Permanent Mission of Lebanon to the United Nations
New York

No: 527/8/2004
New York, 1 April 2004

The Permanent Mission of Lebanon to the United Nations presents its compliments to the United Nations Department of Disarmament Affairs and, with reference to a number of letters from the Department, has the honour to transmit the comments of the Lebanese Governments concerning those letters, as follows:

1. Letter DDA/5-2004/NLDU dated 14 January 2004

   Lebanese legislation and laws prohibit the transfer of weapons and military equipment, goods and technologies, regardless of their intended use. The army consequently monitors and combats any such transfer. Furthermore, Lebanon neither produces nor possesses any dual-use weapons.

   The Permanent Mission of Lebanon takes this opportunity to express again to the United Nations Department for Disarmament Affairs the assurances of its highest consideration.
