RESOLUTION

Adopted at a solemn meeting held in Hanoi in response to the "International Week of Action for Disarmament"

(24-30 October 1982)

We, representatives of the Vietnamese people from all walks of life, solemnly meeting in Hanoi, capital of the Socialist Republic of Viet Nam, in response to the "International Week of Action for Disarmament" (from 24 to 30 October 1982) are unanimously resolved:

1. To strongly condemn the United States imperialists and other reactionary forces which are accelerating the arms race, undermining détente, causing tension in the world, thus seriously threatening peace, sovereignty, security and independence of nations,

2. To resolutely demand that the United States imperialists and reactionary forces undertake serious negotiations, stop the arms race and respond to the just proposals made by the socialist countries and the non-aligned movement, and to the just demand and aspirations of all peace-loving peoples throughout the world,

3. To warmly welcome and wholeheartedly support the recent important initiatives taken by the Soviet Union in the disarmament field, particularly its commitment not to be the first to use nuclear weapons. We consider it as a concrete expression of the Soviet Union's constant policy for peace, disarmament and its efforts to prevent a nuclear war and call on other nuclear Powers to respond positively to these good-willed proposals of the Soviet Union,

4. To express the Vietnamese people's determination to resolutely struggle against the danger of a nuclear war, for disarmament, thus safeguarding peace, the life of all nations and man's right to live.

Peace, the common achievement of the struggle of all peoples must be safeguarded.
