RECOMMENDATIONS OF THE FIRST COMMITTEE

15. The First Committee recommends to the General Assembly the adoption of the following draft resolutions:

General and complete disarmament

A

The General Assembly,

Recalling its resolution 2602 A (XXIV) of 16 December 1969, relating to the initiation of bilateral negotiations between the Governments of the Union of Soviet Socialist Republics and the United States of America on the limitation of offensive and defensive strategic nuclear-weapon systems,

Recalling further that the first phase of such negotiations resulted in the conclusion, on 26 May 1972, of three bilateral instruments on that matter, 1/

Reaffirming resolution 2932 B (XXVII) of 29 November 1972, whereby the General Assembly:

1/ See A/C.1/1026.
(a) Appealed to the above-mentioned Governments to make every effort to expedite the conclusion of further agreements including important qualitative limitations and substantial reductions of offensive and defensive strategic nuclear-weapon systems,

(b) Invited the two Governments to keep the General Assembly informed of the results of their negotiations,

Noting with satisfaction that those Governments have reached a new agreement entitled: "Basic Principles of Negotiations on the Further Limitation of Strategic Offensive Arms",

Noting further that this agreement, signed on 21 June 1973, has been brought to the attention of the General Assembly by a letter dated 6 November 1973 from the representatives of both Governments to the Secretary-General, 2/

1. Appeals to the Governments of the Union of Soviet Socialist Republics and the United States of America to bear constantly in mind in the current phase of the negotiations of the Strategic Arms Limitation Talks the necessity and urgency of reaching agreement on important qualitative limitations and substantial reductions of their strategic nuclear-weapon systems as a positive step towards nuclear disarmament;

2. Again invites the two Governments to keep the General Assembly informed in good time of the results of their negotiations.

B

The General Assembly,

Recalling its resolution 2373 (XXII) of 12 June 1968, in which it commended the Treaty on the Non-Proliferation of Nuclear Weapons and expressed the hope for the widest possible adherence to that Treaty,

Noting that article VIII, paragraph 3, of the Treaty provides that:

"Five years after the entry into force of this Treaty, a conference of Parties to the Treaty shall be held in Geneva, Switzerland, in order to review the operation of this Treaty with a view to assuring that the purposes of the Preamble and the provisions of the Treaty are being realized",

Bearing in mind that the Treaty will have been in force for five years on 5 March 1975 and expecting that the review conference called for in the Treaty will take place soon after that date,
1. Notes that, following appropriate consultation, a preparatory committee has been formed of parties serving on the Board of Governors of the International Atomic Energy Agency or represented at the Conference of the Committee on Disarmament;

2. Requests the Secretary-General to render the necessary assistance and to provide such services, including summary records, as may be required for the review conference and its preparation.

The General Assembly,

Recalling its resolution 1722 (XVI) of 20 December 1961, in which it welcomed the joint statement of agreed principles for disarmament negotiations submitted by the Union of Soviet Socialist Republics and the United States of America on 20 September 1961, 3/

Further recalling its resolutions 2602 E (XXIV) of 16 December 1969, 2661 C (XXV) of 7 December 1970 and 2825 B (XXVI) of 16 December 1971 on the comprehensive programme of disarmament,

Bearing in mind its specific responsibility under the Charter of the United Nations with regard to the principles governing disarmament and to the achievement of general and complete disarmament, which is one of the most important issues confronting the world at present,

Emphasizing the vital interest of all peoples and countries of the world in disarmament negotiations,

Convinced of the importance and urgent need that all States should exert further efforts for the adoption of effective measures of disarmament, including the prohibition and elimination of all types of weapons of mass destruction,

1. Reaffirms the responsibility of the United Nations with regard to all matters pertaining to disarmament, in particular the ultimate goal of general and complete disarmament under effective international control;

2. Invites the States parties to disarmament negotiations to ensure that the disarmament measures adopted in one region should not result in increasing armaments in other regions, thus upsetting their stability;

3. Invites the Governments of all States to keep the General Assembly suitably informed of their disarmament negotiations so as to allow the proper performance of its functions;

4. Requests the Secretary-General to bring the present resolution to the attention of all Member States, as well as all other Governments and States, and to include in the provisional agenda of the twenty-ninth session of the General Assembly the item entitled "General and complete disarmament".
