FINAL COMMUNIQUÉ
OF THE
THIRTIETH SESSION OF THE
ISLAMIC CONFERENCE OF FOREIGN MINISTERS
(SESSION OF UNITY AND DIGNITY)

TEHRAN, ISLAMIC REPUBLIC OF IRAN
27-29 RABIUL-AWAL 1424H
(28-30 MAY 2003)

1. At the kind invitation of the Government of the Islamic Republic of Iran, the 30th Session of the Islamic Conference of Foreign Ministers (Session of Unity and Dignity) was held in Tehran, Islamic Republic of Iran on 27-29 Rabiul-Awal 1424H (28-30 May 2003).

2. The Conference was opened with a recitation of verses from the Holy Quran.

3. His Excellency Seyyed Mohammad Khatami, President of the Islamic Republic of Iran, delivered a speech in which he welcomed the Ministers and delegates participating in the Session.

   He said that our world today, notwithstanding its great achievements, is a world of fright and conflicts; it lives in fear of violence, discrimination, terrorism, poverty, insecurity and war; we therefore need the might of Islam as a religion of knowledge and a path of morality to deliver the world from the current frightful situation. His Excellency expressed his belief that the world today is buffeted from two sides by violent dogmatists on the one hand and hegemony seekers on the other, adding that, while terrorism and fanaticism have distorted the human and liberal image of religion and mankind in general, force, hegemony and unilateralism have harmed the righteous concepts of freedom and democracy. It is therefore essential to keep away from terrorism and unilateralism, and our way to achieve these aspirations, as Islam which seeks freedom, justice, high moral values and democracy. His Excellency stated that any outlook or tendency advocating or justifying discrimination, hatred, violence and oppression is alien to the spirit and essence of Islam. Similarly, any power trampling upon the aspirations, independence and sovereignty of nations through resort to force is alien to freedom and civilization. He stressed the importance of alliance for world peace based on justice, instead of conflicts and wars, saying in this context that policies built on violence, tyranny and dictatorship can only lead to war. In order to rid the world from the scourge of war, its roots must be extirpated.

   President Khatami pointed out that a significant part of human and economic resources is to be found in Islamic countries. Similarly, the Islamic world controls important and strategic waterways, which could enable the Muslims to constitute an effective force in our contemporary world. On this basis, the Organization of the Islamic Conference provides an appropriate framework for coordination and enhancement of cooperation among all Islamic countries. The Organization can play an effective role, commensurate with the new responsibilities facing it.
4. The Conference decided to consider the speech of HE the President of the Islamic Republic of Iran as a referential and guiding document for the Conference.

5. The three OIC regional groups then successively took the floor to respond to the speech of President Khatami: His Excellency the Foreign Minister of the Gambia for the African Group, His Excellency the Foreign Minister of the Kingdom of Bahrain for the Arab Group, and His Excellency the Foreign Minister of Malaysia for the Asian Group. They all expressed their deep thanks to the government and people of the Islamic Republic of Iran for the warm welcome and generous hospitality extended to the delegations, and participants, as well as the efforts exerted to make a success of the Conference. They commended the wisdom, courage, spirit of initiative, and far-sighted vision of H.E. President Seyed Muhammad Khatami.

6. The opening session was also addressed by H.E. the Foreign Minister of the State of Qatar, representing the chairmanship of the Ninth Islamic Summit, H.E. the Secretary-General of the League of Arab States, H.E. the Foreign Minister of South Africa representative of the chairmanship of the African Union, and H.E. the Secretary-General of the Gulf Cooperation Council. They commended the role played by the OIC and reaffirmed the determination of their organizations to boost and develop cooperation with the OIC.

7. At the beginning of the first working session, H.E. Dr. Mustafa Osman Ismail, Foreign Minister of the Republic of the Sudan, Chairman of the 29th ICFM, delivered a speech in which he expressed his profound thanks to H.E. President Seyed Mohammad Khatami for gracing the Conference with his presence and opening its proceedings. He enumerated the efforts made by the Organization during his chairmanship of the Twenty-ninth Session in defence of the causes of the Islamic Ummah and commended the efforts made by the Secretary General, his collaborators and the personnel of the General Secretariat to implement the resolutions of the Islamic Conference.

8. His Excellency the OIC Secretary-General delivered a speech in which he welcomed the Ministers and members of delegations participating in the Conference. He expressed his deep appreciation and gratitude to H.E. President Seyed Mohammad Khatami of the Islamic Republic of Iran for having graciously opened the 30th Session of the ICFM, and to the Iranian government for hosting this important session on which the Islamic Ummah pins great hopes.

His Excellency stressed that the Islamic World is facing acute crises and unprecedented challenges such as it has not experienced for decades. What we are living through today is not a new development but the result of long accumulated problems, some of which we are partly responsible for, while others are due to external forces. His Excellency further indicated that the factors of recovery from this crisis is, thanks to Allah, available to us. What is lacking today in the Islamic World is the political will to agree and to commit ourselves to a minimum degree of unity and to set for ourselves realistic, implementable objectives.

In his address, Dr. Belkeziz focused on the importance of joint Islamic action and efforts to bridge the technological gap between most OIC Member States and developed countries, explaining that science and technology are the linchpin of progress and the future of the economy based on knowledge.
Regarding terrorism, the Secretary General stated that many parts of the Islamic world were and continue to be victims of this scourge underlining that the acts committed recently in both Riyadh and Casablanca, and condemned in due course by the Organization, damage the reputation of Islam and Muslims throughout the world and harm their interests. He called for more effective action to ward off such acts. He urged the adoption of new approaches to deal with them within the framework of the U.N., adherence to the essential role played by the international organization in assuming the responsibility for the maintenance of world peace and security, and commitment on our part to firmly establish the culture of peace adopted by the U.N. General Assembly.

9. The Conference unanimously elected H.E. Dr. Kamal Kharrazi, Minister of Foreign Affairs of the Islamic Republic of Iran, as Chairman of the 30th Session of the ICFM. His Excellency the Minister delivered a speech, welcoming the Islamic delegations, participating in the 30th Conference and stressed the importance of national sovereignty and territorial integrity of the Islamic countries, pointing out the absence of any justification that may permit others to violate them and attack the territories of Islamic countries; particularly such unilateral attacks that flout all international standards and rules. He emphasized that Islam is far remote from terrorism which some hostile media are trying to associate with our faith, the religion of freedom and tolerance. His Excellency further declared that Muslims reject the misrepresentations of Islam, such as those made by movements like Taliban and Al-Qaeda.

