Report of the First Committee (Part I)

Rapporteur: Dr. Franz MATSCH (Austria)

REVISED CORRIGENDUM

Page 10: paragraph 35 (f) should be revised to read as follows:

"(f) The representative of the USSR stated that those, especially the atomic
Powers, who had voted against this paragraph, which referred to the
discontinuance of testing of atomic weapons contained also in the USSR draft
resolution (A/C.1/L.203/Rev.1), had demonstrated their unwillingness to stop
tests and, since the positions of members of the Committee had been made
adequately clear, his delegation would not press the USSR draft resolution to
a vote."
