1378 (XIV). General and complete disarmament

The General Assembly,

Moved by the desire to save the present and succeeding generations from the danger of a new and disastrous war,

Striving to put an end completely and forever to the armaments race which places a heavy burden on mankind, and to use resources thus released for the benefit of mankind,

Desiring to promote the creation of relations of trust and peaceful co-operation between States,

Mindful of the resolution of the United Nations Disarmament Commission of 10 September 1959,¹

Being convinced that any progress towards the goal of general and complete disarmament under effective international control will contribute to the achievement of these high aims,

Considering that the question of general and complete disarmament is the most important one facing the world today,

1. Calls upon Governments to make every effort to achieve a constructive solution of this problem;

2. Transmits to the United Nations Disarmament Commission and requests the Secretary-General to make available to the ten-nation disarmament committee for thorough consideration the declaration of the United Kingdom of Great Britain and Northern Ireland of 17 September 1959² and the declaration of the Union of Soviet Socialist Republics of 18 September 1959,³ and the other proposals or suggestions made, as well as the records of the plenary meetings⁴ and the meetings of the First Committee⁵ at which the question of general and complete disarmament was discussed;

3. Expresses the hope that measures leading towards the goal of general and complete disarmament under effective international control will be worked out in detail and agreed upon in the shortest possible time.

840th plenary meeting,
20 November 1959.

1379 (XIV). Question of French nuclear tests in the Sahara

The General Assembly,

Conscious of the great concern throughout the world repeatedly expressed in the United Nations over the prospect of further nuclear tests and their effects upon mankind,

Noting the declared intention of the Government of France to undertake nuclear tests in the Sahara,

Considering the deep concern felt over the dangers and risks which such tests entail,

Considering that significant progress is being made in the negotiations now proceeding at Geneva concerning the discontinuance of nuclear weapons tests under an international control system,

Considering that the parties to those negotiations have facilitated their progress by voluntarily suspending such tests,

Considering that the purpose of the said negotiations is to bring about a general discontinuance of nuclear weapons tests and that it is to be hoped that, in the same spirit which inspired the present voluntary sus-

pension of tests, no State will initiate or resume tests of this kind,

Recognizing the anxiety caused by the contemplated tests in the Sahara among all peoples, and more particularly those of Africa,

1. Expresses its grave concern over the intention of the Government of France to conduct nuclear tests;
2. Requests France to refrain from such tests.

840th plenary meeting,
20 November 1959.

1380 (XIV). Prevention of the wider dissemination of nuclear weapons

The General Assembly,

Recognizing that the danger now exists that an increase in the number of States possessing nuclear weapons may occur, aggravating international tension and the difficulty of maintaining world peace, and thus rendering more difficult the attainment of general disarmament agreement,

Convinced therefore that consideration of this danger is appropriate within the framework of deliberations on disarmament,

Noting the resolution of the United Nations Disarmament Commission of 10 September 1959,

Desiring to bring to the attention of the ten-nation disarmament committee its conviction that consideration should be given to this problem,

1. Suggests that the ten-nation disarmament committee, in the course of its deliberations, should consider appropriate means whereby this danger may be averted, including the feasibility of an international agreement, subject to inspection and control, whereby the Powers producing nuclear weapons would refrain from handing over the control of such weapons to any nation not possessing them and whereby the Powers not possessing such weapons would refrain from manufacturing them;

2. Invites the committee to include the results of its deliberations on these matters in its report to the Disarmament Commission.

841st plenary meeting,
20 November 1959.

1402 (XIV). Suspension of nuclear and thermo-nuclear tests

The General Assembly,

Recalling its resolution 1252 B (XIII) of 4 November 1958,

Noting that the negotiations on the discontinuance of nuclear weapons tests and on the establishment of an appropriate international control system, which began at Geneva on 31 October 1958, are still continuing,

1. Expresses its appreciation to the States concerned for their efforts to reach an agreement relating to the prohibition of nuclear weapons tests and including an appropriate international control system;
2. Expresses the hope that these States will intensify their efforts to reach such an agreement at an early date;
3. Urges the States concerned in these negotiations to continue their present voluntary discontinuance of the testing of nuclear weapons;
4. Requests the States concerned to report to the General Assembly the results of their negotiations.

842nd plenary meeting,
21 November 1959.

B
The General Assembly,

Desiring to safeguard mankind from the increasing hazards resulting from tests of nuclear and thermo-nuclear weapons,

Bearing in mind the profound concern evinced by the peoples of all countries regarding the testing of nuclear and thermo-nuclear weapons,

Welcoming the endeavours at Geneva of the States concerned to reach an agreement on the discontinuance of these tests, and the progress so far achieved,

Noting with appreciation that the States concerned have voluntarily suspended such tests, enabling progress in the discussions at Geneva,

Considering that an agreement on the cessation of nuclear and thermo-nuclear tests with effective international control is urgent,

1. Expresses its appreciation to the States concerned for their patient and sincere efforts to reach agreement on the discontinuance of nuclear and thermo-nuclear tests with effective international control, and for the progress hitherto achieved;
2. Expresses further the hope that the States concerned will reach such agreement at an early date:
3. Appeals to the States concerned in the Geneva discussions to continue their present voluntary suspension of tests, and to other States to desist from such tests;
4. Requests the States concerned to report to the Disarmament Commission and to the General Assembly the results of their negotiations.

842nd plenary meeting,
21 November 1959.

1403 (XIV). Report of the Disarmament Commission

The General Assembly,

Recalling its resolution 1252 D (XIII) of 4 November 1958,

Noting with approval the report of the Disarmament Commission of 11 September 1959,

1. Decides that the Disarmament Commission shall continue to be composed of all Members of the United Nations;
2. Transmits to the Disarmament Commission all the documents, proposals and records of discussions relating to disarmament at the fourteenth session of the General Assembly;
3. Requests the Secretary-General to provide the staff and services required by the Disarmament Commission and, in consultation with the Governments concerned, provide such facilities as may be required by the ten-nation disarmament committee.

843rd plenary meeting,
21 November 1959.

1455 (XIV). The Korean question

The General Assembly,

Having received the report of the United Nations Commission for the Unification and Rehabilitation of Korea,\(^1\)

Reaffirming its resolutions 112 (II) of 14 November 1947, 195 (III) of 12 December 1948, 293 (IV) of 21 October 1949, 376 (V) of 7 October 1950, 811 (IX) of 11 December 1954, 910 A (X) of 29 November 1955, 1010 (XI) of 11 January 1957, 1180 (XII) of 29 November 1957 and 1264 (XIII) of 14 November 1958,

Noting that, despite the exchange of correspondence between the communist authorities concerned and the United Kingdom of Great Britain and Northern Ireland on behalf of the Governments of countries which have contributed forces to the United Nations Command in Korea, in which these Governments expressed their sincere desire to see a lasting settlement of the Korean question in accordance with United Nations resolutions and their willingness to explore any measure designed to bring about the realization on this basis, the communist authorities continue to refuse to co-operate with the United Nations in bringing about a peaceful and democratic solution of the Korean problem,

Regretting that the communist authorities continue to deny the competence and authority of the United Nations to deal with the Korean question, claiming that any resolution on this question adopted by the United Nations is null and void,

Noting further that the United Nations forces which were sent to Korea in accordance with resolutions of the United Nations have for the greater part already been withdrawn, and that the Governments concerned are prepared to withdraw their remaining forces from Korea when the conditions for a lasting settlement laid down by the General Assembly have been fulfilled,

1. Reaffirms that the objectives of the United Nations in Korea are to bring about, by peaceful means, the establishment of a unified, independent and democratic Korea under a representative form of government, and the full restoration of international peace and security in the area;

2. Calls upon the communist authorities concerned to accept these established United Nations objectives in order to achieve a settlement in Korea based on the fundamental principles for unification set forth by the nations participating on behalf of the United Nations in the Korean Political Conference held at Geneva in 1954, and reaffirmed by the General Assembly, and to agree at an early date on the holding of genuinely free elections in accordance with the principles endorsed by the Assembly;

3. Requests the United Nations Commission for the Unification and Rehabilitation of Korea to continue its work in accordance with the relevant resolutions of the General Assembly;

4. Requests the Secretary-General to place the Korean question on the provisional agenda of the fifteenth session of the General Assembly.

851st plenary meeting, 9 December 1959.

1472 (XIV). International co-operation in the peaceful uses of outer space

The General Assembly,

Recognizing the common interest of mankind as a whole in furthering the peaceful use of outer space, Believing that the exploration and use of outer space should be only for the betterment of mankind and to the benefit of States irrespective of the stage of their economic or scientific development, Desiring to avoid the extension of present national rivalries into this new field,

Recognizing the great importance of international co-operation in the exploration and exploitation of outer space for peaceful purposes,

Noting the continuing programmes of scientific co-operation in the exploration of outer space being undertaken by the international scientific community,

Believing also that the United Nations should promote international co-operation in the peaceful uses of outer space,

1. Establishes a Committee on the Peaceful Uses of Outer Space, consisting of Albania, Argentina, Australia, Austria, Belgium, Brazil, Bulgaria, Canada, Czechoslovakia, France, Hungary, India, Iran, Iraq, Japan, Lebanon, Mexico, Poland, Romania, Sweden, the Union of Soviet Socialist Republics, the United Arab Republic, the United Kingdom of Great Britain and Northern Ireland and the United States of America, whose members will serve for the years 1960 and 1961, and requests the Committee:

(a) To review, as appropriate, the area of international co-operation, and to study practical and feasible means for giving effect to programmes in the peaceful uses of outer space which could appropriately be undertaken under United Nations auspices, including, inter alia:

(i) Assistance for the continuation on a permanent basis of the research on outer space carried on within the framework of the International Geophysical Year;
(ii) Organization of the mutual exchange and dissemination of information on outer space research;
(iii) Encouragement of national research programmes for the study of outer space, and the rendering of all possible assistance and help towards their realization;

(b) To study the nature of legal problems which may arise from the exploration of outer space;

2. Requests the Committee to submit reports on its activities to the subsequent sessions of the General Assembly.

856th plenary meeting, 12 December 1959.

---

The General Assembly,

Noting with satisfaction the successes of great significance to mankind that have been attained in the exploration of outer space in the form of the recent launching of artificial earth satellites and space rockets, Attaching great importance to a broad development of international co-operation in the peaceful uses of outer space in the interests of the development of science and the improvement of the well-being of peoples.

---

1. Decides to convene in 1960 or 1961, under the auspices of the United Nations, an international scientific conference of interested Members of the United Nations and members of the specialized agencies for the exchange of experience in the peaceful uses of outer space;

2. Requests the Committee on the Peaceful Uses of Outer Space, established in resolution A above, in consultation with the Secretary-General and in co-operation with the appropriate specialized agencies, to work out proposals with regard to the convening of such a conference;

3. Requests the Secretary-General, in accordance with the conclusions of the Committee, to make the necessary organizational arrangements for holding the conference.

**1375 (XIV).** Question of race conflict in South Africa resulting from the policies of apartheid of the Government of the Union of South Africa

The General Assembly,

Recalling its resolution 1248 (XIII) of 30 October 1958 on the question of race conflict in South Africa resulting from the policies of apartheid of the Government of the Union of South Africa,

Deeply convinced that the practice of racial discrimination and segregation is opposed to the observance of human rights and fundamental freedoms,

Considering that government policies which accentuate or seek to preserve racial discrimination are prejudicial to international harmony,

Noting with concern that the policy of apartheid is still being pursued,

1. Expresses its opposition to the continuance or preservation of racial discrimination in any part of the world;

2. Solemnly calls upon all Member States to bring their policies into conformity with their obligation under the Charter of the United Nations to promote the observance of human rights and fundamental freedoms;

3. Expresses its deep regret and concern that the Government of the Union of South Africa has not yet responded to appeals of the General Assembly that it reconsider governmental policies which impair the rights of all racial groups to enjoy the same fundamental rights and freedoms;

4. Appeals to all Member States to use their best endeavours as appropriate to achieve the purposes of the present resolution.

*838th plenary meeting, 17 November 1959.*

**1404 (XIV).** Question of an increase in the membership of the Security Council and of the Economic and Social Council

The General Assembly,

Realising that many delegations have expressed the opinion that, in view of the considerable increase in the membership of the United Nations in recent years, there should be an increase in the membership of the Security Council and the Economic and Social Council which would make it possible to improve the present distribution of seats in those organs,

Recalling its resolution 1300 (XIII) of 10 December 1958, in which it recognized that, in view of the increase in the membership of the United Nations since its establishment, an increase in the membership of the Economic and Social Council is desirable,

Noting that an increase in the membership of those organs would necessitate the amendment of certain provisions of the Charter of the United Nations,

Expressing the hope that the strong desire manifested by a large number of Member States will help to bring about such amendment at the earliest opportunity,

Considering that, in order to solve this problem, further efforts must be made with a view to obtaining the agreement of the greatest possible number of Member States,

1. Decides that items relating to an increase in the membership of the Security Council and of the Economic and Social Council shall be placed on the provisional agenda of its fifteenth session;

2. Declares that, if progress is not made during the fifteenth session of the General Assembly towards the achievement of an increase in the membership of the Security Council and of the Economic and Social Council, the Assembly should set up at that session a committee to study the possibilities of arriving at an agreement which will facilitate the amendment of the
Charter to achieve the increase in membership referred to above.

843rd plenary meeting, 25 November 1959.

1456 (XIV). United Nations Relief and Works Agency for Palestine Refugees in the Near East

The General Assembly,

Recalling its resolutions 194 (III) of 11 December 1948, 302 (IV) of 8 December 1949, 393 (V) of 2 December 1950, 513 (VI) of 26 January 1952, 614 (VII) of 6 November 1952, 720 (VIII) of 27 November 1953, 818 (IX) of 4 December 1954, 916 (X) of 3 December 1955, 1018 (XI) of 28 February 1957, 1191 (XII) of 12 December 1957 and 1315 (XIII) of 12 December 1958,

Noting the annual report of the Director of the United Nations Relief and Works Agency for Palestine Refugees in the Near East,¹ in particular the expiration of the Agency's mandate on 30 June 1960,

Noting the recommendation of the Secretary-General and the Director of the Agency for the continuation of the Agency,

Noting with deep regret that repatriation or compensation of the refugees, as provided for in paragraph 11 of General Assembly resolution 194 (III), has not been effected, and that no substantial progress has been made in the programme endorsed in paragraph 2 of resolution 513 (VI) for the reintegration of refugees either by repatriation or resettlement and that, therefore, the situation of the refugees continues to be a matter of serious concern,

Having reviewed the Agency's budget and noting with concern that contributions from Member States are not sufficient,

Recalling that the Agency, as a subsidiary organ of the United Nations, enjoys the benefits of the Convention on the Privileges and Immunities of the United Nations,

1. Decides to extend the mandate of the United Nations Relief and Works Agency for Palestine Refugees in the Near East for a period of three years with a review at the end of two years;

2. Requests the Governments concerned to co-operate with the Agency in efforts to rectify the situation described in paragraphs 17 and 18 of the Director's report;

3. Requests the Director of the Agency to arrange with the host Governments the best means of giving effect to the proposals contained in paragraph 47 of his report;

4. Requests the United Nations Conciliation Commission for Palestine to make further efforts to secure the implementation of paragraph 11 of General Assembly resolution 194 (III);

5. Directs attention to the precarious financial position of the Agency and urges Governments to consider to what extent they can contribute or increase their contributions so that the Agency can carry out its programmes;

6. Directs the Agency to continue its programme of relief for the refugees and, in so far as is financially possible, expand its programme of self-support and vocational training;

7. Expresses its thanks to the Director and the staff of the Agency for their continued faithful efforts to carry out the mandate of the Agency, and to the specialized agencies and the many private organizations for their valuable and continuing work in assisting the refugees.