He stressed the importance of dialogue as the best means to promote understanding and cooperation among nations and peoples and expressed his conviction that the continued dialogue between the OIC and the European Union will have good and fruitful results.

He called for the continuation of OIC interaction with the new political, economic, social and cultural developments, by using an approach based on rationality. On the other hand, H.E. the Minister called for the rationalizational of the action within the Organization through reduction in the volume of documents and redoubling of constructive initiatives.

10. The Conference unanimously elected the other members of the Bureau, namely: The Republic of Yemen, the Republic of Cameroon, and the State of Palestine, as Vice-Chairmen, and the Republic of the Sudan as Rapporteur General of the Conference.

**POLITICAL AFFAIRS:**

*The Question of Palestine, Al-Quds Al-Sharif and the Arab-Israeli Conflict*

16. The Conference commended with great pride the steadfastness of the Palestinian people and its national and legitimate leadership under the chairmanship of the militant President Yasser Arafat in the struggle against Israeli aggression. It also asserted its continued political, material and moral support to the Palestinians to recover their inalienable national rights, including their right to return and establish their independent Palestinian state on their national territory with Al-Quds Al-Sharif as its capital.

17. The Conference reaffirmed its support to, and adoption of, the Arab peace initiative for resolving the issue of Palestine and the Middle-East, adopted by the 14th Arab Summit held in Beirut (Lebanon) on 28 March 2002; and decided to act by all means and ways to clarify this initiative, explain its dimensions and gain international support for its implementation.

18. The Conference affirmed the support of Member States to the peace process according to the foundations defined by the Madrid Peace Conference, which are based on the United Nations Charter and resolutions, particularly Security Council Resolutions 242 (1967), 338 (1973), 425 (1978) and the “land for peace” principle, all of which call for Israel’s withdrawal from all the occupied Palestinian and Arab territories, including the City of Al-Quds Al-Sharif, the restoration of the inalienable national rights of the Palestinian people and the complete pullout from the occupied Syrian Golan to the 4th of June 1967 line and from all occupied Lebanese territories to the internationally recognized borders.

19. The Conference requested the QUARTET (the United States, the Russian Federation, the EU and the UN to resume action to achieve a just and comprehensive peace in the Middle East in implementation of the relevant resolutions of the international legitimacy, the Madrid terms of reference, the Arab Peace initiative, and the implementation of the Road Map as published and to compel Israel to:
(i) Halt aggression against the Palestinian people and to stop the assassination and detention operations, destruction of houses and infrastructures and desecration of Islamic and Christian holy shrines.

(ii) Immediately end all aggressive Israeli measures against Al-Quds Al-Sharif and the rest of Palestinian cities, especially the policy of judaization, settlement, destruction of Palestinians’ houses, confiscation of their lands, alteration of landmarks of their cities, immediate halt of the policy of isolating Al-Quds AL-Sharif city from its Palestinian surroundings, the setting of roadblocks, denying Palestinians access to the city and their religious places therein.

(iii) Bring Israel to put an end to the construction of the racist wall which devours Palestinian territories and creates unjust realities in respect of the borders of the Palestinian state and further aggravates the conditions in the region.

(iv) Ensure the withdrawal of the occupation forces, and put an end to Israeli siege imposed on the Palestinian people and their leadership and remove all closures and roadblocks imposed on access-roads, towns, villages and Palestinian refugees camps.

(v) Put an end to all Israeli settlement activities in the occupied Palestinian territories, including Al-Quds Al-Sharif.

(vi) Ensure the release of all Palestinian detainees in Israeli prisons.

(vii) Send international observers to ensure the necessary international protection for the Palestinian people.

(viii) Allow access for food and medical stuff to Palestinian territories and to release funds of the Palestinian authority withheld by Israel.

21. The Conference strongly condemned Israel's continued attempts to impose its control on the Holy Qudsi Haram and repeated attempts to intervene in the affairs of the management of Islamic waqfs, and also condemned Israel's plans aimed at imposing "the fait accompli" through the use of military force and allowing extremist Jewish groups to desecrate the precincts of Al-Aqsa Holy Mosque and occupying the neighbouring buildings. It considered these acts as deliberate and provocative, allowing extremist Jewish organizations to continue their repeated desecration of the
sanctity of the Aqsa Holy Mosque, by establishing their presence on its precincts, and continuing their piracy acts against religious, historical and cultural heritage in Al-Quds Al-Sharif and the occupied Palestinian territories.

22. The Conference hailed the government, people and the resistance movements of Lebanon for their steadfastness and for liberating Lebanese territories and repelling Israeli occupation. It also supported Lebanon in its efforts to liberate its entire territory within its internationally recognized borders. It also called on the United Nations to force Israel to pay damages for all the losses it inflicted or caused as a result of its continuous acts of aggression against Lebanon. It supported Lebanon in its demands for the removal of the mines left behind by Israel. Having planted these mines, Israel must bear the responsibility for their removal. Furthermore, it backed the inalienable rights of Lebanon to utilize its waters in accordance with international law and condemned Israel’s designs on these waters. It held Israel responsible for any action that may undermine Lebanon’s sovereignty, independence, national unity and territorial integrity.

23. The Conference strongly condemned Israel’s policy of refusing to comply with Security Council resolution 497 of 1981 and of imposing its laws, jurisdiction and administration on occupied Syrian Golan as well as its policies of annexation, building of settlements, confiscation of land, diversion of water sources and imposition of Israeli nationality upon Syrian citizens. It considered all such measures as null and void, and a violation of the provisions and principles of International Law and International Humanitarian Law, particularly the 4th Geneva Convention of 1949. It also demanded Israel to completely withdraw from occupied Syrian Golan to the 4th June 1967 borders.

Sharif and the other occupied Arab territories; and the resolutions of the 15th Ordinary Arab

Quds Al-Sharif, violating the sanctity of holy places and desecrating both Muslim and Christian
shrines;

Condemning the continuous Israeli aggressions against the Lebanese territories and their
civilian population;

Affirming the Islamic states’ commitment to achieving a just and comprehensive peace in the
area;
Emphasizing that the Israeli policies, practices and expansionist designs threaten not only Arab states and the peace process, but also the Islamic countries at large and jeopardize international peace and security;

Holding Israel fully responsible for undermining of the Middle East peace process on all tracks as a result of the Israeli government’s intransigence, its reneging on the foundations of the peace process, especially UN Security Council resolutions 242 (1967) and 338 (1973) and the “land for peace” principle, and its failure to comply with all the agreements concluded in its context;

Hailing the resolutions of the regular session of the League of Arab States Summit held in Beirut on 27-28 March 2002 which adopted the Arab Peace Plan based on the complete Israeli withdrawal from all the Arab occupied territories, including Al-Quds Al-Sharif, to the 4th of June 1967 borders;

2 - Stresses the necessity of establishing an independent Palestinian State with Al-Quds Al-Sharif as its capital and the implementation of all the international resolutions pertaining to the Palestinian cause, in particular UN Security Council resolutions 242 (1967) and 338(1973) and the resolution of the UN General Assembly No. 194 on the return of Palestinian refugees and Security Council resolutions on the issue of Al-Quds, especially the resolutions 252 (1968), 267 (1969), 465 (1980), 476 (1980), 478 (1980), 1073 (1996) 1397 (2002).

