India: draft resolution

Freeze on nuclear weapons

The General Assembly,

Convinced that in this nuclear age lasting world peace can be based only on
the attainment of the goal of general and complete disarmament under effective
international control,

Further convinced that the highest priority objectives in the field of
disarmament have to be nuclear disarmament and the elimination of all weapons of
mass destruction,

Recognizing the urgent need to halt the arms race, particularly in nuclear
weapons,

Recognizing further the urgent need for a negotiated reduction of nuclear
weapons stockpiles leading to their complete elimination,

Calls upon all nuclear-weapon States to agree to a freeze on nuclear weapons,
which would, inter alia, provide for a simultaneous total stoppage of any further
production of nuclear weapons and a complete cut-off in the production of
fissionable material for weapons purposes.

* Reissued for technical reasons.