851st plenary meeting, 9 December 1959.

1460 (XIV). Treatment of people of Indian origin in the Union of South Africa

The General Assembly,

Recalling its resolutions 1179 (XII) of 26 November 1957 and 1302 (XIII) of 10 December 1958,

1. Notes that the Governments of India and Pakistan have reiterated their readiness to enter into negotiations with the Government of the Union of South Africa in accordance with the expressed desires of the United Nations, and with the express declaration that such negotiations would not in any way prejudice their own position or the position taken by the Government of the Union of South Africa regarding their respective juridical stands in the dispute;

2. Regrets deeply that the Government of the Union of South Africa has not replied to the communications from the Governments of India and Pakistan on this subject;

3. Draws the attention of the Government of the Union of South Africa to the repeated appeals of the General Assembly in this matter;

4. Appeals to the Government of the Union of South Africa to enter into negotiations with the Governments of India and Pakistan;

5. Invites Member States to use their good offices in such manner as may be appropriate to bring about the negotiations envisaged by the General Assembly in this matter;

6. Invites the parties concerned to report to the General Assembly, jointly or separately, regarding any progress which may be made.

1382 (XIV). Progress and operations of the Special Fund

The General Assembly,
Recalling its resolutions 1219 (XII) of 14 December 1957 and 1240 (XIII) of 14 October 1958,
Considering that the Special Fund has an important and urgent role to play in the economic and social development of the under-developed countries,
Believing that the Expanded Programme of Technical Assistance and the Special Fund will operate more effectively when they can rely on the level of resources envisaged in section II of General Assembly resolution 1219 (XII),

Bearing in mind that the present resources of the Special Fund are not sufficient to support all projects already submitted,

Takes note with satisfaction of the first report of the Governing Council of the Special Fund transmitted to the General Assembly by the Economic and Social Council.

1 Official Records of the Economic and Social Council, Twenty-eighth Session, Annexes, agenda item 6, document E/3270.
Council, and commends the Governing Council on the first year of its work;

2. Commends the Managing Director of the Special Fund on the successful beginning of the operations of the Fund;

3. Notes the increase in the total of contributions announced on 8 October 1959 at the United Nations Pledging Conference on the Expanded Programme of Technical Assistance and the Special Fund;

4. Expresses its confidence that the Managing Director, from the outset of the operations of the Special Fund, in conformity with all the provisions related to voluntary contributions and to the use of resources embodied in General Assembly resolution 1240 (XIII), will endeavour to make the fullest possible use of all resources available to the Fund;

5. Calls upon States Members of the United Nations or members of any of the specialized agencies or of the International Atomic Energy Agency so to contribute to the Special Fund that it rapidly attains resources sufficient to enable it to undertake and execute on a sustained basis the tasks laid upon it in the founding resolutions 1219 (XII) and 1240 (XIII).

41st plenary meeting, 20 November 1959.

1383 (XIV). Expanded Programme of Technical Assistance

A

The General Assembly,

Taking note of chapter I, section XII, of the report of the Economic and Social Council,1

Recalling General Assembly resolution 1255 A (XIII) of 14 November 1958 and Economic and Social Council resolutions 222 (IX) of 14 and 15 August 1949, 542 B II (XVIII) of 29 July 1954, 734 (XXVIII), 735 (XXVIII), 736 (XXVIII) and 737 (XXXII) of 30 July 1959,

Bearing in mind that the year 1959 marks the tenth anniversary of the establishment of the Expanded Programme of Technical Assistance,

Believing that the Expanded Programme has an important and urgent role to play in the United Nations efforts for the economic and social development of under-developed countries,

Noting with satisfaction the results achieved by the Expanded Programme during its first ten years,

Noting that, in order to ensure more ample and effective results in the future, it would be desirable to obtain larger contributions from the participating countries,

Believing that industrialization and agricultural development are among the most important aims of the under-developed countries, and that countries in this process of development need increasing technical assistance,

Noting with appreciation that, at the United Nations Pledging Conference on the Expanded Programme of Technical Assistance and the Special Fund on 8 October 1959, a number of countries expressed their intention of increasing their contributions for 1960,

Regretting however that the resources at present envisaged for 1960 are not sufficient even to maintain the present level of operations,

1 Commends the Executive Chairman and the members of the Technical Assistance Board for the effective manner in which the Expanded Programme of Technical Assistance is being executed;

2. Takes note of the appraisal made by the Economic and Social Council and its Technical Assistance Committee, together with the Technical Assistance Board and the participating organizations, of administrative arrangements which have the purpose of achieving increased efficiency in the operations of the Expanded Programme;

3. Notes also the decision taken by the Economic and Social Council in its resolution 735 (XXVIII) to provide greater flexibility and longer range planning in country programming procedures;

4. Affirms the desirability of continuing to endeavour to make the fullest possible use of all available contributions consistent with the existing principles and procedures of the Expanded Programme;

5. Expresses the hope that Governments will, in accordance with their financial possibilities, continue to support the Expanded Programme and so contribute to the Programme that increasing resources will be available:

(a) For undertaking and executing on a sustained basis the tasks laid upon the Programme;

(b) For devoting urgent attention to the compelling needs of newly independent countries and countries in a similar economic and social condition without prejudice to the possibility of further assistance to other under-developed countries.

41st plenary meeting, 20 November 1959.

B

The General Assembly,

Noting that the technical assistance programmes of the United Nations after ten years of operation have become, thanks to the constantly increasing number of countries actively participating in their execution, programmes of international technical co-operation,

1. Considers that, in the present circumstances, the term "technical co-operation" would more accurately describe the nature of the assistance provided by the United Nations and the specialized agencies under the technical assistance programmes;

2. Expresses the wish that the term "technical assistance" may be replaced by the term "technical co-operation" to designate both the United Nations regular programme of technical assistance and the Expanded Programme of Technical Assistance, and requests the Economic and Social Council to consider the possibility of such a change and to report thereon to the General Assembly at its fifteenth session.

41st plenary meeting, 20 November 1959.

1384 (XIV). United Nations regular programme of technical assistance

The General Assembly,

Having considered chapter II, section X, of the report of the Economic and Social Council,2

Recalling its resolution 200 (III) of 4 December 1948.
1. Notes with appreciation the activities of the Secretary-General under the United Nations regular programme of technical assistance;

2. Notes also the measures taken by the Secretary-General and announced on his behalf by the Commissioner for Technical Assistance with a view to facilitating the consideration of the regular programme by the Economic and Social Council and its Technical Assistance Committee.

841st plenary meeting, 20 November 1959.

1385 (XIV). United Nations assistance in public administration

The General Assembly,

Recalling its resolution 1256 (XIII) of 14 November 1958,

Taking note of Economic and Social Council resolution 739 (XXVIII) of 30 July 1959,

Recognizing that the time that has elapsed since the establishment of the experiment for the provision of operational, executive and administrative personnel to Governments requesting assistance in this form has been too brief, and that, for this reason, the range of the experiment has been too narrow to justify drawing final conclusions,

Recalling that several Member States have centres and institutes for training in public administration, some of which have been created or expanded with the technical assistance of the United Nations,

1. Resolves that the experimental programme started in 1959 should be continued in 1960 on the basis of General Assembly resolution 1256 (XIII), and that the Secretary-General should be allowed adequate scope in the carrying out of the experiment within the limits of the resources to be made available for 1960;

2. Recommends that, in suggesting to recipient Governments the appointments of qualified officials under the programme, the Secretary-General should make use of all available resources and, as much as possible, of the experts who have been trained in the above-mentioned centres and institutes for public administration;

3. Requests the Secretary-General to present to the Economic and Social Council at its thirteenth session and to the General Assembly at its fifteenth session a report analysing in detail the progress and results of the experiment, including whatever comments the recipient Governments may wish to make, and in particular the degree of success achieved in the training of nationals to assume as early as possible the responsibilities temporarily assigned to the internationally recruited staff, together with recommendations based on this report.

841st plenary meeting, 20 November 1959.

1420 (XIV). International Development Association

The General Assembly,

Mindful of the determination of the United Nations, as expressed in its Charter, to promote social progress and better standards of life in larger freedom and, for these ends, to employ international machinery for the promotion of the economic and social advancement of all peoples,

Recalling the General Assembly's interest in new forms of international financing for the purpose of accelerating the economic development of under-developed countries,

Welcoming the decision in principle taken at the recent annual meeting of the Board of Governors of the International Bank for Reconstruction and Development to establish an International Development Association as an affiliate of the Bank,

1. Expresses the belief that the new affiliate of the International Bank for Reconstruction and Development will provide under-developed countries with types of financing which have not hitherto been available from multilateral agencies and which, while stimulating economic development, would tend to ease their balance of payments position;

2. Expresses the hope that adequate provisions will be made and appropriate procedures adopted for a close working relationship and effective co-ordination and consultation between the International Development Association and the United Nations;

3. Calls attention to the desirability of appropriate relations between the International Development Association and the specialized agencies and the International Atomic Energy Agency, as suitable;

4. Requests the Secretary-General to transmit to the President of the International Bank for Reconstruction and Development, for communication to the Executive Directors of the Bank, the records of the debates of the General Assembly on this subject at its present session.

846th plenary meeting, 5 December 1959.

1421 (XIV). Strengthening and development of the world market and improvement of the trade conditions of the economically less developed countries

The General Assembly,

Guided by the principles set forth in the Charter of the United Nations and wishing to extend international economic co-operation, to bring about full employment and to foster economic and social progress and development,

Considering that world trade is a natural and reliable factor in the development of peaceful relations between States,

Desiring to promote the development and extension of trade, to ease the exchange of goods and to create the stability and welfare essential for peaceful and friendly relations between nations,

I

1. Recommends that all Member States should, individually and jointly, continue their efforts to promote and extend mutually beneficial trade between all States, regardless of their economic systems;

2. Reaffirms its belief that international organizations concerned with the regulation and development of international trade should continue to contribute to the extension of multilateral world commerce and should facilitate the expansion of trade between States regardless of their economic systems;

3. Requests the Secretary-General, taking fully into consideration all the views expressed and proposals submitted on this subject at the present session of the
General Assembly, to prepare a report on the ways and means of promoting wider trade co-operation among States, irrespective of their economic systems and stages of development, including, inter alia, the consideration of all the arrangements for such co-operation;

4. Requests the Secretary-General to submit this report to the Economic and Social Council at its thirteenth session and to the General Assembly at its fifteenth session;

II

1. Considers that the United Nations and the specialized agencies concerned should expand the useful work which they are doing in promoting the stabilization of the commodity markets and the development of reciprocally beneficial multilateral trade;

2. Considers that it would be desirable to work out, within the United Nations and other appropriate forums, measures to promote the stabilization of the commodity markets and the development of trade between the highly developed and the less developed countries on a reciprocally beneficial and non-discriminatory basis, including, where appropriate, short-, medium- and long-term trade agreements, international commodity agreements and the establishment of international study groups;

3. Recommends that the industrially developed and the economically less developed countries should continue to encourage, by means of freely negotiated credit arrangements, the export of machinery and industrial equipment to the less developed countries, without any restriction on the freedom of these countries to buy and sell in the best market.

846th plenary meeting, 5 December 1959.

1422 (XIV). Development of international trade and international commodity problems

The General Assembly,
Recalling its resolution 1324 (XIII) of 12 December 1958 and noting Economic and Social Council resolution 726 (XXVIII) of 24 July 1959,
Considered that economic and social progress throughout the world, especially in the under-developed areas, depends largely on a steady increase in international trade,
Bearing in mind that exports of a relatively small number of primary commodities constitute the main source of foreign exchange earnings of many countries, particularly in the under-developed areas,
Considering that excessive fluctuations in commodity prices affect the volume of export receipts and the budgetary resources of many countries, and in the case of the under-developed countries are likely to hamper the sound and stable development of the economy,
Considered that a policy of economic assistance to the under-developed countries will be more effective if the excessive instability of commodity markets is remedied, and that to seek solutions to this problem should be one of the main concerns of all Member States,
Noting the approval given by the Economic and Social Council to the programme of work of the Commission on International Commodity Trade, including the detailed study of national and international measures to deal with fluctuations in primary commodity markets,
Noting further that the Contracting Parties to the General Agreement on Tariffs and Trade have undertaken a study of the problem of the long-term expansion of trade, and in particular of the exports of countries producing primary commodities,
Considering however that the procedures of multilateral financial assistance do not always enable countries that have suffered from a sharp and sudden drop in the prices of the raw materials they export to overcome rapidly the deficit in their balance of payments and at the same time to carry out their development programmes,

1. Appeals anew to the Governments of Member States to continue their efforts to solve the problems relating to commodity production and trade, including, where appropriate, participation in existing international commodity agreements or the negotiation of agreements between the principal producers and the principal consumers of the same product, in their mutual interest, or participation in international study groups;

2. Takes note with appreciation of Economic and Social Council resolution 726 (XXVIII) approving the report and programme of work submitted by the Commission on International Commodity Trade and expresses the hope that the Commission in the course of its studies will give careful attention to the types of comprehensive commodity schemes referred to in part I, chapter 3, of the World Economic Survey, 1958;

3. Invites the Governments of Member States to extend the greatest possible assistance to the Commission on International Commodity Trade in order to help it carry out its programme of work quickly and effectively;

4. Recommends that the regional economic commissions, the specialized agencies concerned, especially the Food and Agriculture Organization of the United Nations, the Contracting Parties to the General Agreement on Tariffs and Trade and the international study groups dealing with commodity problems give particular attention to the problems of countries dependent to a high degree on the export of a small number of primary commodities;

5. Urges the Governments of Member States:
(a) To contribute to the greatest possible extent, either unilaterally or in the competent international organizations, to the progressive abolition of all such discriminatory, quantitative limitations and other restrictive practices as are prejudicial to the sound development of international commodity trade;
(b) To take into account, in formulating their economic policy, the fact that it may have on the export opportunities of the primary-producing countries;

6. Requests the Commission on International Commodity Trade to give particular attention, in carrying out its programme of work, to the study of means for giving temporary assistance to countries encountering serious payment difficulties as a result of a sharp and sudden drop in the prices of their raw material exports, with a view to enabling them to take the necessary measures and at the same time continue to carry out their economic development programmes.

846th plenary meeting, 5 December 1959.