**Proceeding from** the principles and objectives of the Charter of the Organization of the Islamic Conference (OIC);

**Pursuant to** the Islamic resolutions and decisions affirming that the issue of Al-Quds Al-Sharif is the core of the Palestinian cause which, itself, is the essence of the Arab-Israeli conflict and that there can be no comprehensive and just peace without the return of the City of Al-Quds Al-Sharif to Palestinian sovereignty, as the capital of the State of Palestine;

**Recalling** the relevant UN General Assembly and Security Council resolutions, particularly resolutions 242 (1967); 252 (1968); 338 (1973); 465, 476 and 478 (1980) and 1073 (1996) pertaining to the City of Al-Quds Al-Sharif;

**Hailing** the consistent efforts deployed by Al-Quds Committee under the chairmanship of His Majesty King Mohamed VI, Sovereign of the Kingdom of Morocco;

**Commending** the sustained efforts exerted by all OIC Member States in defending the inviolability of Muslim holy shrines and sanctuaries in the City of Al-Quds Al-Sharif, safeguarding the Holy City’s Arab identity and Islamic character and protecting it from Zionist tampering and judaization schemes;

**Paying tribute** as well to the contribution of the Hashemite Kingdom of Jordan, the Kingdom of Morocco and the Kingdom of Saudi Arabia to rehabilitating Al-Aqsa Mosque and the blessed Dome of the Rock at the behest of and under the guidance of the late King Hussein ibn Talal, the late King Hasan II and the Custodian of the Two Holy Mosques King Fahd ibn Abdul Aziz;

1 - **Reaffirms** all the relevant resolutions and decisions adopted by the Islamic Conferences, including those of previous sessions of Al-Quds Committee particularly the 19th Session.

2 - **Emphasizes** that there can be no just and comprehensive peace in the Middle East area as long as Israel has not withdrawn from all the Palestinian and other Arab territories occupied since 1967, foremost among which is the City of Al-Quds Al-Sharif, in implementation of Security Council resolution 242 (1967).

3 - **Affirms** its support to the stand of the State of Palestine resting on holding fast to sovereignty over Al-Quds Al-Sharif, including the Holy Haram in Al-Quds Al-Sharif and all the Christian and Muslim holy places which are part of the Palestinian territories occupied since June, 1967. **Also affirms** that Al-Quds Al-Sharif is the capital of the independent State of Palestine. In this connection, **underlines** its rejection of any attempt to diminish Palestinian sovereignty over Al-Quds Al-Sharif.

4 - **Reaffirms** that all the occupation-related settlement measures and practices in Al-Quds and the rest of the occupied Palestinian territories are null and void in line with the resolutions
and decisions of the “International Legitimacy” as well as international covenants and conventions which consider all Israeli arrangements, legislative, administrative and colonial settlement measures aiming at altering the legal, demographic, architectural, cultural and heritage-related status of the Holy City as null and void and contrary to the resolutions and decisions of the “International Legitimacy,” international covenants and conventions and diametrically opposed to agreements signed between the Palestinian and Israeli parties. **Requests** the UN Security Council to revive the International Supervision and Monitoring Committee to Prevent Colonial Settlement in Al-Quds and the Occupied Arab Territories, in accordance with its resolution 446.

5 - **Requests** all states of the world to abide by Security Council resolution 478 (1980) which calls on them not to move their diplomatic missions to the City of Al-Quds. Also invites them to avoid having any dealing with the Israeli occupation authorities, lest it may be construed as an implicit, de facto recognition of the fait accompli imposed by Israel which claims that the City of Al-Quds is its capital. Expresses condemnation and rejection of resolution adopted by the U.S. Congress and the American statements in favour of recognition of Al-Quds as the capital of Israel and of moving the American Embassy therein. **Calls** for severing relations with any State that moved its embassy to Al-Quds or recognized Al-Quds as Israel’s capital.

6 - **Requests** all states, institutions and international bodies to abide by the international resolutions on the City of Al-Quds, considered as an integral part of the Palestinian and other Arab territories occupied in 1967 and not to take part in any meeting or activity made to serve Israel’s designs to consecrate its occupation and annexation of the Holy City.

7 - **Invites** the international community, especially the Security Council, to compel Israel to implement the resolutions of international legitimacy, to prevent it from effecting any geographic or demographic alteration in the Holy City of Al-Quds, lift the siege of the City of Al-Quds Al-Sharif, stop the demolition of homes and the withdrawal of the identity cards of the Palestinian citizens as well as emptying of the City of Al-Quds Al-Sharif of its Arab nationals.

8 - **Strongly condemns** Israel's continued attempts to impose its control on the Holy Qudsi Haram and repeated attempts to intervene in the affairs of the management of Islamic waqfs, and also condemns Israel's plans aimed at imposing "the fait accompli" with the use of force and allowing extremist Jewish groups to desecrate the precincts of Al-Aqsa Holy Mosque and occupying the neighbouring buildings. **Considers** these acts deliberate and provocative allowing extremist Jewish organizations to continue their repeated desecration of the sanctity of the Aqsa Holy Mosque, establishing their presence on its precincts, and continuing their piracy acts against religious and, historic and cultural relics in Al-Quds Al-Sharif and the Palestinian territories.

9 - **Strongly condemns** the Israeli authorities for its continued closure of the Palestinian institutions in Al-Quds Al-Sharif including Beit Al-Sharq (Orient House) whose documents, official papers, and contents were looted by Israel. It considers such arbitrary coercive measures as a continuous violation of the accords signed between the PLO and Israel within the framework of the peace process and a flagrant violation, as well, of international
conventions and covenants, particularly the 4th Geneva Convention of 1949, and an infraction of the very principles and foundations on which the peace process was built in Madrid.

10 - Strongly condemns Israel for its continued destruction of the houses of Palestinians and expropriation of their properties as part of its design aimed at judaizing the holy city, altering its demographic status and voiding it from its native inhabitants only to replace them with colonialists.

