Tenth special session
AD HOC COMMITTEE OF THE
TENTH SPECIAL SESSION
Agenda item 11

ADOPTION OF A PROGRAMME OF ACTION ON DISARMAMENT

France: draft resolution

Verification and implementation of disarmament agreements

The General Assembly,

Aware that the solution of the problem of verifying disarmament agreements would make an essential contribution to disarmament efforts and to the strengthening of international security and confidence,

Aware of the need to adopt measures for the verification of disarmament agreements that would not be discriminatory and would not constitute interference in the internal affairs of States,

Considering that methods of monitoring and verifying disarmament agreements and measures aimed at strengthening international confidence and security might usefully benefit from the use of techniques for observation of the earth by artificial satellites,

1. Requests Member States to continue their consultations in connexion with the feasibility of establishing an international satellite monitoring agency; 1/

2. Requests the Secretary-General to gather the views of Member States on that question in due course in order to transmit them to the General Assembly at its thirty-fourth session.