1423 (XIV). International measures to assist in offsetting fluctuations in commodity prices

The General Assembly,

Recalling its resolution 1324 (XIII) of 12 December 1958 and Economic and Social Council resolution 720 (XXVIII) of 24 July 1959,

-bearing in mind- the responsibilities laid upon Member States by the Preamble, by Article 1, paragraph 3, by Article 13, paragraph 1, and by Article 55 of the Charter of the United Nations to promote international co-operation in the economic field, higher standards of living, full employment, and conditions of economic and social progress,

-taking into account- the harmful potentialities of the widening gap between the levels of per capita income in developed and under-developed countries,

-having examined the report of the Economic and Social Council on international commodity problems and the report of the Commission on International Commodity Trade on its seventh session, particularly paragraph 62 thereof relating to compensatory financing,

-commending the work programme drawn up by the Commission on International Commodity Trade at its seventh session and approved by the Economic and Social Council,

-considering the necessity of devising means to combat large fluctuations in commodity prices when accompanied by a general fall in the price levels of primary commodities and the rising price levels of manufactured goods, and the resulting decline in the terms of trade against the under-developed countries,

-considering that such fluctuations hamper world trade,

-considering further the repercussions of adverse trade balances on the capacity of the under-developed countries to contribute to their own development,

-recognizing the imperative necessity of urgent and effective measures to enable the under-developed countries to initiate and sustain their development programmes at adequate levels,

1. Requests the Secretary-General to appoint a group of not more than seven experts to assist the Commission on International Commodity Trade in its consideration of commodity problems by examining the feasibility of establishing machinery, within the framework of the United Nations, designed to assist in offsetting the effects of large fluctuations in commodity prices on balances of payments, with special reference to compensatory financing, and to submit its report and recommendations to the Commission on International Commodity Trade by its ninth session, and requests the Economic and Social Council to comment on and transmit this report to the General Assembly;

2. Further requests the Secretary-General to invite the International Monetary Fund and the Food and Agriculture Organization of the United Nations to participate in the work of the group of experts in a consultative capacity.

846th plenary meeting, 5 December 1959.

1424 (XIV). United Nations capital development fund

The General Assembly,

- bearing in mind - the determination expressed in the Preamble of the Charter of the United Nations to promote social progress and better standards of life in larger freedom and to employ international machinery for the promotion of the economic and social advancement of all peoples,

- considering the economic development of the under-developed countries as an essential condition for promoting world peace, stability and prosperity,

- mindful that the general problem of the economic development of the under-developed countries concerns, and is of paramount importance to, both developed and under-developed countries,

- considering the importance of using United Nations machinery for financially assisting the acceleration of the economic development of the under-developed countries, especially in the field of their economic and social infrastructure, which is basic to the substantial expansion of production and to the growth of their economies,

- recognizing that the flow of international capital and assistance has not been commensurate with the magnitude, diversity and urgency of the needs of the under-developed countries,

- believing that improved economic conditions of highly developed countries will make it possible for them to provide an additional contribution towards accelerating the economic development of under-developed countries,

-bearing in mind - the previous resolutions of the General Assembly and of the Economic and Social Council on the establishment of a United Nations capital development fund for financing the economic development of the under-developed countries,

1. Calls upon Member States to give further consideration to General Assembly resolutions 1317 (XIII) of 12 December 1958 and 1219 (XII), section III, of 14 December 1957 and Economic and Social Council resolution 740 (XXVIII) of 31 July 1959, and to re-examine their positions in regard to extending material support for the early establishment of a United Nations capital development fund;

2. Requests the Secretary-General to examine, in consultation with the Government of Member States, ways and means of making further progress towards the early establishment of a United Nations capital development fund;

3. Invites the Secretary-General to report on this matter to the Economic and Social Council at its thirtieth session and to the General Assembly at its fifteenth session.

846th plenary meeting, 5 December 1959.

1425 (XIV). Possibilities of international co-operation in the field of the development of the petroleum industry in the under-developed countries

The General Assembly,

Recalling its resolution 1319 (XIII) of 12 December 1958 and Economic and Social Council resolutions 711 B (XXVII) of 17 April 1959 and 740 B (XXVIII) of 31 July 1959,

Recalling further General Assembly resolution 626 (VII) of 21 December 1952, which recognized the
need for encouraging the under-developed countries in the proper use and exploitation of their natural wealth and resources,

Considering the importance to many under-developed countries of the effective development of their petroleum resources,

Recognizing that the discussions which took place during the symposium on the development of petroleum resources held in New Delhi under the auspices of the Economic Commission for Asia and the Far East, as well as those at the twenty-seventh and twenty-eighth sessions of the Economic and Social Council, showed the interest of numerous under-developed countries in the development of their petroleum industries,

Noting the action taken by the Economic and Social Council, at its twenty-eighth session, in inviting the Secretary-General to make available particulars of the specific ways in which programmes under the auspices of the United Nations can assist in developing petroleum supplies,

Recalling that the Secretary-General is authorized to include the question of the development of the petroleum industry in the United Nations programmes for the development of under-developed countries with regard to industrialization and energy resources,

1. Requests the Secretary-General to transmit to the Economic and Social Council, for its consideration, the various views expressed on this subject, including those relating to financial aspects, during the present session of the General Assembly;

2. Expresses the hope that the information to be supplied to the Economic and Social Council by the Secretary-General will enable the Council, as provided by its resolution 740 B (XXVIII), to determine what additional assistance to Governments is called for within the framework of the existing technical assistance and development activities of the United Nations and the specialized agencies.

84th plenary meeting, 5 December 1959.

1426 (XIV). Agrarian reform

The General Assembly,

Recalling its resolutions 401 (V) of 20 November 1951, 524 (VI) of 12 January 1952, 625 A (VII) of 21 December 1952 and 826 (IX) of 11 December 1954, and Economic and Social Council resolutions 370 (XIII) of 7 September 1951, 512 C (XVII) of 30 April 1954, 649 B (XXIII) of 2 May 1957 and 712 (XXVII) of 17 April 1959 on agrarian reform,

Recognizing the importance to certain under-developed countries of the transformation of their agrarian structure, in order:

(a) To improve land distribution, the combination of the factors of production, the mobility of labour and the technical skills of the rural population, thus raising the level of agricultural productivity,

(b) To secure a more satisfactory distribution of agricultural income and to raise levels of consumption and saving among rural inhabitants,

(c) To create and extend the domestic market for various industrial and agricultural products,

(d) To achieve the conditions necessary for industrial development, the diversification of agriculture and the balanced integration of industry with agriculture,

Noting that certain countries are at present carrying out different programmes of agrarian reform tending towards the achievement of the above-mentioned objectives,

Recalling also paragraph 3 of Economic and Social Council resolution 712 (XXVII), which requests the Secretary-General to prepare the report on the progress of land reform for the Council in 1962 along the lines of the prospectus contained in paragraph 37 of the report submitted at the twenty-seventh session,7 taking into consideration the sources of information listed in paragraphs 59 and 60 of the report and the views which Members may express in the Council and the General Assembly,

1. Declares that it will continue to support the programmes of agrarian reform which Member States are carrying out in conformity with the Charter of the United Nations and the resolutions of the General Assembly and of the Economic and Social Council;

2. Requests the Secretary-General, in consultation with the regional economic commissions, the Food and Agriculture Organization of the United Nations, and the other organs and agencies of the United Nations, as well as with the Governments of Member States:

(a) To consider the best ways in which the United Nations can continue to give increasingly effective support to the land reform programmes put into operation by its Members;

(b) To report to the Economic and Social Council in 1962 on possible improvements in such support, including relevant comments and analyses, and requests the Council in turn to report to the General Assembly at its seventeenth session;

3. Recommends that the International Bank for Reconstruction and Development give renewed attention to these programmes, in conformity with paragraph 4 of General Assembly resolution 826 (IX);

4. Draws the attention of Member States to the possibility of requesting technical assistance in carrying out their agrarian reform programmes, and reiterates the hope that, in accordance with paragraph 3 of resolution 826 (IX), high priority will be given to requests for United Nations technical assistance for the purpose of studying or carrying out land reform programmes;

5. Expresses the hope that the Special Fund, together with any new organs which may be set up by the United Nations or any of its agencies, will, in the spirit of the present resolution and of earlier resolutions on the same subject, give as much assistance as possible, on the most favourable terms compatible with their resources, to projects connected with the execution of agrarian reform programmes by countries members of such organizations;

6. Further requests the Secretary-General, in consultation with the Governments of Member States and the above-mentioned organizations, to examine the results of the land reform programmes in the under-developed countries in the light of the reports submitted by Member States, and the effects which the programmes have had on the economic development of those countries, and to report to the Economic and Social Council in 1962 and to the General Assembly at its seventeenth session, along the lines of the prospectus

1427 (XIV). Industrial development banks and development corporations

The General Assembly,

Recalling its resolution 1318 (XIII) of 12 December 1958,

Taking into account the need for mobilizing additional capital for the economic development of the under-developed countries,

Noting that the thirteenth annual report of the International Bank for Reconstruction and Development reveals the useful role which industrial development banks and development corporations in the under-developed countries can play in mobilizing domestic savings as well as in encouraging the flow of foreign capital—public and private—for industrial, mining and agricultural development,

Noting further the encouraging progress that has been made in a substantial number of under-developed countries by establishing and utilizing industrial development banks and development corporations with the valuable help of the International Bank for Reconstruction and Development and a number of the Governments of Member States in providing technical and financial assistance to many such banks and corporations,

1. Invites the Governments of Member States to consider the advantages of using and encouraging industrial development banks and development corporations in accelerating their economic development;

2. Calls upon Member States with highly developed economies to co-operate with under-developed countries, as appropriate, in order to assist the formation and sound growth of industrial development banks and development corporations;

3. Requests the Secretary-General, in preparing his report for the Economic and Social Council, at its twenty-ninth session, requested by General Assembly resolution 1318 (XIII), to take account of the role of industrial development banks and development corporations.

846th plenary meeting, 5 December 1959.

1429 (XIV). Development of scientific and technical co-operation and exchange of experience

The General Assembly,

Recalling its resolution 1301 (XIII) of 10 December 1958 on measures aimed at the implementation and promotion of peaceful and neighbourly relations among States and its resolution 1260 (XIII) of 14 November 1958 on the co-ordination of the results of scientific research, as well as Economic and Social Council resolutions 727 A (XXVIII) of 27 July 1959 and 740 C (XXVIII) of 31 July 1959 on United Nations measures for promoting the international exchange of scientific and technical experience and on the economic development of under-developed countries, respectively,

Being aware of the importance of international economic co-operation in the strengthening of peaceful relations among nations,

Recognizing the particular importance of further promotion of the mutual exchange of scientific and technical experience for economic development, and the importance of a constant rise of productivity and standards of living of the population in the entire world and particularly in the less developed countries which are in great need of such assistance,

Appreciating the efforts made and the results thus far achieved in different forms of such exchange in the organs of the United Nations, especially the regional economic commissions, and in the specialized agencies,

Bearings in mind the role and activities of the United Nations Educational, Scientific and Cultural Organization in the field of scientific co-operation,

Bearings in mind also the desirability of further intensified development of such co-operation, particularly in the field of applied science and industrial technology,

1. Emphasizes the value of an increase in the international exchange of scientific and technical experience,
and calls especially upon the economically and technically most advanced countries to help and support the less developed countries in acquiring scientific and technical knowledge that would make possible an accelerated development and an increase in living standards;

2. Recommends that the Governments of Member States should encourage the further exchange of scientific and technical experience among countries and support, as far as possible, international action undertaken to this end;

3. Requests the Secretary-General to consider, in consultation with the United Nations Educational, Scientific and Cultural Organization, other appropriate specialized agencies and the International Atomic Energy Agency, and in the light of the survey being prepared under General Assembly resolution 1260 (XIII), the possibilities of a further useful and desirable expansion of international contacts as well as an exchange of knowledge and experience in the field of applied science and technology, and the adequacy within the United Nations framework of existing machinery for technical co-operation and for the dissemination of scientific, technical and industrial know-how;

4. Requests the Secretary-General to report on this subject to the Economic and Social Council at its thirty-first session and to the General Assembly at its sixteenth session.

84th plenary meeting, 5 December 1959.

1430 (XIV). Latin American common market

The General Assembly,

Recalling section I of Economic and Social Council resolution 679 C (XXVI) of 10 July 1958, in which the Council considers it desirable gradually and progressively to establish a Latin American regional market on multilateral and competitive bases,

Taking note of resolution 6 (II) of 19 May 1959 of the Trade Committee of the Economic Commission for Latin America, contained in the Committee's report approved by the Commission in its resolution 168 (VIII) of 22 May 1959, in which the Committee decided to intensify efforts conducive to the increase of economic co-operation among the countries of the region, with a view to constituting a Latin American common market,

Considering that, when the Economic and Social Council, at its twenty-eighth session, examined the report of the Economic Commission for Latin America,9 appreciation was expressed of the part the Commission had played in preparing plans for the establishment of a common market in the region,

1. Expresses the hope that the common market will be organized in such a way as to help to expand and diversify trade among the Latin American countries and between them and other regions of the world, and to accelerate their national and regional economic development, with a consequent rise in the level of living of their peoples;

2. Expresses its appreciation of the work to this end being carried out by the Economic Commission for Latin America;

3. Recommends that the Economic Commission for Latin America should continue to assign high priority to the work being done in this field.

84th plenary meeting, 5 December 1959.

1431 (XIV). Commission for industrial development

The General Assembly,

Recalling its resolutions 521 (VI) and 522 (VI) of 12 January 1952 and 1033 (XI) of 26 February 1957, and Economic and Social Council resolutions 461 (XV) of 23 April 1953, 560 (XIX) of 7 April 1955, 597 A (XXI) of 4 May 1956, 618 (XXII) of 6 August 1956, 649 A (XXIII) of 2 May 1957, 674 A (XXV) of 1 May 1958 and 709 (XXVII) of 17 April 1959,

Mindful of the aim expressed in the Preamble of the Charter of the United Nations to employ international machinery for the promotion of the economic and social advancement of all peoples, and of Articles 55 and 56 of the Charter,

Convinced that:

(a) The high rate of growth of population in a certain number of under-developed countries requires an acceleration of the industrial development of under-developed countries so that the rate of growth of their production may attain a steadily increasing level which would overtake the rate of increase in their populations,

(b) Industrialization will promote the diversification of the economies of under-developed countries and assure a more balanced economic and social structure and a high rate of economic development,

(c) It is important to attain the self-sustaining stage of economic development which involves the maximum reinvestment of the increases of income,

Recognizing that instability in the foreign exchange earnings of the under-developed countries, due to fluctuations in world commodity prices and in general economic activity in the more advanced countries, makes it particularly important to encourage industrialization as an essential part of development programmes or plans,

Confident that the acceleration of the industrial development of under-developed countries by diversifying the economic structure of these countries will contribute to the achievement of an expanding world economy,

Considering that the process of industrial development calls for a wider dissemination of advanced technological knowledge which is not at present sufficiently available in the under-developed countries,

Noting with appreciation the activities of the United Nations regional economic commissions in the field of economic growth and industrialization in their respective regions,

Continued of the need to expand the means of providing advice, information and assistance by the United Nations to under-developed countries in the planning and execution of their industrial development, to accelerate the process of industrialization and to keep the General Assembly informed of the pace of their industrial growth,

Recommends that, in accordance with Article 68 of the Charter of the United Nations, the Economic and
Social Council, at its twenty-ninth session, give consideration to the prompt establishment of a commission for industrial development, without prejudicing the activities of the regional economic commissions in this connexion, and taking into account the views expressed during the discussion on this question at the present session of the General Assembly.

846th plenary meeting,
5 December 1959.

846th plenary meeting,
5 December 1959.