11- Strongly condemn the statements made by Israeli officials on the partition of the blessed Mosque of Al-Aqsa, and seriously cautions against the foolhardiness of implementing the dangerous orders issued by the Israeli occupation authorities to their security forces to storm the Al-Aqsa mosque and stresses that such a step would form a blatant affront to the sentiments of Muslims and an open invitation to push the situation towards an overall explosion and to further bloodshed.

12. Appeals to the international community and the United Nations to intervene quickly and shoulder their responsibility for the implementation of the UN resolutions concerning the protection of civilians and holy places, and to put an end to the Israeli aggressions which fuel tension in the area and jeopardize international peace and security.

13 - Lays stress on pursuing the work and coordination with international and regional organizations for the implementation of the international resolutions and decisions, especially UNESCO and the Committee on Heritage, and in this context requests the General Secretariat, in cooperation with concerned regional and international organizations, to organize an international symposium on the preservation of the Islamic cultural and historic character of the Al-Quds Al-Sharif and the means of confronting the continued attempts of the Israeli occupation forces to alter the historic, demographic, cultural and religious landmarks of the holy city.

14 - Invites the Vatican, the Eastern Churches and other churches and Christian religious orders to take action to resist the judaization of the City of Al-Quds Al-Sharif, keen as they are to respect the spiritual dimension of all the religions, as a safeguard to peaceful coexistence amongst them, and in observance of Security Council resolution 242 of 22 November1967, demanding Israel to withdraw from all the Arab territories occupied in 1967, including the City of Al-Quds, along with the rest of the relevant Security Council resolutions. Also decides to invite those states which established diplomatic missions in Al-Quds to withdraw these missions. Furthermore, calls for extending support to the population of Al-Quds Al-Sharif in their resistance of judaization and their uprooting from their city.

15- Requests the General Secretariat to hold an international conference under the patronage of the chairmanship of Al-Quds Committee, on the necessity of the return of the Al-Quds Al-Sharif to the Palestinian sovereignty as a symbol of coexistence and peace and a cradle of Celestial Religions.

16 - Pays tribute to the laudable efforts exerted by the late King Hassan II to set up the Bait Maal Al-Quds Al-Sharif Agency and define its objectives as being the protection of the Holy City
and its Palestinian citizens. **Expresses its thanks** to his successor, His Majesty King Mohamed VI who, accorded the Agency, his sympathy and care, placed at its disposal generous means that made it possible for it to embark immediately on its activities under the best possible circumstances.

17- **Expresses** thanks to Member States of Al-Quds Committee who took the initiative of making donations in favor of the Agency, which was yet another reason why it managed to tackle without delay the execution of its housing, renovation and education projects; **calls upon** Member States to support the Agency and facilitate its mission with a view to mustering all its potentialities and using all the financial capabilities to contribute towards the achievement of its projects in Al-Quds Al-Sharif.

18- **Reiterates** the resolutions and decisions of the previous Islamic conferences affirming support for the City of Al-Quds Al-Sharif and fostering of the steadfastness of its people and calling for support as well to be extended to Bait Ma'al Al-Quds Al-Sharif and Al-Quds Fund.

19 - **Requests** the Secretary-General to follow-up the implementation of the present resolution and report thereon to the Thirty-first Session of the Islamic Conference of Foreign Ministers.

_The Thirtieth Session of the Islamic Conference of Foreign Ministers, held in Tehran (Session of Unity and Dignity), Islamic Republic of Iran, from 27 to 29 Rabi-ul-Awal, 1424H (28-30 May, 2003),_

**Having** considered the item titled "The Occupied Syrian Golan" and Israel's decision of 14-12-1981 to impose its laws, jurisdiction and administration on the Occupied Syrian Golan;

**Having reviewed** the repressive measures to which the Syrian citizens in the occupied Syrian Golan are being subjected and Israel's continued attempts to force them to accept Israeli identity;

**Recalling** the relevant resolutions of previous Islamic Conferences, particularly Resolution 3/29-P of the 29th Session of the Islamic Conference of Foreign Ministers held in Khartoum, Republic of the Sudan, and Resolution 3/9-P (IS) of the 9th Islamic Summit held in Doha, State of Qatar;

**Recalling** also Security Council Resolution 497 (1981) dated 17-12-1981 and the relevant UN General Assembly Resolutions, latest of which was the one adopted by the Fifty-fifth Session;

**Observing** that Israel, in contravention of Article 25 of the United Nations Charter, has refused to accept and implement the numerous relevant resolutions adopted by the Security
Council, in particular resolution 497 (1981) which considered null and void and with no legal consequence Israel’s decision to annex the occupied Syrian Golan;

**Deeply concerned** at Israel’s persistent attempts to defy the will of the international community and its reaffirmation of the annexation decisions considered null and void and illegitimate by the international community;

**Affirming** that the Geneva Convention on the Protection of Civilians in times of War (dated 12 August 1949) applies to the occupied Syrian Golan and that setting up settlements and bringing settlers to this area constitutes a violation of this Convention and destruction of the peace process;

**Affirming** the fundamental principle of the inadmissibility of acquisition of territories by force;

**Condemns** Israel’s non-compliance with the will of the international community by withdrawing from the occupied Syrian Golan which it occupies since 1967 contrary to the relevant resolutions of the UN Security Council and General Assembly as well as international law.

**Expressing** concern over Israel's destruction of the Peace Process which was launched by the Madrid Conference on the basis of the Security Council resolutions 242 and 338, as well as the peace-for-land formula and the risks resulting from Israel's reneging on the commitments and obligations reached,

1. **Lauds** the steadfastness of the Syrian Arab citizens in the Syrian Golan against the occupation and their valiant resistance to Israel's repressive measures and against the continued attempts to undermine their attachment to their land and to their Syrian Arab identity, and **declares** its support for this steadfastness.

2. **Strongly condemns** Israel for its failure to comply with Security Council Resolution 497 (1981) and **reaffirms** that Israel's decision to impose its laws, jurisdiction and administration on the Occupied Syrian Golan is illegal, null and void and has no legal validity whatsoever and that it constitutes a blatant violation of the UN Charter and its relevant resolutions and of the OIC Charter and resolutions as well as the Fourth Geneva Convention on the Protection of Civilians in times of war dated 12 August 1949 and relevant provisions of the Hague Conventions of 1899 and 1907, and the rules of international law, in particular the inadmissibility of acquisition of territory by force.

