Angola and Zambia, which have caused extensive loss of human life and destruction of the economic infrastructure.

6. The General Assembly, noting that in Namibia the South African Government has continued to expand its network of military bases and to carry out a massive build-up of its military forces, condemns the co-operation of certain Western countries and other States with South Africa in supplying it with arms and military equipment as well as technology, including technology and equipment in the nuclear field capable of being utilized for military purposes. The Assembly condemns South Africa for its ever-increasing military build-up in Namibia, its recruitment and training of Namibians for tribal armies, the expansion of the so-called SWA/Namibia Territory Force, the use of mercenaries to carry out its policy of military attacks against independent African States, particularly Angola and Zambia, and its threats and acts of subversion and aggression against those countries, as well as its illegal use of Namibian territory to commit such acts. The Assembly is particularly mindful in that regard of the relevant resolutions of the Organization of African Unity.

7. The General Assembly, accordingly, demands the immediate cessation of the war of oppression waged by the racist minority régime against the people of Namibia and their national liberation movement, as well as the urgent dismantling of all military bases in the Territory. Reaffirming the legitimacy of the struggle of the people of Namibia to achieve their freedom and independence, the Assembly appeals to all States to increase their moral and material assistance to the oppressed people of Namibia and their national liberation movement.

8. The General Assembly condemns the continued military collaboration and support which certain Western countries and other States render to the Government of South Africa, and calls upon all States to cease such collaboration and support to that Government, particularly the sale of weapons and other matériel, which increases South Africa’s capacity to wage wars against neighbouring African States. In particular, the Assembly calls upon all Governments to comply strictly with the provisions of Security Council resolution 418 (1977) of 4 November 1977, by which the Council, acting under Chapter VII of the Charter, decided to apply specific sanctions against South Africa. In that connection, the General Assembly draws particular attention to the relevant provisions of its resolution 36/121 of 10 December 1981 and the Arusha Declaration and Programme of Action on Namibia, adopted by the United Nations Council for Namibia on 13 May 1982 at its extraordinary plenary meeting held at Arusha, United Republic of Tanzania, as well as the conclusions and recommendations adopted by the Seminar on the Military Situation in and relating to Namibia, held at Vienna from 8 to 11 June 1982 under the auspices of the United Nations Council for Namibia.

9. The General Assembly condemns the continued nuclear co-operation by certain Western countries and other States with South Africa. It calls upon the States concerned to end all such co-operation and, in particular, to halt the supply to South Africa of equipment, technology, nuclear materials and related training, which increase its nuclear capability.

10. The General Assembly, noting that the militarization of Namibia has led to the forced conscription of Namibians, to a greatly intensified flow of refugees and to a tragic disorganization of the family life of the Namibian people, strongly condemns the forcible and wholesale displacement of Namibians from their homes for military and political purposes and the introduction of compulsory military service for Namibians and declares that all measures by the illegal occupation régime to enforce military conscription in Namibia are null and void.

11. The General Assembly recalls its resolution ES-8/2 of 14 September 1981, by which it strongly urged States to cease forthwith, individually and collectively, all dealings with South Africa in order totally to isolate it politically, economically, militarily and culturally.

12. The General Assembly deplores the establishment and maintenance by colonial Powers and their allies of military bases and other installations in the colonial Territories under their administration which impede the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and which are incompatible with the purposes and principles of the Charter and of Assembly resolution 1514 (XV).

13. The General Assembly reiterates its condemnation of all military activities and arrangements by colonial Powers in Territories under their administration which are detrimental to the interests and rights of the colonial peoples concerned, especially their right to self-determination and independence. The Assembly once again calls upon the colonial Powers concerned to terminate such activities and eliminate such military bases in compliance with its relevant resolutions and in particular with paragraph 9 of the Annex to its resolution 35/118, containing the Plan of Action for the Full Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

14. The General Assembly deplores the continued alienation of land in colonial Territories for military installations. While it has been argued that the servicing of such installations creates employment, nevertheless, the large-scale utilization of local economic and manpower resources for this purpose diverts resources that could be more beneficially utilized in promoting the economic development of the Territories concerned and is thus contrary to the interests of their populations.

15. The General Assembly requests the Secretary-General, through the Department of Public Information of the Secretariat, to undertake an intensified campaign of publicity with a view to informing world public opinion of the facts concerning the military activities and arrangements in colonial Territories which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in Assembly resolution 1514 (XV).

16. The General Assembly requests the Special Committee to continue its consideration of the item and to report thereon to the Assembly at its thirty-eighth session.

# ANNEX IV

## CHECK LIST OF RESOLUTIONS AND DECISIONS

This check list includes all the resolutions and decisions adopted by the General Assembly during its thirty-seventh session, from 21 September 1982 to 13 May 1983. The column “Voting result” indicates the number of votes in favour, the number of votes against and the number of abstentions for those resolutions and decisions which were adopted by a formal vote. Unless otherwise indicated, all the votes were recorded votes. The details of the voting, which are available only for recorded votes, appear in the verbatim record of the relevant plenary meeting (see *Official Records of the General Assembly, Thirty-seventh Session, Plenary Meetings*); a complete tabulation of those results by Member State will be found in the annex to the Index to proceedings of the General Assembly (ST/LIB/SER.B/A.35).