The General Assembly,

Recalling its resolutions 410 (V) of 1 December 1950, 701 (VII) of 11 March 1953, 725 (VIII) of 7 December 1953, 828 (IX) of 14 December 1954, 920 (X) of 25 October 1955, 1020 (XI) of 7 December 1956, 1159 (XII) of 26 November 1957 and 1304 (XIII) of 10 December 1958,

Taking note of the progress report of the Administrator for Residual Affairs of the United Nations Korean Reconstruction Agency covering the period from 1 October 1958 to 30 September 1959, in which is contained a review of the activities of the Agency during its nine years of existence,

Taking note also that the termination of the Agency is scheduled for 31 December 1959,

1. Expresses its thanks to the former Agents General of the United Nations Korean Reconstruction Agency, the Administrator for Residual Affairs of the Agency and the members, both past and present, of the staff of the Agency for the devoted and efficient service which they have rendered during the years of the Agency's existence;

2. Expresses its conviction that the work of the Agency has made an important and enduring contribution to the development of the Korean economy and to the well-being of the Korean people;

3. Expresses its appreciation for the valuable assistance given to the Agency by the specialized agencies of the United Nations and by voluntary non-governmental organizations;

4. Reaffirms its decision that any funds remaining in residual accounts when the Administrator for Residual Affairs of the Agency has completed his task should be used in conformity with General Assembly resolution 410 (V) entitled "Relief and rehabilitation of Korea";

5. Further reaffirms the action taken at its twelfth session regarding the arrangements and procedures for the completion of the residual responsibilities of the Agency and the liquidation of its accounts.

1386 (XIV). Declaration of the Rights of the Child

PREAMBLE

Whereas the peoples of the United Nations have, in the Charter, reaffirmed their faith in fundamental human rights and in the dignity and worth of the human person, and have determined to promote social progress and better standards of life in larger freedom,

Whereas the United Nations has, in the Universal Declaration of Human Rights, proclaimed that everyone is entitled to all the rights and freedoms set forth therein, without distinction of any kind, such as race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status,

Whereas the child, by reason of his physical and mental immaturity, needs special safeguards and care, including appropriate legal protection, before as well as after birth,

Whereas the need for such special safeguards has been stated in the Geneva Declaration of the Rights of the Child of 1924, and recognized in the Universal Declaration of Human Rights and in the statutes of specialized agencies and international organizations concerned with the welfare of children,

Whereas mankind owes to the child the best it has to give,

Now therefore,

The General Assembly

Proclaims this Declaration of the Rights of the Child to the end that he may have a happy childhood and enjoy for his own good and for the good of society the rights and freedoms herein set forth, and calls upon parents, upon men and women as individuals, and upon voluntary organizations, local authorities and national Governments to recognize these rights and strive for their observance by legislative and other measures progressively taken in accordance with the following principles:

PRINCIPLE 1

The child shall enjoy all the rights set forth in this Declaration. Every child, without any exception whatsoever, shall be entitled to these rights, without distinction or discrimination on account of race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status, whether of himself or of his family.
**Principle 2**

The child shall enjoy special protection, and shall be given opportunities and facilities, by law and by other means, to enable him to develop physically, mentally, morally, spiritually and socially in a healthy and normal manner and in conditions of freedom and dignity. In the enactment of laws for this purpose, the best interests of the child shall be the paramount consideration.

**Principle 3**

The child shall be entitled from his birth to a name and a nationality.

**Principle 4**

The child shall enjoy the benefits of social security. He shall be entitled to grow and develop in health; to this end, special care and protection shall be provided both to him and to his mother, including adequate pre-natal and post-natal care. The child shall have the right to adequate nutrition, housing, recreation and medical services.

**Principle 5**

The child who is physically, mentally or socially handicapped shall be given the special treatment, education and care required by his particular condition.

**Principle 6**

The child, for the full and harmonious development of his personality, needs love and understanding. He shall, wherever possible, grow up in the care and under the responsibility of his parents, and, in any case, in an atmosphere of affection and of moral and material security; a child of tender years shall not, save in exceptional circumstances, be separated from his mother. Society and the public authorities shall have the duty to extend particular care to children without a family and to those without adequate means of support. Payment of State and other assistance towards the maintenance of children of large families is desirable.

**Principle 7**

The child is entitled to receive education, which shall be free and compulsory, at least in the elementary stages. He shall be given an education which will promote his general culture, and enable him, on a basis of equal opportunity, to develop his abilities, his individual judgement, and his sense of moral and social responsibility, and to become a useful member of society.

The best interests of the child shall be the guiding principle of those responsible for his education and guidance; that responsibility lies in the first place with his parents.

The child shall have full opportunity for play and recreation, which should be directed to the same purposes as education; society and the public authorities shall endeavour to promote the enjoyment of this right.

**Principle 8**

The child shall in all circumstances be among the first to receive protection and relief.

**Principle 9**

The child shall be protected against all forms of neglect, cruelty and exploitation. He shall not be the subject of traffic, in any form.

The child shall not be admitted to employment before an appropriate minimum age; he shall in no case be caused or permitted to engage in any occupation or employment which would prejudice his health or education, or interfere with his physical, mental or moral development.

**Principle 10**

The child shall be protected from practices which may foster racial, religious and any other form of discrimination. He shall be brought up in a spirit of understanding, tolerance, friendship among peoples, peace and universal brotherhood, and in full consciousness that his energy and talents should be devoted to the service of his fellow men.

841st plenary meeting, 20 November 1959.

1387 (XIV). Publicity to be given to the Declaration of the Rights of the Child

The General Assembly,

Considering that the Declaration of the Rights of the Child1 calls upon parents, upon men and women as individuals, and upon voluntary organizations, local authorities and national Governments to recognize the rights set forth therein and strive for their observance,

1. Recommends Governments of Member States, the specialized agencies concerned and the appropriate non-governmental organizations to publicize as widely as possible the text of the Declaration of the Rights of the Child;

2. Requests the Secretary-General to have the Declaration widely disseminated and, to that end, to use every means at his disposal to publish and distribute texts in all languages possible.

841st plenary meeting, 20 November 1959.

The General Assembly,

Having considered the report of the United Nations High Commissioner for Refugees,2

Noting with appreciation the progress made in the implementation of the programmes of international assistance carried out by the Office of the High Commissioner,

Noting in particular the progress made, within the framework of the World Refugee Year, as regards the admission of additional numbers of refugees, including handicapped cases, to countries of resettlement, as well as the contribution to the Office of the High Commissioner of additional funds for international assistance to refugees,

Expressing the hope that no additional efforts will be spared for the repatriation of refugees who wish to return to their country of origin,

Expressing the hope also that every effort will be made for the resettlement or integration of refugees,

1. Invites States Members of the United Nations and members of the specialized agencies to devote, on

the occasion of the World Refugee Year, special attention to the problems of refugees coming within the competence of the United Nations High Commissioner for Refugees, and in particular to consider the possibility of:

(a) Improving the legal status of refugees living on, or to be admitted to, their territory by, inter alia, acceding to the Convention relating to the Status of Refugees;8

(b) Increasing the facilities for permanent refugee solutions through voluntary repatriation and assimilation within new national communities, and, for resettlement of refugees, providing further opportunities through the liberalization of immigration laws and regulations and through the inclusion of refugees in resettlement schemes;

(c) Enabling the High Commissioner, through additional voluntary financial contributions, to implement the programmes of international assistance to refugees approved by the Executive Committee of the High Commissioner's Programme for 1959 and 1960;

2. Authorizes the High Commissioner, in respect of refugees who do not come within the competence of the United Nations, to use his good offices in the transmission of contributions designed to provide assistance to these refugees.

841st plenary meeting, 20 November 1959.

1389 (XIV). Refugees from Algeria in Morocco and Tunisia

The General Assembly,

Having examined the report of the United Nations High Commissioner for Refugees,2

Considering the efforts made by the High Commissioner and the results achieved during the World Refugee Year,

Noting with appreciation the action of the High Commissioner on behalf of refugees from Algeria in Morocco and Tunisia,

Recognizing however that the situation of these refugees, and especially of the young children who constitute the majority of them, remains precarious,

Recommends that the United Nations High Commissioner for Refugees should continue his efforts on behalf of these refugees pending their return to their homes.

841st plenary meeting, 20 November 1959.

1390 (XIV). World Refugee Year

The General Assembly,

Recalling its resolution 1285 (XIII) of 5 December 1958 on the World Refugee Year,

Noting with appreciation the support that has already been given to the World Refugee Year by Governments, non-governmental organizations and the general public, as well as the efforts of the Secretary-General in this endeavour,

Believing that the success of the World Refugee Year will be largely dependent on concrete responses yet to be made in many countries,

1. Urges States Members of the United Nations and members of the specialized agencies, in accordance with the national wishes and needs of each country and in the humanitarian spirit of the World Refugee Year:

(a) To continue to focus interest on the refugee problem;

(b) To endeavour to make additional financial contributions for international assistance to refugees and to encourage in their territory increasing contributions from non-governmental organizations and the general public;

(c) To encourage additional opportunities for permanent refugee solutions through voluntary repatriation, resettlement or integration, on a purely humanitarian basis and in accordance with the freely expressed wishes of the refugees themselves;

2. Requests the Secretary-General to continue his efforts to assist in the promotion of the World Refugee Year.

841st plenary meeting, 20 November 1959.

The General Assembly,

Having considered chapter VI, section III, of the report of the Economic and Social Council,4

Recognizing the value of the United Nations Children’s Fund in focusing international and national attention on the needs of children,

Noting the growing significance of aid given through the Fund in helping countries to initiate permanent health, nutrition and welfare services for their children, and in improving the quality and effectiveness of these services,

Considering that the aid provided through the Fund constitutes a practical way of international co-operation to help countries to carry out the aims proclaimed in the Declaration of the Rights of the Child,1

Aware of the importance of the Fund as an essential element in international efforts to help countries, and in particular under-developed ones, raise their standards of living and strengthen their capacity for economic and social progress,

Impressed however with the magnitude of the many needs as yet unfulfilled, and the opportunities which exist for the effective use of additional assistance from the Fund,

Concerned that, despite continued and, in some cases, increased support from many Governments, the Fund’s income for 1959 will be lower than that of 1958, thus reversing the trend of recent years,

1. Expresses the hope that all Governments of States Members of the United Nations and members of the specialized agencies will contribute to the United Nations Children’s Fund as generously as possible;

2. Congratulates the Fund on its outstanding achievements.

841st plenary meeting, 20 November 1959.

1392 (XIV). Interrelationship of the economic and social factors of development

The General Assembly,

Recognizing that economic development and social development are interrelated and that social progress is an end in itself as well as a means of furthering economic development,

Recalling its resolution 1161 (XII) of 26 November 1957, in which it noted that knowledge was lacking on how to combine the elements of economic and social progress in such a way as to promote optimum development,

1. Notes with approval the decision of the Economic and Social Council in its resolutions 723 B (XXVIII), section II, and 723 C (XXVIII), section II, of 17 July 1959 to amend the terms of reference of the Economic Commission for Asia and the Far East and of the Economic Commission for Latin America to include the social aspects of economic development and the interrelationship of the economic and social factors;

2. Looks forward to the report of the Secretary-General on a study of a balanced economic and social development due to be presented in 1961, in pursuance of Economic and Social Council resolution 663 E (XXIV) of 31 July 1957;

3. Recommends that the Economic and Social Council continue to give further attention to this interrelationship and to consider ways in which its work in the social field can be strengthened, including the advisability of the Social Commission meeting annually.

841st plenary meeting, 20 November 1959.

1393 (XIV). Low-cost housing

The General Assembly,

Considering that the Economic and Social Council in its resolution 731 B (XXVIII) of 30 July 1959 approved the long-range programme of concerted international action in the field of low-cost housing and related community facilities,

Recognizing that the continuous efforts of Governments and private organizations, as well as co-ordinated action on the part of international bodies, are necessary in order to deal with the problem of housing and the rapid rate of urban expansion,

1. Recommends that the appropriate organs of the United Nations and the specialized agencies should give due consideration to the requests of Governments for technical assistance in this field;

2. Recommends that Member States should, as part of their national plans, institute or accelerate programmes to promote the construction of low-cost housing and stimulate active participation by the people in these programmes through self-help, mutual aid, co-operation and other similar measures;

3. Requests the Secretary-General, in consultation with interested Governments and the specialized agencies concerned, to collect and disseminate information in the field of housing concerning the technical and material needs of all countries with housing problems and concerning the relevant experience gained by others which might be able to assist them;

4. Invites the Secretary-General to submit a report on the result of his inquiry at an appropriate time, and the Economic and Social Council to transmit this report, with its comments thereon, to the General Assembly.

841st plenary meeting, 20 November 1959.

1394 (XIV). Juvenile delinquency

The General Assembly,

Noting that many countries have reported an increasing concern with the phenomenon of juvenile delinquency and related forms of social maladjustment, including antisocial group behaviour,

Considering that such a phenomenon should be carefully studied at the international level, with a view to assessing its gravity and finding remedies therefor,

Recalling the discussions on juvenile delinquency which took place in the General Assembly in connexion with article 10 of the draft Covenant on Civil and Political Rights and with principle 9 of the Declaration of the Rights of the Child,

Recalling also that the Economic and Social Council in its resolution 731 F (XXVIII) of 30 July 1959 expressed the belief that the United Nations should retain leadership and responsibility in the matter of social defence and strengthen technical assistance in this field,

Noting the provision made for studies on this matter in the programme of work of the Social Commission for 1959-1961, including studies for consideration at the second United Nations Congress on the Prevention of Crime and the Treatment of Offenders, to be held in 1960,

Expresses the hope that the Secretary-General, in carrying out these studies in consultation with Member States and in co-operation with the specialized agencies, non-governmental organizations and experts concerned with the matter, will give this problem the urgent attention which its increasing gravity deserves.

841st plenary meeting, 20 November 1959.

1395 (XIV). Technical assistance in narcotics control

The General Assembly,

Considering that, under Chapter IX of the Charter of the United Nations and under the international narcotics treaties, the United Nations exercises responsibilities in the field of narcotic drugs,

Considering that technical assistance is a means by which countries may be helped to increase the effectiveness of their measures to control the production, distribution and use of narcotic drugs, to reduce and eliminate drug addiction and to combat the illicit traffic,

Recognizing the particular usefulness of technical assistance for those countries with an important problem of drug addiction or illicit traffic, or both,

Taking account of the arrangements previously established by the General Assembly concerning the regular technical assistance programmes and the advisory services of the United Nations, and concerning the Expanded Programme of Technical Assistance,

Noting that in many cases narcotics control projects would benefit the international community as much or more than the country receiving technical assistance, and that the effectiveness of the control system embodied in the international narcotics treaties would be
increased if technical assistance were available to countries which require it.