3. **Strongly condemns** Israel for its persistence in changing the legal status, demographic composition and institutional structure of the Occupied Syrian Golan, and for its policy and practices particularly confiscating lands, appropriating water resources, establishing and expanding settlements and transferring settlers and immigrants thereto, exploiting their natural resources and establishing projects on them, and imposing an economic boycott of the agricultural products of the local population and prohibiting their exportation.

4. **Strongly condemns also** Israel's attempts to impose Israeli nationality and identity cards on the Syrian Arab citizens, as these measures constitute a flagrant violation of the Universal
Declaration on Human Rights, the Geneva Convention on the Protection of Civilians in Times of War of 1949 and the relevant resolutions of the UN General Assembly and other international bodies.

5. **Condemns** repeated Israeli threats against Syria aiming at wrecking the peace process and escalating tension in the region.

6. **Reaffirms** that Israel’s continued occupation of the Syrian Golan since 1967 and its annexation of it on 14 December 1981 constitute a permanent threat to peace and security in the region.

7. **Reaffirms also** the right of the Syrian Arab Republic to recover its full sovereignty over the Occupied Golan.

8. **Demands** Israel to fully withdraw from all the occupied Syrian Golan to the line of the 4th of June 1967 in implementation of the relevant resolutions of the UN Security Council and to immediately begin demarcating that line.

9. **Also demands** Israel to fully respect all the foundations of the peace process as initiated in Madrid consistent with Security Council resolutions Nos. 242 and 338 and the “land for peace” formula and to abide by all the commitments and pledges reached so far.

10. **Demands anew** all states to stop providing Israel with any military, economic, financial, technological or humanitarian assistance that may extend Israeli occupation of Syrian Golan and encourage Israel to pursue its expansionist settlement policy.

11. **Requests** the co-sponsors of the peace process and the international community to assume their responsibilities and compel Israel to implement the resolutions of international legality calling for total Israeli withdrawal from the occupied Syrian Golan to the line of 4 June 1967 and from other occupied Arab lands, and to immediately start demarcating this line in order to achieve a durable and comprehensive peace in the region.

12. ** Declares** its support for the firm position of Syria in its commitment to a durable and comprehensive peace in the region.

13. **Requests** the Secretary General to follow up the implementation of this resolution, and to submit a report thereon to the Thirty-first Session of the Islamic Conference of Foreign Ministers.
RESOLUTION NO. 4/30-PAL
ON
ISRAEL’S CONTINUED OCCUPATION OF PARTS OF LEBANON
AND DETENTION OF LEBANESE CITIZENS IN ITS JAILS AND
DETENTION CAMPS

The Thirtieth Session of the Islamic Conference of Foreign Ministers (Session of Unity and Dignity),
held in Tehran, Islamic Republic of Iran, from 27 to 29 Rabi-ul-Awal, 1424H (28-30 May, 2003),

Commending anew the steadfastness of Lebanon and the valor of its national resistance in
achieving victory over the Israeli occupation forces and liberating most of its territories in the South
and Western Bekaa;

Recalling the resolutions of the Organization of the Islamic Conference on Islamic solidarity with
Lebanon to put an end to the Israeli occupation of Lebanese territories in the South and West Bekaa;

Noting Israel’s continued occupation of parts of Lebanese territories and positions along the
Lebanese borders, its incomplete withdrawal from all Lebanese territories back to the internationally
recognized borders in accordance with Security Council Resolution 425 (1978) and its continued
violation of Lebanese airspace and plundering of their waters and soil;

Deeply concerned at Israel’s continued, arbitrary detention of Lebanese citizens in Israeli prisons
and camps in flagrant violation of the Universal Declaration on Human Rights, the Fourth Geneva
Convention on the Protection of Civilians in Times of War of 1949, and the Hague Convention of
1907;

Noting with extreme concern and astonishment the ruling issued by the Israeli Supreme Court to
allow the Israeli authorities to keep the Lebanese detainees in Israeli jails as “hostages and a card for
compromise, and also to detain them without trial”;

Recalling as well the resolutions of the UN Human Rights Commission in Geneva on the
suffering of Lebanese citizens in Israeli jails who experience difficult health and humanitarian
conditions resulting in the death of a number of them;

Reaffirming Lebanon’s right to compensation for the losses in human life, material damages and
substantial economic losses it has sustained as a result of Israel’s repeated aggressions against
Lebanese citizens and infrastructure, and the ensuing damages and heavy loss of life and property;

1. Expresses anew its congratulations and appreciation to the Republic of Lebanon, its President,
Government and People and commends the valiant Lebanese resistance as well as the admirable
Lebanese steadfastness which repelled the Israeli forces from the South of Lebanon and the
Western Bekaa.
2. **Strongly condemns** Israel for its continued aggression against the Lebanese territories and its daily violations of the Lebanese sovereignty on the sea, land and airspace.

3. **Also strongly condemns** Israel for its continued occupation of positions on the internationally recognized Lebanese borders, and Lebanese territories, including the Shaba’a farms, in contravention of the provisions of Security Council resolution 425 (1978).

4. **Reaffirms** its commitment to Lebanon’s independence, sovereignty and territorial integrity within its internationally recognized borders and **supports** the position of the Lebanese government which insists on the necessity of ensuring the complete withdrawal of the Israeli forces from all Lebanese territories back to internationally recognized borders and of bringing them under Lebanese sovereignty. **Reaffirms** Lebanon’s right to recover every inch of its occupied territories and to reserve the right to resist Israeli occupation by all legitimate means until the liberation of all its territories including the Shabaa farms and **supports** Lebanon’s right to its waters in accordance with the International Law against Israeli avaricious designs.

5. **Supports** the Lebanese position calling for maintaining the number of international forces working in Southern Lebanon without decreasing it or changing the nature of their task, especially in the light of the continuing Israeli threats, aggressions, and violations of the sovereignty of the Lebanese territories, air space, and territorial waters and **mandates** the Islamic Group at the United Nations in New York to continue its efforts to mobilize support for the Lebanese position.

6. **Condemns** Israel for laying hundreds of thousands of mines in the Lebanese territories which it had occupied, and which caused, and continue to lead to the death to tens of victims as well as substantial material losses. **Requests** the international community to bring pressure to bear on Israel to hand over all maps of mines in Lebanon and **commends** the initiative of the State of the United Arab Emirates to remove these mines in cooperation and coordination with the Lebanese Government and the United Nations.

7. **Requests** the international community, judiciary and political bodies and Member States to condemn Israel and bring pressure to bear on it to give compensation to Lebanon for the damages caused by Israeli repeated aggressions against Lebanese territories since the establishment of the State of Israel.

