Agenda item 11

ADOPTION OF A PROGRAMME OF ACTION ON DISARMAMENT

Federal Republic of Germany: amendment to section III
(Programme of Action), subsection E

The following two sentences should be included in the Programme of Action, subsection E (Other measures to strengthen international security and to build confidence), after the first paragraph:

"Commitment to confidence building measures on a clearly defined regional basis and agreed to by all States of a region could significantly contribute to enhancing stability and preparing for further progress in disarmament and arms control.

"Agreement on such measures in various regions in the world could prepare the ground for a world-wide convention on confidence building measures."