Noting that the specialized agencies concerned—the World Health Organization and the Food and Agriculture Organization of the United Nations—are rendering valuable services to their members in matters within their competence touching questions of narcotics control,

1. Decides to establish a continuing programme of technical assistance in narcotics control within the framework of the various forms of the field of narcotics control, subject to the direction of the Economic and Social Council and in accordance with approved policies as far as they are applicable, at the request of and in agreement with Governments, and with the co-operation of the specialized agencies where appropriate and without duplication of their existing activities;

2. Requests the Secretary-General to provide technical assistance in its various forms in the field of narcotics control, subject to the direction of the Economic and Social Council and in accordance with approved policies in so far as they are applicable, at the request of and in agreement with Governments, and with the co-operation of the specialized agencies where appropriate and without duplication of their existing activities;

3. Authorizes the Secretary-General to take into account the programme established by the present resolution in preparing the budgetary estimates of the United Nations;

4. Invites the specialized agencies concerned—the World Health Organization and the Food and Agriculture Organization of the United Nations—to continue to maintain and develop their technical assistance activities touching the field of narcotics control;

5. Expresses the hope that non-governmental organizations, including foundations and universities, will also give assistance in this respect within their fields of interest;

6. Requests the Secretary-General to report regularly to the Economic and Social Council and to the Commission on Narcotic Drugs on technical assistance in the field of narcotics control, including action taken under the present and other relevant resolutions of the General Assembly and of the Economic and Social Council.

841st plenary meeting, 20 November 1959.

1396 (XIV). Study of the question of capital punishment

The General Assembly

Invites the Economic and Social Council to initiate a study of the question of capital punishment, of the laws and practices relating thereto, and of the effects of capital punishment, and the abolition thereof, on the rate of criminality.

841st plenary meeting, 20 November 1959.

1397 (XIV). International relations and exchanges in the fields of education, science and culture

The General Assembly,

Recalling its resolutions 1043 (XI) of 21 February 1957 on international cultural and scientific co-operation and 1164 (XII) of 26 November 1957 on the development of international co-operation in the fields of science, culture and education, Economic and Social Council resolution 695 (XXVI) of 31 July 1958 on a survey of international relations and exchanges in the fields of education, science and culture and General Assembly resolution 1301 (XIII) of 10 December 1958 on measures aimed at the implementation and promotion of peaceful and neighbourly relations among States, Re-emphasizing the importance of the promotion and furthering of international co-operation in the fields of education, science and culture for the improvement of mutual understanding among nations and the development of peaceful and neighbourly relations,

Noting that the positive results achieved lately in the development of mutual exchanges among States in those fields have created conditions which may contribute towards a relaxation of international tension, Bearing in mind that the United Nations Educational, Scientific and Cultural Organization has taken steps to prepare a survey of international relations and exchanges in the fields of education, science and culture, including any recommendations for separate and joint action to promote further international co-operation in those fields, as requested by the Economic and Social Council in its resolution 695 (XXVI),

Expresses the hope that the United Nations Educational, Scientific and Cultural Organization will be able to submit this survey to the Economic and Social Council at its thirtieth session, and that it will provide a basis for further action directed towards the development of international co-operation in these fields.

841st plenary meeting, 20 November 1959.

1398 (XIV). International encouragement of scientific research into the control of cancerous diseases

The General Assembly,

Considering that cancerous diseases are at present among the diseases most dangerous to mankind,

Recognizing the general desire of all mankind to eliminate wide-spread cancerous diseases,

Noting with approval the useful work carried out by the World Health Organization, the International Union against Cancer and national organizations for the control of cancerous diseases,

Recognizing further that the national and international efforts so far undertaken for the control of cancerous diseases have not yielded sufficiently effective results,

Wishing to encourage further scientific efforts in this field in all countries and international institutions,

1. Decides to institute suitable prizes of a total value of $10,000—the prizes to be known as United Nations prizes—to be awarded for the most outstanding scientific research work in the causes and control of cancerous diseases, and requests the Secretary-General to arrange for the awarding of the prizes during the next four years, on the recommendation of the World Health Organization, and to renew this award periodically as long as it is considered necessary;

2. Invites the World Health Organization to consider, in accordance with article IV of the Agreement between the United Nations and the World Health Organization, what further steps may be taken to encourage efforts in the field of the control of cancerous diseases;

3. Also invites the World Health Organization to seek the full support and scientific advice of the International Union against Cancer for this purpose;
4. Requests the World Health Organization to inform the United Nations General Assembly as soon as possible of the progress achieved in the control of cancerous diseases.

841st plenary meeting,
20 November 1959.

1458 (XIV). Draft International Covenants on Human Rights

The General Assembly,

Not having been able to conclude at its fourteenth session the consideration of the draft International Covenants on Human Rights,

Decides to give priority to this item at its fifteenth session and to request the Third Committee at that session to devote as many meetings as possible to the consideration of the draft International Covenants on Human Rights.

852nd plenary meeting,
10 December 1959.

1459 (XIV). Draft Convention on Freedom of Information

The General Assembly,

Not having been able to conclude at its fourteenth session the consideration of the draft Convention on Freedom of Information,

Decides to give priority to this item at its fifteenth session and to request the Third Committee at that session to devote as many meetings as possible to the consideration of the remaining articles of the draft Convention on Freedom of Information.

1352 (XIV). The future of the Trust Territory of the Cameroons under United Kingdom administration: organization of the plebiscite in the southern part of the Territory

The General Assembly,

Recalling its resolution 1350 (XIII) of 13 March 1959 concerning the future of the Trust Territory of the Cameroons under United Kingdom administration, which expressed the hope that all concerned in the Territory would endeavour to reach agreement before the opening of the fourteenth session of the General Assembly on the alternatives to be put in the plebiscite in the Southern Cameroons and the qualifications for voting in it,

Noting the statements made by the representative of the Administering Authority, by the Premier of the Southern Cameroons and by the Leader of the Opposition in the Southern Cameroons House of Assembly to the effect that no agreement was reached before the fourteenth session of the General Assembly as to the alternatives to be put in the plebiscite and the qualifications for voting in it, and that a postponement of the plebiscite in the Southern Cameroons to a later date would help to establish more favourable conditions for ascertaining the freely expressed wishes of the population,

Noting the opinions expressed during the debate on this question at the fourteenth session of the General Assembly,

Noting the statements made by the Premier of the Southern Cameroons and by the Leader of the Opposition in the Southern Cameroons House of Assembly at the 898th meeting of the Fourth Committee on 7 October 1959,

1. Decides that the arrangements for the plebiscite referred to in General Assembly resolution 1350 (XIII) shall begin on 30 September 1960, and that the plebiscite shall be concluded not later than March 1961;

2. Recommends that the two questions to be put at the plebiscite should be:

(a) Do you wish to achieve independence by joining the independent Federation of Nigeria?

(b) Do you wish to achieve independence by joining the independent Republic of the Cameroons?;

3. Recommends that only persons born in the Southern Cameroons or one of whose parents was born in the Southern Cameroons should vote in the plebiscite;

4. Recommends that the Administering Authority, in consultation with the Government of the Southern Cameroons, take steps to implement the separation of the administration of the Southern Cameroons from that of the Federation of Nigeria not later than 1 October 1960.

829th plenary meeting, 16 October 1959.

1356 (XIV). Petitions and communications relating to South West Africa

The General Assembly,

Having accepted the advisory opinion of 11 July 1950 of the International Court of Justice on the question of South West Africa,2

Having authorized the Committee on South West Africa, by resolution 749 A (VIII) of 28 November 1953, to examine petitions in accordance with the Mandates procedure of the League of Nations,

Having received a report3 from the Committee dealing with petitions and related communications from Chief Samuel Witbooi, Chief Hosea Kutako, the Reverend Michael Scott, Mr. Jaboe and others in the Hauchar Wellness Reserve, Chief P. Keharayana, Mr. Jacobus Beukes, Messrs. J. G. A. Diergaardt, J. H. Mall, P. Diergaardt and others in the Rehoboth Community, Messrs. Toivo Ja-Toivo and P. Isaacs, Mr. Neville Rubin, and Mr. H. Hans Beukes,

Noting that these petitions and communications raise questions concerning various aspects of the administration of the Territory of South West Africa and of

conditions in the Territory upon which the Committee has presented a report.*

Decides to draw the attention of the petitioners to the report and observations of the Committee on South West Africa regarding conditions in the Territory, submitted to the General Assembly at its fourteenth session, and to the action taken by the Assembly on this report.

838th plenary meeting, 17 November 1959.

1357 (XIV). The Hoachanas Native Reserve

The General Assembly,

Having authorised the Committee on South West Africa, by resolution 749 A (VIII) of 28 November 1953, to examine petitions as far as possible in accordance with the Mandates procedure of the League of Nations,

Having received the report* from the Committee dealing, inter alia, with its examination of petitions concerning developments in the Hoachanas Native Reserve,

Considering that the original inhabitants of the Territory have an inherent right to continued and unmolested residence on their own land,

Noting that inhabitants of the Hoachanas Native Reserve, survivors of the Red Nation, or Rooinside Namas, have an inherent right of ownership and possession of their ancestral land at Hoachanas, where they claim an area of 50,000 hectares as recognized by agreement with the German Government, and that former Governor Theodor Leutwein, recording the history of his governorship of German South West Africa from 1894 to 1905, stated: "The next reserve was in Hoachanas, headquar ters of the Red Nation. There, in 1902, a total of 50,000 hectares was declared the inalienable property of the tribe"; 6

Noting further that the Government of the Union of South Africa reported to the League of Nations in 1923 that it had confirmed the rights of "Natives" on land occupied by them under treaties or agreements with the former German administration,

Noting that the residents of the Hoachanas Native Reserve were ordered by the Government of the Union of South Africa to vacate Hoachanas by 31 December 1956, that the majority refused to leave their traditional land and move, as directed by the Government, to land found by government commission to be inferior to that of Hoachanas, and that the Administrator of South West Africa consequently obtained a court order in July 1958 for the eviction of one of the Nama residents, the Reverend Markus Kooper, Minister of the African Methodist Episcopcal Church,

Recalling that the Committee on South West Africa, in its report to the General Assembly at the thirteenth session, urged the Union of South Africa to take all steps necessary to ensure that the people of Hoachanas retained their traditional homeland and to investigate their claim to surrounding land,

Recalling further that the General Assembly, by resolution 1245 (XIII) of 30 October 1958, approved the report of the Committee on South West Africa and thereby endorsed the Committee's decision regarding Hoachanas,

Noting with concern that the Government of the Union of South Africa disregarded this decision, and caused the Reverend Markus Kooper and his family to be forcibly removed from Hoachanas on 29 January 1959 to a site approximately 150 miles away, thereby depriving his congregation of their minister, that several residents of the reserve were allegedly injured during the removal, and that the other inhabitants of the reserve were informed by Government officials of their impending removal by force,

Considering with regret that it is the policy of the Mandatory Power to remove the "Native" inhabitants from their lands which they have held as their own in order to make room for "European" settlers, in violation of fundamental human rights and the sacred trust assumed by the Government of the Union of South Africa over the Mandated Territory,

Considering the removal of the inhabitants of Hoachanas for a purpose not in conformity with the Mandate or the Charter of the United Nations to be contrary to the obligation undertaken by the Mandatory Power to promote to the utmost the material and moral well-being and the social progress of the "Native" inhabitants of the Territory,

1. Urges the Government of the Union of South Africa to desist from carrying out the removal of other residents of the Hoachanas Native Reserve and to arrange for the return of the Reverend Markus Kooper and his family to that reserve;

2. Requests the Government of the Union of South Africa to investigate the claims of the Rooinside Namas to the original area of Hoachanas, of which only 14,254 hectares are now occupied by them, and to take such further steps as may be necessary, in consultation with the territorial Administration and the people concerned, to ensure the recognition and protection of the full rights of the people of Hoachanas and the promotion of their general welfare;

3. Requests the Government of the Union of South Africa to inform the United Nations on the measures taken to implement the present resolution.

838th plenary meeting, 17 November 1959.

1358 (XIV). Withdrawal of a passport from Mr. Hans Johannes Beukes

The General Assembly,

Having accepted the advisory opinion of 11 July 1950 of the International Court of Justice on the question of South West Africa, 2

Having authorized the Committee on South West Africa, by resolution 749 A (VIII) of 28 November 1953, to examine petitions in accordance with the Mandates procedure of the League of Nations,

Having received a report* from the Committee dealing with petitions from Mr. Hans Johannes Beukes, a South West African student, and from Mr. Neville Rubin, President of the National Union of South African Students,

* Ibid., Supplement No. 12 (A/4911), part I, section III; part II, section III, para. 80, and section VI, paras. 226 and 227; see also annexes XXIX to XXXII.
Noting that Mr. Beukes had been granted a scholarship by the Norwegian National Union of Students (Norsk Studentsamband) to study for three years at the University of Oslo,

Noting further that Mr. Beukes, a second-year student at the University of Cape Town, had been selected for the scholarship by a committee consisting of the Head of the Department of History, a professor of Roman law at that University, and the President of the National Union of South African Students,

Considering that the Government of the Union of South Africa granted Mr. Beukes a passport on 15 June 1959 to enable him to proceed to Norway, and withdrew that passport on 24 June, when Mr. Beukes arrived at the port of embarkation, subjecting Mr. Beukes to a search of his person, luggage and personal correspondence,

Noting the protests made by the South African Press, students of the University of Cape Town, and the Teachers’ Educational and Professional Association in the Union of South Africa, as well as other representatives of the public in the Union of South Africa, against the action taken by the Union Government,

Taking into account that there are no facilities for university education in South West Africa and that “non-European” students from the Territory find it increasingly difficult to obtain adequate university education in the Union of South Africa,

1. Is of the opinion that the withholding or withdrawal from a qualified South West African student of a passport for the purpose of studying abroad is not only a direct interference in the educational and general advancement of an individual but a hindrance to the educational development of the Territory of South West Africa which was entrusted under the Covenant of the League of Nations to the administration of the Union of South Africa;

2. Considers the withdrawal by the Union of South Africa of the passport granted to Mr. Beukes to be an act of administration contrary to the Mandate for South West Africa;

3. Expresses the hope that the Government of the Union of South Africa will reconsider its decision so that Mr. Beukes may take advantage of the scholarship offered him to study at the University of Oslo in circumstances permitting him to maintain normal relations with his family and his country.

838th plenary meeting, 17 November 1959.

1359 (XIV). Status of the Territory of South West Africa

The General Assembly,

Having recommended, by its resolutions 65 (I) of 14 December 1946, 141 (II) of 1 November 1947, 227 (III) of 26 November 1948, 337 (IV) of 6 December 1949, 449 B (V) of 13 December 1950, 570 B (VI) of 19 January 1952, 749 B (VIII) of 28 November 1953, 852 (IX) of 23 November 1954, 940 (X) of 3 December 1955, 1055 (XI) of 26 February 1957, 1141 (XII) of 25 October 1957 and 1246 (XIII) of 30 October 1958, that the Mandated Territory of South West Africa be placed under the International Trusteeship System, and having repeatedly invited the Government of the Union of South Africa to propose, for the consideration of the General Assembly, a trusteeship agreement for South West Africa,

[...]

1360 (XIV). Question of South West Africa

The General Assembly,

Recalling its previous resolutions in which the Assembly recommended that the Mandated Territory of South West Africa be placed under the International Trusteeship System and repeatedly invited the Government of the Union of South Africa to propose, for the consideration of the General Assembly, a trusteeship agreement for South West Africa,

Considering that, in accordance with Chapter XII of the Charter of the United Nations, all Mandated Territories which have not achieved independence have been brought under the International Trusteeship System, with the sole exception of the Territory of South West Africa,

2. Asserts that, in the present conditions of political and economic development of South West Africa, the normal way of modifying the international status of the Territory is to place it under the International Trusteeship System by means of a trusteeship agreement in accordance with the provisions of Chapter XII of the Charter of the United Nations.