8. **Also demands** the international community to take all necessary measures to compel Israel to immediately release all Lebanese prisoners and abductees detained in Israeli prisons in implementation of the provisions of international law and the Universal Declaration on Human Rights, the Fourth Geneva Convention of 1949, and the Hague Convention of 1907, and **urges** Member States and international organizations to exert pressure on Israel to allow representatives of the International Committee of the Red Cross and other humanitarian organizations to visit Lebanese detainees in Israeli prisons on a regular basis, report on their conditions, and provide them with health and humanitarian care. Requests the adoption of a decision by international organizations, especially, the UN Human Rights Commission to conduct enquiries, imposed by international conventions, into the death of Lebanese detainees in
9. **Reaffirms** the right of Palestinian refugees to return to their homes and **warns** that settling these refugees in Lebanon and not settling their cause on the basis of the resolutions of international legitimacy undermines the security and stability of the region and impedes the achievement of a durable and comprehensive peace therein.

10. **Considers** that the achievement of a durable and comprehensive peace in the Middle East is the appropriate way of achieving security and stability in the region. For this reason, it calls upon the international community, particularly the co-sponsors of the peace process – the United States and the Russian Federation – as well as the European Union to play a more effective role in ensuring the success of the settlement issue in accordance with the Madrid Terms of Reference and the decisions of international legality, particularly Resolutions 242, 338 and 425. **Considers also** that the liberation of Lebanon from Israeli occupation is a victory for Lebanon, and that it constitutes a part of the liberation of occupied Arab lands which will only be complete when the prompt and complete withdrawal from the occupied Syrian Golan, back to the 4th of June 1967 borders, is realized and by ensuring the inalienable rights of the Palestinian people including their right to return, rejecting their settlement outside their homeland, and establishing their independent state on their national territory with Al-Quds Al-Sharif as its capital.

11. **Mandates** the OIC Secretary General to follow up the implementation of this resolution and to submit a report thereon to the Thirty-first Session of the Islamic Conference of Foreign Ministers.

6. **Invites** the OIC member states which have already established, or started to take steps to establish relations with Israel in the framework of the Peace Process to sever these relations, including the closing of missions and offices, cutting economic ties and stopping all forms of normalization until Israel meticulously and genuinely implements UN resolutions on the Question of Palestine and Al-Quds Al-Sharif, and the Arab-Israeli Conflict, and until a just and comprehensive peace is established in the region.

7. **Requests** the Secretary-General to follow-up the implementation of the present resolution and report thereon to the Thirty-first Session of the Islamic Conference of Foreign Ministers.

9. **Expresses** its concern over the ongoing nuclear cooperation between the United States and Israel which could assist the latter to pursue its clandestine nuclear programmes and weapon activities threatening the international peace and security particularly in the Middle East.

10. **Welcomes** the initiatives of OIC Member States for the establishment of a Zone free from all weapons of mass destruction, notably nuclear weapons in the Middle East, within the framework of the United Nations, and **calls for** an early establishment of such a Zone. Recalling that the establishment of Nuclear Weapon Free Zones in various regions of the world is one of the measures which can most effectively guarantee the non-proliferation of nuclear weapons, as well as contribute to the total elimination of nuclear weapons and achievement of general and complete disarmament;

Convinced that the establishment of Nuclear-Weapon-Free-Zones in various regions will serve to protect the States of such regions against the threat or use of Nuclear Weapons and reaffirming the calls upon all States, particularly nuclear weapon States to demand Israel to cease its clandestine nuclear activities and to shut down its nuclear reactors, especially the Dimona Nuclear Reactor given the highly disturbing news on the increase of nuclear radiation leakage which may lead to an environmental disaster in the Middle East, in addition to nuclear threats it represents;

Expressing deep concern at the report of the UN Secretariat to the 2000 NPT Review Conference on implementing the resolution of the 1995 Review Conference of NPT on the Middle East which states that all States of the region, with the exception of Israel, are parties to the NPT.

IN AFRICA, THE MIDDLE EAST, CENTRAL ASIA
AND SOUTH EAST ASIA
Unity at its First Ordinary Session held in Cairo from 17 to 21 July 1964 on the necessity for establishing a nuclear-weapon-free zone in Africa;

**Warning** at the serious consequences arising from the fact that all states of the Middle East have become parties to the Non-proliferation treaty except Israel that has not joined the Treaty, has not placed its nuclear facilities under the IAEA comprehensive safeguard agreements and has not declared its intention to do so, and has continued its clandestine nuclear programmes and weapon activities;

**Recalling** as well, all relevant resolutions adopted by the United Nations General Assembly on this subject particularly Resolutions, 57/55, 56/17, 51/53 and 55/33 on the establishment of nuclear weapon free zones in the Middle East, Africa and South East Asia and Central Asia respectively;

**Noting** the successful conclusion of the signing ceremony of the African Nuclear Weapon Free Zones Treaty (Treaty of Pelindaba) that was held at Cairo on 11 April 1996;

1. **Urges** all States, especially nuclear weapon States to exert pressure on Israel to accede to the Nuclear Non-Proliferation Treaty and **calls on** the international community and the Security Council to compel Israel to comply with the relevant U.N. Resolutions, particularly Security Council Resolution 487(1981), to immediately implement the resolutions of the International Atomic Energy Agency (IAEA) calling for the subjection of all Israeli atomic facilities to the IAEA Comprehensive Safeguards System and to implement the resolution on the Middle East adopted by the 1995 NPT Review and Extension Conference as well as paras 1-9 of the resolution adopted by 2000 NPT Review Conference.

increasing possibility of nuclear radiation leakage out of it, which may lead to an environmental disaster in the Middle East.

3. Condemns Israel for not implementing the resolution on the Middle East adopted by the 1995 NPT Extension and Review Conference and reaffirmed by the 2000 NPT Review Conference and calls on the United Nations, the Permanent Members of the Security Council and the international community to take the necessary measures to avert the Israeli nuclear threat endangering the peoples of the region, which constitutes a serious violation of the UN objectives, particularly Article 51 of the Charter.

4. Calls for the total and complete prohibition of transfer of all nuclear related equipment, information, material and facilities, resources or devices and extension of assistance in the nuclear related scientific or technological fields to Israel. In this regard, they express their serious concern over the continuing development where by Israeli scientists are provided access to the nuclear facilities of one nuclear weapon state. This development will have potentially serious negative implications on the regional security as well as the reliability of the global non-proliferation regime.

5. Takes note of the initiative introduced by the Syrian Arab Republic at the UN Security Council in the month of Safar 1424H (April 2003) in favour of making the Middle East region a zone free of all weapons of mass-destruction particularly nuclear ones.

