Attachment to the Note Verbal dated 7 April 2009 sent by the
Permanent Mission of the State of Qatar (QUN/09/356)

There is a landmine treaty in Qatar, Article 17 (2) of the
Chemical weapons treaty, which states:

- Prohibits the transport of chemical weapons in a
  direct or indirect manner to any country.
  (Article 1 of paragraph 2).
- Prohibits the transport of chemical weapons that are
designated in the annex (Article 2) or are
certified as having been transported in the
annex (Article 2).
- Prohibits the transport of chemical weapons in the
annex (Article 3) or is certified by the authorities.
  (Paragraph 8 of Article 2).
- Prohibits the transport of chemical weapons in the
annex (Article 4) or is certified by the authorities.
  (Paragraph 3 of Article 2).
- Prohibits the transport of chemical weapons that are
  designated in the annex (Article 5).
  (Paragraph 4 of Article 2).

I was informed that there is a chemical weapons treaty in
Qatar, Article 17 (2) of the
Chemical weapons treaty, which states:

- Prohibits the transport of chemical weapons in a
  direct or indirect manner to any country.
  (Article 1 of paragraph 2).
- Prohibits the transport of chemical weapons that are
designated in the annex (Article 2) or are
certified as having been transported in the
annex (Article 2).
- Prohibits the transport of chemical weapons in the
annex (Article 3) or is certified by the authorities.
  (Paragraph 8 of Article 2).
- Prohibits the transport of chemical weapons in the
annex (Article 4) or is certified by the authorities.
  (Paragraph 3 of Article 2).
- Prohibits the transport of chemical weapons that are
  designated in the annex (Article 5).
  (Paragraph 4 of Article 2).