838th plenary meeting, 17 November 1959.
tion of Human Rights, the advisory opinions of the International Court of Justice, and the resolutions of the General Assembly,

Having received from the Committee on South West Africa the sixth report submitted in accordance with General Assembly resolution 749 A (VIII) of 28 November 1953,

Noting further the conclusion of the Committee that it is essential to the welfare and security of the peoples of South West Africa that the administration of the Territory be altered without undue delay,10

Having also heard the statements of petitioners which further corroborate the conclusions and opinions formed by the Committee on South West Africa concerning political, social, economic and educational conditions prevailing in the Territory,

Considering further that, while the former Mandated Territories placed under the International Trusteeship System have rapidly progressed towards independence, the conditions in the Territory of South West Africa present a totally different picture,

1. Notes the statement made by the representative of the Union of South Africa at the 924th meeting of the Fourth Committee on 26 October 1959 expressing, inter alia, the Union’s readiness to enter into discussions with the United Nations;

2. Invites the Government of the Union of South Africa to enter into negotiations with the United Nations through the Committee on South West Africa, which is authorized under its terms of reference to continue negotiations with the Union, or through any other committee which the General Assembly may appoint, with a view to placing the Mandated Territory under the International Trusteeship System;

3. Requests the Government of the Union of South Africa to formulate for the consideration of the General Assembly, at its fifteenth session, proposals which will enable the Mandated Territory of South West Africa to be administered in accordance with the principles and purposes of the Mandate, the supervisory functions being exercised by the United Nations according to the terms and intent of the Charter;

4. Approves the report of the Committee on South West Africa and commends it to the urgent attention of the Government of the Union of South Africa;

5. Requests the Committee on South West Africa, or any other committee which may be appointed in pursuance of paragraph 2 above, to submit to the General Assembly, at its fifteenth session, a report on the negotiations with the Union Government in addition to the annual report on conditions in the Territory of South West Africa.

Recalling that, by its resolution 449 A (V) of 13 December 1950, it accepted the advisory opinion of the International Court of Justice,

Recalling further that, by its resolution 1142 A (XII) of 25 October 1957, it commended the special report of the Committee on South West Africa11 on legal action which might be taken for that purpose, and in particular drew the attention of Member States to the legal action provided for in article 7 of the Mandate read with Article 37 of the Statute of the International Court of Justice,

Draws the attention of Member States to the conclusions of the special report of the Committee on South West Africa covering the legal action open to Member States to refer any dispute with the Union of South Africa concerning the interpretation or application of the Mandate for South West Africa to the International Court of Justice for adjudication in accordance with article 7 of the Mandate read in conjunction with Article 37 of the Statute of the Court.

1362 (XIV). Report of the Good Offices Committee on South West Africa

The General Assembly,

Having considered the report of the Good Offices Committee on South West Africa,12 prepared in accordance with General Assembly resolution 1243 (XIII) of 30 October 1958,

1. Takes note of the report of the Good Offices Committee on South West Africa;

2. Expresses its appreciation to the members of the Committee for their efforts.

838th plenary meeting,
17 November 1959.

1409 (XIV). Report of the Trusteeship Council

The General Assembly,

Having examined the report of the Trusteeship Council covering the period from 2 August 1958 to 6 August 1959,13

1. Takes note of the report of the Trusteeship Council;

2. Recommends that the Trusteeship Council, in its future deliberations, should take into account the comments and suggestions made during the discussion of its report at the fourteenth session of the General Assembly.

846th plenary meeting,
5 December 1959.

The General Assembly,

Recalling its resolution 1276 (XIII) of 5 December 1958, whereby the General Assembly, inter alia, requested the Secretary-General to prepare, for the twenty-fourth session of the Trusteeship Council, a

Considering the urgent need in the Trust Territories for indigenous personnel who could take over the functions held by those non-indigenous persons who up to now have occupied the most important positions in the administration of these Territories,

Expressing regret that the greater part of the scholarships offered by Member States remain unutilized, and expressing regret also that some Administering Authorities do not provide all students who have been accorded scholarships with facilities to leave the Trust Territories in order to take advantage of such scholarships, as attested by the periodic report of the Secretary-General on the progress of the scholarship programme,\(^\text{17}\)

Recalling its resolution 557 (VI) of 18 January 1952, inviting the Member States to make scholarships available to qualified students from the Trust Territories,

1. Takes note of part I, chapter VII, section D, of the report of the Trusteeship Council,\(^\text{18}\) as well as of the periodic report of the Secretary-General on the progress of the scholarship programme;

2. Reaffirms its resolution 1277 (XIII) of 5 December 1958 and once again invites the Administering Authorities to take all necessary measures consistent with the interests and needs of the Trust Territories and their peoples to ensure that scholarships and training facilities offered by Member States may be utilized by inhabitants of these Territories, and to render every assistance to those persons who have applied for or have been granted scholarships or fellowships, particularly with regard to facilitating their travel formalities;

3. Requests all Administering Authorities which have not done so to give the fullest publicity in the Trust Territories under their administration to all offers of study and training facilities made by Member States;

4. Requests the Secretary-General to prepare for the General Assembly, a report concerning the actual use of scholarships and training facilities offered by Member States to students from the Trust Territories;

5. Requests the Secretary-General to prepare, for the General Assembly, a report on the implementation of the present resolution.

1411 (XIV). Offers by Member States of study and training facilities for inhabitants of Trust Territories

The General Assembly,

Bearing in mind that most of the Trust Territories do not have sufficient facilities for higher education which would ensure the education of highly qualified indigenous cadres,

1412 (XIV). Preparation and training of indigenous civil cadres in the Trust Territories

The General Assembly,

Noting from chapters on individual Trust Territories in part II of the report of the Trusteeship Council\(^\text{19}\) that there are serious shortages of qualified civilian and technical personnel in all these Territories,

Considering that appropriately trained indigenous civil and technical cadres are essential to the functioning...
of the administration of these Territories when they emerge from trusteeship to independence.

Considering also that it is equally necessary and desirable that, before the accession of Trust Territories to independence, positions of high responsibility should be held by suitably trained indigenous persons so that the transfer of power from the Administering Authorities to the Administrations of the Territories upon the termination of trusteeship should take place smoothly without causing administrative dislocation,

Considering further that, while the Administering Authorities are becoming increasingly aware of the vital need of developing civil and technical cadres of indigenous persons and are taking steps to fulfil it, the measures adopted for the training of indigenous personnel in various fields of administration and for transferring positions of high responsibility to them are inadequate and need to be expanded and accelerated,

1. Urges the Administering Authorities to take expeditious measures on a planned basis aimed at the rapid development of indigenous civil and technical cadres and for the replacement of expatriate personnel by local officers;

2. Draws the attention of the Administering Authorities to the facilities provided by the United Nations under the programmes of technical assistance and public administration for training in administration and related functions, and requests them to make fuller use of these facilities;

3. Requests the Secretary-General to prepare a report on the utilization by the Administering Authorities of the facilities for training offered by the United Nations in this field and to submit it to the Trusteeship Council at its twenty-sixth session.

846th plenary meeting, 5 December 1950.

1413 (XIV). Attainment of self-government or independence by Trust Territories

The General Assembly,

Considering that the basic objective of the International Trusteeship System under the Charter of the United Nations is the progressive development of the inhabitants of Trust Territories towards self-government or independence,

Recalling its resolutions 558 (V I) of 18 January 1952, 1064 (XI) of 26 February 1957, 1207 (XII) of 13 December 1957 and 1274 (XIII) of 5 December 1958,

Noting with satisfaction that the dates for the attainment of independence of Togoland under French administration, the Cameroons under French administration and Somaliland under Italian administration have already been set,

Noting further that the time-table proposed by the Administering Authority provides for the attainment of independence by Western Samoa under New Zealand administration in the course of 1961, and that processes leading to the termination of trusteeship over the Cameroons under United Kingdom administration in 1961 have already been set in motion,

Believing that the formulation of plans and targets in advance can assist in the acceleration of the progress of the inhabitants of Trust Territories towards independence,

Considering therefore that at this stage it is both necessary and desirable to foresee the course of developments leading to the attainment of independence by the Trust Territories of Tanganyika and Ruanda-Urundi in the near future,

Having examined part I, chapter V, of the report of the Trusteeship Council,

1. Requests the Administering Authorities concerned to propose, after consultation with the representatives of the inhabitants, for the consideration of the General Assembly at its fifteenth session, time-tables and targets for the attainment of independence by the Trust Territories of Tanganyika and Ruanda-Urundi in the near future;

2. Invites the Administering Authorities concerned to formulate, in respect of the remaining Trust Territories, early successive intermediate targets and dates in the fields of political, economic, social and educational development so as to create, as soon as possible, favourable conditions for the attainment of self-government or independence;

3. Requests the Trusteeship Council, in its examination of the annual reports submitted by the Administering Authorities and in formulating the terms of reference of the 1960 visiting mission to Trust Territories in Africa, to keep in view the provisions of the present resolution.

846th plenary meeting, 5 December 1950.

1414 (XIV). Study of opportunities for international co-operation on behalf of the former Trust Territories which have become independent

The General Assembly,

Noting that three Trust Territories—the Cameroons under French administration, Togoland under French administration and Somaliland under Italian administration—will attain independence during 1960 and that other Trust Territories will also attain independence during the following years,

Considering that the United Nations, under the Trusteeship System and in co-operation with the Administering Authorities, has contributed to ensuring this attainment of independence in the best possible circumstances,

Considering also that these countries, generally speaking, are under-developed, and that during the first years of their independence they will have to find speedy solutions to a considerable number of problems in the administrative, economic, social and educational fields,

Considering that it would be necessary and normal for the international community to continue to show special concern for the former Trust Territories and to be prepared to grant every possible assistance if those countries, having become independent and sovereign, should desire such assistance,

Considering that it would be appropriate to survey the various ways and means of providing international assistance,

1. Invites the Economic and Social Council to make a study, under Article 62, paragraph 1, of the Charter of the United Nations, of all opportunities for international co-operation which could be of interest to the
former Trust Territories which have become independent, within the spheres and in the framework of programmes of international assistance;

2. Recommends that the Economic and Social Council, in its study of this problem, should seek the cooperation of such international, governmental and non-governmental organizations as the Council may deem it advisable to approach;

3. Recommends that the Economic and Social Council should consult with the Governments of countries which were formerly under trusteeship and which have become independent, for the purpose of ascertaining their views with respect to these questions;

4. Recommends that the Economic and Social Council should report to the General Assembly, at its fifteenth session, concerning the results of this study and also concerning any conclusions and recommendations which it deems appropriate.

846th plenary meeting,
5 December 1959.

1415 (XIV). Assistance to territories emerging from a trust status and to newly independent States

The General Assembly,

Welcoming the forthcoming independence of the Trust Territories of the Cameroons under French administration, Togoland under French administration and Somaliland under Italian administration during 1950,

Recalling the basic objectives of the Trusteehip System as set forth in Article 76 of the Charter of the United Nations,

Recognizing the many problems with which the emerging Trust Territories and newly independent States must inevitably be faced upon their attainment of independence, particularly in the economic and social fields,

Desiring that all possible aid in the field of technical assistance be available from the existing facilities in the United Nations and the specialized agencies to those emerging Trust Territories and newly independent States which might request it,

Invites the Secretary-General and the executive heads of the specialized agencies concerned to give urgent and sympathetic consideration, without prejudice in any way to present assistance being given to other States Members of the United Nations, to all requests which they might receive to provide Territories emerging from a trust status or newly independent States with:

(a) Such high-level technical experts as they might desire;

(b) All other forms of technical aid required by the special circumstances in which they have acceded to independence.

846th plenary meeting,
5 December 1959.

1416 (XIV). Date of the independence of the Trust Territory of Togoland under French administration

The General Assembly,

Recalling its resolution 1253 (XIII) of 14 November 1958, by which it was decided, in agreement with the Administrator, that on the day which would be agreed upon between the Government of France and the Government of Togoland and on which the Republic of Togoland is to become independent in 1960, the Trusteeship Agreement approved by the General Assembly on 13 December 1946 shall cease to be in force, in accordance with Article 76 b of the Charter of the United Nations,

Having considered the communication of 13 July 1959 sent to the Secretary-General by the representative of France to the Trusteeship Council, the Trusteeship Council resolution 1950 (XXIV) of 14 July 1959, and the statements made at the 933rd and 935th meetings of the Fourth Committee on 30 October and 2 November 1959 by the representative of France and by the representative of Togoland, duly accredited as a member of the delegation of France,

1. Notes that the Governments of France and of Togoland have agreed that the date on which the Republic of Togoland shall become independent is to be 27 April 1960;

2. Expresses its satisfaction with the terms and spirit in which this agreement has been concluded;

3. Reiterates its decision that, on the date of the independence of Togoland, which has now been established as 27 April 1960, the Trusteeship Agreement for Togoland under French administration, approved by the General Assembly on 13 December 1946, shall cease to be in force;

4. Recommends that, upon the attainment of independence on 27 April 1960, Togoland shall be admitted to membership in the United Nations in accordance with Article 4 of the Charter of the United Nations.

846th plenary meeting,
5 December 1959.

1417 (XIV). Assistance to the Trust Territory of Togoland under French administration

The General Assembly,

Recalling its resolution 1254 (XIII) of 14 November 1958 relating to assistance to Togoland under French administration,

Considering that requests for assistance to Trust Territories deserve sympathetic consideration by the United Nations,

Considering further that Togoland under French administration is about to attain the objectives of the International Trusteeship System, and that 27 April 1960 has now been established as the date of the independence of the Republic of Togoland,

Having considered part II, chapter VI, of the report of the Trusteeship Council in connexion with the development of Togoland under French administration and the assistance given to it by the Administering Authority and by agencies of the United Nations,

Having heard the statement made at the 935th meeting of the Fourth Committee on 2 November 1959 by the Minister of State of the Republic of Togoland as a member of the delegation of France,

1. Notes with satisfaction the assistance given to this date to Togoland under French administration by agencies of the United Nations:

2. Trusts that the Administering Authority will continue to transmit without delay requests for assist-

The General Assembly,

Recalling the terms of article 24 of the Trusteeship Agreement with respect to the Trust Territory of Somaliland under Italian administration (hereinafter referred to as Somalia) which provides that the Agreement shall cease to be in force ten years after the date of the approval of the Trusteeship Agreement by the General Assembly, at the conclusion of which the Territory shall become an independent sovereign State,

Recalling its resolution 442 (V) of 2 December 1950, by which it approved the Trusteeship Agreement,

Having considered the information submitted by the Administering Authority20 to the effect that the Government of Somalia has conveyed the wish expressed by the Legislative Assembly that the Trusteeship Agreement be terminated as soon as possible so that the Trust Territory may achieve independence at a date earlier than 2 December 1960, as well as the statement of the representative of the Italian Government that the Administering Authority is prepared to support this wish,

Having heard the statements made by the Chairman of the United Nations Advisory Council for Somalia,

Having heard the views of the petitioners,

Noting the wish expressed by the Government of Somalia that, as soon as possible after the date of attainment of its independence, Somalia should be admitted to membership in the United Nations, and noting further that the Government of Italy has expressed its readiness to sponsor the application that will be made by the Government of Somalia to be admitted to membership in the United Nations,

1. Takes note of the statements made by the representative of Italy and the representative of the Government of Somalia that the preparations for independence will be completed by 1 July 1960 and that independence will be proclaimed on that date;

2. Congratulates the Government of Italy, as Administering Authority, and the Government and the people of Somalia on taking steps in order to attain the basic objectives of the International Trusteeship System in advance of 2 December 1960;

3. Expresses its appreciation for the aid and advice provided by the United Nations Advisory Council for Somalia to the Administering Authority and also to the Government and the people of Somalia in their progress towards independence;

4. Expresses its confidence that the recommendations and observations of the Trusteeship Council, which have been accepted by the Administering Authority and by the Government of Somalia, concerning the broadening of the composition of the Political Committee and the Constituent Assembly, a popular confirmation of the constitution now under preparation through a referendum, and a modification of the existing electoral law to be implemented before the date on which the Trusteeship Agreement is terminated and that the Administering Authority will furnish a report on the implementation of these recommendations to the Trusteeship Council at its twenty-sixth session;

5. Resolves accordingly, in agreement with the Administering Authority, that on 1 July 1960, when Somalia shall become independent, the Trusteeship Agreement approved by the General Assembly on 2 December 1950 shall cease to be in force, the basic objectives of trusteeship having been attained;

6. Recommends that, upon the attainment of independence, Somalia shall be admitted to membership in the United Nations in accordance with Article 4 of the Charter of the United Nations.