7. Requests the Security Council to obtain Israel's renunciation of nuclear weapons, and a full report on its stockpile and ammunition for the consideration of the Security Council and the International Atomic Energy Agency as those steps are essential for the establishment of a zone free from nuclear weapon and other weapons of mass destruction in the Middle East region, and are fundamental factor for a just and comprehensive peace in the region and calls upon Member States to strive to include again the item “Israeli nuclear capabilities and its dangers” on the agenda of the forthcoming General Conference of the IAEA.

**THE STRENGTHENING OF THE SECURITY OF NON-NUCLEAR WEAPON STATES AGAINST THE USE OR THREAT OF USE OF NUCLEAR WEAPONS**

_The Thirtieth Session of the Islamic Conference of Foreign Ministers (Session of Unity and Dignity), held in Tehran, Islamic Republic of Iran, from 27 to 29 Rabiul Awwal 1424H (28 to 30 May, 2003),_

- **Deeply** concerned over the existence of significant nuclear arsenals in the world which increase the possibility of the use or threat of use of nuclear weapons;

- **Taking into consideration** that it is imperative for the international community to develop effective measures to ensure the security of non-nuclear weapon states against the threat or use of nuclear weapons, whatever their origin;

- **Recalling** the advisory opinion of the International Court of Justice of 8 July 1996 on the legality of the threat or use of nuclear weapons in which it expresses that threat or use of nuclear weapons would generally be contrary to the Rules of international law applicable in armed conflict and in particular the principles and rules of Humanitarian Law;

- **Underlining** once again the unanimous conclusion of the International Court of Justice that there exists an obligation to pursue in good faith and bring to conclusion negotiations leading to nuclear disarmament in all its aspects under strict and effective international control;

- **Recognizing** that effective measures to protect non-nuclear weapon states against the use or threat of use of nuclear weapons may positively contribute to the non-proliferation of nuclear weapons and strengthen international peace and security;

- **Deeply concerned** over Israel’s arsenal of nuclear weapons and its threats and practices aimed at destroying the peaceful and defense capabilities of OIC Member States;

- **Also deeply concerned** about the Israeli threat of armed attack against peaceful nuclear installations of the OIC Member States;

- **Deeply convinced** that the most effective assurance for non-Nuclear States against the use or threat of use of nuclear weapons is the total elimination of all nuclear weapons;
Recalling the declaration and commitment therein made by nuclear-weapons-states to provide security assurances to non-nuclear weapons states in accordance with their obligations under the Non-Proliferation Treaty and other instruments;

Noting that nuclear weapons states have failed to provide credible assurances to non-nuclear weapon states against the use or threat of use of nuclear weapons;

Recalling all relevant resolutions adopted by the Islamic Conferences of Foreign Ministers, including Resolution 39/29-P of the 28th Session of the Islamic Conference of Foreign Ministers;

Recalling also the resolutions of the United Nations General Assembly as well as those issued by the Non-Aligned Movement on the need for assurances by nuclear powers to non-nuclear weapon states to the effect that they shall not resort to the use or threat of use of nuclear weapons against them;

Noting the unanimous adoption of Resolution No. 984 by the Security Council on 11 April, 1995 as well as the Declaration issued by the nuclear weapon States on positive and negative security assurances for the non-nuclear weapon States which are still inadequate to assure the non-Nuclear States against the use or threat of use of nuclear weapons;

Noting also the adoption of the Comprehensive Test Ban Treaty by the Special Session of the UN General Assembly on 10 September, 1996;

Expressing deep concern over the threat of use or use of nuclear weapons in general and against the OIC Member States in particular;

Also expressing deep concern over the recent nuclear posture review by a certain nuclear weapon state in which some Member States are threatened to be targets of special types of nuclear weapons;

1. Reiterates that the provisions for the use or threat of use of nuclear weapons against Non-Nuclear Weapon States is in contravention of the negative security assurances that have been provided by the Nuclear Weapon States. The development of new types of nuclear weapons is in contravention with the assurances provided by the Nuclear Weapons States at the time of the conclusion of the Comprehensive Nuclear Test Ban Treaty, which would prevent the improvement of existing nuclear weapons and development of new types of nuclear weapons.

2. Calls upon all States, including those Members of the Conference on Disarmament, particularly the nuclear weapon States, to work urgently towards a legally binding agreement on an international convention to assure unconditionally non-nuclear weapon States against the use or threat of use of nuclear weapons and to explore all additional means to provide effective assurances to Non-Nuclear Weapon States in the global or regional context. Pending the conclusion or such legally binding agreement, the nuclear weapon states should fully observe their existing obligations.
3. **Recommends** that the Islamic States make every effort at all international fora with a view to promoting the above-mentioned objectives aimed at strengthening the security of non-nuclear weapon States against the threat of use or use of nuclear weapons.

4. **Urges** the Conference on Disarmament to give specific priority among all issues on its agenda, to the early commencement of negotiations on nuclear disarmament.

5. **Requests** the Secretary General to follow up the developments in this respect and submit a report thereon to the Thirty-first Session of the Islamic Conference of Foreign Ministers.

Profoundly saddened by the high numbers of victims who have lost their lives or been injured or maimed by anti-personnel mines laid by the former colonial States in many of the developing
countries including OIC Member States, without providing, thus far, any charts containing the number and location of such mines, and without contributing, whether technically or materially to their clearance;

Taking note also of the decisions taken at the 1996 Review Conference of the States' Parties to the Convention on Prohibitions or Restrictions on use of Certain Conventional Weapons which may be deemed to be excessively Injurious or to Have Indiscriminate Effects, particularly with respect to amending Protocol II of the Convention; and also the subsequent outcome of the annual meetings of amended Protocol II;

The Thirtieth Session of the Islamic Conference of Foreign Ministers (Session of Unity and Dignity) held in Tehran, Islamic Republic of Iran from 27 to 29 Rabiul Awwal 1424H (28-30 May 2003);

**Recalling** the Resolution 51/39 dated 10 December 1995 of the United Nations General Assembly on the role of science and technology in the field of international security and disarmament as well as resolution No.43/9-E(IS) and No.3/29-ST respectively adopted by the Ninth Islamic Summit and the 29th Session of the Islamic Conference of Foreign Ministers;
Taking into consideration the strategy for Science and Technology Developments in Islamic Countries and its implementation mechanisms as prepared by ISESCO in collaboration with COMSTECH and approved by the Ninth Islamic Summit Conference held in Doha from 12 to 13 November 2000;

Considering that new scientific and technological developments, especially space technology and its applications have extensive and important impacts on the everyday life of all nations and would strengthen the socio-economic development of the Islamic Countries; and that in this respect the UN Third Conference on the Peaceful exploitation and utilization of the Extra-Atmospheric Space (UNISPACE-III) held from 17-30 July, 1999, has set the world general policy to enable the entire humanity to benefit from the possibilities offered by Space Science and Technology,

Considering the need to ensure an effective coordination between the activities carried out by OIC Organs and institutions in the field of Science and Technology in the best interest of the Joint Islamic Action on the subject.

