AGENDA ITEM 63
Question of Algeria (A/3853) (continued)

GENERAL DEBATE (continued)

1. Following an exchange of views between Mr. SLIM (Tunisia), Mr. AMADEO
   (Argentina) and Mr. PAZHWAKE (Afghanistan), the CHAIRMAN proposed that the
   Committee should not close the list of speakers until the next day, Wednesday,
   10 December, at noon.

   It was so decided.

2. The CHAIRMAN noted that none of the representatives wished to speak and
   that he had only one speaker on his list for the afternoon meeting. He therefore
   proposed that the Committee should adjourn the debate until the following morning.

   It was so decided.

The meeting rose at 11.5 a.m.