846th plenary meeting, 5 December 1959.

1419 (XIV). Plans of political reforms for the Trust Territory of Ruanda-Urundi

The General Assembly,

Having taken note of the statement of the Administering Authority21 concerning the political reforms envisaged for the Trust Territory of Ruanda-Urundi under Belgian administration,

Having taken note of the petitions and communications dealing with the recent outbreak of violence in the Territory,22

Having taken note also of the statement of the Administering Authority on the incidents leading to the outbreak of violence which have resulted in the sending of troops to the Territory,

Having heard the views of the petitioners,

1. Draws the attention of the Trusteeship Council to the statements of the petitioners on the Trust Territory of Ruanda-Urundi;

2. Requests the Trusteeship Council to consider in detail the plans of political reforms envisaged for the Territory by the Administering Authority and to include the Council's observations and recommendations on the plans in its report to the General Assembly at its fifteenth session, taking into account the provisions of Assembly resolution 1413 (XIV) on the attainment of self-government or independence by Trust Territories;

3. Further requests the Trusteeship Council to dispatch its 1960 visiting mission to Trust Territories in East Africa early in 1960 so as to make it possible for the mission to report to the Council, at its twenty-sixth session, on the conditions and causes of the recent disturbances in the Territory.

846th plenary meeting, 5 December 1959.

1461 (XIV). Progress achieved by the Non-Self-Governing Territories in pursuance of Chapter XI of the Charter

The General Assembly,

Recalling its resolution 332 (X) of 8 November 1955, in which it expressed the opinion that an examination

\[\text{\footnotesize 21 See Official Records of the General Assembly, Fourteenth Session, Fourth Committee, 47th meeting.}\]

of the progress achieved in the Non-Self-Governing Territories since the establishment of the United Nations, based on the information received from the Administering Members under Article 73 e of the Charter of the United Nations, would be highly desirable and should make it possible to ascertain the extent to which the peoples of the Non-Self-Governing Territories are advancing towards the attainment of the goals set in Chapter XI of the Charter.

Further recalling its resolution 1053 (XI) of 20 February 1957, in which it invited the Secretary-General, in collaboration with the specialized agencies concerned, to prepare a report on the progress that has taken place in the Non-Self-Governing Territories in those fields on which information has been transmitted, in accordance with the objectives set forth in Chapter XI of the Charter, since the establishment of the United Nations,

1. Expresses its appreciation of the work of the Secretary-General and of the specialized agencies in preparing the report on the progress achieved by the Non-Self-Governing Territories.

2. Requests the Committee on Information from Non-Self-Governing Territories to examine the above-mentioned report at its next session, in addition to its regular programme of work, with a view to ascertaining the progress made by the inhabitants of the Non-Self-Governing Territories in the light of the objectives set forth in Chapter XI of the Charter of the United Nations;

3. Further requests the Committee to submit its observations and conclusions on the report to the General Assembly at its fifteenth session, in order to assist the Assembly in its consideration of the report;

4. Requests the Committee, in so doing, to be guided by the terms of all relevant resolutions of the General Assembly, in particular resolutions 932 (X) and 1053 (XI), as well as by the provisions of Chapter XI of the Charter.

855th plenary meeting, 12 December 1959.

1463 (XIV). Development of primary education in Non-Self-Governing Territories

The General Assembly,

Recognising the obligations which, under Article 73 of the Charter of the United Nations, are incumbent upon Members administering Territories whose peoples have not yet attained a full measure of self-government to ensure, with due respect for the culture of the peoples concerned, their political, economic, social, and educational advancement, their just treatment, and their protection against abuses;

Considering in the spirit of those principles that, in order to develop primary education and to combat illiteracy among the peoples of Non-Self-Governing Territories, the Administering Members should endeavour to create in those Territories conditions which are not less favourable than those enjoyed by the peoples of the advanced countries,

Reaffirming its resolutions 743 (VIII) of 27 November 1953 and 1049 (XI) of 20 February 1957, by which it recommended, inter alia, the establishment or extension of universal, free and compulsory primary education in the Non-Self-Governing Territories,

Noting, ten years after the adoption of resolution 330 (IV) of 2 December 1949 in which the General Assembly recognized that one of the fundamental problems in Non-Self-Governing Territories is illiteracy, that the progress made in this field has been very slow;

Having noted that, in its report on educational conditions, the Committee on Information from Non-Self-Governing Territories was obliged to reiterate the view expressed in 1950 that the eradication of illiteracy is a problem of the utmost urgency in the majority of the Non-Self-Governing Territories,

1. Recommends that the Administering Members take all necessary steps to develop the primary education

of the peoples of Non-Self-Governing Territories, to the end that such education may be raised as soon as possible to the level enjoyed by the peoples of the advanced countries;

2. Invites the Administering Members to communicate to the Secretary-General, for the seventeenth session of the General Assembly, information on the measures taken and the progress achieved towards the establishment of universal, free and compulsory primary education, with the aim of eradicating illiteracy among the peoples of the Non-Self-Governing Territories which they administer.

855th plenary meeting, 12 December 1959.

1464 (XIV). Equal treatment in matters relating to education in Non-Self-Governing Territories

The General Assembly,

Recalling its resolution 328 (IV) of 2 December 1949 on equal treatment in matters relating to education in Non-Self-Governing Territories, and all other relevant resolutions,

Having regard to the fundamental importance of race relations, particularly under modern conditions, for the attainment of the objectives of Chapter XI of the Charter of the United Nations,

Having considered the special report submitted by the Committee on Information from Non-Self-Governing Territories,29

Recognising that some progress has been achieved in equal treatment in matters relating to education in Non-Self-Governing Territories,

1. Reaffirms its resolution 328 (IV);

2. Urges the Administering Members to intensify their efforts to fulfil the basic objectives of the above-mentioned resolution;

3. Endorses the view expressed by the Committee on Information from Non-Self-Governing Territories that on no ground whatsoever can education on a racial basis be justified;30

4. Requests the Committee to pay special attention to this matter and to continue to bring out the salient facts in its annual report on conditions in the Non-Self-Governing Territories.

855th plenary meeting, 12 December 1959.

1465 (XIV). Dissemination of information on the United Nations in the Non-Self-Governing Territories

The General Assembly,

Recalling the obligations of Member States, enumerated in Chapter XI of the Charter of the United Nations, which have or assume responsibilities for the administration of Non-Self-Governing Territories towards the inhabitants of these Territories,

Reiterating the principle that the interests of the inhabitants of these Territories are paramount,

Considering it necessary that the political, economic, social and educational advancement of these inhabitants, as envisaged in the Charter, should be accelerated,

Recalling the principle underlying the public information activities of the United Nations that the Organization cannot achieve the purposes for which it has been created unless the peoples of the world are informed of its aims and activities,

Considering therefore that it is important that the peoples of the Non-Self-Governing Territories be widely informed concerning the United Nations,

1. Requests the Administering Members to adopt necessary measures for the dissemination of information concerning the United Nations among the inhabitants of Non-Self-Governing Territories and for this purpose to seek the active support and participation of the organizations representative of these inhabitants;

2. Invites the attention of Administering Members to the recommendations contained in paragraph 54 of part two of the 1959 report of the Committee on Information from Non-Self-Governing Territories,31 and requests them to furnish the Secretary-General with information concerning the implementation of the recommendations;

3. Requests the Secretary-General to prepare for the fifteenth session of the General Assembly a special report on the present state of the dissemination of information concerning the United Nations in Non-Self-Governing Territories, and on further measures necessary to this end.

855th plenary meeting, 12 December 1959.

1466 (XIV). Participation of the Non-Self-Governing Territories in the work of the United Nations and of the specialized agencies

The General Assembly,

Recalling its resolution 566 (VI) of 18 January 1952, and in particular:

(a) The first preambular paragraph, in which it noted the Secretary-General's proposal concerning the use of the United Nations to promote by peaceful means the progress of dependent peoples to a position of equality with Member States of the United Nations,

(b) The fourth preambular paragraph, in which it stated that the direct association of the Non-Self-Governing Territories in the work of the United Nations and of the specialized agencies is an effective means of promoting the progress of the peoples of those Territories towards a position of equality with Member States of the United Nations,

(c) Operative paragraph 2, in which it commended the use of the special provisions in the constitutions of some of the specialized agencies and of the regional economic commissions of the United Nations permitting the admission of the Non-Self-Governing Territories to those agencies and commissions as associate members, on the proposal of the Administering Member concerned,

Recalling its resolutions 647 (VII) of 10 December 1952 and 744 (VIII) of 27 November 1953, in which it reaffirmed the provisions of the above-mentioned resolution and expressly invited the Member States administering Non-Self-Governing Territories progressively to increase the participation of indigenous representatives from those Territories in the work of the technical organs of the United Nations, including the Committee on Information from Non-Self-Governing Territories and the specialized agencies,

81 Ibid., Supplement No. 15 (A/4111).
Noting with satisfaction that some Non-Self-Governing Territories are already participating fruitfully in the work of certain specialized agencies and certain regional economic commissions,

1. Invites the Administering Members to submit to the specialized agencies the candidature of the Territories referred to in Article 73 of the Charter of the United Nations with a view to their admission as members, associate members or observers, according to the constitution of the agency concerned;

2. Specially requests all Member States administering Non-Self-Governing Territories in Africa to propose the participation of these Territories in the work of the Economic Commission for Africa;

3. Re-emphasizes the great advantage of the Administering Members including in their delegations representatives of the Non-Self-Governing Territories to participate in the work of the Committee on Information from Non-Self-Governing Territories and in the discussion of such matters in the Fourth Committee;

4. Invites the Administering Members to furnish the Secretary-General with a report on the practical measures taken to implement the present resolution;

5. Requests the Secretary-General to report to the General Assembly at its fifteenth session on the progress made.

855th plenary meeting, 12 December 1959.

1467 (XIV). General questions relating to the transmission and examination of information

The General Assembly,

Having regard to the provisions of Chapter XI of the Charter of the United Nations, and in particular to the obligation to transmit information under Article 73 of the Charter accepted by Members which have or assume responsibilities for Territories whose peoples have not yet attained a full measure of self-government,

Recalling that, by its resolution 334 (IV) of 2 December 1949, the General Assembly considered that it is within its responsibility to express its opinion on the principles which have guided, or may in future guide, the Administering Members in enumerating the Territories for which the obligation exists to transmit information under Article 73 of the Charter,

Recalling also that, by its resolution 742 (VIII) of 27 November 1953, the General Assembly approved a list of factors to be taken into account in deciding whether a Territory is or is not a Territory whose people have not yet attained a full measure of self-government,

Noting that Member States have expressed differing opinions as to the application of the provisions of Chapter XI to Territories whose peoples have not yet attained a full measure of self-government, including the obligation to transmit the information called for in Article 73 of the Charter,

1. Considers that it would be desirable for the General Assembly to enumerate the principles which should guide Members in determining whether or not an obligation exists to transmit the information called for in Article 73 of the Charter of the United Nations:

2. Decides to establish a special committee consisting of six members, to be elected by the Fourth Committee on behalf of the General Assembly—three of whom shall be Members who transmit information under Article 73 of the Charter and three non-administering Members—to study these principles and to report on the results of its study to the Assembly at its fifteenth session;

3. Requests the Secretary-General to prepare for the use of this committee an account of the history of this matter, including a summary of the opinions on the subject which have been expressed by Member States in the past and of the relevant legal treaties on the interpretation of the Charter;

4. Invites Member States to submit in writing to the Secretary-General, before 1 May 1960, their views on these principles, in order that the committee may take them into account.

855th plenary meeting, 12 December 1959.

At its 594th meeting, the Fourth Committee, acting in the name of the General Assembly, elected the members of the special committee established under the terms of the above resolution. At its 855th plenary meeting on 12 December 1959, the General Assembly confirmed the election.

The Committee is composed as follows: INDIA, MEXICO, MOROCCO, NETHERLANDS, UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND and UNITED STATES OF AMERICA.

1468 (XIV). Voluntary transmission of information on political developments in Non-Self-Governing Territories

The General Assembly,

Recalling its resolutions 144 (II) of 3 November 1947, 327 (IV) of 2 December 1949, 551 (V) of 7 December 1951 and 848 (IX) of 22 November 1954 regarding the voluntary transmission of information on political developments in the Non-Self-Governing Territories,

Noting that only some Members responsible for the administration of the Non-Self-Governing Territories voluntarily transmit information on the development of political institutions in those Territories,

Recognizing that the principles and objectives set forth in Article 73 of the Charter of the United Nations relate as much to the political advancement of the inhabitants of the Non-Self-Governing Territories as to their advancement in economic, social and educational fields,

Recalling further that under Article 73 b of the Charter the Administering Members have assumed the obligation to develop self-government in the Non-Self-Governing Territories, with due regard to the political aspirations of the peoples, and to assist them in the progressive development of their free political institutions,

Conscious of the inextricable relationship between developments in the political and functional fields,

1. Endorses the observations of the Committee on Information from Non-Self-Governing Territories, based on its examination of the information transmitted by the Administering Members, that speedy advancement in the functional fields is usually obtained where there is the broadest participation of the inhabitants in political bodies empowered to establish policies and to vote budgets.\(^{32}\)

\(^{32}\) Ibd., Supplement No. 15 (A/4111), part two, para. 27.
2. Requests the Administering Members to do their utmost to mobilize the effective participation of the inhabitants of the Non-Self-Governing Territories by transferring to them effective power in order to accelerate their social, economic and educational advancement;

3. Considers that the transmission of information on developments in the political field will enable the General Assembly better to assess the information transmitted by the Administering Members concerning educational, social and economic development in the Non-Self-Governing Territories;

4. Reiterates the view that the voluntary transmission of information on political developments in the Non-Self-Governing Territories is fully in accord with the spirit of Article 73 of the Charter of the United Nations;

5. Urges the Administering Members concerned to extend their full co-operation in this matter by voluntarily transmitting information of a political and constitutional character with regard to developments in the Territories under their respective administrations, including the establishment of intermediate time-tables leading to the attainment of self-government by these Territories.