Recognizing that the control regimes in the field of science and technology would increase the gap between developing and the developed countries and also recognizing that transfer of science and technology for peaceful purposes to the developing and Islamic Countries would effectively promote North - South relations;

Recalling the Final Declaration of the 11th Summit of the Non-Aligned Movement in Durban, South Africa, in September 1998 which inter-alia, the heads of States expressed that “the imposition of restrictions on the transfer of technology through Non-Transparent export control regimes with exclusive membership obstruct the socio-economic development of the developing countries”;

Bearing in mind the exclusive and discriminatory character of certain export control regimes which are in contravention with the legal obligations of the Nuclear States and advanced industrial nations parties to the Non-Proliferation Treaty, Biological Weapons Convention and Chemical Weapons Convention;

Emphasizing that multilaterally negotiated guidelines to regulate the transfer of the advanced technology, equipment and materials with dual use would contribute to strengthening international peace and security;

discriminatory guidelines on transfer of advanced technology, materials and equipment with dual use applications.

4. **Encourages** the relevant international organizations and agencies to facilitate the transfer of science and technology for peaceful purposes to the developing countries.

5. **Takes note** with satisfaction for the large scale participation of the OIC Member States in the Third U.N. Conference on the Peaceful Exploitation and Utilization of the Extra-Atmospheric Space (UNISPACE-III) held from 19-30 July 1999 in Vienna to study the appropriate ways and means to promote an effective cooperation between the OIC Member States in the field of Space Science and Technologies for a sustainable development.

6. **Requests** the Secretary General to examine the best way to ensure an effective coordination between the activities carried out by the various OIC organs and institutions in the field of Science and Technology in order to dynamize and harmonize the Joint Islamic Action on the subject.

**RESOLUTION NO. 10/30-S&T**

**ON**

**THE SIXTH AND SEVENTH CONFERENCES OF PARTIES TO THE UNITED NATIONS FRAMEWORK CONVENTION ON CLIMATE CHANGE (COP6)**

The Thirtieth Session of the Islamic Conference of Foreign Ministers (Session of Unity and Dignity) held in Tehran, Islamic Republic of Iran from 27 to 29 Rabiul Awwal 1424H (28 to 30 May 2003),

**Recalling** resolution 50/9E(IS) of the Ninth Summit, held in Doha, State of Qatar, from 16 to 17 Shaban 1421H (12 – 13 November 2000), and resolution No. 10/29-ST of the Twenty-ninth Session of the Islamic Conference of Foreign Ministers held in Khartoum, Republic of Sudan from 14 to 16 Rabiul Thani 1423H (25-27 June 2002),

**Taking note** of the surprising and preoccupying decision of the United States of America as to leaving the Kyoto Protocol on Climatic Changes after having signed it;
Expresses its deep concern for the questioning by the United States of America of the great accomplishment for the protection of the environment against the detrimental effects against green effects ensued by the Kyoto Protocol.

Expressing its concern for the deterioration of the world environment including increasing environmental pollution and the depletion of natural resources;

Reaffirming the right of every individual to enjoy a healthy unpolluted environment;

Noting the importance of the negotiations which took place during the Sixth and Seventh Conferences of Parties to the Framework on Convention Climate Change, as well as their impact on Islamic States;

1. Again, urges industrial countries to honour their obligations under the convention on Climate Change and the Kyoto Protocol.

2. Emphasizes the importance of effective participation of Islamic States in conferences and meetings related to the convention on Climate Change with delegations comprising specialists in all areas relevant to such conference.

3. Emphasizes the need to reiterate the demand for unanimity in adopting fundamental matters.

4. Emphasizes the need for the Eighth Conference of Parties to the Convention to adopt effective measures on implementing paras 8 and 9 of Article 4 of the Convention and Para 14 of Article 3 of the Kyoto Protocol with a mandatory and not optional status. To that end, it is necessary to adopt the following measures (which have been adopted by the G77 and China):

   (a) For industrial countries to restructure their tax systems to reflect levels of greenhouse effect for all sources of gas emission, in addition to abolishing assistance to a number of energy sources, such as coal in industrial countries.

   (b) For industrial countries not to encourage increased local and regional production of fossil fuels, including oil, as such increases in production would be at the expense of their related imports from our developing countries.

   (c) To remove all obstacles standing in the way of oil use and imports, particularly in the field of electrical energy generation.

   (d) To assist our developing countries, including those whose national revenues depend to a large extent on oil exports, to diversify their economies by encouraging investment, the transfer of modern technologies, and the compensation of developing
countries adversely affected by environmental policies adopted by industrial countries.

5. **Emphasizes** that the Conference of Parties to the Protocol should monitor the implementation by the industrial countries of these measures through an annual review of their national reports, which must cover progress made on the application of the above-mentioned points. This has been stipulated in Article 7 of the Protocol on reports and Article 8 on Report Reviews.

6. **Stresses** the need not to agree to an amalgamation of Paras 8 and 9 of Article 4 of the Agreement with para 14 of Article 3 of the Protocol into one resolution. The two resolutions must be kept separate because of the different nature of each of the Articles in terms of mandatory status and the responsibility of industrial countries described in Appendix I of the Agreement within the context of para 14 of Article 3; and because the process and mechanisms for implementing the agreement are different from those for implementing the Protocol.

7. **Emphasizes** the need not to subject developing countries to new obligations related to limiting their emissions, whether on a mandatory or voluntary basis and not to determine a time schedule for any negotiations regarding such obligations.

8. **Supports** the demands related to providing financial and technical assistance to developing countries and creating distinct funds for the purpose, in addition to existing financial means. It calls for a commitment from industrial countries to allocate specific financial sums to these funds on a regular basis.

9. **Calls** for the implementation of all the items in the 1998 Buenos Aires Plan of Action through effective, mandatory measures attached to each item.

10. **Requests** the Secretary General to take appropriate steps for the implementation of this recommendation and submit a report thereon to the Thirty-first Session of the Islamic Conference of Foreign Ministers.