855th plenary meeting, 12 December 1959.

1469 (XIV). Cessation of the transmission of information under Article 73 e of the Charter in respect of Alaska and Hawaii

The General Assembly,

Recalling that, by resolution 222 (III) of 3 November 1948, the General Assembly, while welcoming any development of self-government in Non-Self-Governing Territories, considered it essential that the United Nations be informed of any change in the constitutional status of any such Territory as a result of which the responsible Government concerned thinks it unnecessary to transmit information in respect of that Territory under Article 73 e of the Charter of the United Nations,

Having received from the Government of the United States of America communications dated 2 June 1959 and 17 September 1959 informing the Secretary-General that Alaska and Hawaii, respectively, have, as a result of their admission into the United States as the forty-ninth and fiftieth States, attained a full measure of self-government and that, as a consequence of this change in their constitutional status, the United States Government would cease to transmit information under Article 73 e of the Charter in respect of Alaska and Hawaii,

Having examined the communications of the Government of the United States of America in the light of the basic principles and objectives embodied in Chapter XI of the Charter and of all the other elements of judgement pertinent to the issue,

Bearing in mind the competence of the General Assembly to decide whether a Non-Self-Governing Territory has or has not attained a full measure of self-government as referred to in Chapter XI of the Charter,

1. Takes note of the opinion of the Government of the United States of America that, owing to the new constitutional status of Alaska and Hawaii, it is no longer appropriate or necessary for it to transmit information under Article 73 e of the Charter of the United Nations in respect of Alaska and Hawaii;

2. Expresses the opinion, based on its examination of the documentation and the explanations provided, that the people of Alaska and Hawaii have effectively exercised their right to self-determination and have freely chosen their present status;

3. Congratulates the United States of America and the people of Alaska and Hawaii upon the attainment of a full measure of self-government by the people of Alaska and Hawaii;

4. Considers that, owing to the circumstances mentioned above, the declaration regarding Non-Self-Governing Territories and the provisions established under it in Chapter XI of the Charter can no longer be applied to Alaska and Hawaii;

5. Considers it appropriate that the transmission of information in respect of Alaska and Hawaii under Article 73 e of the Charter should cease.

855th plenary meeting, 12 December 1959.

1470 (XIV). Effects of the European Economic Community on the development of certain Non-Self-Governing Territories

The General Assembly,

Referring to its resolution 1330 (XIII) of 12 December 1958,

Having examined the report of the Secretary-General on the association of Non-Self-Governing Territories with the European Economic Community,

Noting with concern that the Administering Members have not yet submitted sufficient information on the possible effects of the association of the Non-Self-Governing Territories under their administration with the European Economic Community,

Considering that the association of Non-Self-Governing Territories with the European Economic Community may have significant effects on the development of these Territories towards the objectives of Article 73 of the Charter of the United Nations,

1. Takes note of the report of the Secretary-General on the association of Non-Self-Governing Territories with the European Economic Community;

2. Again invites the Administering Members concerned to transmit to the Secretary-General information on the possible effects of the association of the Non-Self-Governing Territories under their administration with the European Economic Community;

3. Requests the Committee on Information from Non-Self-Governing Territories to devote special attention at its 1960 session, at which it is to deal particularly with the economic development of the Non-Self-Governing Territories, to the question of the association of certain Non-Self-Governing Territories with the European Economic Community and to the possible effects of this association on the development of these Territories towards the objectives of Article 73 of the Charter of the United Nations;

4. Requests the Secretary-General to prepare, for the fifteenth session of the General Assembly, a report on new developments connected with the association of...
Non-Self-Governing Territories with the European Economic Community, taking into account the information to be submitted by the Administering Members and the studies that may be undertaken in this connexion by the Economic and Social Council, the Economic Commission for Africa, the Economic Commission for Europe, the Economic Commission for Asia and the Far East, the Economic Commission for Latin America and other international organs, in so far as these studies may be relevant to the development of Non-Self-Governing Territories;

5. Resolves to resume consideration of this question at its fifteenth session.

855th plenary meeting,
12 December 1959.

1471 (XIV). Offers by Member States of study and training facilities for inhabitants of Non-Self-Governing Territories

The General Assembly,

Bearing in mind that most of the Non-Self-Governing Territories do not have sufficient facilities for higher education which would ensure the education of highly qualified indigenous cadres,

Considering the urgent need in the Non-Self-Governing Territories for indigenous personnel who could take over the functions held by those non-indigenous persons who up to now have occupied the most important positions in the administration of those Territories,

Noting with satisfaction the further response to its resolution 845 (IX) of 22 November 1954 inviting Member States to extend offers of facilities for study and training to the inhabitants of Non-Self-Governing Territories,

Expressing regret that a great number of the scholarships offered by Member States remain unutilized,

Further expressing regret that some Administering Members do not provide all students who have been accorded scholarships with facilities to leave the Non-Self-Governing Territories in order to take advantage of such scholarships,

Recalling its resolution 845 (IX) inviting the Member States to make scholarships available to qualified students from the Non-Self-Governing Territories,

1. Takes note of the report of the Secretary-General on offers of study and training facilities under General Assembly resolution 845 (IX),

2. Reaffirms its resolution 1331 (XIII) of 12 December 1958, and invites the Administering Members to take all necessary measures consistent with the interests and needs of the Non-Self-Governing Territories and their peoples to ensure that scholarships and training facilities offered by Member States may be utilized by the inhabitants of those Territories, and to render every assistance to those persons who have applied for, or have been granted, scholarships or fellowships, particularly with regard to facilitating their travel formalities;

3. Requests all Administering Members which have not done so to give the fullest publicity in the Non-Self-Governing Territories under their administration to all offers of study and training facilities made by Member States;

4. Requests the Member States offering scholarships to take into account the necessity of furnishing complete information about the scholarships offered, and, whenever possible, the need to provide travel funds to prospective students;

5. Requests the Secretary-General to give such assistance as is possible, and as may be sought by the Member States concerned and by the applicants;

6. Requests the Secretary-General to prepare for the fifteenth session of the General Assembly a report concerning the actual use of scholarships and training facilities offered by Member States to students from the Non-Self-Governing Territories.

855th plenary meeting,
12 December 1959.

1473 (XIV). The future of the Trust Territory of the Cameroons under United Kingdom administration: organization of a further plebiscite in the northern part of the Territory

The General Assembly,

Recalling its resolution 1350 (XIII) of 13 March 1959, concerning the future of the Trust Territory of the Cameroons under United Kingdom administration, which recommended that a plebiscite should take place in the Northern Cameroons in November 1959 and requested the United Nations Plebiscite Commissioner to submit to the Trusteeship Council in time for consideration by the General Assembly at its fourteenth session a report on the organization, conduct and results of this plebiscite,

Having examined the report of the United Nations Plebiscite Commissioner and the report of the Trusteeship Council thereon,

Noting from the report of the United Nations Plebiscite Commissioner that the people of the Northern Cameroons have decided by a substantial majority that they are in favour of deciding their future at a later date,

Noting further that the United Nations Plebiscite Commissioner is satisfied that the plebiscite was conducted in a fair and impartial manner,

Noting the statement made by the representative of the Administering Authority at the 988th meeting of the Fourth Committee on 5 December 1959 to the effect that urgent action is being taken to introduce reforms in the system of local administration in the Northern Cameroons,

Having heard the petitioner,

Considering that the extremely close date of the elections to the Legislative Assembly of the Federation of Nigeria makes it impossible for the General Assembly to take a decision with regard to the participation or non-participation of the people of the Northern Cameroons in these elections,

1. Expresses its high appreciation of the work of the United Nations Plebiscite Commissioner and the United Nations staff under his direction;

2. Recommends that the Administering Authority, in pursuance of Article 76 b of the Charter of the United Nations and in consultation with the United Nations Plebiscite Commissioner, organize under United Nations supervision a further plebiscite in the Northern Cameroons, the arrangements for which shall begin

87 Ibid., agenda item 41, documents A/4314 and Add.1.
88 Ibid., document A/4313.
on 30 September 1960, and that the plebiscite be concluded not later than March 1961;

3. Decides that the two questions to be put at this plebiscite should be:

"(a) Do you wish to achieve independence by joining the independent Republic of the Cameroons?

"(b) Do you wish to achieve independence by joining the independent Federation of Nigeria?";

4. Recommends that the plebiscite be conducted on the basis of universal adult suffrage, all those over the age of twenty-one and ordinarily resident in the Northern Cameroons being qualified to vote;

5. Requests the United Nations Plebiscite Commissioner to report to the Trusteeship Council on the organization, conduct and results of this plebiscite, in order that the Council may transmit its report to the General Assembly together with any recommendations and observations it considers necessary;

6. Recommends that the necessary measures should be taken without delay for the further decentralization of governmental functions and the effective democratization of the system of local government in the northern part of the Trust Territory;

7. Recommends that the Administering Authority should initiate without delay the separation of the administration of the Northern Cameroons from that of Nigeria and that this process should be completed by 1 October 1960;

8. Requests the Administering Authority to report on the process of separation to the Trusteeship Council at its twenty-sixth session, and requests the Council to submit a report on this matter to the General Assembly at its fifteenth session;

9. Declares that the participation of the Northern Cameroons in the elections to the Federal Legislative Assembly should in no way interfere with, or influence, the free choice of the people of the Northern Cameroons in deciding their future in the forthcoming plebiscite.

857th plenary meeting,
12 December 1959.

The General Assembly,

Considering the wish expressed by certain Member States that their representatives should have access to the statistical and other information at the disposal of the Committee on Contributions,

Having examined the report of the Committee on Contributions in connexion,\(^{10}\)

2. Recommends that the Committee on Contributions review this matter periodically, so that, at the discretion of that Committee, any future requests for pertinent information from representatives of Member States wishing to acquaint themselves with other statistical information and supplementary factual material used by the Committee as a basis for its recommendations may be granted.

1436 (XIV). Geographical distribution of the staff of the Secretariat of the United Nations

The General Assembly,

Recalling the provisions of Article 101 of the Charter of the United Nations,

Having considered the report of the Secretary-General regarding the geographical distribution of the staff of the Secretariat of the United Nations,24

Noting with appreciation that, during the year 1959, some progress has been made towards the implementation of its resolutions 1097 (XI) of 27 February 1957, 1226 (XII) of 14 December 1957 and 1294 (XIII) of 5 December 1958,

Noting further that the Secretary-General will continue his efforts to accelerate the achievement of an equitable geographical distribution of the staff of the Secretariat,

Recognizing that, without an adequate regional and cultural representation at the policy-making level of the Secretariat, the purposes of the Charter cannot be duly served,

1. Recommends that:

(a) In the recruitment of the staff of the Secretariat of the United Nations, priority should be given to qualified candidates from Member States which either have no nationals on the staff or which have a disproportionately small number of nationals on the staff;

(b) Vacancies in posts at higher levels of the Secretariat should be filled, as far as possible, by qualified candidates representative of geographical areas and main cultures which are not represented, or not adequately represented, in these key posts;

(c) An increased interchange of personnel between Headquarters and the field offices of the United Nations should be carried out whenever possible;

(d) The Secretary-General's endeavours to increase the number of the Secretariat staff appointed on fixed-term contracts should be continued and encouraged;

2. Requests the Secretary-General to report to the General Assembly, at its fifteenth session, on the progress made in this regard.

1353 (XIV). Question of Tibet

The General Assembly,

Recalling the principles regarding fundamental human rights and freedoms set out in the Charter of the United Nations and in the Universal Declaration of Human Rights adopted by the General Assembly on 10 December 1948,

Considering that the fundamental human rights and freedoms to which the Tibetan people, like all others, are entitled include the right to civil and religious liberty for all without distinction,

Mindful also of the distinctive cultural and religious heritage of the people of Tibet and of the autonomy which they have traditionally enjoyed,

Gravely concerned at reports, including the official statements of His Holiness the Dalai Lama, to the effect that the fundamental human rights and freedoms of the people of Tibet have been forcibly denied them,

Deploiring the effect of these events in increasing international tension and in embittering the relations between peoples at a time when earnest and positive efforts are being made by responsible leaders to reduce tension and improve international relations,

1. Affirms its belief that respect for the principles of the Charter of the United Nations and of the Universal Declaration of Human Rights is essential for the evolution of a peaceful world order based on the rule of law;

2. Calls for respect for the fundamental human rights of the Tibetan people and for their distinctive cultural and religious life.

Reaffirming the great importance of studies relating to the effects of ionizing radiation upon man and his environment,

Recognizing the universal desire that urgent steps be taken to enlarge knowledge of the biological effects of radiation and of the extent of the hazard from man-made radiation,

Noting with appreciation that numerous reports and substantial data have been provided to the Committee by Governments and specialized agencies, and that assistance is being rendered to the Committee by them, by the International Atomic Energy Agency, by international non-governmental and national scientific organizations, and by individual scientists,

Noting with satisfaction the increasingly close cooperation between the Committee and the International Atomic Energy Agency,

Bearing in mind the views of the Administrative Committee on Co-operation concerning co-operation among the organizations concerned in the field of atomic radiation, as endorsed in Economic and Social Council resolution 743 B (XXVIII) of 31 July 1959,

Convinced that for the purpose of the Scientific Committee's immediate programme of work it is desirable to provide the Committee with further information on fall-out, radiation levels and radio-biological questions, and to supplement this information by a variety of activities and discussions undertaken by the United Nations, the specialized agencies, the International Atomic Energy Agency and certain non-governmental organizations,

I

Approves the recommendations of the United Nations Scientific Committee on the Effects of Atomic Radiation in connexion with the plans and suggested activities contained in its annual progress report for 1959 and in annex I thereto;

2. Requests the Committee, in consultation with the International Atomic Energy Agency, the Food and Agriculture Organization of the United Nations, the United Nations Educational, Scientific and Cultural Organization, the World Health Organization and the World Meteorological Organization, to consider and study appropriate arrangements for the purpose of stimulating the flow of such information and data;

III

Requests the Committee also, in consultation with the World Health Organization, the International Atomic Energy Agency, the Food and Agriculture Organization of the United Nations and the United Nations Educational, Scientific and Cultural Organization, to the extent relevant, and other interested organizations, to consider and study appropriate arrangements for encouraging genetic, biological and other studies, including those concerned with C¹⁴, that will elucidate the effects of radiation exposure on the health of human populations;

IV

1. Invites Governments of Member States having facilities for laboratory analysis to make known to other Governments the extent to which they are prepared, at the request of other Governments, to receive and analyse samples in accordance with the programme of work of the Committee, and to keep the Committee currently informed;
2. Invites the Food and Agriculture Organization of the United Nations, the International Atomic Energy Agency and the World Health Organization to consider and inform the Committee what assistance they might give in this connexion, making full use of their work in the field of metrology of radio-nuclides;

V

1. Expresses the hope that all concerned will continue to assist the Committee, co-operate in the consideration of the arrangements contemplated above and furnish the Committee with all relevant scientific information for collation, study and dissemination;
2. Requests the Committee to submit as soon as practicable a report on its study of such questions to the Secretary-General for publication and dissemination to all States Members of the United Nations or members of the specialized agencies or of the International Atomic Energy Agency, and for consideration by the General Assembly at its fifteenth session.

The General Assembly
